

Personal Service Agreement (PSA) and Purchase of Service (POS) Waiver Denial Report
2025

Justification of Waivers Legend

- A - The cost to the State of a competitive solicitation process would outweigh the benefits of such process.
- B - Supplier is mandated by federal law/grant (i.e., Medicaid), state statute, or public act.
- C - Services provided are to prevent disruption in treatment outcomes and continuity of care for vulnerable populations or emergency services.
- D - Evidence based, proprietary, special clinical/medicare services, or unique/specialized skills.
- E - Services and location by consent decrees, lawsuit disposition, litigation or stipulated agreement.
- F - Specific supplier location is funded by State bond funds or resources in real estate or physical plant to provide a level of service.
- G - Hospitals and Universities under agreement provide research and training programs for emergency treatment services.
- H - Zoning, citing & site licensing prohibit other suppliers due to funding or time.

Most unsuccessful sole-source waiver requests rejected by OPM do not reach the point of a formal denial. When OPM-Finance determines that a procurement does not meet the criteria for the selected waiver justification, staff work directly with the agency to amend the requisition to select an appropriate waiver code or submit a competitive requisition, which can then be approved.
