RE: Certificate of Need Application / Docket Number: 19-32311-CON
HHC Plainfield Surgery Center, LLC
Ruling on Remand

ORDER

The Intervenor relies upon Connecticut General Statutes (“C.G.S.”) § 4-181a for the submission of its “Petition for Reconsideration.” This section only applies to final decisions. However, the Intervenor is requesting reconsideration of a Ruling on Remand. Accordingly, the Intervenor cannot request reconsideration pursuant to C.G.S. § 4-181a.

Even if the Intervenor could file a petition for reconsideration, the petition would be denied. The Applicant has failed to demonstrate that any of the three criteria set forth in C.G.S. § 4-181a(a) are met.

For the foregoing reasons, the “Petition for Reconsideration” and the relief requested therein are **DENIED**.

So ordered,

Alicia J. Novi
Hearing Officer
