**Agency Legislative Proposal – 2024 Session**

**Document Name: Outdated and Technical Change to DSS Statutes**

**SECTION-BY-SECTION SUMMARY**

*Summarize sections in groups where appropriate*

Section 1: 17b-606 - Subsection (a) of the statute appoints DSS as the lead agency for services to persons with physical or mental disabilities, and subsection (b) requires DSS to convene a “Connecticut Council for Persons with Disabilities” not later than September 30, 1988. DSS is no longer the lead agency for services to persons with physical or mental disabilities, and the council is no longer actively meeting. Therefore, DSS is seeking repeal of these subsections.

Sections 2-4: CGS 17b-340d(a)(11); 17b-340(h)(1) and 17b-340(i) - These provisions are being amended to make a technical correction concerning the date relevant for inflation computations. The statute currently reflects that the rate of inflation shall be computed by comparing the most recent rate year to the average of the gross domestic product deflator for the previous four fiscal quarters ending April thirtieth. However, the relevant fiscal quarter actually ends on March thirty-first, not April thirtieth.

Section 5: Would update appeal processes to remove the concept of an appeal to an arbitration panel and replace with appeal to Superior Court;

Section 6: Would update appeal processes to remove the concept of an appeal to an arbitration panel and replace with appeal to Superior Court to align with Section 5 of this proposal and typical agency practice.

<b>State</b>	<b>There is the possibility of a minor fiscal savings to removal of the arbitration panel. In the recent Fair Haven matter, there was a \$15,000 PSA executed for the arbitrator DSS was responsible for appointing.
