

## OHS Participates in Healthcare Community Forum Hosted By The Torrington Area Health District

Please join the Office of Health Strategy (OHS) on Thursday, January 16<sup>th</sup> at a community forum hosted by The Torrington Area Health District. OHS community outreach staff will discuss the agency's mission as the statewide health strategy body, explain the Certificate of Need regulatory process and the state's online information portal, and answer questions related to the recent affiliation for Charlotte Hungerford Hospital and Hartford HealthCare Corporation. This is a great opportunity for community members to discuss healthcare issues facing the state and region, and to stay connected to healthcare system decision-making.

*All community members are invited to attend.*

**Thursday, January 16, 2020**  
**5:00 pm to 6:30 pm**

***Torrington Area Health District***  
***350 Main Street, Suite A***  
***Torrington, CT 06790-5000***
