AGREEMENT

AGREEMENT made and entered into this 1st day of July, 2021 by and between STATE OF CONNECTICUT, acting by and through the Office of Labor Relations (hereinafter called the “Employer” or the “State”), NEW ENGLAND HEALTH CARE EMPLOYEES UNION, DISTRICT 1199, SEIU, with its offices at 77 Huyshope Avenue, Hartford, Connecticut 06106 (hereinafter referred to as the “Union”), acting herein on behalf of the Employees of the State, as herein defined, now employed and hereafter to be employed and collectively designated as the “Employees”.

ARTICLE 1 RECOGNITION

SECTION ONE. The State of Connecticut recognizes the New England Health Care Employees Union, District 1199, SEIU, as the exclusive representative of Employees whose classifications are included in the unit certified by the State Board of Labor Relations, subject to such modifications or clarifications of the unit as the Board or a court may order or to which the parties agree. A list of classifications in the unit as of the date the parties executed this Agreement is included in the appendix of this Agreement.

SECTION TWO. Whenever the word “Employee” is used in this Agreement, it shall mean an Employee in the bargaining unit, as defined in Section One. This Agreement shall not apply to nonpermanent Employees appointed to nonpermanent positions except as provided in Section Four.

A part-time Employee is an Employee who is hired to work a regular schedule of less than thirty-five (35) hours per week. Part-time Employees in permanent positions shall receive wage rates, wage increases and fringe benefits, on a prorata basis, except as specifically provided otherwise.

A part-time Employee in a permanent position who was hired to work less than twenty (20) hours per week but actually works an average of twenty (20) or more hours per week over a four (4) calendar month period shall be treated in accordance with the averaged work hours. In averaging the hours worked by such an Employee, increased hours resulting from coverage for vacations, extended illness or leave of absence of regular Employees shall not be counted.

SECTION THREE. PROVISIONAL EMPLOYEES. Provisional Employees are Employees who are initially appointed to permanent positions pending state examination or examination results. Provisional appointees are subject to the requirements of the merit system in all respects, including but not limited to certification from an examination list and completion of the working test period. Permanent appointment is contingent upon meeting all said requirements, and failure to do so will result in termination of employment, without right of appeal except as provided by the merit system. In all other respects, provisional Employees are subject to the provisions of this Agreement and can utilize all benefits as if they were initially appointed as permanent full-time Employees. Seniority shall be retroactive to the date of last hire upon successful completion of the working test period.

SECTION FOUR. TEMPORARY EMPLOYEES. A temporary Employee (excluding a per diem Employee) is defined as an Employee who is hired to fill a temporary, durational or emergency position of six (6) months duration or the length of leave of absence of the Employee replaced, whichever is longer. Due to the nature of temporary employment, temporary Employees cannot be guaranteed continued employment beyond the termination date of the appointment. In other respects, this Agreement shall apply to a temporary Employee after completion of six (6) months of continuous service. When the service of such Employee has been satisfactory for a period of six (6) months and a noncompetitive vacancy exists in the bargaining unit which he/she is qualified to fill, the Employer shall offer the position to the Employee after permanent Employees have been considered. In the event two or more Employees have been employed for exactly the same length of time, the position shall be offered to the Employee with the highest last four digits of their Social Security number. Upon appointment to a permanent position, the Employee shall serve a working test period as provided in Article 8 [Working Test Period], Section Three (3) B. Seniority shall be retroactive to the date of last hire upon successful completion of the working test period.

Grant Employees and Federal Grant Participants shall be covered by the terms and conditions of this Agreement.

The Union may grieve and/or arbitrate the termination of a temporary Employee only under the following conditions:

1. The Employee has been employed for more than six (6) months. For part-time Employees the working test period shall be based on 914 hours or six (6) months, whichever is greater. Any overtime hours worked above regularly scheduled hours will not count toward satisfying the working test period.
2. The termination is “for cause” and was not the result of the expiration of the temporary appointment.

NP-6 SECTION FIVE. SUMMER WORKERS. Summer workers in the Department of Developmental Services involved in direct care, not as supplement to existing staff, who remain in service after September 15 shall receive the minimum rate of pay for MRW Trainee retroactive to date of hire, and this time worked shall be counted towards the required training period; these positions will be considered for appointment to a permanent position in the event of vacancies.

ARTICLE 2

NON-DISCRIMINATION AND AFFIRMATIVE ACTION

SECTION ONE. The parties agree that neither shall discriminate against any Employee because of the individual's race, color, religious creed, age, sex, marital status, national origins, ancestry, physical or mental disability, sexual orientation or gender identity, history of developmental or intellectual disability, except on the basis of bona fide occupational qualifications.

SECTION TWO. Neither party shall discriminate against an Employee on the basis of membership or non-membership or lawful activity on behalf of the Union.

SECTION THREE. The parties agree to work jointly to implement positive and aggressive Affirmative Action programs in order to redress the effects of past discrimination, if any, whether intentional or unintentional, to eliminate present discrimination, if any, to prevent further discrimination and to ensure equal opportunity in the application of this Agreement-

SECTION FOUR. Notwithstanding any provision of this agreement to the contrary, the Employer will have the right and duty to take all actions necessary to comply with the provisions of the Americans with Disabilities Act, 42 U.S.C. 2101, et seq. (ADA). Upon request the Employer will meet and discuss specific concerns identified by the Union; however, this shall not delay any actions taken to comply with the ADA. Issues involving ADA implementation shall be the subject of ongoing discussions at the Labor-Management Committee meetings.

ARTICLE 3

UNION SECURITY AND PAYROLL DEDUCTION

SECTION ONE Consistent with labor laws and precedent, an Employee retains the freedom of choice whether or not to become or remain a member of the Union designated as the exclusive bargaining agent.

SECTION TWO. The State Employer shall deduct Union dues bi-weekly from the paycheck of each Employee who provides the Union authorization to receive such deduction from the State within thirty (30) days of the Union providing certification of said authorization to the State. The Union shall provide to the corresponding agency payroll office, a digital list of all Employees who have authorized dues deduction in a format dictated by the Agency. Biweekly, the Union shall provide a report of dues deduction changes including any "starts and stops." By providing such list, the Union certifies that each Employee has knowingly and willfully consented to the payroll deduction. Within 10 business days of receipt, the Union shall notify the corresponding agency payroll offices, in writing, of any revocations of said authorization and the effective date of the same. The Employer shall maintain its current practice of payroll deductions for Employees that transfer to a different state agency.

SECTION THREE. The parties recognize that the authorization of the Union to receive payroll deductions is an agreement solely between the Union and its members which the member may revoke consistent with the Union's membership rules. Below is the version of the agreement currently available and in use which bargaining unit members are to sign. Should this language change, the Union will provide the State with an updated version within ten (10) business days, and the State will update online and later-printed versions of this CBA accordingly.

I hereby request and voluntarily authorize and direct my Employer to deduct the applicable dues/initiation fees from my wages or salary as required by the New England Health Care Employees Union, District 1199 SEIU and to remit all such deductions so made to the New England Health Care Employees Union, District 1199 SEIU. This authorization shall remain in effect unless I revoke it by sending written notice via U.S. mail to both the Employer and New England Health Care Employees Union, District 1199 SEIU. This authorization is voluntary and is not a condition of my employment, and I can decline to agree with it without reprisal. I understand that all members benefit from everyone's commitments because they help to build a strong union that is able to plan for the future.

Should a bargaining unit member approach the State or its agents seeking to terminate or modify his or her contractual relationship with the Union, that bargaining unit member will be directed to communication such intent directly to the Union. In such case, the State may notify the Employee of its obligation to comply with this Article, including Section

Two above. If the State is informed of a dispute between a bargaining unit member and the Union concerning the obligation to withhold union dues, it may invoke Section 4.

SECTION FOUR. Upon request of the State, the Union shall provide legally sufficient proof of the authorization to collect dues through payroll deduction to the State of any Employee who disputes said authorization. If the requested proof of authorization is not provided within seven (7) calendar days of the request, the State will cease withholding union dues for that Employee not later than the first day of the following pay period. Upon request, an Agency may request a dues reconciliation not more than twice per contract year.

SECTION FIVE. The State shall continue its practice of providing biweekly bargaining unit lists.

SECTION SIX. In accordance with procedures promulgated by the Office of the State Comptroller, the State shall allow for the voluntary payroll deduction of contributions for the Union's political action fund. Authorization for such deduction by the employee shall be provided in writing by the Union to the corresponding agency payroll offices consistent with the process outlined in Section Two above.

SECTION SEVEN. No payroll deduction of dues shall be made from worker's compensation or for any payroll period in which earnings received are insufficient to cover the amount of deduction, nor shall such deduction be made from subsequent payrolls to cover the period in question.

SECTION EIGHT. The Employer will provide notice to the Union, in an editable digital format, of new members of the bargaining unit, as soon as practicable after their hire, and no later than ten (10) workdays of the commencement of employment. Such notice will be by email to the Union at an address designated by the Union and shall include, at a minimum, the new bargaining unit member's name, middle initial, last 4 digits of SSN#, date of hire, rate of pay, total hours worked in the reporting period, dues paid, initiation fee paid, employment status, employee ID, agency, job title, department, work location, shift, work telephone number, home address, race, and gender. The employer shall provide the employee's home telephone number and personal cellular telephone number upon confirmation by the union of the employee's written authorization. If dues were not deducted for a member, an explanation should appear in place of the deduction (e.g. L.O.A., Termination).

The Employer also agrees to provide the Union a monthly list of the names and work locations of Employees who have transferred; the names of newly hired employees working in a temporary, durational or emergency capacity; the names of terminated employees, either permanent or temporary, and their date of termination; the names of Employees on unpaid leaves of absences in excess of five (5) days with leave and return dates; and Employees who are receiving workers' compensation benefits.

All reports shall include the information as defined in Section Eight of this article.

SECTION NINE. The Employer assumes no obligation, financial or otherwise, arising out of the provisions of this Article, and the Union hereby agrees that it will indemnify and hold the Employer harmless from any claims, actions or proceedings hereunder. Once the funds are remitted to the Union, their disposition thereafter shall be the sole and exclusive obligation and responsibility of the Union.

SECTION TEN. Union dues shall not be deducted for any other Employee organization.

SECTION ELEVEN. The State shall continue the voluntary payroll deduction for the Union's political action organization/solidarity fund.

ARTICLE 4 UNION RIGHTS

SECTION ONE. Employer representatives shall deal exclusively with Union delegates or representatives in the processing of grievances or any other aspect of contract administration, subject to the right of an Employee to process his/her grievance without Union assistance as provided in Article 32.

SECTION TWO. In January of each year, the Union will furnish the Employer with the list of delegates at each work site and list of staff representatives and shall keep the lists current. Such information shall be directed to the Office of Labor Relations, with a copy sent concurrently to the facility or office affected.

SECTION THREE. Union staff representatives shall have reasonable access to the Employer for the purpose of conferring with the Employer, delegates of the Union and/or Employees and for the purpose of administering this Agreement.

In all cases, a Union representative shall give advance telephone notice to the facility prior to arrival on premises. Such telephone notice shall be given to the designated management official at the facility. The Union representative shall indicate the approximate time of the planned visit and, if known, the areas to be visited. However, this shall not limit the

representative from visiting other areas provided he/she first advises the assigned Labor Relations professional or the head of the department being entered. Union representatives shall not use cameras or other recording devices in facilities or institutions without prior management authorization.

Such visits shall not interfere with the operation of the Employer.

The Union shall have the right to use the State's electronic mail systems (e.g., State email) to communicate with bargaining unit members regarding collective bargaining, the administration of collective bargaining agreements, the investigation and processing of grievances, other workplace-related complaints and issues, and internal matters involving the governance or business of the Union. Individual Employees are permitted to use a State computer or other State devices to interact with an authorized Union representative in matters involving collective bargaining, the administration of collective bargaining agreements, grievances, other workplace-related complaints and issues, and internal matters involving the governance or business of the Union.

SECTION FOUR. Delegates will notify their immediate supervisors when they desire to leave their work assignments to properly and expeditiously carry out their duties in connection with this Agreement. When notifying their supervisors they are conducting Union business, the Employee will state the name of the Employee involved, his/her location, indicating what type of Union business is to be discussed, and the approximate time needed.

When entering a work location other than his/her own, the delegate will notify the department head of his/her presence. A delegate thus engaged will report back to his/her supervisor on completion of such duties and return to his/her job and will suffer no loss of pay or other benefits as a result thereof.

Such visits shall not interfere with the operation of the Employer. A supervisor may request postponement of a visit if patient/client care needs require.

