I. Call to Order \& Opening Remarks by Secretary Melissa McCaw and Treasurer Shawn Wooden Secretary McCaw called the meeting to order at 10:03 AM and noted the passage of the State budget by both chambers of the General Assembly. The budget provides an additional $\$ 180$ million in aid to municipalities and has a direct impact on the work of this board. When coupled with the resources being made available by the Federal government, this represents a tremendous opportunity for municipalities to strengthen themselves financially. Ms. Shaw commended OPM for its role in passing the State budget.
II. Public Comment Period

There was no public comment.
III. Approval of Minutes:
a. May 13, 2021 Regular Meeting

Ms. Shaw made a motion with a second by Mr. Hamilton, to approve the minutes. The motion passed unanimously.
IV. Town of Sprague
a. Subcommittee Update

The Subcommittee met earlier in the morning to review and take action on the Town's 5-Year Plan. The Subcommittee voted to recommend approval by the full MARB.
b. Review, discussion and possible action: Five Year Plan FY 2022 - FY 2026

An overview of the 5 -Year Plan was provided. The Plan is based on assumptions for revenues and expenditures that are consistent with previously approved plans. Fund Balance is projected to grow gradually throughout the five-year period reaching $4.8 \%$ of expenditures by the final year. The plan also includes transfers to eliminate much of the deficit in the Capital NonRecurring Fund.

Members discussed the timeline and process for the Town potentially coming out of oversight by the board. Based on the projections, it appears the Town may be eligible to end oversight in FY 2024.

A motion was made by Mr. Waxenberg with a second by Mr. Hamilton to approve the 5 -Year Plan contingent upon approval by the Sprague Board of Selectmen. The motion was approved unanimously.
c. Review and discussion: Monthly Financial Report: April 2021

First Selectman Cheryl Blanchard reviewed the monthly financial report. The Town's revenues are trending similar to prior years, as are expenditures. The Board of Education is projecting an end of year balance of about $\$ 175,000$ primarily driven by savings in salary accounts.

## V. City of West Haven

a. Subcommittee Update

A written update was provided in the meeting materials. The Subcommittee also met earlier in the morning to review and take action on the City's 5 -Year Plan. The Subcommittee had requested an analysis of the possible impact on Fire Pension ADEC requirements of making changes to certain actuarial valuation assumptions in the upcoming valuation report. The Subcommittee reviewed the City's analysis and voted to recommend approval of the 5-Year Plan by a vote of 5-1.
b. Review, discussion and possible action: Five Year Plan FY 2022 - FY 2026

The Plan has been reviewed over several meetings. Secretary McCaw noted the Plan is sound with regard to its assumptions surrounding State Aid. The State budget provides an additional $\$ 3$ million in non-Education aid through the tiered PILOT payment. The fire districts will also be receiving additional aid. Fund Balance is projected to reach $6 \%$ of expenditures. Grand list growth assumptions are also conservative. The analysis of the Fire Pension assumption changes indicate that the pension contributions built into the 5 -Year Plan could accommodate the impact of a discount rate change. If the amortization period were to be extended from 12 to 15 years, the net effect of both changes would be to reduce projected ADEC requirements.

Mr. White asked about the possibility of accelerating contributions to the OPEB liability. Mr. Cieplinski noted the line item in the Allingtown Fire budget. The City intends to incorporate the OPEB fund into the overall investment strategy that the City is working toward. Mr. Hamilton asked whether the additional revenue from the tiered PILOT could be directed toward these long term liabilities. Mr. Cieplinski replied that any additional funding could potentially be allocated toward internal service fund deficits. In response to a question from Ms. Shaw, Mr. Cieplinski explained that an RFP for an investment advisor has been re-issued.

