Small Multifamily CDFI Loan Pool Program Update

There were no draw requests made of the Small Multifamily CDFI Loan Pool (the “Program”) during the third and fourth quarters of 2022. The Program is paused because Board authorization for the Program has expired. Reauthorization is anticipated to be provided at the CHFA Board meeting at the end of this month. Both Capital for Change and the Hartford Community Loan Fund (the Program’s active participants) have pipelines with borrowers waiting to access the funds the Program provides. CHFA is exploring expansion of the Program to serve more communities and to enable implementation of Responsible Growth funds to be requested of OPM. The Loan Pool Summary that follows has not changed since activities were last reported effective June 30, 2022.

Certification

CHFA certifies that Program loans using funds for TOD and predevelopment activities are made in accordance with existing Program requirements and are limited to properties that are either within one-half mile of a public transportation station or within one-quarter mile of an existing public transit stop.
