SECTION 1: Use of Grant Funds.

The Grantee agrees to expend the grant funds awarded pursuant to this grant agreement ("Agreement") for allowable purposes only and to comply with all of the terms and conditions of the grant award, as may be amended, and any related documents that set forth its obligations as Grantee.

The Grantor shall only disburse grant funds to the Grantee for purchases in accordance with the approved budget and received by the Grantee between the grant award start date and the grant award end date, unless prior written approval has been provided to the Grantee from the Grantor which states otherwise.

If a Grantee is required to provide a match in accordance with the grant award, only those purchases received by the Grantee between the grant award start date and the grant award end date in accordance with the approved match budget and paid by the Grantee no later than sixty (60) days after the grant award end date shall be counted toward the Grantee's required match, unless prior written approval has been provided to the Grantee from the Grantor which states otherwise. The Grantor shall withhold disbursement of grant funds to the Grantee equivalent to the remaining match requirement until the Grantee has met its required match.

The Grantee shall submit requests for grant funds to the Grantor in the format approved by the Grantor. The deadline to submit requests to the Grantor for grant funds is ninety (90) days after the grant award end date.

SECTION 2: Assignment.

The Grantee shall not assign any of its rights or obligations under the Grant, voluntarily or otherwise, in any manner without the prior written consent of Grantor. Grantor may void any purported assignment in violation of this Section and declare the Grantee in breach of contract. Any termination by Grantor for a breach is without prejudice to Grantor's or the State's rights or possible claims.

SECTION 3: Fiscal Control.

The Grantee shall maintain accounting records and establish policies and provide procedures to assure sound fiscal control, effective management, and efficient use of grant funds. The Grantee shall establish fiscal control and accounting procedures to assure proper disbursement of, and accounting for, grant funds. Accounting procedures must provide for the accurate and timely recording of receipt of funds by source, expenditures made from such funds, and unexpended balances. Controls must be adequate to ensure that expenditures charged to grant activities are made for allowable purposes only.

SECTION 4: Retention of Records and Records Accessibility.

4.1 All grant-funded activities performed by the Grantee, its subcontractors and its subgrantees shall be subject to the inspection and approval of Grantor at all times, and Grantee shall furnish all information concerning the grant-funded activities. Grantor or its representatives shall have the right, at reasonable hours, to inspect or examine the part of the plant or place of business or any books, records, and other documents of Grantee or its subcontractors or subgrantees pertaining to work performed under this Agreement and shall allow such representatives free access to any and all such plants, places of business, books and records. Grantor or its representatives will give the Grantee and its subcontractors and subgrantees at least twenty-four (24) hours' notice of such intended examination. Notwithstanding the foregoing, if the State suspects fraud or other abuse, or in the event of an emergency, the State is not obligated to provide any prior notice. At Grantor's request, the Grantee and subcontractors and subgrantees shall provide Grantor with hard copies or an electronic format of any data or information in the possession

Effective Date: October 1, 2025

4.2 The Grantee shall retain and maintain accurate records and documents relating to performance of activities under this Agreement for a minimum of six (6) years for municipalities and Regional Councils of Government ("COG"), and three (3) years for all other grantees starting from the date of submission of the final report with the following qualifications and shall make them available for inspection and audit by Grantor its representative:

- a. If any litigation, claim or audit is started before the expiration date of the three-year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved; and
- b. Records for the purchase of equipment (i.e., non-expendable, tangible personal property) acquired with grant funds shall be retained for three years after the final disposition of said property.

4.3 Any subcontractor or subgrantee under this Agreement shall retain and maintain accurate records and documents relating to performance of activities under this Agreement for a minimum of six (6) years for subgrantees contracted under a municipal or COG grant and three (3) years for all other grantees from the expiration of the subcontract or subgrant and shall make them available for inspection and audit by Grantor or its representative. The Grantee must incorporate this paragraph verbatim into any agreement it enters into with any subcontractor or subgrantee providing services and/or conducting activities under this Agreement.

SECTION 5: Insurance.

