SUBJECT: FINANCE ADVISORY COMMITTEE (FAC) MEETING SCHEDULE – FY 2025

Section 4-87 of the General Statutes addresses the process for transfer and revision of appropriations. For FY 2025, however, Section 4 of Public Act 24-81 (House Bill 5523) adjusts the thresholds described in CGS Sec. 4-87 by requiring transfers to or from any specific appropriation of a sum or sums in any one fiscal year of over \$350,000 or twenty-five percent of any specific appropriation, whichever is less, to receive approval of the Finance Advisory Committee.

Section 4-93 of the General Statutes requires that the legislative members of the FAC and the Office of Fiscal Analysis be furnished an agenda for each meeting at least seven calendar days prior to the meeting. In order to meet this statutory mandate, all requests for FAC action must be received by OPM in sufficient time for analysis and action. The schedule for FAC meetings for Fiscal Year 2025 and the dates by which requests must be received by OPM are provided below for your information and guidance.

Table with 2 columns: FAC Meeting Date and Received by OPM. Lists dates from July 2024 to June 2025.

Note that the meeting format and location will be announced prior to each meeting and may be impacted by the availability of meeting space as well as any directives or orders affecting public meetings. Meetings may be held virtually or remotely as may be necessary to ensure public health and safety.