Delegates designated by the Union to have responsibility for community-based operations will be allowed reasonable travel time within reasonable geographic boundaries. The Union will propose boundaries, and if the Agency disagrees, the parties shall meet to reach an accommodation.

The State will bring any problem that arises under this Section to the Union's attention, and the Union will cooperate in attempting to resolve such problems.

State agencies will use the form in Appendix G to account for delegates' release time for contract administration. This provision shall not be interpreted to limit delegates' rights under this Article.

Delegates will cooperate fully in providing such information in a timely fashion.

SECTION FIVE. The Employer will furnish reasonable bulletin board space at each facility for the posting of Union notices. Such notices shall not be used for material of a partisan political nature. Neither the Union nor the Employer will post derogatory remarks concerning Employees. The Union shall limit its posting of notices and bulletins to such bulletin board space.

SECTION SIX. The Employer agrees to provide the Union, upon request and adequate notice, access to all readily available materials and information necessary for the Union to fulfill its responsibility to administer this Agreement and represent its membership. The Union shall reimburse the State for the expense and time spent for duplicating extensive information and otherwise as permitted under the State Freedom of Information Law. The Union shall not have access to patient information except as allowed by law or to personnel records except as provided in Article 37.

SECTION SEVEN. UNION BUSINESS LEAVE

NP-6 (A) The Employer will allow authorized delegates of the Union to attend Executive Board meetings, Union conventions in the United States and delegate training sessions. A maximum of six thousand one hundred and fifty (6,150) hours of paid leave per year shall be granted for this purpose. Any hours not used in one year may be carried over to the next contract year and added to that Union business leave bank of hours. Said bank shall expire at the end of the contract. Request for time off under this Section shall be made in writing to the Undersecretary for Labor Relations with a concurrent copy to the appropriate Agency, at least three (3) weeks in advance. Time off shall be granted half day units only, however the notice shall contain the number of hours to be utilized and shall be subject to patient/client care needs. When requests for time off under this Section create a scheduling problem for the Employer, the Union will be notified and suitable arrangements developed.

P-1 (A) The Employer will allow authorized delegates of the Union to attend Executive Board meetings, Union conventions in the United States and delegate training sessions. A maximum of two thousand two hundred and fifty (2,250) hours of paid leave per year shall be granted for this purpose. Any hours not used in one year may be carried over to the next contract year and added to that Union business leave bank of hours. Said bank shall expire at the end of

the contract. Request for time off under this Section shall be made in writing to the Undersecretary for Labor Relations with a concurrent copy to the appropriate Agency, at least three (3) weeks in advance. Time off shall be granted half day units only, however the notice shall contain the number of hours to be utilized and shall be subject to patient/client care needs. When requests for time off under this Section create a scheduling problem for the Employer, the Union will be notified and suitable arrangements developed.

(B) Not more than three (3) Employees elected or appointed to a full-time office or position with the Union will be eligible for an unpaid leave of absence not to exceed one (1) year. An extension not to exceed one (1) additional year may be granted subject to the approval of the Undersecretary for Labor Relations. Upon return from such leave, the Employer shall offer the Employee a position in the same classification and equal to the former position in pay and benefits at the wage rates in force at the time of return from the leave. This Section obligates the Employer to offer the Employee a position in the same facility from which the Employee went on leave, unless such placement is not practicable. If the Employee is not placed on the same shift upon return from leave, he/she will be placed on the same shift when the first opening occurs. Not more than one (1) Employee from any facility or two (2) Employees from the same Agency will be granted a leave of absence under this section.

(C) For the first three sessions of negotiations for a successor to this Agreement, up to seven (7) Employees from the P-1 bargaining unit and up to ten (10) Employees from the NP-6 bargaining unit shall be given paid time off for attendance at the sessions. The State shall cooperate in arranging unpaid time off or Union Business Leave in accordance with subsection (a) above for other members of the Union's committee. Provided, however, unpaid time off shall not be granted if the effect would be to incur overtime costs. Release of specific Employees is subject to patient/client care needs.

During the first three sessions, the parties will work out arrangements for release time for the remainder of the negotiations which in no event shall be greater than provided above.

SECTION EIGHT. Except as otherwise provided by the parties, all new members of the bargaining unit shall be released from work for one (1) hour without loss of pay, to attend a Union orientation. If the Employer chooses, that orientation may be combined with a new hire orientation conducted by the Employer. In such case, the Employer will provide the Union with no less than ten (10) days' written electronic notice of the time and location of such orientations. Management shall not be present during the Union's orientations. If the Employer chooses not the schedule its orientation within (30) days of an Employee's hire, or not to add the Union orientation to the Employer orientation, the Union shall schedule the orientation at its discretion but consistent with the Employer's operational need. The Union will provide all new Employees with copies of this Agreement. The time and location of such orientation shall be determined by mutual agreement of the Union and the Employer.

SECTION NINE. When space is available, the Employer will make such space available to the Union for meetings once a month. Patient/client activities will preempt Union meetings. Additional personnel costs will be charged to the Union if incurred.

SECTION TEN. Union delegates or representatives may use State phones for Union business calls provided that calls are not charged to the State. Consistent with agency rules, personal cell phones may be used for such calls of short duration.

Union Delegates may receive calls for short duration or messages from Union representatives, provided that there is no interference with patient/client care. If a call is not put through, a message will expeditiously be given to the delegate. Intra-facility telephone calls of a short duration are allowed, provided that there is no interference with patient/client care.

The Union will cooperate in preventing abuse of this Section. After discussion with the Union, if there is continued abuse, the Employer may revoke the delegate's right to use telephones.

SECTION ELEVEN. When an Union Business Leave (UBL) request is made to the Undersecretary of Labor Relations, with a concurrent copy to the applicable Agency, the written request shall include the reason(s) for the UBL, such as attendance at "Executive Board meetings, Union Conventions in the United States, or delegate training sessions", as prescribed by the Contract.

ARTICLE 5 MANAGEMENT RIGHTS

Except as otherwise limited by an express provision of this Agreement, the State reserves and retains, whether exercised or not, all the lawful and customary rights, powers and prerogatives of public management. Such rights include but are limited to establishing standards of productivity and performance of its Employees; determining the mission of an

Agency and the methods and means necessary to fulfill that mission, including the contracting out of or the discontinuation of services, positions, or programs in whole or in parts; the determination of the content of the job classification; the appointment, promotion, assignment, direction and transfer of personnel; the suspension, demotion, discharge or any other appropriate action against its Employees; the relief from duty of its Employees because of lack of work or for other legitimate reasons; the establishment of reasonable work rules; and the taking of all necessary actions to carry out its missions in emergencies.

ARTICLE 6 CONTRACTING OUT

(A) During the life of this Agreement, no permanent Employee will be laid off as a direct consequence of the exercise by the State Employer of its right to contract out.

(B) The State Employer will be deemed in compliance with this Article if:

(1) The Employee is offered a transfer to the same or similar position which, in the Employer's judgment, he/she is qualified to perform, with no reduction in pay; or

(2) The Employer offers to train an Employee for a position which reasonably appears to be suitable based on the Employee's qualifications and skills. There shall be no reduction in pay during the training period.

ARTICLE 7 NO STRIKES - NO LOCKOUTS

SECTION ONE. Neither the Union nor any Employee shall engage in, induce, support, encourage, or condone a strike, sympathy strike, work stoppage, slowdown, concerted withholding of services, sickout or any interference with the mission of any State Agency. This Article shall be deemed to prohibit the concerted boycott or refusal of overtime work but shall be interpreted consistent with the provisions of this Agreement on distribution and assignment of overtime work.

SECTION TWO. The Union shall exert its best efforts to prevent or terminate any violation of Section One of this Article.

SECTION THREE. The Employer agrees that during the life of this Agreement there shall be no lockout.

ARTICLE 8 WORKING TEST PERIOD

(B) For part-time Employees, the Working Test Period shall be based on 914 hours or six (6) months, whichever is greater. (D) Promotion to a noncompetitive classification shall require a Working Test Period of four (4) months from the date of appointment.

(E) Promotion to a competitive classification shall require a Working Test Period of six (6) months from the date of appointment from a certified list promulgated by the Commissioner of Administrative Services.

(F) An Employee may not transfer or promote to any position until the Employee has completed the working test period in the Employee's current position.

SECTION THREE. (A) PROVISIONAL APPOINTEES. METHOD OF SALARY PAYMENT**

Any new Employee who does not receive his/her first check as anticipated shall notify the payroll office immediately. Every effort shall be made to provide the advance to the Employee within two (2) business days.

(C) If through Agency error or oversight an Employee does not receive a regular biweekly paycheck which is due, the Agency shall process a payroll in advance in accordance with the Comptroller's payroll procedure. No advance will be required for overtime, shift differential, longevity or other special checks. Any Employee who does not receive a check due shall notify the payroll office immediately. Every effort shall be made to provide the advance to the Employee within two (2) business days.

(D) If there is an undisputed error in an Employee's paycheck and if the error is such that the Employee received less than eighty percent (80%) of his/her regular biweekly pay, the Employee will, upon request, receive or be advanced, under the payroll advance procedures all money due within one (1) week. No advance will be required for overtime, shift differential or other special checks.

(E) If an Employee's check is lost in the mail or by the Employee, he/she shall report such to the payroll office immediately and shall complete the required affidavits. ARTICLE 12 CLASS REEVALUATIONS

SECTION ONE. The process set forth in this Article supersedes the provisions of Sec. 5-200b. CGS pertaining to reclassification of state employees by the Commissioner of Administrative Services (upgrading).

SECTION TWO. The Union, but not any Employee, shall have the right to appeal in writing by submitting data, views, questionnaires or any other documentation that the Union deems relevant relative to reevaluation of a class or classes of positions allocated to the State Compensation Plans. The Union may request a meeting to present its appeal. Within sixty (60) days after the receipt of such written data or holding the requested meeting, the Commissioner of Administrative Services or designee shall answer the appeal.

SECTION THREE. The Commissioner of Administrative Services or designee shall judge the appeal only with respect to the following criteria:

(A) Whether there was a change in job duties of the class appealed so substantial that it should have the effect of changing its compensation grade. The Commissioner or designee will not look to changes which occurred prior to the effective date of this Agreement.

(B) If the Commissioner or designee finds no substantial change in job duties, the Union may appeal and the class shall be presented to Arbitration.

SECTION FOUR. In any arbitration case arising from such appeal, the mutually agreed upon arbitrator or permanent umpire, who shall be experienced in public sector position classification and evaluation, shall base his/her decision on the criteria set forth in Section Three above. If such arbitrator or permanent umpire decides that the criteria set forth in Section Three have been met, the class shall be upgraded accordingly.

SECTION FIVE. The State reserves the right to reevaluate any classification. In the event that such reevaluation results in Objective Job Evaluation points in excess of those of the current classification, the State will upgrade the classification in accordance with such reevaluation. Any such upgrade shall be effective the first day of the pay period following notification to the Union.

ARTICLE 13 HOURS OF WORK, WORK SCHEDULES AND OVERTIME

Such assignments shall be subject to individual schedule changes consistent with Section Seven hereof. Employees shall be compensated for all hours worked and earn leave credits in accordance with the forty (40) hour workweek.

(G) Except as provided above, a forty (40) hour workweek may be established only if the Union and the Employer agree in writing to do so. Such agreement would be arrived at through negotiations between the parties. Either party could initiate these negotiations by notice to the other party of its interest in such negotiations. Issues unresolved by negotiations shall not be subject to arbitration and forty (40) hour workweeks shall not be established unilaterally. A forty (40) hour schedule shall not be established with individual Employees on a voluntary or compulsory basis without the agreement of the Union, as outlined above. The foregoing does not preclude the Employer from establishing new positions as forty (40) hour positions.

The Office of Labor Relations shall be the State's representative in all such negotiations. If an agreement is reached between the parties to implement a forty (40) hour workweek, such agreement may be implemented without any additional legislative approval required. Any such agreement requires the signature of the Undersecretary for Labor Relations and the President of the Union or the Assistant Director of Labor Relations or Vice President of the Union.

(H) The parties may negotiate over any other schedule in excess of a thirty-five (35) hour workweek. Such negotiations will be governed by the procedure outlined in subsection (G) above.

(I) On, or after, June 1, 2018, the Union may request of the Office of Labor Relations, discussions regarding increasing the hours of employees in specific classifications. The Union will provide a list of classifications for discussions. Such discussions will be governed by the procedure as outlined in subsection (G) above.

SECTION TWO. Meal periods shall be scheduled close to the middle of a shift, consistent with the operating needs of the Agency. Employees required to eat meals with patients/clients shall be paid for such meal periods and shall be provided with a free meal. The meal period of Employees shall not be extended for the purpose of increasing the work time of such Employee(s).