A motion was made by Mr. White, with a second by Mr. Biller, to approve the 5-Year Plan contingent upon approval by the City Council. The motion passed by a vote of 7-0-1 with Mr. Egan abstaining.
c. Review and discussion: Monthly Financial Report: April 2021

Mr. Cieplinski provided an overview of the monthly financial report. Revenues are at 97\% of target, consistent with prior years. An end of year surplus in the General Fund of approximately $\$ 958,000$ is projected, before taking into consideration unused Contingency of $\$ 400,000$. The Sewer Fund is also projected to end the year with a surplus. The Allingtown Fire Fund is projected to end the year at a break-even point. Mr. Cieplinski also provided a brief update on the City's corrective action plan. Mr. Waxenberg raised concerns about the fire districts and rising costs of health insurance. Mr. Cieplinski noted that efforts are being made to transition the Allingtown Fire employees to the State Partnership Plan.

## VI. City of Hartford

## a. Subcommittee update

A written update was provided with the meeting materials. The Subcommittee in May voted to recommend that the full MARB approve the City's 5-Year Plan and the proposed Police Union agreement.
b. Review, discussion and possible action: Five Year Plan FY 2022 - FY 2026

An overview of the proposed update to the 5 -Year Plan was provided. The Subcommittee has reviewed the Plan and a number of mitigation measures proposed to close projected budget gaps in the out years of the Plan. Uncertainty around the level of State Aid in the Plan has been resolved with the adoption of the State budget. The revenues in the Plan are supported by the State budget recently approved, which provides the City with approximately $\$ 22$ million in tiered PILOT funding. The Plan is based on very conservative assumptions regarding the upcoming revaluation and includes energy efficiency measures and other initiatives to control expenditures through the five year period.

Mr. White made a motion, with a second by Mr. Biller, to approve the 5 -Year Plan contingent upon City Council approval. The motion passed unanimously.
c. Review, discussion and possible action: Labor Contract
i. Hartford Police Union

Mayor Bronin explained that this is a Memorandum of Understanding (MOU) that has been approved by City Council in response to the City's retention challenges in the Police
Department. The department's salary schedule is not competitive in the state or regionally. The department has lost close to forty officers. The collective bargaining agreement is not open until next year, but the City and union agreed to the MOU to increase Officer pay to bring the pay scale more in line with other municipalities. Members discussed wage comparison data that was provided.

A motion was made by Mr. Egan with a second by Mr. White, to approve the Memorandum of Agreement between the City of Hartford and the Police Union.
d. Review and discussion: Non-Labor Contracts
i. Aetna Parking Agreement (Hartford Public Schools)
ii. Cigna Medical Third Party Administrator
iii. Capital Workforce Partners: Summer Youth Employment
iv. Hispanic Health Council: Maternal Infant Outreach Program
v. Catholic Charities Archdiocese of Hartford: Hispanic Senior Center
vi. Parkville Senior Center, Inc.: Parkville Senior Center
vii. Renewals:

1. Blue Hills Civic Association: North End Senior and Wellness Center
2. Catholic Charities Archdiocese of Hartford: South End Senior and Wellness Center

City staff provided descriptions of each of the contracts provided for review.
e. Review and discussion: Monthly Financial Report: April 2021

Mayor Bronin reported that the City is projecting an end of year surplus of $\$ 8.5$ million, which is approximately $\$ 2$ million higher than projected in the prior month. This does not include the anticipated payment of a significant tax delinquency which is expected to generate an additional $\$ 3.9$ million.
VII. Other Business
VIII. Adjourn

A motion was made by Mr. Falcigno to adjourn, with a second by Ms. Shaw. The motion passed unanimously. The meeting adjourned at 11:33.

*Note : FY21\% reflects current YTD as a \% of currently projected FY21

Tax collections for Allingtown are slightly ahead of last year. Overall revenues are above prior year resulting from the State pilot funds secured this year (\$960k) reported in the Fed/State GrantsNon MARB line.

The YOY increase in expenses relates to the additional pension contribution made (and planned for in the budget) using the monies secured from the aforementioned pilot funds.

