PREAMBLE

Whereas, the West Haven Federation of Teachers and the West Haven Board of Education believe in the importance of education for the preservation and extension of our democracy and reaffirm our common goal and mutual responsibility of providing the best education for the children of West Haven and whereas the West Haven Federation of Teachers and the West Haven Board of Education hereby declare our mutual interest in working together through the collective bargaining process to achieve our common goal of educational excellence and true professionalism, for the best interests of children, community, educational system and teachers;

Whereas, Connecticut Public Law 298, as amended, recognizes the procedure of collective bargaining as a peaceful, fair, and orderly way of conducting relations between boards of education and teacher organizations:

Thereby, in a special referendum conducted by the American Arbitration Association among the certified personnel of the West Haven School System on November 22, 1968, a majority of those voting elected as their sole representative the West Haven Federation of Teachers, and it thereby became the exclusive collective bargaining representative for all classroom teachers and other professional staff members in the unit; and

Whereas, the Board and its designated representatives have met with representatives of the Federation, and fully considered and discussed with them, as representatives of the professional staff in the bargaining unit, conditions relative to employment as required by law, it is agreed as follows:

AGREEMENT

AGREEMENT MADE AND ENTERED INTO BY and between the School Board of the City of West Haven (hereinafter referred to as the "Board") and the West Haven Federation of Teachers, Local 1547, AFTCT, AFT, AFL-CIO (hereinafter referred to as the "Federation").

ARTICLE I. FEDERATION RECOGNITION AND RIGHTS

SECTION 1. RECOGNITION

- A. The Board recognizes the Federation as the exclusive bargaining representative of all those employed in the following positions: certified classroom teachers, master teachers, special class teachers, special area teachers, evening school teachers, homebound teachers, certified nurses, basic adult education directors, summer school directors, long-term substitutes and part-time teachers. All certified teachers, excluding adult education and coaches, will be entitled to all the rights of this Agreement whether they are full or part time. There will be a separate scale for union dues for persons working less than full time.

- B. The Federation recognizes that its members, those in the public school setting and those in the non-public school setting are professionals trained to provide classroom instruction to the pupils of the city, and to implement the educational program as determined by the Board, subject to the provisions of this agreement and Connecticut State Statutes.

SECTION 2. RIGHTS

- A. Whereas in a democratic society it is not the goal of a school system to indoctrinate students in any particular political, religious or social points of view and in order for the teacher to present a complete spectrum of viewpoints: No religious, political or social activities of any staff member (provided such activities do not take place during his/her working day) or lack thereof will be grounds for any discipline or discrimination with respect to the professional status of such staff member.
- B. No consideration of race, color, sex, marital status, nationality, religion, creed, sexual orientation, physical disability, or any other class protected by applicable law, political or social beliefs shall be used in decisions to hire or fire any staff member. This provision may be grieved up through Step 4, but may not be submitted to arbitration (Step 5).
- C. The Board and the Federation recognize it is the responsibility of teachers to utilize varied and meaningful materials in order to successfully implement the school curriculum. Should any dispute arise regarding the use of materials related to the curriculum by any Professional Staff Member, such Professional Staff Member may request a conference to be held with the Assistant Superintendent and such Professional Staff Member's immediate supervisor. Upon request, a representative of the Federation shall be allowed to participate in such meeting.
- D. No teacher shall be disciplined except for just cause.

ARTICLE II. BOARD'S RIGHTS

- A. The Federation recognizes that the Board has the full authority of the law to manage, control and direct the operations of the school system, subject to the provisions of this agreement and Connecticut State Statutes; including, but not limited to, the rights to assign, reassign and transfer teachers in the best interest of the school district, subject to prior notification to the Federation stating the specific reasons for the transfer and after discussion and receiving consent from the Federation for the transfer.
- B. This agreement shall be applicable to all Board-sponsored educational programs; day school sessions, evening school, summer school, homebound programs, and extracurricular activities.

ARTICLE III. NO STRIKE CLAUSE

- A. During the duration of the Agreement, no member of the bargaining unit or representative of the Federation shall engage in, participate in, sponsor or promote any refusal to work, mass resignation, slowdown or strike.

 - a) If a position is eliminated at the elementary level, the least senior teacher at the elementary level shall be the displaced teacher.
 - b) If a position is eliminated at the intermediate school level, the least senior teacher in the intermediate school level who is certified in the eliminated position shall be the displaced teacher.
 - c) If a position is eliminated at the middle school level, the least senior teacher in the middle school level who is certified in the eliminated position shall be the displaced teacher.
 - d) If a position is eliminated at the high school, the least senior teacher in the department in which the position is eliminated shall be the displaced teacher.
 - e) If a position is eliminated in an area that receives extra compensation (i.e. guidance counselors, psychological examiners, social workers, speech therapists), and reading consultants, the least senior teacher in the area that receives extra compensation shall be the displaced teacher.