Bargaining unit Employees who are required to remain in attendance during their meal periods at an institution/facility, subject to call, shall have such time counted as work time.

Part-time Employees under twenty (20) hours who worked a full shift shall be granted an unpaid meal period. However, facilities that granted an unpaid meal period to under twenty (20) hour Employees working less than a full shift shall continue to do so as long as Agency operating needs permit.

SECTION THREE. (A) Subject to Agency operating needs, Employees shall be granted two (2) fifteen (15) minute rest periods during their normal shift. Subject to Agency operating needs, part-time Employees under twenty (20) hours who work at least three and one-half (3.5) hours per day shall be granted one (1) fifteen (15) minute rest period during their shift. Such breaks shall be staggered according to the operating needs of the Agency and will be granted in a manner which will guarantee no break in service to the patients/clients served by the work location.

(B) Agency operating needs which may prevent the granting of rest periods shall be limited to the need to provide proper patient/client care and to provide services to patients/clients and their families.

Situations which may preclude the granting of a rest period include those where an Employee is working alone and it is not possible to provide relief or where absenteeism causes serious staff shortages.

However, it is understood that any Employee may grieve a pattern of unreasonable denial of break time.

SECTION FOUR. OVERTIME. The State will continue to pay overtime to eligible Employees at straight time rate for hours up to forty (40) and at time and one-half for hours worked over forty (40). Nothing in this Article shall be construed to alter the current practices where they exist with respect to payment of time and one-half after eight (8)

hours per day. This practice currently exists to some extent at the following agencies: Connecticut Valley Hospital, River Valley Services, Western CT Mental Health Network, Southeast Mental Health Authority, Southwest CT Mental Health System, CT Mental Health Center, Southbury Training School Medical Unit, Albert J. Solnit Center – North, Albert J. Solnit Center - South and Office of the Medical Examiner.

(2) Payment for overtime shall be in units of quarter hours for any part worked thereof.

(3) Exempt Employees as defined in Section One shall not be paid overtime. Subject to the operating needs of the Agency:

(A) Exempt Employees who are required by the State to attend the regular and recurrent evening meetings or otherwise to be called out regularly and recurrently to perform work outside the regular scheduled workweek shall be authorized to work a flexible work schedule or to receive compensatory time off; and

(B) Exempt Employees who are required by the State to perform extended service outside the normal workweek to complete a project or for other State purpose shall be authorized to receive compensatory time off. In no event shall such time be deemed to accrue in any manner or be the basis for compensation on termination of employment. Employees who are denied a significant block of compensatory time off or are consistently denied compensatory time off hereunder may grieve and arbitrate.

(C) The above notwithstanding, Nurse Supervisors and Nurse Clinicians shall be entitled to receive overtime pay in lieu of compensatory time at the rate of time and one-half of their hourly rate.

(D) Employees of DDS and DMHAS qualified to perform in the Occupational Therapist, Physical Therapist and Speech Pathologist classifications may be permitted to accept assignments from DDS and DMHAS in such classifications provided there is not adverse impact on their primary assignment. Where such additional assignment produces an overtime situation, the Employee will be paid even if above the overtime cap. Dual employment forms will still be required when crossing Agency lines.

(4) Employees deemed exempt by Article 13, Section One (E) shall be allowed to accumulate compensatory time during a four (4) month period of either July through October, November through February, or March through June. The Employee should schedule and use his/her accumulated compensatory time within the three month period following the accumulation period. In the event the Employee fails to schedule the compensatory time, the Agency shall schedule such time within the designated three (3) month period. In the event the Employee is not allowed, or is unable to use this compensatory time within the parameters of arranged schedules, the Agency shall seek permission from the Office of Policy and Management (OPM) for payment of such compensatory time within the fourth (4th) month following the accumulation period (in accordance with the Compensatory Procedure). The Employee will receive either the compensatory time off or payment for such time.

Notwithstanding the above, when the appointing authority determines that the granting of compensatory time off would create a hardship on the Agency, payment at straight time may be granted with advanced approval of the Secretary of OPM or designee. The Employee can opt for compensatory time under the aforementioned provision.

COMPENSATORY PROCEDURE

<u>Accumulate</u>	<u>Schedule & Use</u>	<u>Pay-out</u>
July, Aug, Sept, Oct.	Nov., Dec., Jan.	Feb.
Nov., Dec, Jan, Feb.	Mar., Apr., May	June
Mar, Apr., May, June	July, Aug., Sept.	Oct.

(5) For those Employees not included in the exempt category, by mutual agreement with the State, Employees may elect compensatory time instead of overtime pay. The State shall schedule such compensatory time off at a mutually agreed time by the end of the following period. This clause shall apply to Employees in the P-1 bargaining unit who are not engaged in direct patient/client care and to those Employees in the NP-6 unit who are involved in

recreation or community liaison activities or other Employees as determined by mutual agreement of the Union and the State. Employees shall not be pressured to choose compensatory time in lieu of overtime.

(6) Overtime pay shall not be pyramided.

(7) When practicable, overtime checks shall be paid not later than the second payroll period following the overtime worked.

SECTION FIVE. CALL BACK PAY. Employees who have left work after the end of their scheduled work shift and who are called back to work by the Employer shall receive a minimum of four (4) hours work. Part-time Employees under twenty (20) hours who are called in under these circumstances shall receive a minimum of two (2) hours work. However, this guarantee shall apply only once during any twenty-four (24) hour period. This provision shall not apply to Employees who are called in early prior to their regular starting time and work through their regular shift.

SECTION SIX. (A) In the event the Employer wishes to change a facility work schedule or establish a schedule which involves work in two different shifts in new or existing facilities during the life of this Agreement, three (3) weeks written notice shall be given to the affected Employee(s), the delegate, and the Union office. The Employer shall meet and negotiate with the Union if the Union objects to the proposed schedule. If agreement cannot be reached within three (3) weeks of notification to the Union, the Employer shall make the changes it deems advisable. The Union shall have the right to request arbitration following the schedule change implementations. The arbitrator in rendering a decision must give weight to the following factors in the following order of priority: the impact on patient/client care and service to their families, the impact on the Agency/Department, and the impact on the Employees. The arbitrator shall not be empowered to direct the Employer to hire additional staff or require additional overtime compensation provided the Employer has not reduced the number of Employees and thus reduced the Employee/patient ratio prior to this change in schedule.

The provisions of this subsection expire automatically on the expiration date of this Agreement unless the parties mutually agree to incorporate them in a successor agreement.

(B) During the life of this Agreement, establishment or disestablishment of nonstandard or unscheduled workweeks shall be approved by the Undersecretary for Labor Relations, and the Union shall be given three (3) weeks notice of such changes. Upon request, the Employer shall meet and discuss such changes with the Union.

Changes from a standard to a nonstandard or to an unscheduled workweek or any other such change shall be made on the basis of reasonableness. No change in work schedule shall be made for the primary purpose of avoiding the payment of overtime or to mitigate the impact of the Fair Labor Standards Act. The State and the Union shall receive and discuss suggestions from the Union to modify such work weeks once established.

(C) Upon request, the Employer and the Union shall discuss flexible or compressed work schedules. Flexible work schedules may be established by mutual agreement with the approval of an appropriate management designee at the department/Agency level and the Undersecretary for Labor Relations.

SECTION SEVEN. Except in emergency situations, agencies shall notify Employees and the Union three (3) weeks before a change in individual work schedule is to be effective when such change is mandated by the Employer. Once the schedule has been posted, the Employer shall not reschedule an individual's day off or hours of work with the intent to avoid payment of overtime compensation. This provision shall not diminish Employees' rights to bid for pass days in accordance with Section Eight. Nor shall this Section prevent management from scheduling a compensatory day for a holiday with less than two (2) weeks notice.

SECTION EIGHT. If an agreed on schedule has fixed pass days for Employees, Employees may bid for more favorable pass days on the same shift when they become available within their classification and such days shall be granted on the basis of seniority, provided the Employee has the ability and training necessary to perform the job.

SECTION NINE. Employees work schedules shall be posted at the work site at least two (2) weeks prior to the start of the scheduled period.

SECTION TEN. Provided Agency needs are met, an Employee on an unscheduled workweek shall be responsible for adjusting his/her own work hours in consultation with his/her supervisor.

SECTION ELEVEN. DISTRIBUTION OF OVERTIME.

(A) (1) The Employer shall survey all Employees in each classification at each Agency, institution or facility to determine willingness to work overtime. A list of all volunteers shall be posted with Employee names to be added or removed by written request.

(2) An Employee who has not volunteered for overtime work in accordance with subsection (a)(1) above, shall not be penalized for such refusal.

(B) (1) Consistent with Agency operating needs, the Employer shall equally distribute overtime among qualified Employees in a classification who have volunteered for such work. If no qualified volunteers are available, the Employer shall, as far as practicable, distribute such overtime among qualified Employees who normally do such work.

(2) There shall be no basis for any Employee claim for compensation in any form for hours not worked.

(3) The Employer shall allow representatives and/or delegates of the exclusive representative to inspect records of overtime work.

(C) (1) The Employer can request overtime work of staff presently on duty when an emergency exists and time does not allow use of the overtime roster.

(2) A refusal to work overtime when ordered by an appropriate authority shall subject an Employee to disciplinary action.

(D) An Employee or the Union can grieve beginning at Step II a pattern of unreasonable or excessive assignment of overtime or use of the emergency provision in subsection (c)(1) above.

(E) The above procedure on distribution of overtime shall apply to part-time Employees under twenty (20) hours who volunteer to work more than their regularly scheduled hours. The extra work shall not be deemed eligible for special overtime compensation unless the criteria in Section Four are met.

(F) The parties recognize that working overtime is a function of a direct care employee's work, and that as an operational necessity, direct care settings routinely require overtime to provide essential coverage and services. However, the parties also know that both work related injuries and personal illnesses are covered by various state and federal statutes that may limit an employee's availability to perform overtime hours.

SECTION TWELVE. MANDATORY OVERTIME.

A) The parties shall develop a rotation system for equal distribution of overtime within each facility as a whole in a manner that promotes maximum reliance on volunteers for all overtime assignments. Employees shall not be mandated to work overtime except in an emergency. An emergency shall be defined as a weather emergency or other event where the governor closes state offices, a lockdown in a correctional institution, or when the number of actual staff reporting to work is below minimum safe levels or legal requirements. If such a mandate takes place, the affected Employee shall be compensated at a rate double his/her regular hourly rate. The Employer is obligated to schedule staff at or above minimum safe levels.

(B) In the event that an Employee is held over on his/her normal shift, the Employer shall inform him/her as soon as possible of the anticipated length of the holdover. Any Employee who is held over more than fifteen (15) minutes beyond the shift shall receive a minimum of one (1) hour overtime work at the applicable rate.

SECTION THIRTEEN. PROCEDURES FOR IMPROVING VOLUNTARY OVERTIME. (A) The parties at each facility shall meet to review present practices or agreements regarding the assignment of overtime with the purpose of developing improved procedures for the assignment of overtime. The parties shall attempt to improve present procedures in the following areas:

(1) Recruitment of volunteers so that the need for mandatory overtime is eliminated or substantially reduced.

(2) The equalization of mandatory overtime assignments and the assignment of mandatory overtime by rotation method which allows Employees to predict, as much as possible, whether they will be mandated on a particular day.

(3) The anticipation, based on leave and vacation requests, Employees on sick leave or Worker's Compensation, or other leaves, and expected rate of unscheduled absences, of the need for overtime as far into the future as possible, and the pre-scheduling of voluntary overtime to meet such needs.

(4) Consideration of additional part-time Employees for the purpose of reducing mandatory overtime.

(B) The parties at each facility shall attempt to reach agreement on the system to be utilized there. Once a system is in place, the parties shall meet on a regular basis to review the effectiveness of the system and to make whatever changes are necessary to make the system serve the above goals.

(C) If there is a dispute about either (i) which system best serves the above goals, or (ii) proposed changes, either party may submit the dispute directly to arbitration for a recommendation provided however, that the arbitrator shall

not have the authority to make any recommendations with respect to staffing levels. There shall be no appeal from the arbitrator's recommendations.

SECTION FOURTEEN. GRAND ROUND HOURS. Employees who are required to perform grand rounds at hospitals in order to maintain privileges at said hospital(s) shall have the hours spent on this activity considered as hours worked.

