	Total	\$ 60,051,770.93	\$ 3.94	\$ 61,378.94	\$ 122,757.88	\$ 564,723.05	\$ 1,736,503.11	\$ 2,301,226.16

Responses**Salary & Financial impact**

Federal Grants awarded to DAG covers salary for 3.94 employees. If there is a federal shut down, we would not be able to request reimbursements.

The two weeks impact would be approximately \$61K, one month \$122K, and three months \$2.3M.

Program and services impacted | Any change reduction in services | Any funding reduction by program | Proposed method to deal with cut back

DoAg will continue to operate as normal until we are instructed otherwise
