Title of Proposal: AAC Leasing of Military Department Facilities

Statutory Reference: 27-39

Proposal Summary:

To authorize the Adjutant General to lease military facilities to members of the armed forces of the state for ceremonies to recognize their own significant military career events.

EFFECTIVE DATE: July 1, 2019

PROPOSAL BACKGROUND

◊ Reason for Proposal

Please consider the following, if applicable:

- (1) *Have there been changes in federal/state/local laws and regulations that make this legislation necessary?*
- (2) *Has this proposal or something similar been implemented in other states? If yes, what is the outcome(s)?*
- (3) *Have certain constituencies called for this action?*
- (4) *What would happen if this was not enacted in law this session?*

Current statutory provisions do not allow for members of the state armed forces to lease military facilities for ceremonies that mark significant military career events. Many members desire to lease military facilities for these purposes. This authorization is consistent with the benefits provided to members of the armed forces serving on active duty (e.g., to use the post chapel for a wedding). The Adjutant General requests this authorization in order to provide a nominal benefit to members for their service which places them on parity with their active duty counterparts, and as a recruiting and retention incentive.

Current statutory provisions pertaining to the Connecticut State Guard require revision to clarify the Governor's authority with respect to the Connecticut State Guard, its organization and use. At least 22 states currently have volunteer state guards. The Military Department's 2012-2013 audit report and subsequent Formal Opinion of the Attorney General (2017-09) indicated that revision of the current statute would best serve the interests of the state and Military Department.