SECTION FIFTEEN. PHYSICIAN WORK SCHEDULES

All full time Physicians shall work a 40 hours standard work week. It is understood that all full-time physicians whether classified as Staff or Principal Physician have a responsibility and duty to respond to calls concerning their patient/client caseload. This responsibility is regardless of any Night Duty or Standby Night Duty assignment. At worksites where a protocol for this available consultation has not been established, management shall work with the Union to establish a protocol. In the event that the Parties cannot agree, management shall institute its protocol and the Union shall have the right to submit the issue to expedited arbitration. In any such arbitration, the arbitrator shall consider; the impact on patient/client care, the impact on the Agency/Department, and the impact on the Employees.

SECTION SIXTEEN. EXCHANGE OF SHIFTS. Exchange of Shifts, swapping, switching or shift substitutions are encompassed with the definition of "time trading". Time trading is the substitution of one employee to work the hours scheduled for another employee in the same or similar job class that would typically perform the duties (e.g. DSW1 & DSW2) currently practiced at the work location. Time trading may be allowed, but all such arrangements must be made within the following parameters:

- a) An agreement between individuals employed by the Agency to substitute for one another at their own option must be approved by the Supervisor in advance.
- b) The Employer must know what work is being done, by whom it is being done, and where and when it is being done.
- c) The time trading, including the repayment of the trade, must be completed within the same pay period.
- d) The Agency shall assume no additional costs, including overtime costs, as a result of time trading.

ARTICLE 14

SENIORITY

SECTION ONE. Seniority shall be defined as an Employee's length of State service since date of last hire.

For part-time Employees, seniority shall be prorated in accordance with the number of hours worked by the Employee.

SECTION TWO. An Employee's seniority shall accrue during the following periods:

- (A) War service (including service prior to State employment) as defined in Section 27-103 (a) C.G.S.
- (B) Military leave.
- (C) Paid leave.
- (D) Worker's Compensation leave.
- (E) Unpaid sick leave, disability, family emergency due to illness, parental, authorized leaves of absence or layoff of up to a maximum of twelve (12) months or the length of Employee's service, whichever is less. Provided, however, a full-time Employee who returns to work part-time during the maximum twelve (12) month period, or length of the Employee's service, whichever is less, shall accrue full-time seniority for the remainder of such period.

SECTION THREE. An Employee's length of service shall be as defined in Sections One and Two of this Article except that:

- (1) credit for length of service under Section Two (e) shall be granted only for leaves granted on or after July 1, 1979;
- (2) Only a total of nine (9) months of unpaid leave of absence may be counted toward length of service for vacation accrual.

Longevity and pension rules shall not be modified as a result of this Article.

SECTION FOUR. Seniority shall not be computed until after completion of the initial Working Test Period. Upon successful completion of the Working Test Period, seniority shall be retroactive to the date of hire.

SECTION FIVE. State service while working in a trainee class shall not accrue until permanent appointment to the target class, whereupon it shall be retroactively applied to include such service.

SECTION SIX. Seniority shall be deemed broken by:

(A) Termination of employment caused by resignation, dismissal or retirement.

(B) Failure to report for five (5) working days without authorization unless the Employee provides a valid reason for not notifying the Agency.

Credit for seniority up to a break in service shall be restored to an Employee who is reemployed within one (1) year of service break.

Notwithstanding the above, Employees who had a break in service and were rehired prior to July 1, 1979, shall have their seniority restored for all service prior to the break.

SECTION SEVEN. If an Employee accepts a position outside of the bargaining unit, but within State service, and returns to the bargaining unit, the period of time spent in the position(s) outside of either the NP-6 or P-1 bargaining unit shall be considered a break in service. Credit for service previous to this break in service shall be applied to the returning Employee provided the Employee has been employed for at least three (3) consecutive years prior to their change of bargaining unit.

Such service credit shall not be applied until the Employee has returned to the bargaining unit for a two (2) year period.

This interpretation does not impact longevity or pension rules. It only applies to situations where an Employee leaves the bargaining unit for another State position and later returns to a bargaining unit position. Before accepting positions outside of the NP-6 and P-1 bargaining units, Employees are advised that rights to return to an NP-6 or P-1 position are limited.

SECTION EIGHT. Annual seniority lists based on State service shall be submitted to the Union via email by January 31st of each contract year. The submitted list shall contain the Employee's name, job classification, ID number, original date of hire, and Agency location.

ARTICLE 15

PROMOTIONS AND LATERAL TRANSFERS

SECTION ONE. For the purpose of this Article a noncompetitive vacancy is defined as:

(1) being in the bargaining unit;

(2) a position the Employer intends to fill on a permanent basis;

(3) a vacancy which does not require a competitive examination, as a prerequisite for consideration except certain licensed or credentialed professionals as provided by Section 5-219 of the Connecticut General Statutes.

SECTION TWO. When a noncompetitive vacancy in a facility or region occurs and no Employee has recall rights to such vacancy, the Employer shall send notice of such vacancy to the Union Office. The Employer shall post notice of such vacancy on www.DAS.ct.gov, on a bulletin board at each facility, or in a community setting, in the manner it ordinarily uses for notices to bargaining unit Employees in the facility or region where the vacancy exists. The Employer will also post such vacancies in other regions or facilities within the Agency. Such notices shall be sent to one location per region or facility, to be determined by mutual agreement. Such posting shall be for a period of not less than seven (7) calendar days before the vacancy is filled. Such notice shall include the job classification, the work schedule, shift, work location and person to contact.

SECTION THREE. When an employee wishes to transfer from one geographic facility within an agency to another geographic facility or to a different shift or work location, the employee shall apply by responding to the posting as specified in Section 2.

(A) A transfer is defined as movement from one agency, functional unit, geographic location, facility, shift or rotation to a different agency, functional unit, geographic location, facility, shift or rotation within the same classification.

(B) Going from part time to full time in the same classification at the same facility, work location, functional unit or shift is not a promotion.

(C) Movement from a position in one classification to a different position in a different classification but the same salary group is considered a reassignment.

(D) In general, no application for an employee transfer will be acted upon within one year of the effective date of an employee initiated transfer.

SECTION FOUR. In all cases of promotion or lateral transfer to noncompetitive positions, when there is no appreciable difference between the ability of the competing candidates to perform the duties of the job, seniority as

defined under Article 14 within the NP-6 and P-1 bargaining units, as applicable, shall govern after consideration of affirmative action goals and ADA accommodations. Temporary service in the position does not in and of itself constitute an appreciable difference. In any arbitration of a dispute under this Section, unless the Employer can be shown to have acted arbitrarily and capriciously, the arbitrator shall give substantial weight to the judgment of the Employer in applying the relevant evaluation standards. Junior Employees cannot grieve the selection of a more senior Employee.

Should no current Employee possess the necessary qualifications to fill the vacancy, the Employer may fill the vacancy through outside hire.

Full time worker's request for lateral transfers or voluntary demotions where the Employee holds permanent status shall be considered before promotional requests. In this respect an Employee is deemed to hold permanent status provided he/she had achieved permanent status in the classification.

Voluntary transfers of Employees in competitive positions shall be covered by this Article.

1. For noncompetitive positions, an Employee who has achieved permanent status in the higher class, may take a voluntary demotion to a class in the same classification series even though the Employee may have skipped a level in the series progression, or a new level was created since his/her appointment to the higher class.

2. "Classification series" represents those classes which are in an exact line of progression. The career path is clearly delineated in specification content and movement from one level to another constitutes the normal avenue for advancement. For example, Developmental Services Worker 1, Developmental Services Worker 2, Supported Living Worker, Lead Developmental Services Worker, Supervising Developmental Services Worker 1, Supervising Developmental Services Worker 2.

3. Any disputes over the composition of a classification series shall be resolved by the DAS Human Resource Division.

SECTION FIVE. An Employee who transfers laterally shall continue to receive the same base rate of pay he/she enjoyed prior to the transfer. An Employee who accepts a voluntary demotion shall be paid at the lower rate of pay which he/she would have arrived at had he/she been serving the lower instead of in the higher classification. An Employee who is promoted shall receive a full promotional increase, but in no event shall the new salary exceed the maximum of the new classification.

SECTION SIX. (A) An Employee's past shift assignment shall not by itself disqualify the applicant from lateral transfer and promotion.

(B) An Employee's part-time status shall not by itself disqualify an applicant from lateral transfer or promotion or voluntary demotion; however, if the position sought is full-time, the Employee must be willing to work the full time schedule. The calculation of seniority for a part-time Employee shall continue to be on a pro rata basis.

SECTION SEVEN. An Employee who is promoted to a non-competitive position shall serve a four (4) month probationary period on the new job. An Employee who is promoted to a competitive position shall serve a six (6) month probationary period in the new position. If the Employee is removed from the new job during the probationary period, the Employee shall be returned to his/her former position without loss of seniority or other benefits. The Employer shall be the exclusive judge of whether the Employee successfully completed the probationary period, provided such determination is not arbitrary or capricious.

SECTION EIGHT. Within the 1199 bargaining units (NP-6 and P-1) Employees who desire to transfer from one Agency/Department to another shall have preference over new hires. However, the Employee must serve a Working Test Period of four (4) months in the new position. Failure of the Working Test Period shall result in a return to the previous position in the Department from which transferred. Additionally the Employee shall be provided a trial period of four weeks during the Working Test Period to elect to forego the transfer and return to his/her previous position from which transferred.

SECTION NINE. TRANSFER RIGHTS. The Union and the State agree that in the event that specialized training is developed which will qualify Employees for unique and special programs that are clinically advantageous to the patients/clients, the Employee's transfer rights may be limited so long as the following conditions are met:

- (1) The training is voluntary;
- (2) The Employees are told in advance that their transfer rights will be limited and the Employee agrees in writing;
- (3) The transfer rights may not be limited for more than six (6) months after the end of the training period;

(4) The Employee's transfer rights will be reinstated earlier for good and sufficient reasons.

SECTION TEN. When an Employee is appointed to a position, transferred, promoted or demoted, he/she will be notified in writing by the Employer of his/her work location and work schedule including starting date, shift, the hours and regular pass days.

SECTION ELEVEN. APPOINTMENT OF A NP-6 EMPLOYEE TO P-1 CLASSIFICATION. An NP-6 Employee who is appointed to a position in the P-1 bargaining unit in the same salary grade shall be placed at the step in the P-1 pay plan that is closest to, but not less than, his current salary. Provided, however, the Employee shall not be paid in excess of the maximum of the P-1 salary grade.

ARTICLE 16

ORDER OF LAYOFF OR REEMPLOYMENT

SECTION ONE. In the event of a reduction in force and subsequent recall to work, the provisions of this Article shall be controlling. For all purposes of this Article, seniority as defined in Article 14 shall prevail.

SECTION TWO. For purposes of layoff selection within a classification, seniority shall prevail. In agencies with multiple facilities or regions, the least senior in the facility or region, by classification, shall be selected for layoff. In the event of a layoff within a job classification, temporary Employees, including per diems, and Employees who have not completed their initial working test shall be separated first and they shall not have bumping rights.

SECTION THREE. The Employer shall give the Employees not less than six (6) weeks of written notice of layoff. Part-time Employees under twenty (20) hours shall receive not less than two (2) weeks written notice of layoff, except that three (3) weeks written notice shall be provided to such Employees who have been employed for five (5) years since the date of last hire. Such notices shall state the reason for such action and shall be sent concurrently to the Union. During the six (6) week period, the Employer shall meet with the Union to discuss possible alternative proposals (1) to avoid the layoff and/or (2) to mitigate the impact on the Employee(s) and/or (3) possible retraining options.

SECTION FOUR. The Employer shall offer the affected Employee a transfer to a vacancy in the same or comparable class or in any other position the Employee is qualified to fill within the Agency in which the Employee works. In order to inform affected Employees of vacancies, the State shall prepare a list of all vacancies in the same or comparable classes in the Agency in which the Employee works, or in other agencies within a twenty-five (25) mile radius; the list shall be posted and a copy provided to the Union.

If there are no positions to which an eligible Employee can bump or transfer within the Agency within a twenty-five (25) mile radius, the Employer shall offer the affected Employee a transfer to a vacancy in the same or comparable classification at any State facility within the twenty-five (25) mile radius provided that the Employee has the ability to perform the job after a reasonable period of orientation.

If there is no such vacancy available within twenty-five (25) miles, permanent Employees shall be offered a transfer to any vacancy in a classification within their bargaining unit that the Employee is qualified to fill (meets the experience and training and merit system requirements and is in the same or lower salary group) in any State Agency, subject to successful completion of the working test period.

In addition, if no vacancies are available to an Employee under any of the above provisions, and a permanent Employee in the NP-6 or P-1 bargaining unit expresses, in writing, a desire to be considered for a vacancy in their Agency in the P-1 or NP-6 bargaining unit (respectively) that they are qualified to fill as defined above, the Agency will use its best efforts to transfer the Employee to the vacancy.