If more than one vacancy exists, the displaced teacher(s) will have first choice of those positions for which he/she is certified, unless such choice results in any other displaced teacher being laid-off.
 - g) When no vacancies for which the teacher is certified exist, the teacher will bump the least senior teacher within his/her area(s) of certification.
 - h) In those rare instances where the removal of the least senior teacher leaves a vacancy for which the senior teacher is unsuitable, in the opinion of the Superintendent of Schools, the Superintendent will assign the senior teacher to another position to which he or she is certified.
 - i) Nothing herein shall require the promotion of a teacher to a position of higher rank, authority or compensation, although the teacher whose contract is to be terminated is qualified and/or certified for the promoted position.

In the event there is no time stamp on the teachers' contracts, then the date of hire shall be determined with the earlier date of hire having the most seniority. In the event a tie in seniority still exists, the date that the Board of Education voted to approve teachers' contracts shall be determined with the earlier date having the most seniority still. In the event a tie in seniority still exists, the teachers involved shall participate in a coin toss with the winner being the most senior. APPENDIX A

CAREER INCENTIVE PLAN

STATEMENT OF PURPOSE

The purpose of the career incentive program shall be to attract and retain outstanding teachers and thus strengthen and improve the quality of instruction in the schools.

MISSION STATEMENT

Teacher Incentive Programs present various strategies to attract, reward and retain good teachers, and to motivate them to strive for excellence in their profession.

In order to retain teachers, there should be opportunity for continual professional growth, public esteem for teachers, opportunities for recognition, and a sense of collegiality among educators.

Incentives such as career options, enhanced professional responsibilities, monetary and non-monetary recognitions, and improved working conditions are some factors that may contribute significantly to enhancement of teacher performance and improvement of instruction in schools.

GOALS

1. To provide recognition for teacher achievement and performance.
2. To provide incentives to encourage teachers to plan and implement innovative activities in their classrooms, and to pursue training for the purpose of improving instruction and enhancing the teacher/learning environment.
3. To encourage participation by teachers in district-wide planning activities designed to improve curriculum, and to provide for district staff development activities.
4. To provide leadership opportunities for teachers within the district.

2. Job share is strictly voluntary.
3. Job sharing opportunities would be open after the Board had determined the staffing level necessary for the following year. Both positions of teachers volunteering to job share would, therefore, be filled.
4. The proportion of time and responsibilities of the shared job each sharing partner would fill will be determined by the teachers with input from their instructional leader.
5. The salary each would receive would be determined by the proportion of the job each teacher works. Said salary will be that proportion of the sharing teacher's anticipated total salary (including longevity, doctoral, etc.) had he/she not chosen to job share.

Example: $40\% \times \$50,000 = \$20,000$ and $60\% \times \$30,000 = \$18,000$ for those two job sharing teachers.

6. Cost of medical benefits would be split in the same way. Each teacher would receive the proportion of benefits which represents his/her proportion of the job share paid by the Board.

Examples: Teacher A's health benefit package would cost \$10,000 (family). Teacher A is handling 50% of a job share situation. The Board of Education will therefore budget \$5,000 for teacher A's benefits. Teacher A will have the following choices:

- 1) Apply \$5,000 toward Family Plan and pay the additional cost.
- 2) Choose to take individual only. If the coverage costs less than the amount budgeted.
- 3) Waive all medical benefits, as per Article VI, Section 52N of the contract.

7. Other benefits - same as contract.

- a. Each teacher would receive one (1) personal day. (Article VI, Sec. 42, Par. A.1.)

- b. Each teacher would split the eighteen sick days in the same proportion as the job in whole or half day amounts.
- 8. Each teacher shall advance one year in seniority and longevity for the first year they job share. In any subsequent year, seniority and longevity would be prorated.
- 9. Job sharing may be combined with a Sabbatical Leave in which case the teacher would receive full salary, provided the staff member meets all requirements for a sabbatical leave, pursuant to Article VI, Section 40.
- 10. At the conclusion of the first year of job sharing, the teacher(s) shall have the following options:
 - a. Return to original assignment
 - b. Request to renew the job share for one additional year.
 At the conclusion of the second year, the teacher(s) shall have the following options:
 - a. Return to original assignment
 - b. Apply for another job share situation, which if granted, would require that they forfeit their right to their original assignment(s).
- 11. All other contract clauses, except those modified here, shall remain the same.
- * In some instances, when a bargaining member wishes to job share, but cannot find another bargaining unit member, the Administration and the Federation may mutually agree to opening the job share opportunity to include certified teachers not presently on staff. In this case, the details will be worked out on an individual case basis involving the Federation, the Administration, and the individuals involved
- ** If only one teacher wants to renew, the teacher cannot simply renew, but must reapply.

