Allowable Projects and Costs **Use of Funds:**

- Enhance community safety and improve the quality of life.
- Build local level capacity to prevent crime and reduce violence.
- Develop, install or expand communication systems to support public safety.
- Build partnerships among law enforcement and community-based organizations to educate the public and engage community members in prevention.
- Improve traffic safety and control: signage, barriers, lights, radar guns and speed trailers.
- Vandalism Prevention: security systems, lighting systems for town-owned buildings and properties such as public works garages, recreation spaces and buildings, parks and office buildings.
- Improve or enhance the administration and operations of the local law enforcement functions.
- Increase capacity to implement a “community policing” model.
- Improve traffic control and increase road safety.
- Improve or expand law enforcement initiatives to increase apprehension of offenders.
- Develop, train or expand specialized units of law enforcement officers to respond to specific community safety needs.
- Create, enhance or expand multi-jurisdictional drug task force.
- Improve or enhance the sharing of information within the criminal justice system.
- Develop or expand data collection systems to link law enforcement agencies with other criminal justice agencies.
- Support the replication of promising strategies to prevent youth violence, community violence, gang activity and drug-related crime.
- Develop and distribute multi-media crime prevention materials to the community members and community based providers.
- Expand or enhance specialized prevention services for youth that promote healthy and positive behaviors; including alternative recreation programs, academic enrichment; mentoring; substance abuse services; life skills development and job training.
- Expand or enhance specialized “aftercare” services or addiction treatment services for youth recently released from a juvenile justice program or a juvenile detention facility.
- Improve or enhance the administration and operations of programs that supervise and monitor offenders in the community;
- Expand or improve offender community reentry initiatives.
- Address the issue of justice system and mental health needs through training and technical assistance.
- Support greater collaboration between law enforcement and correctional system personnel for purposes of reducing crime and managing offender populations.

Allowable Projects and Costs

Administrative Expenses :

- Grantees may use up to **10 percent** of the award for costs associated with administering JAG funds. Grantees must use good judgment.
- Grantees cannot report administrative or incidental costs paid for by non-Recovery Act funds in a way that it would make these costs look like Recovery Act funds.
- Some **prohibited administrative expenses** include: paper for copy machines, telecommunications services or IT desktop support services

Allowable Projects and Costs
Funding for Personnel or Positions :

Grant funds may be used to:

- create new positions or fill existing vacancies that are no longer funded in an agency's budget;
- rehire personnel who have been laid off as a result of state or local budget cuts unrelated to the receipt of grant funding;
- rehire personnel who are scheduled to be laid off on a specific future date as a result of state or local budget cuts unrelated to the receipt of grant funding
- **Sub-grantees must implement a system for tracking and documenting the amount of time personnel spend on grant activities.** Only hours that have been validated by a tracking system will be reimbursed by the grant.

Allowable Projects and Costs

Prohibition Against Supplanting of Funds :

- **Funds from this program may not be used to supplant existing funds.**
- Supplanting is defined as the use of grant funds in place of other funds currently budgeted for an activity and thereby reducing the expenditure of other funds for that activity.
- Supplanting can also be defined as removing other funds from an activity supported by grant funds with the effect that the activity is not increased or enhanced by the full value of the grant funds applied.
- For further guidance please refer to the attached page “Examples of Supplanting” or Office of Justice Programs: Recovery Act Information

Allowable Projects and Costs

Prohibited Uses :

- No JAG funds may be expended outside of the JAG purpose areas.
- Even within the purpose areas, however, JAG funds may not be used directly or indirectly for security enhancements or equipment for nongovernmental entities not engaged in criminal justice or public safety.
- JAG funds may **NOT** be used directly or indirectly to provide for any of the following (unless USDOJ certifies that extraordinary and exigent circumstances exist, making them essential to the maintenance of public safety and good order):
 - Confidential funds (“buy” money)
 - Vehicles (excluding police cruisers), vessels (excluding police boats), or aircraft (excluding police helicopters).
 - Luxury items
 - Real estate.
 - Construction projects, such as casino or other gambling establishment, aquarium, zoo, golf course or swimming pool (penal or correctional institutions are exempt).
 - Any similar matters.

Key Reporting Requirements

Accountability and Transparency :

- **All files, progress reports, financial reports, documents and data pertaining to the grant will be posted on federal and state websites for public viewing.**
- The federal law mandates substantial reporting and documentation of funded activities as well as more intensive monitoring and audit.

Key Reporting Requirements

Separate Tracking and Reporting :

- All grantees must track, account for, and report on all funds from this Recovery Act award, **including specific outcomes and benefits attributable to Recovery Act funds**, separately from all other funds, including USDOJ award funds from non-Recovery Act awards awarded for the same or similar purposes or programs.
- The grantee's accounting systems must ensure that **funds from the Recovery Act award are not commingled with funds from any other source.**

Key Reporting Requirements
Quarterly Progress and Financial Reports:

- **Due Seven Days After End of the Quarter**
- Grantees must prepare and submit Quarterly Progress Reports and Quarterly Financial Reports within **SEVEN days** after each quarter.
- Grantees must submit financial and progress reports at the end of each quarter even if no activity or expenditures occurred.
- Reports must be submitted electronically to OPM through the Grants Portal

Key Reporting Requirements
Jobs Performance Measures Report :

- **Due Seven Days After End of the Quarter**
- As required by the Recovery Act, all Recovery JAG grantees are to report on two performance measures related to jobs: **1) Number of jobs created, and 2) Number of jobs retained.**
- Job creation and retention are not mandatory usages of funds, but they are encouraged.
- Grantees are required to submit these measures on a quarterly basis (even if the answer is 0).
- These measures will be collected SEVEN DAYS after the end of the quarter using an electronic reporting form developed by USDOJ

Key Reporting Requirements
JAG Programmatic Measures:

- Due 15 Days After End of the Quarter
- USDOJ has developed a list of required JAG Programmatic Measures that may be “customized” for each grantees’ project.
- Grantees will report on programmatic measures for only those activities funded by Recovery dollars.
- Grantees are not required to report on all programmatic measures; only those applicable to your grant.
- These programmatic measures will be collected quarterly 15 DAYS after the end of the quarter using an electronic tool developed by USDOJ

OPM Grants Portal – the “OGP”

Why We Need a Grants Management Portal :

- Creates a Total Digital Environment for all Grant Documents
- Creates a Total Electronic Environment for all Grant Communications
- Substantially Solves All Accountability, Transparency and Federal Reporting Requirements at Every Level of User:
 - Sub-Grantee
 - State Administering Agency (OPM)
 - Federal Grantor Agency (DOJ)
 - Federal Oversight Agency (OMB)
 - Public Access

OPM Grants Portal – the “OGP”

Portal User Benefits:

- **Sub-Grantee:** central user admin; central document repository; timely submittal of QTR reporting documents; total transparency of grant implementation process; total accountability for grant expenditures and program progress, performance measures.
- **OPM:** comprehensive, statewide, web-enabled grant administration system; ensures timely response to grantee/grantor/public constituencies; Substantially solves all accountability, transparency and federal reporting requirements at every level of user.
- **Federal Agencies:** completely responsive to ARRA Stimulus Act reporting requirements; reporting roll-ups in timely fashion.
- **Public Access:** complete on-line access to PDF documents re: grant implementation process, grant expenditures and program progress.
