RE: Certificate of Need, Report No. 13-31816-DTR
Midwestern Connecticut Council of Alcoholism, Inc.
Proposal to Relocate Trinity Glen Women's Program

Dear Mr. Sullivan:

On January 10, 2013, the Office of Health Care Access ("OHCA") received your Certificate of Need ("CON") determination request on behalf of Midwestern Connecticut Council of Alcoholism, Inc. ("MCCA") with respect to whether a CON is required to relocate the women's program of Trinity Glen from Sharon, Connecticut to Kent, Connecticut.

MCCA currently provides residential care at Trinity Glen, a facility for the care and treatment of substance abusive or dependent men and women. Trinity Glen is located at 149 Cornwall Rd., Sharon, Connecticut. MCCA proposes to relocate the women's services at Trinity Glen to a facility located at 62-64 Kent Cornwall Rd., Kent, Connecticut.

The State of Connecticut Department of Mental Health and Addiction Services ("DMHAS") provides funding to MCCA under a contract through the Behavioral Health Recovery Program. The Behavioral Health Recovery Program is administered by the State of Connecticut to provide eligible participants with clinical and basic recovery support services. Additional funding is provided through DMHAS under a consolidated contract with the Court Support Services Division of the State of Connecticut Judicial Branch.

Based upon the foregoing, OHCA concludes that a CON *is not required* for MCCA to relocate its women's services to the new location in Kent pursuant to General Statute § 19a-638(b)(14) as MCCA is a non-profit provider funded by a state agency.

Thank you for informing OHCA of your plans and if you have any questions regarding this letter, please contact Laurie K. Greci, Associate Research Analyst, at (860) 418-7032.

Sincerely,

Kimberly R. Martone
Director of Operations, OHCA