Proposed procedure:

1. Teachers involved must make application to the Career Incentive Committee by the date specified.
2. Within 12 days, the Career Incentive Committee shall meet with all applicants. If the Committee has some reservations about accepting the plan, subsequent meetings- shall be planned to resolve the differences.
3. Within 10 days of the final meeting, the Career Incentive Committee shall recommend acceptance or rejection of the proposal to the Superintendent or his/her designee and send the same to the applicants.
4. Within 10 days, the Superintendent shall approve, reject or modify the recommendation of the Career Incentive Committee.

PREAMBLE

Whereas, the West Haven Federation of Teachers and the West Haven Board of Education believe in the importance of education for the preservation and extension of our democracy and reaffirm our common goal and mutual responsibility of providing the best education for the children of West Haven and whereas the West Haven Federation of Teachers and the West Haven Board of Education hereby declare our mutual interest in working together through the collective bargaining process to achieve our common goal of educational excellence and true professionalism, for the best interests of children, community, educational system and teachers;

Whereas, Connecticut Public Law 298, as amended, recognizes the procedure of collective bargaining as a peaceful, fair, and orderly way of conducting relations between boards of education and teacher organizations:

Thereby, in a special referendum conducted by the American Arbitration Association among the certified personnel of the West Haven School System on November 22, 1968, a majority of those voting elected as their sole representative the West Haven Federation of Teachers, and it thereby became the exclusive collective bargaining representative for all classroom teachers and other professional staff members in the unit; and

Whereas, the Board and its designated representatives have met with representatives of the Federation, and fully considered and discussed with them, as representatives of the professional staff in the bargaining unit, conditions relative to employment as required by law, it is agreed as follows:

AGREEMENT

AGREEMENT MADE AND ENTERED INTO BY and between the School Board of the City of West Haven (hereinafter referred to as the "Board") and the West Haven Federation of Teachers, Local 1547, AFTCT, AFT, AFL-CIO (hereinafter referred to as the "Federation").

ARTICLE I. FEDERATION RECOGNITION AND RIGHTS

SECTION 1. RECOGNITION

- A. The Board recognizes the Federation as the exclusive bargaining representative of all those employed in the following positions: certified classroom teachers, master teachers, special class teachers, special area teachers, evening school teachers, homebound teachers, certified nurses, basic adult education directors, summer school directors, long-term substitutes and part-time teachers. All certified teachers, excluding adult education and coaches, will be entitled to all the rights of this Agreement whether they are full or part time. There will be a separate scale for union dues for persons working less than full time.
- B. The Federation recognizes that its members, those in the public school setting and those in the non-public school setting are professionals trained to provide classroom instruction to the pupils of the city,

and to implement the educational program as determined by the Board, subject to the provisions of this agreement and Connecticut State Statutes.

SECTION 2. RIGHTS

- A. Whereas in a democratic society it is not the goal of a school system to indoctrinate students in any particular political, religious or social points of view and in order for the teacher to present a complete spectrum of viewpoints: No religious, political or social activities of any staff member (provided such activities do not take place during his/her working day) or lack thereof will be grounds for any discipline or discrimination with respect to the professional status of such staff member.
- B. No consideration of race, color, sex, marital status, nationality, religion, creed, sexual orientation, physical disability, or any other class protected by applicable law, political or social beliefs shall be used in decisions to hire or fire any staff member. This provision may be grieved up through Step 4, but may not be submitted to arbitration (Step 5).
- C. The Board and the Federation recognize it is the responsibility of teachers to utilize varied and meaningful materials in order to successfully implement the school curriculum. Should any dispute arise regarding the use of materials related to the curriculum by any Professional Staff Member, such Professional Staff Member may request a conference to be held with the Assistant Superintendent and such Professional Staff Member's immediate supervisor. Upon request, a representative of the Federation shall be allowed to participate in such meeting.
- D. No teacher shall be disciplined except for just cause.

ARTICLE II. BOARD'S RIGHTS

- A. The Federation recognizes that the Board has the full authority of the law to manage, control and direct the operations of the school system, subject to the provisions of this agreement and Connecticut State Statutes; including, but not limited to, the rights to assign, reassign and transfer teachers in the best interest of the school district, subject to prior notification to the Federation stating the specific reasons for the transfer and after discussion and receiving consent from the Federation for the transfer.
- B. This agreement shall be applicable to all Board-sponsored educational programs; day school sessions, evening school, summer school, homebound programs, and extracurricular activities.

