Re: **SolarCity Corporation – Petition for Declaratory Ruling for the Construction and Operation of a Solar Photovoltaic Electric Generating Facility at 7 Grace Way, North Canaan, Connecticut**

Dear Sir/Madam:

This firm represents SolarCity Corporation (“SolarCity”). Pursuant to the requirements of Connecticut General Statutes § 16-50j(b), and Section 16-50j-40 of the Regulations of Connecticut State Agencies, notice is hereby provided that SolarCity intends to construct and operate an approximately 2.8 MW solar photovoltaic electric generating facility on a portion of the Becton, Dickinson & Company property at 7 Grace Way in North Canaan, Connecticut.

The solar facility will consist of two ground-mounted solar arrays and one roof-mounted solar array. An Existing Conditions Map (aerial photograph) is attached showing the location of the proposed improvements. The SolarCity Petition for Declaratory Ruling will be filed with the Connecticut Siting Council on or about June 15, 2016.

You are receiving this notice because you are listed as an owner of property that abuts the parcel on which the proposed solar generating facility is to be located. If you have any questions regarding this Petition please contact me or the Siting Council directly at (860) 827-2935.

Sincerely,

Kenneth C. Baldwin
