GUIDE TO TODAY'S PRESENTATION

Byrne SCIP Program Plan Final Review

2023 Byrne JAG Strategic Plan Overview

THE BYRNE JAG PROGRAM SUPPORTS DIVERSE CRIMINAL JUSTICE SYSTEM IMPROVEMENTS TAILORED TO JURISDICTIONAL NEEDS.

- The Byrne JAG program is a federal initiative supporting state, local, territorial, and tribal law enforcement agencies across the US.
 - Between 2005 and 2022, the Byrne JAG Program awarded more than 22,000 grants that total more than \$7 billion, including \$272 million in 2022.
- A State Administering Agency (SAA) manages Byrne JAG in each jurisdiction
 - In Connecticut, the Office of Policy and Management (OPM) is the SAA.
- Byrne JAG is designed to be flexible, enabling jurisdictions to use the funding to address needs, fill gaps, test and replicate evidence-based practices, and spur innovation.

Examples of allowable uses of Byrne JAG funds:

■ Technical assistance	■ Equipment
■ Strategic planning	■ Forensic laboratories
■ Research and evaluation	■ Supplies
■ Data collection	■ Contractual support
■ Training	■ Criminal justice information systems
■ Personnel	

SAAs verify allowable expenses by following US DOJ guidance, including reviewing published guidance and through direct contact with staff.

BYRNE JAG BIG-PICTURE OVERVIEW

- Connecticut and 7 other states with previously withheld 2016-2020 Byrne JAG funds have prioritized spending down accumulated funds before more recent federal awards.
- Meanwhile, in annual Byrne JAG solicitations, states are required to submit a new strategic plan or an updated one annually.
- Because of the prioritization of withheld funds, Connecticut's 2023 Byrne JAG strategic plan applies for federal funding that is not anticipated to be spent for several more years.

Byrne JAG Expenditure Timeline, Estimated and Projected, 2017–2025

- The Byrne JAG strategic plan, as drafted, retains flexibility, enabling revisions closer to the date of expenditure to better capture dynamic, emerging issues impacting the criminal justice system.
- *Reminder* Connecticut's current Byrne JAG grant opportunity is live, and proposals are being reviewed on a rolling basis, with notice on first-round proposals expected to be sent by the end of August.

Byrne JAG Grant Years	Estimated Expenditure Period	Total Award
2017 – 2019	2022 – 2024/25	\$4.9M