(2) Prior Year Levy collections actuals are tracking favorably by $\$ 2.5 \mathrm{M}$ compared to the FY2020 cumulative through May, primarily due to one-time revenues of $\$ 920 \mathrm{~K}$ in Tax Deed Sales. A large multifamily building with significant prior year taxes due was sold in June 2021 which provided for a \$3.9M payment in taxes to the City.
(3) Interest and liens collections actuals are higher by $\$ 1.02 \mathrm{M}$ through May compared to FY2020.
(4) Revenues from subsequent tax lien sales are not recorded until the 4th quarter of the fiscal year.
(5) Other Tax Revenues are projected to be over the budget as a result of a few properties being refinanced, and additional tax of $\$ 623 \mathrm{~K}$ due to the City based on abatement agreements.
Overall, a surplus of $\$ 11.2 \mathrm{M}$ is projected for General Property Taxes and will continue to be monitored through the fiscal year.
${ }^{2}$ The Licenses and Permits revenue category is primarily comprised of building, electrical, mechanical, plumbing permits, and food and milk dealer licenses. This revenue category's actuals are tracking favorably by $34.3 \%$ or $\$ 1.95 \mathrm{M}$ compared to the FY2020 cumulative through May, and are projected to be favorable and over the FY2021 budget by $\$ 1.9 \mathrm{M}$.

${ }^{4}$ Revenue from Money and Property contains lease/rental and short-term investment income. FY2021 actuals are tracking lower compared to FY2020 Period 11 (May) due to a low interest rate environment for short-term investment income. This revenue category is projected to be under the FY2021 budget by \$1.5M.
${ }^{5}$ FY2021 Intergovernmental Revenues YTD primarily reflect the receipts of $\$ 155 \mathrm{M}$ in Municipal Aid revenues from the State. Decrease in projections of $\$ 2.7 \mathrm{M}$ due to an Education Cost Share (ECS) funding reduction for the BOE from the State related to FY2020 funding. Offsetting drop in transfer to the BOE is also projected.
${ }^{6}$ Charges for Services contains revenues associated with the conveyance tax, transcript/filing of records, and special events. This revenue line item varies each year with historical actuals ranging from $\$ 2.8 \mathrm{M}$ to $\$ 4.2 \mathrm{M}$. A surplus of $\$ 434 \mathrm{~K}$ is projected for this revenue category due, in part, to a large conveyance tax payment of $\$ 306 \mathrm{~K}$ received from the sale of 461 Washington Street.
${ }^{7}$ Reimbursements (primarily Section 8) largely occur at fiscal year end.
${ }^{8}$ Other Revenues will vary year to year based on unanticipated items such as settlements.
${ }^{9}$ Other Financing Sources reflects revenues from Corporate Contribution (1), DoNo Stadium Fund (2), the Parking Authority Fund (3), Special Police Service Fund (4), and other (5).
(1) A Corporate Contribution of $\$ 10 \mathrm{M}$ is broken down between the City of Hartford General Fund ( $\$ 3.333 \mathrm{M}$ ) and Hartford Public Library ( $\$ 6.667 \mathrm{M}$ ). A corresponding appropriation reduction has been noted to reflect this arrangement.
(3) The first three-quarters of revenue from Hartford Parking Authority was received and recorded as of March 31st; however, it is projected to be under the FY2021 budget due to loss in the revenues as a result of the COVID-19 health pandemic.
(4) Revenues for the 3rd QTR of FY2021 from Police Private Duty were posted and this revenue line item is projected to meet the budget. As of April 2021, the XL Center outstanding receivable balance related to Police Private Duty and Fire Marshal Services totaled $\$ 2.2 \mathrm{M}$ for services performed between FY2017 and FY2020. This balance is not included in the current year's budget; however, would be a positive variance if the funds were received in FY2021.
(5) Other revenues are projected to be $\$ 0$.