If the Employee refuses to accept a transfer, an eligible Employee may exercise bumping rights as specified in Section Five.

When Employees have received layoff notices all vacancies shall be posted and all Employees, including laid off Employees, shall have the right to bid for the vacancies. In the event of a layoff, however, this posting process will only take place once. Vacancies created by transfers from this posting will be offered to Employees who have received layoff notices before they are offered to more senior Employees who have not received layoff notices.

SECTION FIVE. (A) In lieu of layoff, when there is no vacancy or when the Employee does not accept a vacancy, the Employee may bump a less senior Employee as follows:

(1) The least senior Employee in the same classification within the Agency.

(2) If the Employee does not exercise the bumping rights in (1), then the Employee may bump the least senior Employee in the lower position in the same classification series at the facility at which the bumper is employed.

(3) If the facility where the bumper is employed is closed or is closing, the Employee may bump the least senior Employee in a lower position in the same classification series in that Agency.

(B) A permanent Employee who is bumped shall have the same rights as an Employee who is laid off, except that a bumpee shall receive only three (3) weeks' notice. However, a bumpee shall not be terminated during the initial six (6) week period required by Section Three.

(C) For purposes of bumping there shall be a separate seniority list for part-time Employees who work less than twenty (20) hours. A bumpee who is an under twenty (20) hour Employee shall receive as much notice as possible, but not less than ten (10) calendar days' notice of layoff.

SECTION SIX. Within one (1) week of availability of the seniority list and the list of vacancies specified above, the affected Employee shall provide written notice whether he/she elects to exercise bumping rights. This election shall be binding on the Employee and a failure to elect shall constitute a waiver of bumping rights, and the employee shall be laid off.

SECTION SEVEN. (A) A permanent Employee who is laid off, bumped or transferred to a position in a lower classification as a result of layoff shall be placed on reemployment lists for those classifications and locations in which he/she would accept reemployment. Employees shall be entitled to specify for a placement on lists for any or all classes in which they formerly held permanent status or which are deemed comparable. For purposes of placement on the reemployment list, a part-time Employee under twenty (20) hours per week shall specify whether reemployment should be to a full or part time position.

(B) The Union shall receive a copy of each reemployment list promulgated for bargaining unit classifications and shall be notified of all appointments from such lists.

(C) Reemployment lists shall be arranged in order of seniority. Employees on the list shall be notified of appropriate vacancies in seniority order.

An Employee may remain on the reemployment list for up to three (3) years. However, if an Employee refuses three (3) job offers, he/she shall go to the bottom of the list. Failure to respond to notification shall be considered a refusal. If an Employee fails to respond to three offers, the Employer shall contact the Employee by certified mail return receipt requested at the Employee's last known address to determine whether the Employee wishes to remain on the list; if the Employee fails to respond, he/she shall be removed from the list.

An Employee on a reemployment list shall promptly notify the Commissioner of Administrative Services of any change of address and shall promptly inform the Commissioner if he/she is no longer available for reemployment from a list or lists.

(D) An Employee on the reemployment list shall be entitled to fill vacancies (provided he/she has the requisite skills and ability to perform the work) over (1) all outside hires and promotional requests other than reclassifications of filled positions, and (2) active Employees on shift and lateral transfers provided he/she has greater seniority than the person seeking the transfer.

(E) Seniority shall continue to accrue as provided in Article 14, Section 2(e). At the expiration of the accrual period, the Employee's seniority shall be frozen at that level until he/she is actually reemployed.

SECTION EIGHT. The bumper shall be paid for service in such lower classification at the closest rate in the lower salary range to his/her former salary in the higher classification, but not more than the rate he/she is receiving at the time of transfer.

SECTION NINE. If layoffs according to seniority have an adverse impact on affirmative action goals or if the most senior Employees do not have the requisite skills and ability to perform the work remaining, then the State and the Union shall meet to discuss the issue. If no agreement is reached within the time limits of Section Three, the State shall layoff Employees in the manner it deems appropriate, and the Union has the right to submit the issue to expedited arbitration.

SECTION TEN. If the seniority of two or more Employees is exactly the same, then bargaining unit seniority shall prevail; if the bargaining unit seniority is exactly the same, then classification seniority shall prevail. If classification seniority is exactly the same, priority for layoff and recall shall be determined by the higher employee number.

SECTION ELEVEN. CONTINUITY OF EMPLOYMENT The State recognizes that health care Employees will continue to play a vital role in the delivery of human services. While the processes for service delivery may change, job opportunities will continue to exist, provided Employees avail themselves of these opportunities. The State and the Union are committed to working closely together in order to effect an orderly transition and continuity of employment.

In order to facilitate an orderly transition to new employment opportunities, the State agrees to establish a function in the affected Agency dedicated to assisting and counseling staff in transfer and relocation options. Such function shall be staffed by an individual jointly chosen by the Union and management who is appropriately skilled to assist and counsel staff in transfer, relocation and retraining options consistent with this Section. In cooperation with the Union, a transfer list system within a specific Agency may be developed for the filling of positions or vacancies. Employees may apply for specific work locations and shifts.

Further, the State and the Union will identify retraining opportunities which will assist Employees in preparing for emerging or alternative job opportunities. To assist Employees, the State will make a good faith effort to post all bargaining unit vacancies at a central location at each facility subject to the provisions of this Section.

In the event a reallocation or reduction in the workforce becomes necessary at the Departments of Mental Retardation or Mental Health and Addiction Services as a result of the change to community based programs (deinstitutionalization), the provisions of this Section shall apply to all Department of Mental Health and Addiction Services Employees with permanent status on or before July 1, 2021 and to all Department of Developmental Services Employees with permanent status on or before July 1, 2021.

(A) All such permanent Employees affected by deinstitutionalization shall be offered employment in the same or comparable classification at no reduction in salary grade as provided in this Section. All positions and vacancies within the affected Agency shall first be filled through voluntary transfers. If there are no volunteers for a particular position or vacancy, it shall be filled by offering it to the least senior Employee in the classification from the affected facility. Full time Employees shall be offered a full time position and part time Employees shall be offered a part time position. If the least senior Employee refuses, the Employee shall be laid off or may have rights as described in **(B)** below. If the position or vacancy remains unfilled, it may be offered to the next two least senior Employees, in reverse order of seniority. If one or both of those Employees refuse, that Employee shall be laid off (in order of seniority) or may have rights as described in **(B)** below. However, no permanent Employee covered under this Section shall be laid off as long as there is a less senior Employee in the same classification at the affected facility who has no rights under this Section.

(B) Any Employee who refuses an offer and is scheduled to be laid off as described above shall be deemed to have waived any rights to additional offers in the future under paragraph (a) above, but shall retain the right to bump within the facility as provided in Article 16, Section Five (a)(2). Such bumping rights shall exclude any positions scheduled to be eliminated. The bumper shall be paid as provided in Article 16, Section Eight.

(C) For the purposes of this Section, Regions and Districts within the two agencies shall be defined as they existed on the date notice is given to affected Employees. In the Department of Mental Health and Addiction Services, the offer to an eligible Employee shall be in the same district as the person is employed, except in the eastern district where the offer shall be in either the eastern or central district. In the Department of Developmental Services, the offer to an eligible Employee shall be within the region where the facility is located or in one of the contiguous regions. However, for Southbury Training School, if the offer is in a contiguous region, it shall be west of the Connecticut River. The State and the Union agree to meet and discuss additional geographical limitations on offers for other locations as necessary.

(D) In the Department of Mental Health and Addiction Services, an Employee who voluntarily transfers to a position/vacancy in a lower classification, or accepts a position under paragraph (a) above, shall be red-circled in the higher classification. In the Department of Developmental Services, an Employee who voluntarily transfers to a position/vacancy in a lower classification, or accepts a position under subparagraph **(A)** above in accordance with the provisions of **(E)** below, shall be red-circled in the higher classification.

- (E)** Movement to lower classes shall be limited as follows in the Department of Developmental Services:
1. PS 2 to PS 1, SDSW2 to SDSW1
 2. PS 1 to SDSW2, SDSW1
 3. SDSW2 to SDSW1
 4. SDSW1 to LDSW
 5. LPN to DSW2
 6. LDSW to DSSLW
 7. LDSW to DSW2
 8. DSSLW to DSW2
 9. DSW2 to DSW1
 10. An Employee in a professional classification may be red circled in a lower classification in the same series

(F) If an Employee is selected for and accepts a position/vacancy as referenced in (D) and (E) above, the Employee shall be required to apply for any and all positions/vacancies in the Employee's classification series, above the position/vacancy the Employee is occupying, up to and including the title in which the Employee is red-circled. This requirement shall exist for positions/vacancies in the Region or District in which the Employee is currently employed. This requirement shall not be waived due to concerns over conditions of employment including, but not limited to, shift, pass day, unit assignment or availability of overtime. Should an Employee fail to thus apply, or should the Employee apply, be accepted and then reject the position/vacancy, the Employee shall no longer retain red-circled status. At that point, salary will be recomputed in the traditional manner (as if the Employee had always worked in the lower classification).

Employees who are red-circled are not required to apply for positions/vacancies in their classification series in other locations except as specified above, but may do so if they desire. Should they be selected for such a position/vacancy, the requirements of the above paragraph would apply at the new location.

(G) Notwithstanding the provisions of Article 15, Section Two or Article 16, Section Seven (d), individuals on the reemployment list as a result of refusal of an offer under the provisions of this Section shall not have preference for a vacancy in their former Agency over an Employee who has yet to receive an offer. This provision would apply only to vacancies in the individual's former Agency and would not affect their recall rights to any other agencies.

(H) At any facility/institution covered under the provisions of this Section, the parties shall meet and develop a process for internal movement of Employees to facilitate the closing of individual units or departments within the facility/institution.

(I) The parties agree that an expedited arbitration process shall apply to disputes over whether this Section is applicable to a particular reallocation or reduction in the workforce situation.

ARTICLE 17

TEMPORARY SERVICE IN A HIGHER CLASS

SECTION ONE. An Employee who is assigned to perform temporary service in a higher class shall, commencing with the thirty-first consecutive calendar day of such assignment, be paid retroactive to the first day of the assignment, for such actual work at the rate of the higher class as if promoted thereto, provided such assignment is approved by the Commissioner of Administrative Services. The Employer shall notify the Union in writing of an Employee's appointment to the higher classification.

SECTION TWO. Such assignments may be made when there is a bona fide vacancy which management has decided to fill, or when an Employee is on extended absence due to illness, leave of absence or other reasons. Extended absence is one which is expected to last more than thirty (30) working days.

SECTION THREE. An appointing authority making a temporary assignment to a higher class shall issue the Employee written notification of:

(A) Any such assignment which is expected to last for thirty (30) calendar days or more;

(B) Any such assignment the duration of which cannot be determined and which may last for thirty (30) calendar days or more.

Where an assignment to perform temporary service in a higher class, as defined herein, is not accompanied by written notification, the affected

Employee shall advise facility management within five (5) days from the time the Employee knows or should have known of the assignment. Failure of the Employee to notify management within five (5) days shall not constitute waiver of rights under the contract. Upon being so advised, facility management shall within five (5) days either:

(a) provide such notification with a simultaneous copy to the Commissioner of Administrative Services and the Union; or

(b) direct the affected Employee to cease performing the said assignment; or

(c) offer the affected Employee an explanation as to why the conditions in temporary service in a higher class, as defined herein, have not been met.

An appointing authority making a temporary assignment to a higher class shall immediately forward the appropriate form seeking approval of the assignment from the Commissioner of Administrative Services in writing, including documentation demonstrating Employee so assigned meets the minimum qualifications of the higher class.

The Commissioner of Administrative Services shall expedite requests for approval of assignments to temporary service in a higher class.

SECTION FOUR. If on or after the thirty-first consecutive calendar day of such service, the Commissioner of Administrative Services has not approved the assignment, the Employee upon request shall be reassigned to his/her former position, subject to the provisions of Section Five.

SECTION FIVE. In the event the Commissioner of Administrative Services disapproves the requested assignment on the basis of his/her judgment that the assignment does not constitute temporary service in a higher class, the Employee shall continue working as assigned with recourse under the appeal procedure for reclassification but not under the arbitration procedure. The form certifying the assignment will specify the rights and obligations of the parties under Sections Four and Five.

SECTION SIX. Temporary assignments to a higher class for periods of thirty (30) calendar days or less shall not be utilized to defeat the basic contractual obligation herein.

