CGS §17b-59d(g) and **CGS §17b-59e(d)** authorize OHS to adopt policy, procedures, and regulations.

- The HIE Regulatory Advisory Subcommittee (RAS) was approved by a vote of Health Information Technology Advisory Council (HITAC) members at the June 15, 2023, Council meeting.
 - Purpose: to provide recommendations and feedback to HITAC and the HITO regarding administrative rules, polices, contractual terms and conditions, and other components of a regulatory framework pertaining to Connecticut’s Statewide HIE.

- to support the OHS executive director in the propagation of rules and policies to support CT's HIE and all participants in HIE's services, allowing effective implementation of CGA statutes for health information exchange, codified in **CGS § 17b-59a-f**.
- RAS will hold meetings to discuss regulation concepts to gather sufficient feedback to draft policies and procedures. The meeting cycle will repeat through the public comment period, estimated for September. Information obtained from interested stakeholders during the 30-day public comment period will be digested and incorporated during the remaining anticipated meetings.