Grantee shall carry and maintain at all times during the Term of this Agreement, and during the time that any provisions survive the Term of this Agreement, sufficient commercial general liability insurance to satisfy its obligations under this Agreement. Grantee shall name the State as an additional insured on the policy and shall provide a copy of the certificate of Insurance to Grantor prior to the Effective Date of this Agreement. Grantee shall not begin Performance until the delivery of the policy to Grantor. The State shall be entitled to recover under the insurance policy even if a body of competent jurisdiction determines that the Agency or the State was contributorily negligent.

SECTION 6: Conflict of Interest.

No person who is an officer, employee, consultant or review board member of the Grantee shall participate in the selection, award or administration of a contract, subcontract, or subgrant or in the selection and supervision of an employee if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when the officer, employee, consultant, review board member or any member of his/her immediate family, his/her partner, or an organization which employs, or is about to employ any of the above, has a financial interest in the entity or firm selected for the contract, subcontract, or subgrant or when the individual employee is related to any of the foregoing persons.

SECTION 7: Reports.

The Grantee shall submit such reports as Grantor shall reasonably request and shall comply with all provisions regarding the submission of such reports as set forth in the Statement of Work ("SOW"), or as may be required by Grantor. Reports may include, but not be limited to, revised project narratives, revised budgets and budget narratives, progress reports, financial reports, cash requests, Grantee affirmative action packets, and subgrantee packets and budgets. Cash requests may be withheld by Grantor until complete and timely reports are received and approved.

SECTION 8: Funding Limitation.

Funding of this project in no way obligates Grantor to fund the project in excess of this Agreement, beyond the period of this grant, or in future years.

SECTION 9: Audits.

9.1 In accordance with the following conditions, the Grantee agrees to have conducted audits of each of the fiscal years included in the period of this Agreement and any amendments thereto.

9.2 If the Grantee meets the requirements of the State Single Audit Act, §§ 4-230 through 4-236, as amended, of the Connecticut General Statutes, the Grantee's independent auditor is required to submit
Effective Date: October 1, 2025

a State Single Audit Report to OPM. Connecticut General Statutes § 4-231 requires those non-state entities which expended a total amount of State Financial Assistance equal to or in excess of \$500,000 in any fiscal year beginning on or after July 1, 2024, shall have either a single audit or a program-specific audit conducted for such fiscal year. A program-specific audit may be conducted if the Grantee received State Financial Assistance from Grantor for this Agreement and it is the only State Financial Assistance that the Grantee has expended during its fiscal year. The State Single Audit Report or Program-Specific Audit Report, including the management letter and corrective action plan, if applicable, should be uploaded by the Grantee's independent auditor to OPM's Electronic Audit Reporting System ("EARS") website no later than six months after the end of the audit period. The Grantee shall submit one hard copy of the State Single Audit Report or Program-Specific Audit Report, including the management letter and corrective action plan, if applicable, to the OPM Office of Finance no later than six months after the end of the audit period. The Grantee shall also submit Form DE-2017 Supplement to the Audit Report, Detail of OPM Expenditures to the Grantor Business Office by email no later than 3 months after the end of the audit period.

A program-specific audit may be conducted if the Grantee expended Financial Assistance under only one federal program during its fiscal year. For audit purposes, State or grantee match funds, as identified on the Notice of Grant Award, are subject to the same requirements as the federal monies. OMB Circular A-133 requires that the audit report be submitted to the Federal Audit Clearinghouse by the earlier of 30 days after the date of receipt of the auditor's report(s), or 9 months after the end of the audit period.

SECTION 10: Unexpended Funds and or Disallowed Costs.

If project costs are less than the Agreement, and or any project costs have been disallowed, the Grantee agrees to return or forfeit the unexpended/disallowed funds to Grantor no later than sixty (60) days following the end date of the Grant.

SECTION 11: Grant Extensions.

