

2020 STEAP PROGRAM GUIDELINES

The Small Town Economic Assistance Program ([C.G.S. Section 4-66g](#)) funds economic development, community conservation and quality of life projects for localities that are ineligible to receive Urban Action bonds (CGS Section 4-66c). An eligibility list is included in the pages to follow. This program is coordinated by the Office of Policy and Management and grants are administered by appropriate state agencies.

STEAP funds are issued by the [State Bond Commission](#) and **can only be used for capital projects**. A project is considered to be a capital project if it is new construction, expansion, renovation or replacement for an existing facility or facilities. Project costs can include the cost of land, design, engineering, architectural planning, and contract services needed to complete the project.

ANY STEAP APPLICATION, ITS RECEIPT, AND/OR ANY SUBSEQUENT ANNOUNCEMENT OR NOTIFICATION OF AN AWARD ASSOCIATED WITH AN APPLICATION, DOES NOT CONSTITUTE A CONTRACT. A CONTRACT EXISTS ONLY WHEN YOU HAVE SUBMITTED ALL REQUIRED CONTRACTUAL DOCUMENTS AND SUCH DOCUMENTS ARE APPROVED BY THE ADMINISTERING STATE AGENCY, AND THE TOWN IS NOTIFIED THAT THE CONTRACT IS FULLY EXECUTED. DO NOT INCUR ANY ANTICIPATED STEAP GRANT FUNDED PROJECT EXPENDITURES UNTIL A CONTRACT IS FULLY EXECUTED. SUCH STEAP GRANT FUNDED EXPENDITURES WILL NOT BE REIMBURSED* (*only exception: see COVID-19 provision outlined later in this guidance.)

When a town is selected to receive a STEAP grant, the town will receive a notification letter from OPM indicating which state agency has been assigned to administer their award. **Again, this letter is for notification purposes only and does not constitute a contract.**

STEAP is not an entitlement or formula grant, and as such any funding associated with an award is on a one-time basis only, with no promise or obligation of additional funding from OPM or the State.

[When the program is open for application intake, the application, as well as detailed submittal instructions and timelines can be found by clicking this link.](#)

IMPORTANT CHANGES TO THE STEAP PROGRAM

It is important that you read all of the guidance provided in this document, as changes have been made to eligibility requirements, application requirements and STEAP grant term periods. OPM would like to emphasize the following:

- *Grants awarded will have a two (2) year term and may be considered for a one (1) year extension to the grant end date. No grant shall have a term longer than three (3) years.*
- *STEAP grants are not intended to be “banked” or “grouped together” over the course of multiple years. Each award is to be used expressly for the purpose and scope of work as outlined in the application it was awarded for.*
- *No changes in scope will be approved.*
- *All funding for the STEAP project must be secured at the time of application.*
- *A municipal match is required*
- *Municipalities should be prepared to enter into a grant assistance agreement/contract with the administering agency shortly after being notified of an award, therefore municipalities should only apply for a project which is near-term (“shovel ready” or “nearly shovel ready”). Once a grant assistance agreement/contract is in place, the municipality should be prepared to commence project work and incur all STEAP-funded project expenditures between the start and end dates of the agreement/contract.*
- *All grant payments will be made on a reimbursement basis only after the municipality has incurred and paid for the STEAP funded allowable project expenditures. The administering agency will provide you with guidance on what information must be submitted to seek reimbursement. STEAP funded expenditures incurred before the start date or after the end date of the agreement/contract will not be eligible for reimbursement (*see COVID-19-related special provision to follow).*
- *Unspent grant funds will not be repurposed for other uses. Such unspent funds will be returned to the STEAP program account and will be used for awards made in future rounds.*

