# OHS Staff Resources

- OHS has devoted 5 staff resources to manage CT's APCD program:
  - *Adrian Texidor, HIT Program Manager*
  - *Olga Armah, Research Team Supervisor*
  - *Joseph Rus, IT Analyst*
  - *Chris Wyvill, IT Analyst*
  - *Tina Kumar, Stakeholder Engagement*

# Adrian Texidor

- *Adrian will...*
  - manage and oversee our relationship with OnPoint which includes contract oversight and vendor management,
  - direct the flow of internal and external data requests,
  - help prioritize data requests,
  - and provide programmatic support to the APCD Advisory Group and Data Release Committee.

# Olga Armah

- *Olga will...*
  - use APCD data to help shape OHS's data-driven policy decisions and to carry out OHS statutory mandates including but not limited to:
    - facility fee trends analyses;
    - identifying prescription drugs that have significant cost impact on state budget;
    - and to monitor healthcare costs with a view towards developing cost –containment strategies.

# Joseph Rus

- *Joseph will...*
  - perform all activities relative to external data extracts. These activities include developing SQL queries that deidentify APCD data prior to data delivery, and
  - in the long term, automate OHS's data query system.

# Chris Wyvill

- *Chris Wyvill will...*
  - review external data release applications to ensure that each applicant has the necessary privacy and security protocols in place to properly house deidentified APCD data.

# Tina Kumar

- *Tina will...*
  - provide Stakeholder engagement support for the APCD meetings. These activities include general support for the APCD Advisory Group and its subcommittees.

# Update on Existing Data
