Office Of Health Reform & Innovation

Presentation to the Health Care Cabinet

July 10, 2012

Update on Key Accomplishments and Activities

- ❑ Final legislation creates a strong foundation upon which to build an APCD that will initially support the Exchange and can be built out to support a wide range of stakeholders in their efforts to improve quality, access and affordability of health care
- ❑ Engaged Freedman Healthcare to assist in critical implementation activities
- ❑ Funding Update
- ❑ Regulations
 - Will address data submission by Reporting Entities and data release
 - Obtaining feedback on draft regulations prior to initiating formal regulatory process
 - Timeline for formal regulatory process

Cont.

- ❑ Detailed data submission guide will supplement regulations
- ❑ Data Management Vendor
 - ❑ Will be seeking a single vendor that can provide both data intake and warehousing as well as data analytics services
 - ❑ Will be responsible for reports and data production
 - ❑ Have engaged DAS, and Freedman is helping draft RFP specifications
- ❑ Internal Staff