SECTION SEVEN. When applying this Article to part-time Employees working under twenty (20) hours, the term "thirty-first consecutive calendar day" in Sections One and Four shall be substituted with "thirtieth consecutive working day" and the term "thirty calendar days" in Section Six shall be substituted with "twenty-nine working days."

ARTICLE 18

WORK ASSIGNMENTS

SECTION ONE. TRANSFER DEFINITIONS.

(A) A temporary transfer is either of the following:

(1) A transfer which does not exceed ninety (90) days, or

(2) A transfer made to fill a position which is vacant because of extended illness, leave of absence (position held) or Workers' Compensation, for the length of the absence but not more than six (6) months. The State will provide the Union with a copy of the written notice of said transfers.

(B) All other transfers shall be considered permanent transfers. There is no time limit on transfers made in accordance with the procedure for making permanent transfers.

SECTION TWO. UNIT ASSIGNMENT. An Employee shall be assigned to a specific functional unit. The Employer may transfer an Employee to another functional unit whenever such transfer is necessary for the provision of proper patient/client care or for the carrying out of Agency programs and responsibilities.

For permanent transfers, the Employer shall first seek volunteers by posting the vacancy or by such other method as has been agreed upon at the facility by the Union and management. In selecting from among volunteers for permanent transfer to vacant positions, the provisions of Article 15, (Promotions and Lateral Transfers) Sections Four and Eight shall apply.

If no appropriate volunteer is available and the Employer decides to make a permanent involuntary transfer, the Employer shall transfer the least senior Employee who has the ability to perform the required work, provided that such will not create an imbalance of experienced and less experienced Employees in a unit.

If a work area is overstaffed, or if the Employer determines that staff needs to be redistributed, the Employer shall first transfer out any temporary transferees, seek volunteers and then transfer out the least senior Employee in the classification on the shift that is overstaffed provided that such will not create an imbalance of experienced and less experienced Employees in a unit and the least senior Employee has the ability to perform the required work.

For part-time Employees under twenty (20) hours per week, there shall be a separate seniority list for involuntary unit assignment transfers. The least senior Employee shall be transferred unless said transfer creates an undue hardship on the Employee, in which case the next least senior Employee shall be transferred.

SECTION THREE. SHIFT ASSIGNMENT.

(A) Permanent transfers which involve a shift change shall be made in accordance with Article 19, (Shift Assignments and Shift Differentials).

(B) In making temporary transfers, the Employer shall attempt, when appropriate, to avoid shift changes or to make such in accordance with Article 19, (Shift Assignments and Shift Differentials). Cases in which this will not be possible include temporary transfers for training purposes.

SECTION FOUR. No transfer whether temporary or permanent shall be made for disciplinary purposes.

SECTION FIVE. FACILITY/INSTITUTION ASSIGNMENT. The Employer may transfer an Employee to another facility/institution whenever such transfer is necessary for the provision of proper patient/client care or for the carrying out of Agency programs and responsibilities.

The Employer will not transfer an Employee where such transfer creates an unreasonable hardship on the Employee.

No Employee shall be transferred to another facility/institution without four (4) weeks written notice except in emergency situations.

ARTICLE 19

SHIFT ASSIGNMENTS AND DIFFERENTIALS

SECTION ONE. SHIFT DIFFERENTIAL. Eligible Employees, as specified below, who work a shift where the majority of hours falls after 3:00 p.m. before 7:00 a.m. shall be entitled to shift differential. Payment shall be made for all hours worked during the eligible shift.

SECTION TWO. WEEKEND DIFFERENTIAL. For the purposes of this Article, a weekend is defined as the forty-eight (48) hour period beginning at 11:00 p.m. on Friday night and ending at 11:00 p.m. on Sunday night. Weekend differential shall be paid for all hours worked when the majority of shift hours fall on the weekend.

SECTION THREE. DIFFERENTIAL AMOUNT. Shift and weekend differential for all eligible bargaining unit Employees (including part-time Employees under 20 hours) shall be established at five percent (5%) of Step Two of the appropriate Salary Group.

Shift differential for all eligible LPNs and Registered Nurses (including part-timers under 20 hours) shall be established at fifteen percent (15%) of Step Two of the appropriate Salary Group.

SECTION FOUR. ELIGIBILITY FOR SHIFT AND WEEKEND DIFFERENTIAL.

(1) All Employees in classifications in Salary Group 25 and below;

(2) Notwithstanding the above, Section Four (F) of the State Coalition Agreement on Pay Equity will govern in determining whether a classification is eligible for shift and /or weekend differential payment. Below is language from the State Coalition on Pay Equity Agreement:

“Any classification currently eligible for overtime, weekend, or shift differential payments shall continue to be eligible for same upon the implementation of this Agreement. The purpose of this section is to ensure that no Employees’ entitlement to overtime, shift, or weekend differentials, is diminished as a result of this pay equity agreement.”

SECTION FIVE. Weekend differential shall be paid only for hours worked and not on leave time. Shift differential shall be included in pay for vacation, holiday, sick leave and personal leave days, but not in pay for compensatory time taken in lieu of overtime payment.

For those Employees who work rotating shifts, for vacation purposes, the amount of shift differential shall be based on the average shift differential paid for the last two (2) pay periods preceding the vacation. For holidays, sick leave and personal leave days, shift differential shall be paid if the Employee is working on second or third shift at the time.

SECTION SIX. No Employee shall be required to work split or broken shifts. A split or break in shift means an interval greater than the lunch or dinner break which in any event shall not exceed one (1) hour or the normal meal period, whichever is less. This provision shall not apply to Employees on unscheduled workweeks or to exempt Employees.

SECTION SEVEN. SHIFT ASSIGNMENTS. (A) Except in emergencies, there shall be an interval of at least eight (8) hours between the regularly scheduled shifts of a full-time Employee.

(B) In all other respects, the provisions of Article 15 (Promotions and Lateral Transfers), shall apply to applications for shift change.

SECTION EIGHT. No state operated facility shall have a rotating shift system unless mutually agreed to by the State and the Union.

For purposes of this agreement, a rotating shift is defined as the altering of an Employee’s regular assigned schedule to work other shifts in order to provide staffing coverage or to avoid overtime.

This definition does not diminish management’s ability to reassign staff consistent with other provisions of this agreement or preclude the establishment of unscheduled work weeks or flex-schedules consistent with this agreement.

SECTION NINE. OJE-SCOPE AGREEMENT. Notwithstanding any provision of this Article to the contrary, any classification currently eligible for shift and/or weekend differential payments shall continue to be

eligible upon the implementation of the OJE-SCOPE Agreement effective July 1, 1995. The purpose of this provision is to ensure that no Employees' entitlement to shift and/or weekend differential payment is diminished as a result of the OJE-SCOPE Agreement.

ARTICLE 20
VACATION AND PERSONAL LEAVE

SECTION ONE. VACATION CREDITS. (A) For Employees employed as of June 30, 1977, vacation accrual shall be:

0 to 20 years	1-1/4 days per month
Over 20 years	1-2/3 days per month

(B) For Employees employed on or after July 1, 1977, vacation accrual shall be:

0 to 5 years	-1 day
Over 5 and under 20 years	-1-1/4 days per month
Over 20 years	-1-2/3 days per month

(C) Upon completion of six (6) full calendar months of service, an Employee, full-time or part-time, may use such vacation as has accrued, subject to the provisions of this Article.

(D) Employees who are regularly assigned to work schedules in excess of thirty-five (35) hours per week shall earn vacation on an hourly basis in accordance with such approved schedules

SECTION TWO. PERSONAL LEAVE. In addition to annual vacation, each full-time, permanent Employee shall have three (3) days of personal leave of absence with pay in each calendar year. Use of personal leave days shall be for the purpose of conducting private affairs, including observance of religious holidays, or any other reason, and shall not be deducted from vacation or sick leave credits. Personal leave days not taken in a calendar year shall not be accumulated. Personal leave accrual and use for Employees on a 35 + 5 or a 40 hour schedule shall be accrued and used based on eight (8) hour days.

Part time Employees who work seventeen and one-half (17.5) hours or more shall receive pro-rata personal leave days.

SECTION THREE. No Employee will carry over more than ten (10) days of vacation leave to the next year, provided however, that in exceptional circumstances, Agency permission may be granted to carry over more than ten (10) days. Such permission shall not be unreasonably denied.

For Employees hired on or before June 30, 1977, the maximum accumulation of vacation shall be one hundred twenty (120) days. For Employees hired on or after July 1, 1977, the maximum accumulation shall be sixty (60) days.

SECTION FOUR. If an Employee is sick while on vacation leave, the time shall be charged against credited sick leave if supported by a medical certificate.

SECTION FIVE. REQUESTS FOR TIME OFF.

(A) Normally individual vacation days and personal leave days will be requested five (5) or more days in advance, but an Employee may request such time with twenty-four (24) hours notice for each day requested, except less for an emergency situation. Such vacation days and personal leave days will be granted whenever patient/client care needs permit, provided, however, that while the number of Employees who will be absent on a specific day may certainly be a factor in granting or denying a request, the possibility that some voluntary overtime coverage may be required shall not be the basis for denying such request.

(B) Except for the provisions of Section Six, management shall either approve or deny an Employee's request for vacation and personal leave days within seventy-two (72) hours of receipt of the said request. When such request is received with less than seventy-two (72) hours notice, management shall either approve or deny the said request as soon as possible.

(C) Management and the Union at each individual facility are encouraged to meet and devise specific procedures and guidelines for implementation of the process set forth in subparagraphs (A) and (B) of this Section.

(D) If management and the Union are unable to resolve a dispute arising out of a specific request for either vacation days or personal leave days, the matter will be expedited to Step 2 of the Grievance Procedure.

(E) All paid leave time, including sick leave, shall be charged against the Employee's leave records on an hour for hour basis.

(F) An Employee may take earned holidays, vacation or personal leave days in conjunction with one another or in conjunction with the Employee's pass days, unless it interferes with patient/client care.

SECTION SIX. VACATION SCHEDULING.

(A) Employees at any time may request to take vacation for any time period.

In the event that more Employees request the same vacation time off than can reasonably be spared for operating reasons, vacation time off will be granted based upon seniority, except that all Employees shall be entitled to take at least one (1) week of their vacation in prime time. One week is defined as the period of at least five (5) days, but not more than seven (7) days, of scheduled work time between the Employee's pass days.

Prime time is defined as the period beginning Friday of Memorial Day weekend through September 10th; and the period beginning November 20th through January 8th. Employees may elect to take their week of vacation during either the summer or the winter prime time period.

(B) To assist in the scheduling of vacation time off, departments, agencies, institutions or other local operating units will post on March 1st a seniority list. By April 1st, an Employee must request a block of time of five (5) days or more in order to have seniority considered. An Employee can request any time for the period of May 1 to May 1 of the next year. By April 21, the Employer will post the vacation schedule.

(C) A second posting period will begin on August 1 when the Employer will again post the seniority list for the period October 1 through May 1. To have seniority considered during the second posting period, the Employee must request a block of time of five (5) days or more by September 1st. An Employee can request any time for the period from October 1 to May 1 of the next year. The vacation schedule for the second posting period shall be posted by September 21st.

(D) Once vacation schedules are posted, they shall not be changed by the Employer except in extreme emergency, and there shall be no bumping on the basis of seniority. Employees who do not use the posting periods to request vacation shall be granted vacation at the time they request if operating needs permit. Vacations scheduled before the official posting period shall be reconsidered based on seniority during the official posting period.

(E) Subject to other provisions of this Article, Employees shall be permitted to take at least two (2) consecutive weeks of vacation if scheduling and seniority permit.

(F) If an Employee's properly submitted request for use of accrued vacation credits is denied, upon request the Employee shall receive a written statement of the reasons for such denial.

(G) Employees are encouraged to use vacation credits in full days but may use them in minimum units of one (1) hour.

SECTION SEVEN. DMHAS 72-72-80 SCHEDULE ACCRUALS

Employees in the Department of Mental Health and Addiction Services (DMHAS) working a 72-72-80 schedule shall accrue sick leave and vacation at a rate of 7.5 hours per month unless they are receiving a greater benefit currently.

Some DMHAS facilities have a 72-72-80 work schedule that averages 37.5 hours per week annually. Below are the correct accruals for those work sites:

Vacation	0-5 years	7.5
	5-20 years	9.375
	20+ years	12.525
Sick Leave		8.75

**ARTICLE 21
HOLIDAYS**

SECTION ONE. For the purposes of this Article, holidays are as follows:

(A) **PREMIUM HOLIDAYS:** New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving and Christmas.