ELIGIBILITY REQUIREMENTS & PROVISIONS

- Eligible municipalities are determined by the FY20 Public Investment Community Index and CGS 4-66g(b). See the eligibility list on the pages to follow.
- Municipalities which are eligible to opt into the STEAP program, but are not currently opted in, must submit their opt-in request **prior** to submitting their STEAP application.
- Municipalities with projects more than five years old or which have expired contracts, that have not been closed out with the administering agency are ineligible to apply for new funding.
- A municipal match or share is required:
 - Match funds must be municipal funds, not funds from other state or federal grants
 - There is not a set percentage or dollar amount for the municipal match requirement
 - Municipal salaries and/or expenses cannot be counted toward the municipal match
 - Funds spent on planning, design, engineering are acceptable matches
 - Municipality must spend 100% of its match prior to final reimbursement
 - Match expenditures can be those allowable project-related expenditures which were incurred before or during the grant contract period
- Funding for the entire project has been secured.
- An authorizing resolution by the local legislative body, or, in any town where the legislative body is a town meeting, by a vote of the board of selectmen, which authorizes the Chief Executive Officer to accept such grant if awarded, and enter into and execute any and all agreements, contracts and documents necessary to obtain said 2020 STEAP Grant with the State of Connecticut. This authorizing resolution needs to be submitted to the administering agency within thirty days of grant award notice if such resolution is not available at time of application.
- There will be no changes in scope from the approved application:
 - The grant is to be used for the purpose for which it was awarded
 - Project work must be germane to the original scope
- All grant payments will be made on a reimbursement basis and only after the municipality has incurred and paid for the STEAP-related allowable project expenditures. The administering agency will provide you with guidance on what information must be submitted to seek reimbursement. Expenditures incurred before the start date or after the end date of the agreement/contract will not be eligible for reimbursement* (*only exception: see COVID-19-related special provision outlined later in this guidance).
- Consistent with past practices, these grants will be administered by project relevant agencies other than OPM.
- Once a grant contract is in place, any grant related project questions, reimbursement questions, or requests for extensions should be directed to the agency assigned to administer your grant.

***COVID-19-Related Special Provision:**

*Notwithstanding any grant, agreement and/or contract provisions of the administering agency, due to the March 10, 2020 Declaration of Public Health and Civil Preparedness Emergencies, certain COVID-19-related capital expenditures incurred on or after 3/10/20 and prior to a grant/contract start shall be eligible for reimbursement as outlined below. The town must certify that any grant application requests related to a COVID capital project has not and will not be requested for reimbursement under any other state or federal funding source.

Those COVID-19-related expenditures related to new construction, expansion, renovation or replacement for an existing facility or facilities, including cost of land, design, engineering, architectural planning, and contract services needed to complete the project, will be deemed eligible.

For equipment-type items (such as, but not limited to portable generators, portable and programmable electronic signs, public safety/emergency equipment, connectivity/communication equipment/materials, etc.), only items with an individual value of at least \$1,000 and a useful life of at least 5 years will be considered. When multiple like-items each with an individual value of less than \$1,000 are purchased together (such as, but not limited to emergency radios for police or fire), these items will be considered if the total of the like-items exceeds the \$1,000 minimum threshold and such items will be used for 5 or more years. For such items, the town may be required to provide additional information to support that the item is in fact a capital expenditure.

Expenditures for PPE and other disposable type items are not eligible expenditures as they are not capital in nature.

This COVID-19-Related Special Grant Provision is applicable to the 2020 round of STEAP grants. This provision may or may not be applicable in future rounds and is subject to the discretion of the Secretary of OPM.

ELIGIBLE PROJECTS AND PRIORITY PROJECT AREAS

Projects eligible for STEAP funds include:

- Economic development projects such as (a) constructing or rehabilitating commercial, industrial, or mixed-use structures and (b) constructing, reconstructing, or repairing roads, access ways, and other site improvements;
- Recreation and solid waste disposal projects;
- Social service-related projects, including day care centers, elderly centers, domestic violence and emergency homeless shelters, multi-purpose human resource centers, and food distribution facilities;
- Housing projects;
- Pilot historic preservation and redevelopment programs that leverage private funds; and
- Other kinds of development projects involving economic and community development, transportation, environmental protection, public safety, children and families and social service programs.

Priority Project Areas:

- **COVID-19 related capital projects (as outlined previously)**
- Shovel ready projects which are at a stage where project work can begin
- Promoting economic growth
- Developing our workforce

- Improving the quality of life and fiscal stability of municipality
- Improving the grand list
- Infrastructure
- Making government more effective, efficient and customer friendly
- Economic development projects within transit-oriented areas
- Solid waste disposal projects
- Pollution control (water, waste, energy) in order to reduce costs and environmental impacts
- Public Service Answering Point (PSAP) Consolidation

All STEAP-funded projects are subject to all federal, state and local laws, ordinances, regulations and municipal bylaws. (Depending on the nature of the project to be funded with a STEAP grant, certain projects may require additional reviews, evaluations, permits, approvals and or certifications, including but not limited to: Connecticut Environmental Policy Act ([CEPA](#)) Evaluation, Environmental Impact Evaluation (EIE), and/or Flood Management Certification ([FMC](#)); and/or Municipal Plan of Conservation and Development ([POCD](#)) provisions with regard to eligibility for discretionary state funding. Such reviews, evaluations, permits and or certifications could significantly impact project costs and timelines. The grantee should only submit applications for such projects when it is able to continue with the proposed project despite these added costs and extended project timelines.)