## EXPENDITURE FOOTNOTES

${ }^{10}$ Payroll (FT, PT, OT and Holiday) is projected to be net favorable by $\$ 3.89 \mathrm{M}$. The methodology of the full-time payroll projection (detailed in the appendix) reflects 44.6 weeks of actual payroll expenses with 7.6 weeks remaining. Vacancies are assumed to be refilled with 3.6 weeks remaining in the fiscal year. Vacancy and attrition savings of $\$ 7.87 \mathrm{M}$ is offset by a projected shortfall of $\$ 11 \mathrm{~K}$ of in Holiday Pay, $\$ 3.70 \mathrm{M}$ in OT and $\$ 269 \mathrm{~K}$ in PT. Payroll will continue to be monitored throughout the fiscal year.
${ }^{11}$ Benefits and Insurances are projected to be favorable due to health and cashouts, offset by centrally budgeted non-Public Safety attrition and Social Security expenditures.
12 The FY2021 Adopted Budget for Debt \& Other Capital is comprised of $\$ 4.65 \mathrm{M}$ for Downtown North principal and interest, $\$ 97 \mathrm{~K}$ for a Grant in Lieu of Taxes payment, $\$ 116 \mathrm{~K}$ for Clean Water loan principal and interest, and $\$ 6.84 \mathrm{M}$ for Pay-As-You-Go CapEx for a total of $\$ 11.70 \mathrm{M}$. This expenditure line item is projected to be $\$ 14.70 \mathrm{M}$ due to additional capital needs.
${ }^{13}$ The Library is projected to be favorable due to $\$ 6.667 \mathrm{M}$ of the Corporate Contribution being provided directly to the Hartford Public Library.
${ }^{14}$ Utilities are projected to be $\$ 679 \mathrm{~K}$ unfavorable; $\$ 486 \mathrm{~K}$ in waste disposal costs, $\$ 555 \mathrm{~K}$ in tipping fees, offset by favorable variances in electricity, water and heating expenses.
${ }^{15}$ Other Non-Personnel is favorable due to copier expenditures, leases, audit services, fees, community activities and the Connecticut Conference of Municipalities reducing payments due to COVID-19.
${ }^{16}$ Education YTD actuals reflect 11 months of the City's tax supported payment of $\$ 96 \mathrm{M}$ and three payments from the State of Connecticut. As of April, the City received the final fiscal year State allocation. Education is projected to have an excess cost reduction of $\$ 2.72 \mathrm{M}$ in FY2021 related to a decrease in Education Cost Sharing revenue from FY2020.
${ }^{17}$ For FY2O20 the Board of Education had an operating surplus of $\$ 3,978,033.88$, on December 14, 2020 Council Resolution Number 16 approved $\$ 2,747,118.63$ of surplus funds to be "Committed Fund Balance". This resolution included the continuation of the previous Committed Funds $(\$ 2,933,146.85)$ for a total of $\$ 5,680,265.48$. This amount is $2 \%$ of the annual Board of Education general fund budget, the maximum allowed by the Conn. Gen. Stat. 10-248a (unexpended education funds account.) This amount is available to use by the Board of Education to provide educational services to the school children of Hartford.
${ }^{18}$ Under the executed Contract Assistance agreement, $\$ 56.31 \mathrm{M}$ of General Obligation debt service payments are made on the City's behalf by the State of Connecticut in FY2021. Consistent with GAAP rules, the contract assistance payments are recorded as donated capital revenue. The debt service expenditures are recorded in the ledger in the Debt Service line item to properly reflect the retirement of debt. This unbudgeted debt expense is offset by contract assistance revenue, together of which nets to zero.
${ }^{19}$ The City's financial system (Munis) reflects revenues as negative values (credits) and expenditures as positive values. A negative variance for revenues is favorable. A positive variance for revenues is unfavorable.