(B) **NON-PREMIUM HOLIDAYS:** Martin Luther King Day, Lincoln's Birthday, Washington's Birthday, Good Friday, Juneteenth Independence Day, Columbus Day and Veteran's Day.

The maximum value of a holiday is eight (8) hours.

In continuous operations, New Year's Day, Independence Day and Christmas shall be celebrated on January 1, July 4 and December 25 respectively, even if these holidays fall on Saturday or Sunday. Otherwise, if a holiday falls on Saturday or Sunday, it shall be considered celebrated on the day off granted in lieu thereof.

SECTION TWO. GENERAL PROVISIONS. (A) If a holiday occurs while an eligible Employee is receiving compensation benefits in accordance with Sections 5-142 or 5-143 C.G.S., no credit for the holiday shall be allowed.

(B) A holiday occurring when an eligible Employee is on sick leave shall be counted as a holiday and not charged as sick leave.

SECTION THREE. PREMIUM HOLIDAYS.

(A) An Employee who works on a premium holiday shall be paid at the rate of time and one-half for all hours worked on the premium holiday, in addition to his/her regular pay for the day, unless the Employee wishes to take compensatory time in lieu of the holiday pay in accordance with Section Six.

(B) Premium pay shall be paid for those shifts with the majority of hours on the premium holiday. In no event will a facility be required to make premium payment for more than a twenty-four (24) hour period.

SECTION FOUR. NON-PREMIUM HOLIDAYS. An Employee who works on a non-premium holiday shall be paid at straight time and shall either receive compensatory time or be paid in accordance with Section Six.

SECTION FIVE. At educational institutions where the academic calendar specifies that a holiday is a regularly scheduled class day, an Employee may be required to work on that day. If so, the Employer shall grant a compensatory day in lieu of the holiday.

SECTION SIX. COMPENSATORY TIME.

(A) An Employee who is scheduled to work on a holiday shall indicate in advance of the holiday whether he/she wishes compensatory time or pay for the holiday. If the Employee makes a timely election for pay rather than compensatory time, pay for the holiday will appear in the paycheck for the pay period following the holiday.

(B) If the Employee wishes compensatory time, the Employer shall attempt to schedule a mutually agreeable day off within six (6) months of the holiday. If no mutually agreeable day off is scheduled, in the next thirty (30) days the Employer shall either schedule a compensatory day off or pay the Employee his/her regular daily rate in lieu of the compensatory day. The Employer shall respond within seventy-two (72) hours to requests for compensatory time off under this section. Requests for use of compensatory time will be granted consistent with Article 20, section five.

(C) If a holiday falls on an Employee's regular day off, the Employee shall have the option of a day's pay or compensatory time. If the Employee elects compensatory time, it shall be scheduled in accordance with paragraph (B).

SECTION SEVEN. OVERTIME FOR CALL-IN ON A HOLIDAY. Each full-time Employee whose job does not require him/her to work on a holiday shall ordinarily receive the holiday off and shall receive his/her regular week's pay for the week in which the holiday falls. When such Employee is called in to work on a holiday, he/she shall receive overtime pay at the applicable rate, in addition to regular pay for the holiday. If an Employee is called in for less than four (4) hours, the Employee shall also receive a compensatory day in lieu of the holiday.

SECTION EIGHT. PART-TIME EMPLOYEES. Part-time Employees who work five (5) days per week shall receive pro-rata holidays. Part-time Employees who work less than five (5) days per week shall receive holiday pay when the holiday falls on their regularly scheduled work day.

SECTION NINE. MAJOR HOLIDAYS. Major holidays are Thanksgiving, Christmas and New Year's Day. Each Employee shall be scheduled to receive at least one of the three major holidays off. The schedule shall be adhered to provided that patient/client needs are met. The maximum amount of holiday credit will remain eight (8) hours.

This provision shall not apply to part-time Employees who were informed when hired that they would work holidays to relieve full-time staff.

Any change in the Employer's ability to grant vacation during periods in which the major holidays fall, as a result of this section, shall be discussed with the Union at the facility level.

SECTION TEN. CONTINUOUS OPERATIONS.

(A) The parties agree that the issue of employees covered by the contract are engaged in a "continuous operation" for purposes of the holiday article are employees who work in operations that run seven days per week, one, two or three shifts per day. The parties agree to be bound by the Arbitration Award issued by Arbitrator Roberta Golick

in OLR Case Numbers 10-7185 and 10-7098 dated November 17, 2006 arising out of the Department of Veterans' Affairs.

(B) In sum the award provides that Premium holidays (New Year's day, Independence Day, Christmas) shall be celebrated on January 1, July 4, and December 25 even if it is a Saturday or Sunday and even if the State celebrated holiday is different. This is not subject to the choice of the employee. There is one exception. An employee who has a Monday through Friday schedule on file in the Personnel Office may get the State observed holiday instead of the Saturday/Sunday only if the employee is not required to come to work on that State celebrated day. Regardless of what schedule is on file, an employee's holiday will follow union contract rules if the Employee works on the State celebrated day.

ARTICLE 22

SICK LEAVE

SECTION ONE. Permanent full-time Employees on the first of the month following employment shall be entitled to paid sick leave earned at the rate of eight and three-quarters (8.75) hours for each full calendar month of employment.

Part-time Employees shall accrue sick leave on a pro rata basis.

SECTION TWO. Pay for any day of sick leave shall be based on the Employee's regularly scheduled hours of work for that day.

SECTION THREE. Sick leave will accrue for the first twelve (12) months in which an Employee is receiving Workers' Compensation benefits.

SECTION FOUR. An Employee shall be granted sick leave:

(A) For Employee medical, dental or eye examination or treatment for which arrangements cannot be made outside of working hours.

(B) In the event of death in the immediate family when as much as three (3) days of leave with pay shall be granted, chargeable to sick leave. Immediate family means spouse, father, mother, sister, brother, or child and also any relative who is domiciled in the Employee's household.

(C) In the event of serious illness or injury to a member of the immediate family, as defined in (b) above, or a person who is a member of the Employee's household for whom the Employee must provide care, provided that not more than ten (10) days of sick leave per calendar year shall be granted for this purpose. If more than ten (10) days per calendar year are required for this purpose, the Employee may request vacation, personal leave or holiday time. The Employee will provide a medical certificate or equivalent documentation to substantiate the need for this additional leave and the Employer will attempt to grant the request.

(D) For going to, attending, and returning from funerals of persons other than members of the immediate family, if notice is given in advance, provided not more than three (3) days of sick leave per calendar year shall be granted therefore.

(E) In the event illness or injury prevents the Employee from reporting to work.

(F) Three (3) days of paid leave deducted from sick leave will be provided to a parent at the time of the termination of pregnancy, adoption or taking custody of a child.

(G) Leave hours granted under (B), (C), (D) and (F) above shall be prorated for permanent part-time Employees.

SECTION FIVE. Advanced and extended sick leave may be granted in accordance with existing practice.

SECTION SIX. A holiday occurring when an Employee is on sick leave shall be counted as a holiday and not charged as sick leave.

SECTION SEVEN. An Employee laid off shall retain accrued sick leave to his/her credit provided he/she returns to State service on a permanent basis.

SECTION EIGHT. An Employee who has resigned from State service in good standing and who is reemployed within one (1) year from the effective date of his/her resignation shall retain sick leave accrued to his/her credit as of the effective date of his/her resignation.

SECTION NINE. If an NP-6 Employee is absent for five (5) consecutive days or more, the Employee must submit a medical certificate or a letter from the doctor stating the date on which he/she saw the Employee, the reasons for the absence, the date from which the Employee was incapacitated, and the date on which the Employee can return to

work. If a P-1 Employee is absent for five (5) consecutive days or more, the Employee must submit a signed statement of the reasons for the absence.

SECTION TEN. When continued absences from work constitute an abuse of sick leave, the Employee and the Union shall be notified in writing. After such notification, the Employer may deny sick pay. Such denial of sick pay is subject to the grievance and arbitration provision of this Agreement. Continued abuse of sick leave will subject the Employee to progressive discipline.

No Employee shall be disciplined in any way for sick leave abuse on the basis solely of statistical evidence or mechanical application of the number

of sick leave incidents. Discipline should be imposed only on the basis of an individual judgment, subject to the grievance procedure, that an individual has abused his or her sick leave privileges.

Sick leave which is used to supplement Workers' Compensation payment for injuries determined to be compensable shall not be considered in calculating the total amount of sick leave usage for purposes of this Section.

SECTION ELEVEN. LEAVE DONATION. From time to time, on an as needed basis, NP-6 or P-1 bargaining unit members may donate their accrued vacation, personal leave and/or sick leave to a member of either the NP-6 or P-1 bargaining unit who has at least six (6) months of State service and has exhausted his/her own accrued paid time off, who is suffering from a long term or terminal illness or disability. Such donation may occur between different employing agencies. The Union or group of Employees, but no individual Employee, may initiate such donation requests using the form set forth as Appendix D. No Employee may solicit donations on his or her own behalf. No Employee may donate more than five (5) days of sick leave semi-annually. Donated leave will be credited to the Employee, effective the first full day the Employee has exhausted all accruals and is absent without leave. Said benefit shall be subject to review and approval by the Undersecretary for Labor Relations and shall be applied in accordance with uniform guidelines as may be developed by such Undersecretary.

SECTION TWELVE. Sick leave entitlement shall not accrue when an Employee is absent from work without pay in excess of five (5) work days in any calendar month.

SECTION THIRTEEN. Notwithstanding any other provision of this contract, Employees who work a 40 hour schedule shall accrue sick leave at a rate of 10 hours per month and shall be paid sick leave at the rate of eight (8) hours per day of sick leave use.

SECTION FOURTEEN. PAYMENT OF SICK LEAVE UPON RETIREMENT OR DEATH. Upon Retirement under Chapter 66 of the Connecticut General Statutes or death of an Employee who has completed ten (10) years of state service, the Employer shall pay to the Employee or his/her beneficiary one-fourth (1/4) of the Employee's daily salary for each day of sick leave accrued to his/her last day on the active payroll up to a maximum payment equivalent to sixty (60) day's pay.

ARTICLE 23 LEAVES OF ABSENCE

SECTION ONE. These are the following categories of leave of absence without pay:

- (1) (A) Involuntary leave, defined as leave for disability illness (including maternity disability) or extreme illness involving the Employee's immediate family (spouse, children or parents) or adoption;
- (B) Non-disability parental leave;
- (2) Leave for good cause shown;
- (3) Leave for the convenience of the Employee.

An Employee requesting leave shall do so in writing to the Human Resources Office/Department, specifying the type of leave and dates desired. Requests shall be made as much in advance as possible, but at least thirty (30) days prior to the starting date if possible.

Part-time Employees under twenty (20) hours per week shall be entitled to involuntary leave as herein defined, except that the length of leave shall be one-half (1/2) of the full-time entitlement; all leaves other than involuntary leaves and parental leaves shall be at the sole discretion of the Employer.

SECTION TWO. (A) In the cases of involuntary leave, the leave of absence shall be with position and shift assignment held for up to one (1) year or the length of the Employee's service, whichever is less, unless holding the shift creates undue hardship on the Employer. For part-time Employees under twenty (20) hours per week, the leave of

absence shall be up to six (6) months or the length of the Employee's service, whichever is less. In cases of illness, the Employee must provide the Employer with a medical certificate or an equivalent statement of a physician.

(B) In the case of parental leave, the leave of absence shall be for up to twelve (12) months after the date of delivery, but it shall be with position and shift assignment held for only six (6) months after the date of delivery. Part time Employees under twenty (20) hours per week are entitled to this parental leave. Except that the length of leave shall be one half (1/2) of the full-time entitlement.

(C) In all cases however, the above leaves shall not be taken in addition to the family leave provisions of Connecticut General Statute Section 31-51kk CGS or the Federal Family and Medical Leave Act.

An Employee may request a leave for good cause, in accordance with the provision of Section Three, following expiration of the parental leave, except that such leave may be granted for a maximum of six (6) months.

“Good Cause Shown” includes Family Violence Leave as set forth in DAS General Letter Number 34 (www.DAS.CT.GOV) which provides that an employee may take paid or unpaid leave during any calendar year in which such leave is reasonably necessary for the following reasons:

- (1)** To seek medical care or psychological or other counseling for physical or psychological injury or disability for the victim,
- (2)** To obtain services from a victim services organization on behalf of the victim,
- (3)** To relocate due to such family violence, or
- (4)** To participate in any civil or criminal proceeding related to or resulting from such family violence.