EXPENDITURES THAT CANNOT BE FUNDED BY STEAP GRANT FUNDS:

- Programmatic expenditures or recurring budget expenditures are **not** eligible for STEAP or any other state bond program. The Office of Policy and Management reserves the right to not fund or reimburse certain projects or certain project components with State bond funds due to public policy reasons.
- The following expenditures are not eligible for reimbursement : ceremonial or entertainment expenses; publicity; bonus payments; reserves; charges in excess of the lowest responsible bid where competitive bidding is required unless prior approval is obtained; deficits or overdrafts; interest charged; any judgment for damages arising from the project; fines and penalties; meals, municipal salaries or employee expenses.
- Project components **not** allowable for STEAP funded reimbursement: Furniture, fixtures and equipment (FF&E). FF&E includes movable furniture, fixtures or other equipment that have no permanent connection to the structure of a building or utilities. FF&E includes, but is not limited to desks, chairs, computers, electronic equipment, appliances, tables, bookcases and partitions. (Exceptions: see ***COVID-19-Related Special Provision**, outlined previously, with regard to certain components listed in this section.)
- Goods and/or services purchased and/or provided before the contract start date, or after the contract end date will **not** be funded. (Exceptions: see ***COVID-19-Related Special Provision**, outlined previously, with regard to reimbursements related to certain capital expenditures incurred prior to contract start date.)
- STEAP funds **cannot** be used to represent the required municipal “match” or “share” portion for another state or federal grant.

For the purposes of the application and any subsequent award, “Authorized Signatory” refers to the municipality’s Chief Executive (Town Manager, Mayor, First Selectman, etc.) – the individual who is legally authorized to apply for the grant and who has the authority to enter into any subsequent agreements/contracts.

Municipalities which have an Urban Center Per Adopted Plan are NOT eligible for either the STEAP program or the STEAP Opt-In Provision.

Municipalities which are designated as a PIC Community, and or a Distressed Municipality, are eligible to Opt-In to the STEAP program as long as the municipality does not have an urban center as per adopted plan. The Opt-in period shall be for four years, and during that four-year period, municipalities which have opted in are NOT eligible to receive Urban Act funding. [Click this link for the STEAP statutory authority which outlines the Opt-In requirements.](#)

STEAP OPT-IN PROVISIONS

Municipalities deemed eligible for the STEAP Opt-In provision may elect to be eligible for said program individually or as part of a group of municipalities in lieu of being eligible for financial assistance under section 4-66c (Urban Act Grants), by a vote of its legislative body or, in the case of a municipality in which the legislative body is a town meeting, its board of selectmen, and submitting a written notice of such vote to the Secretary of the Office of Policy and Management. Any such election shall be for the four-year period following submission of such notice to the secretary and may be extended for additional four-year periods in accordance with the same procedure for the initial election.

It is important to note that once a municipality opts-in to the STEAP program, the opt in period lasts for four years from the submission date of the opt-in request. There is no provision to opt-out prior to the end of the four-year term.

Municipalities which have already opted in and the term of the opt-in has not expired as of the due date for this application, do not need to submit an opt-in request to apply for STEAP. However, if an opt-in municipality is awarded a STEAP grant from this current round, the town must renew their opt-in if their current opt-in expires during the term of the grant. [For complete statute, click this link: C.G.S. §4-66g.](#)

STEAP CONTACT INFORMATION

Programmatic and application questions should be directed to: Martin.Heft@ct.gov, 860-418-6355

Questions related to a specific grant that has been awarded (including questions about your grant contract/agreement, payment/reimbursement and a one-time extension), must be directed to the state agency assigned to administer your grant. Such information is provided in the STEAP award notification letter.