If permissible, pursuant to the provisions of the relevant grant program, Grantee may seek an extension of the grant term to secure more time (i) to finish a project or (ii) expend grant funds. It is the Grantee's responsibility to request an extension in writing to the Secretary of the Office of Policy and Management not later than 45 days prior to the Agreement's end date. Such requests will be considered on a case-by-case basis and decisions will be made at the sole discretion of the Secretary or designee. Requests for extensions submitted later than the last 45 days prior to the Agreement's end date may be denied. No extensions to the end date of a grant will be made if a grant's end date has already passed.

SECTION 12: Termination or Reduction for State's Best Interest and Default.

Grantor has the right to terminate or reduce a grant. Such reasons to reduce or terminate a grant award may include, but are not limited to, cancellation, revocation, elimination, abandonment, cessation or termination of the underlying federal award by the original awarding federal agency, or if the Grantee cancels, suspends or significantly changes the scope and activities of a funded project; fails to progress in fulfilling objective(s) of the grant award; fails to comply with the terms of the grant award; owes a final or any past due reports for a previously received Grantor grant; is unable to raise the required match; announces or takes steps to dissolve its business and or demonstrates inadequate financial or overall governance management or oversight.

SECTION 14: Executive Orders and Other Enactments.

14.1 All references in this Agreement to any Federal, State, or local law, statute, public or special act, executive order, ordinance, regulation or code (collectively, "Enactments") shall mean Enactments that apply to the Agreement at any time during its term, or that may be made applicable to the Agreement during its term. This Agreement shall always be read and interpreted in accordance with the latest applicable wording and requirements of the Enactments. Unless otherwise provided by Enactments, the Grantee is not relieved of its obligation to perform under this Agreement if it chooses to contest the applicability of the Enactments or Grantor's authority to require compliance with the Enactments.

14.2 This Agreement is subject to the provisions of Executive Order No. Three of Governor Thomas J. Meskill, promulgated June 16, 1971, concerning labor employment practices, Executive Order No. Seventeen of Governor Thomas J. Jodi Rell, promulgated April 17, 2006, concerning procurement of cleaning products and services; (2) Executive Order No. 61 of Governor Dannel P. Malloy promulgated December 13, 2017 concerning the Policy for the Management of State Information Technology Projects, as issued by the Office of Policy and Management, Policy ID IT-SDLC-17-04. If any of the Executive Orders referenced in this subsection is applicable, it is deemed to be incorporated into and made a part of this Agreement as if fully set forth in it.

SECTION 15: Americans with Disabilities Act.

This Section applies to those grantees, which are or will become responsible for compliance with the terms of the Americans with Disabilities Act, 42 U.S.C. §§12101 et seq, during the grant award period. The Grantee represents that it is familiar with the terms of this Act and that it is in compliance with the law. Failure of the Grantee to satisfy this standard either now or during the period of the Agreement, as it may be amended, will render the grant voidable at the option of Grantor upon notice to the Grantee. The Grantee warrants that it will hold Grantor and the State harmless from any liability, which may be imposed upon Grantor or the State, or both, as a result of any failure of the Grantee to be in compliance with this Act.

SECTION 16: Independent Contractor.

The Grantee shall act as an independent contractor in performing this Agreement, maintaining complete control over its employees and all of its subcontractors. SECTION 18: Non-Supplanting.

18.1 If the Grantee receives any federal funds in this Agreement as identified on the Notice of Grant Award, the Grantee agrees that these grant funds will be used to supplement and increase, but not supplant, the level of state, local, private and federal funds that would, otherwise, be made available for this project and to serve this target population and will in no event replace such state, local, private and federal funds.

18.2 The Grantee shall not use state funds conveyed by the Agreement to supplant any local funds, if a municipality, or other state funds, if a state agency, which were budgeted for purposes analogous to that of the state grant funds. Grantor may waive this provision upon request and for good cause shown,

when it is satisfied that the reduction in local funds or other state funds, as the case may be, is due to circumstances not related to the Agreement.

SECTION 19: Additional Federal Conditions.

If the Grantee receives any federal funds in this Agreement as identified on the Notice of Grant Award, the Grantee agrees to comply with the attached Additional Federal Conditions which have been issued by the federal grantor agency to Grantor and which are, hereby, made a part of this Grant Award.