ARTICLE III. NO STRIKE CLAUSE

- A. During the duration of the Agreement, no member of the bargaining unit or representative of the Federation shall engage in, participate in, sponsor or promote any refusal to work, mass resignation, slowdown or strike.

APPENDIX A

CAREER INCENTIVE PLAN

STATEMENT OF PURPOSE

The purpose of the career incentive program shall be to attract and retain outstanding teachers and thus strengthen and improve the quality of instruction in the schools.

MISSION STATEMENT

Teacher Incentive Programs present various strategies to attract, reward and retain good teachers, and to motivate them to strive for excellence in their profession.

In order to retain teachers, there should be opportunity for continual professional growth, public esteem for teachers, opportunities for recognition, and a sense of collegiality among educators.

Incentives such as career options, enhanced professional responsibilities, monetary and non-monetary recognitions, and improved working conditions are some factors that may contribute significantly to enhancement of teacher performance and improvement of instruction in schools.

GOALS

1. To provide recognition for teacher achievement and performance.
2. To provide incentives to encourage teachers to plan and implement innovative activities in their classrooms, and to pursue training for the purpose of improving instruction and enhancing the teacher/learning environment.
3. To encourage participation by teachers in district-wide planning activities designed to improve curriculum, and to provide for district staff development activities.
4. To provide leadership opportunities for teachers within the district.

CAREER INCENTIVE COMMITTEE

2. Job share is strictly voluntary.
3. Job sharing opportunities would be open after the Board had determined the staffing level necessary for the following year. Both positions of teachers volunteering to job share would, therefore, be filled.
4. The proportion of time and responsibilities of the shared job each sharing partner would fill will be determined by the teachers with input from their instructional leader.
5. The salary each would receive would be determined by the proportion of the job each teacher works. Said salary will be that proportion of the sharing teacher's anticipated total salary (including longevity, doctoral, etc.) had he/she not chosen to job share.

Example: $40\% \times \$50,000 = \$20,000$ and $60\% \times \$30,000 = \$18,000$ for those two job sharing teachers.

6. Cost of medical benefits would be split in the same way. Each teacher would receive the proportion of benefits which represents his/her proportion of the job share paid by the Board.

Examples: Teacher A's health benefit package would cost \$10,000 (family). Teacher A is handling 50% of a job share situation. The Board of Education will therefore budget \$5,000 for teacher A's benefits. Teacher A will have the following choices:

- 1) Apply \$5,000 toward Family Plan and pay the additional cost.
 - 2) Choose to take individual only. If the coverage costs less than the amount budgeted.
 - 3) Waive all medical benefits, as per Article VI, Section 52N of the contract.
7. Other benefits - same as contract.
 - a. Each teacher would receive one (1) personal day. (Article VI, Sec. 42, Par. A.1.)

- b. Each teacher would split the eighteen sick days in the same proportion as the job in whole or half day amounts.
8. Each teacher shall advance one year in seniority and longevity for the first year they job share. In any subsequent year, seniority and longevity would be prorated.
 9. Job sharing may be combined with a Sabbatical Leave in which case the teacher would receive full salary, provided the staff member meets all requirements for a sabbatical leave, pursuant to Article VI, Section 40.
 10. At the conclusion of the first year of job sharing, the teacher(s) shall have the following options:
 - a. Return to original assignment
 - b. Request to renew the job share for one additional year.

At the conclusion of the second year, the teacher(s) shall have the following options:

- a. Return to original assignment
 - b. Apply for another job share situation, which if granted, would require that they forfeit their right to their original assignment(s).
11. All other contract clauses, except those modified here, shall remain the same.
- * In some instances, when a bargaining member wishes to job share, but cannot find another bargaining unit member, the Administration and the Federation may mutually agree to opening the job share opportunity to include certified teachers not presently on staff, In this case, the details will be worked out on an individual case basis involving the Federation, the Administration, and the individuals involved
 - ** If only one teacher wants to renew, the teacher cannot simply renew, but must reapply.

Proposed procedure:

1. Teachers involved must make application to the Career Incentive Committee by the date specified.
2. Within 12 days, the Career Incentive Committee shall meet with all applicants. If the Committee has some reservations about accepting the plan, subsequent meetings- shall be planned to resolve the differences.
3. Within 10 days of the final meeting, the Career Incentive Committee shall recommend acceptance or rejection of the proposal to the Superintendent or his/her designee and send the same to the applicants.
4. Within 10 days, the Superintendent shall approve, reject or modify the recommendation of the Career Incentive Committee.
