RE: Certificate of Need Determination under Report Number 09-31427-DTR
Temporary Relocation of Hill Central School-Based Health Center within New Haven

Dear Ms. Holmes:

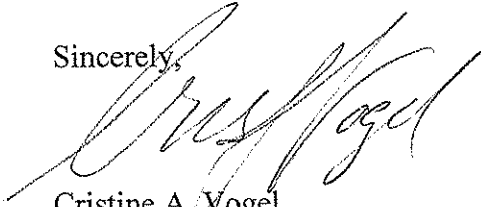

On July 14, 2009, the Office of Health Care Access ("OHCA") received your letter regarding the temporary relocation of the Hill Central School-Based Health Center from 140 Dewitt Street to 375 Quinnipiac Avenue and 460 Lexington Avenue in New Haven, Connecticut. OHCA has reviewed this matter and makes the following findings:

1. Cornell Scott Hill Health Corporation ("CSHHC") is a private, non-profit, Federally Qualified Health Center ("FQHC") located at 400 Columbus Avenue in New Haven, Connecticut.
2. CSHHC proposes to temporarily relocate its Hill Central School-Based Health Center ("HCSBHC") from 140 Dewitt Street to 375 Quinnipiac Avenue and 460 Lexington Avenue during the construction of a new school being built at 140 Dewitt Street.
3. There is no capital expenditure associated with this proposal.

Based upon the above findings, OHCA determines that CSHHC's proposal to temporarily relocate its Hill Central School-Based Health Center during the construction of a new school will not result in a change in the type of services provided or in the termination an existing function or service. Additionally, there is no capital expenditure associated with this proposal. Therefore, a CON is not required pursuant to General Statutes §§ 19a-638 and 19a-639.

Thank you for advising OHCA of your plans. If you have any questions concerning this letter, please contact Melanie Dillon, OHCA Staff Attorney at (860) 418-7060.

Sincerely,

A handwritten signature in cursive script, appearing to read "Cristine A. Vogel".
