## **News on the Waiver**

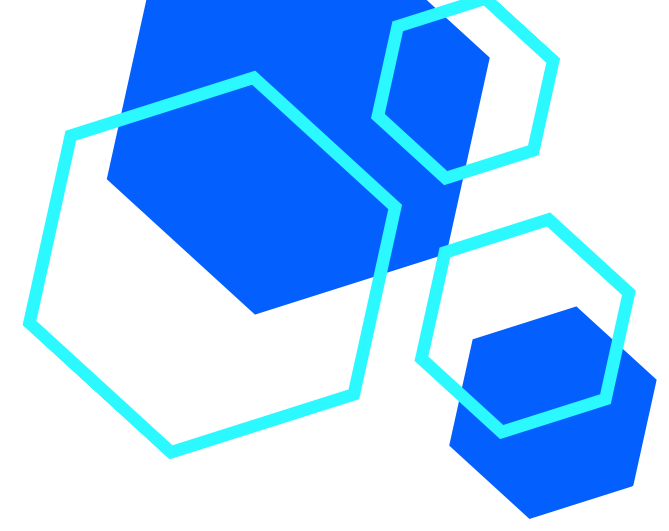

### **Provider Shortages:**

- 4 providers have reached out looking for information to begin providing service
- The Provider Directory is being utilized by individuals and available to the public

### **Addressing the Waitlist:**

- Three new Case Managers have been added to the team and are taking on cases
- We expect to be able to assess and remove from the waitlist 30 individuals a month for the next three months

**Thank you**
