Data Request Application Project Summary

Principal Investigator's Name and Title:	Jun Wang, Principal Data Scientist
Organization Name:	Archway Health Advisors, LLC
Description and Purpose of Project:	<p>Objectives:</p> <ul style="list-style-type: none"> • Understand what are the key drivers that lead to the high episode cost and quality variation among CT healthcare providers • Understand what the potential and achievable quality improvements are, if CT providers can align the performance with the best performers. • Understand what the potential saving opportunities are if CT providers can improve the quality performance to align with the best performers • Create provider performance benchmarks to identify best performers and help CT providers build high-value, low cost physician networks and prioritize efforts to promote high-value care with limited resources.
Disposition of Application:	

Executive Session

(if applicable)

Pursuant to CGS § 1-200(6)(C): Matters Concerning Security Strategy or the Deployment of Security Personnel, or Devices Affecting Public Security

In Zoom, Public attendees will be placed into a waiting room during this time, then will be re-admitted once the executive session has adjourned.
