* Some Contract IDs, Contract Start Date, and End Date are blank until the requisition is converted to a contract.

**Health and human service agencies are utilizing increased sole-source waivers due to the immediate need to provide services for vulnerable populations due to the Covid-19 emergency.

***Master contract renewals reflect total dollar amounts over three year periods for all services procured. Within that three year period, competition is waived for a portion of programs and services, which reports a waiver for the entire contract.
