**Note:**

- Typically, consideration for this exercise is primarily focused on personnel and contractual activities. Other planned activities critical to the kick off of the grant year may be considered if identified by the program.
- The evaluation process is often made for a 30-day period. Prolonged shutdown may necessitate a different consideration.
- Other than the grants listed above, the department has received awards for other grants starting 9/30/2025 and 10/1/2025 including the CT Lead Testing in Schools, WISEWOMAN, Lead Poisoning Prevention and Control, Asbestos (AHERA), Connecticut Maternal Mortality Review, Public Health Programs to Address Alzheimer's, Sudden Infant Death (SUID) Prevention, Beach Monitoring grant, Public Water Systems Surveillance, Drinking Water State Revolving Fund (DWSRF) grant.
- During a shutdown, the department is able to drawdown expended funds if the federal payment management systems are available.