1 FY21 P1-Current Year Tax collections exceeds prior year due to timing. Several top payers paid in July this year but in August last year.
2 FY20 Prior Year's Tax collections negative balance is due to adjustments from tax appeals. Less adjustments were processed in July 2020.
3 YtD FY21 has higher collections due to some increased property values on several large properties and an overall increase with online payments.
4 YtD FY21 continues to result in increased collections due to online payments, increased PY levy collections by our collection agency, and earlier payments made in real estate compared to PY.
5 These amounts represent year end journal entries. The material adjustment was a one time reclass correction between current and prior levy revenues for the July 2019 tax bills that posted incorrectly in Munis due to credit balances resulting from the crossover of FY19/FY20 fiscal years. This correction has a net zero effect on total FY20 tax revenues. Other immaterial year end reconciliation adjustments resulted in a net $\$ 5,546$ change to overall tax revenues.
6 Tax Deed Sales of $\$ 1,573,518$ was processed and recorded in November 2020, period 5. \$13,090 was posted to Lien Sales in error and was corrected in December.
7 Reduced collections in Prior Year Levy and Interest in FY21 result from a one-time tax fixing agreement payment in December 2019 of $\$ 1.6 \mathrm{~m}$.
8 CY levy collections are higher than prior year due to timing of payments received.
9 The due date for tax collections was extended to 4/1/2021 per the Governor's executive order. Anticipate catch up collections in March/April.
10 Tax collections were strong in March mainly due to the extended due date to pay taxes without interest of 4/1/2021.

## Town of Sprague <br> Budget Status as of May 31, 2021

## Summary

As of the end of May 2021, total revenues collected are $97 \%$ of the FY 2020/21 budgeted amount. This is 7\% lower than total revenues collected for the same period in FY 2019/20 which were 104\% of the total budgeted amount. This is due to no MARB funding or lease revenue being received in the current year whereas in FY2019/20, $\$ 500,000$ of MRF and $\$ 325,000$ of lease monies had been received at this point in time.

Total expenditures as of $5 / 31 / 21$ are at $82 \%$ of budget. This is on par with expenditures for the same period in FY 2019/20 which were at $80 \%$ of the budget.

The attached Budget vs. Actual report provides a detailed report of all revenues and expenditures as of the end of January. At this time, no significant variances are projected for either revenues or expenditures.

## Revenues

Property Taxes are the largest revenue source to the Town, representing $63.7 \%$ of total revenues. Collections on Property Taxes for the period to May 31, 2021 of the current fiscal year are at $100 \%$ of the budgeted amount. This is on par with collections in the prior year.

State Grants make up $34.1 \%$ of total budgeted revenues. As of May 31, 2021, the Town has received $\$ 2,850,748$ of its State grants which resulted in the Town being at $87 \%$ of its budgeted State grants revenue received. For the same period last fiscal year, State grants received were comparable with the Town having received $87 \%$ of its State grant revenue as well.

The remaining revenue sources include interest income, fees, permits and miscellaneous revenue. In the aggregate, these sources comprise approximately $2.2 \%$ of total budgeted revenues. Current year collections on these sources total $\$ 328,652$ and are at $153 \%$ of the total budgeted amount. Collections in the prior year, adjusted to exclude the MRF received, were $82 \%$ of the budgeted amount. The increased percentage received in the current year is attributable to Building Inspector fees for work being done to the leased property and individual homes, COVID-19 relief reimbursements and larger than anticipated conveyance and recording fees.

## Expenditures

Departmental and other operating expenditures as of May 31, 2021 tend to range between $80 \%$ and $91 \%$ with a few exceptions where year-to-date expenditures don't fall into that range. In most cases, Town current year expenditures are comparable to last fiscal year's expenditures for the same period with no major outliers.

Payments for memberships on regional agencies (97\% year-to-date), insurance premiums ( $93 \%$ year-to-date) and maintenance contracts ( $85 \%$ year-to-date) tend to be invoiced in one or several installments. Similarly, payments on bond principal ( $100 \%$ year-to-date) and interest ( $97 \%$ year-to-date) are scheduled payments that do not necessarily occur evenly throughout the fiscal year.

Year to date expenditures by the Board of Education total $\$ 5,489,673$ or $82 \%$ of total budget. For the same period last fiscal year, Board of Education expenditures were $78 \%$ of budget.