SECTION THREE. Except as otherwise provided by law, leave for good cause shown shall be granted to an Employee who has completed the Working Test Period unless granting the leave would create a serious hardship for the Employer. Such leave shall be with position and shift held for thirty (30) days only, but may extend for up to one (1) year or the length of the Employee's service, whichever is less.

After the thirty (30) day period, when an Employee who has been on such leave is ready to return to work, reemployment shall be subject to the following:

(A) The Employee shall be placed on a reemployment list for his/her classification or a lower classification in the same series. Placement on the reemployment list shall be in seniority order following the name of the least senior Employee on the list as the result of layoff.

(B) An Employee on the reemployment list following a leave shall have priority in filling vacancies over (1) all outside hires, (2) promotions to vacancies only at the facility from which the Employee went on leave, and (3) requests for shift or lateral transfers provided he/she has greater seniority than the Employee seeking the transfer.

(C) To be eligible for reemployment: (1) the Employee must be capable of returning to work and must have the ability to fully perform the duties of the positions; (2) nothing shall have occurred during the leave of absence which would have made the Employee an unacceptable candidate for employment.

If the Employee's most recent service rating was unsatisfactory at the time a leave for good cause was granted, prior to his/her return to work there shall be a meeting with the supervisor to discuss those aspects of the Employee's performance which need improvement. At this meeting, if the leave was granted to resolve a problem which impacted on the Employee's

performance, the Employee shall indicate what steps have been taken to resolve the problem which he/she was on leave. The leave shall not, however, modify the effect of an unsatisfactory service rating on an Employee work record.

SECTION FOUR. Leave for the convenience of the Employee may be granted in the Employer's sole discretion. The Employee may request that the leave be with position held, for not more than thirty (30) days.

Such leave is without reemployment rights. However, if an Employee is rehired within one (1) year, credit for seniority up to the starting date of the leave shall be restored upon reemployment.

SECTION FIVE. In cases of involuntary leave due to illness or maternity disability, an Employee will first use all accrued leave time except vacations. Use of accrued vacation time will be optional with the Employee. Following a one year involuntary leave of absence, an Employee must work at least six months or 914 hours in order to be eligible for an additional leave, except as otherwise provided by law regardless of whether they are full-time or part-time.

Other leaves will begin after the Employee has used all accrued leave time except sick time.

SECTION SIX. Upon the expiration of a leave with position and shift held, an Employee may request an additional leave of absence during which class and shift may or may not be held at the discretion of the Employer.

SECTION SEVEN. In the event an Employee wishes to return to work prior to the expiration of a leave, he/she will give thirty (30) days advance notice to the Employer.

SECTION EIGHT. During the period of a leave without pay in excess of five (5) working days in the calendar month, the Employee:

- (1) shall not be credited for length of service, except as provided in this Agreement.

ARTICLE 24 CIVIL LEAVE

SECTION ONE. CIVIL LEAVE. Civil leave (not Jury Duty) shall not be treated as time worked unless the court appearance is required as part of the Employee's work. If a court appearance is required as part of the Employee's work and requires the Employee's presence beyond his/her normal work day, such time shall be paid in accordance with Article 13 (Hours of Work).

ARTICLE 25 JURY DUTY

(A) All Employees who have completed their probationary period and who are called to serve as jurors will receive their regular pay less their pay as jurors for each work day while on jury duty, which shall not include "on call" jury duty when Employees are able to be at work. The receipt of a subpoena or the notice to report for jury duty must be reported immediately to the Human Resources Office of the Employer, and the Employer may request that the Employee be excused or exempted from such jury duty if, in the opinion of the Employer, the Employee's services are essential at the time of proposed jury service.

(B) Time off for jury duty (not "on call") shall be arranged as follows:

(1) If the Employee is scheduled to work the day shift or evening or second shift, he/she shall be off on the shift occurring on the same day as the jury duty.

(2) If the Employee is scheduled to work the night or third shift, he/she shall be off on the shift immediately prior to jury duty.

(C) If an Employee who works the day shift reports to jury duty and is released early so that court time and reasonable travel time to the work site (including time to stop at home if necessary) do not exceed three and one-half (3-1/2) hours in total, the Employee shall report to the balance of day shift. If an Employee who works the evening or second shift reports to jury duty and is released early so that court time and reasonable travel time (including time to stop home if necessary) do not exceed three and one-half (3-1/2) hours, the Employee shall report to work for his/her regular work shift.

An Employee who has been off the night or third shift immediately prior to jury duty shall not be required to report for additional work or make up the time if released early from jury duty.

Any Employee who is excused from jury duty after 5:00pm the day before the Employee is scheduled to report for jury duty shall report for work for his/her regular work shift.

ARTICLE 26 MILITARY LEAVE

SECTION ONE. A full-time permanent Employee who is a member of the armed forces of the State or any reserve component of the armed forces of the United States shall be entitled to military leave with pay for required field training on an active duty basis only per General Notice 88-6, provided such leave does not exceed three (3) calendar weeks in a calendar year in addition to up to seven (7) days of military leave for weekend drills. Additionally, any such Employee who is ordered to active duty as a result of an unscheduled emergency (natural disaster or civil disorder) shall be entitled to military leave with pay not to exceed thirty (30) calendar days in a calendar year. During such leave, the Employee's position shall be held, and the Employee shall be credited with such time for seniority purposes.

Other requests for military leave may be approved without pay and the Employee will be advised that the leave is without pay. Nothing in this Article shall be construed to prevent an Employee from attending ordered military training while on regularly scheduled vacation.

SECTION TWO. In the time of war, or reasonable apprehension thereof, or riot or rebellion, any permanent Employee, or any person who has been in the continuous employ of the State for a period of not less than one (1) year, and who is in the employ of the State at the time of his/her entry for a period of more than sixty (60) days into the armed

forces of the United States, or into the active military or naval service of the State, shall be paid one hundred (\$100.00) dollars by the State at the expiration of such period of sixty (60) days.

SECTION THREE. Any Employee who leaves or had left state service for the purpose of entering the armed forces of the United States shall be reinstated in his/her former or comparable position and/or comparable duties, provided, within ninety (90) days after he/she has received a certificate of satisfactory service from the armed forces, he/she makes or has made application for return to the State service. The terms of employment in the service of the State shall be construed to include, in the case of such

Employee, the period of his/her leave from State service. In considering the factor of availability of work, the State shall replace by the returning Employee an Employee junior in service who was employed for the purpose of filling the position vacated by such returning Employee. This Section shall not apply to any State Employee who, because of volunteer reenlistment has been absent from such State service for a period of more than three (3) years in addition to war service or compulsory service and the ninety (90) day period herein before provided for.

WORK RELATED DISABILITIES

SECTION ONE. Upon presentation to the facility of an injury claim form and supporting medical documentation as the result of a claimed on-the-job injury or illness, consistent with Workers Compensation standards, the Employee shall continue to receive his/her regular biweekly salary.

(A) In uncontested cases, the Employee shall receive full pay for up to six (6) weeks and one-half pay thereafter until Workers' Compensation payments begin.

(B) In no event shall the Employee receive pay beyond the date of determination that an injury is not compensable by the Workers' Compensation office.

An Employee shall have the option to use accrued leave to supplement the one-half pay received pending receipt of Workers' Compensation payments.

The Employee shall receive his/her Workers' Compensation payments through the facility payroll office until such time as all adjustments have been made. Adjustments shall include (1) reimbursement to the Agency of all pay received by the Employee under this Section, (2) reimbursement of payments for leave time under this Section, and (3) restoration of accrued leave for which reimbursement has been made.

SECTION TWO. MEDICAL BILLS. If an Employee is billed directly for uncontested Workers' Compensation medical care, he/she shall immediately forward the bill to the Workers' Compensation Section of the Department of Administrative Services or such other office as the Employer may designate for the administration of such matters. The creditor shall be advised to submit such bills to that office. If a collection action is instituted against the Employee for an uncontested Workers' Compensation related medical bill, the Employee shall advise the Workers'

Compensation Section or other such office as the Employer may designate; that office will contact the collection agent to advise him of the State's responsibility for payment.

SECTION THREE. For the first twelve (12) months in which an Employee is receiving Workers' Compensation benefits, the Employee shall continue to accrue sick leave and vacation.

SECTION FOUR. The Employer will continue to pay the applicable current contributions for life insurance and hospital and medical insurance for the period of time the Employee is on a work related disability leave under Section One of this Article.

SECTION FIVE. An Employee who has been granted a work related disability leave shall have position and shift assignments held for up to six (6) months or for the period of time allowed by the facility practice existing on June 1, 1986, whichever is longer. Otherwise, the Employee shall have the right to return to a position in the same or equivalent classification and shift held before being disabled, provided that he/she is fully capable of performing the duties of that position. The Employer shall request that the Employee provide documentation from a medical provider that said Employee is released to full duty before returning the Employee to work.

SECTION SIX. Following recuperation from a compensable injury or illness when an Employee's physician certifies he/she is capable of returning to selective duty and the Workers' Compensation Unit so requests, an Employee may be assigned to selective duty for up to thirty (30) calendar days under the following conditions:

(A) The Employee may be assigned to any work the Employee is capable of performing whether or not such duty is in the Employee's regular job classification.

(B) Such selective duty consists of productive assignments.

(C) Such selective duty can be found without a reasonable fear of further injury or illness to the Employee.

(D) The Employer shall make a good faith effort to provide such selective duty; however, the final determination shall be made by the Employer. A second period of selective duty up to thirty (30) days may be authorized when it is determined by the Workers' Compensation Unit that it is in the mutual best interests of all concerned. The Employer shall give the Employee at least seven (7) day's notice of the work location and the shift of the selective duty assignment.

Additionally when it is determined that an Employee cannot return to full duty after the second thirty (30) day period of selective duty but will be able to return within the next thirty (30) days if granted a last extension, an Employee may, subject to independent medical certification and at the discretion of the Department of Administrative Services, be granted the final period of selective duty.

Funding through the appropriations for Workers' Compensation claims shall be available to the Department of Administrative Services for fifty (50) selective duty positions. The Department of Administrative Services (www.das.ct.gov) shall promulgate necessary guidelines for administering the program which shall include the allocation of positions to the health care agencies for appropriate selective duty assignments.

If there is no selective duty available, the Employee shall be referred back to the Workers' Compensation Unit until the doctor certifies the Employee's ability to return to normal duty. The Employer may provide retraining for an equivalent position which the Employee will be able to perform if the Employee cannot return to the previous job.

SECTION SEVEN. In the event of a finding by the Employer that an Employee is exposed to or has come in contact with an active, compensable, communicable or contagious disease in the course of his/her employment, the Employer shall take whatever action he/she deems necessary and practicable to immunize or medicate said Employee from said disease. Such treatment shall be provided to the Employee and his/her immediate family at no cost to the Employee and with no loss of pay or benefits to the Employee. The Employee shall have the right to refuse such treatment. In the event of such refusal, the Employer may place such Employee on home status with or without pay. If home status is without pay, the Employee may use his/her earned time account. Such decision is not grievable.

SECTION EIGHT. Where the Employer has reasonable cause to believe a potential for infectious disease exists, he/she may require treatment for all Employees potentially affected by such disease. In the event an Employee refused such treatment, the Employer may transfer said Employee to a location not likely to be affected by the contagion. Job selection and

duration will be determined by the Employer, and the Employee shall not suffer a loss in pay by accepting such assignment. Such transfer shall not be grievable.

ARTICLE 30
INDEMNIFICATION AND LICENSE FEE

SECTION ONE. The State shall continue to indemnify an Employee for damage or injury, not wanton or willful, caused in the performance of his/her duties and within the scope of his/her employment as provided by Sections 4-165 of Connecticut General Statutes.

SECTION TWO. The State shall provide counsel to an Employee who is sued for malpractice, provided that the Employee was acting within the scope of his/her employment and was not acting in a willful or wanton manner.

In cases where the State is also a defendant and where there is a potential conflict of interest on the part of attorneys for the State, the Employee may request that the State provide reasonable attorney's fees and private counsel.

Disputes over the State's obligations to provide counsel under this Section shall be subject to expedited arbitration. In deciding questions of whether an Employee was acting within the scope of his/her employment or in a willful or wanton manner, the arbitrator shall give due weight to the remedial purpose of the indemnification statutes.

SECTION THREE. (A) An Employee whose job requires a professional license or certification, as a condition of employment and who uses such license or certification exclusively or primarily for State business shall be reimbursed for the cost (e.g. fees and study materials) associated with the maintenance of such license or certification.

This section three does not apply to part-time Employees under twenty (20) hours per week.

SECTION FOUR. Reimbursement of license fees as provided in Section Three shall be processed upon presentation of a validated license and a copy of the invoice for payment of said license. In no event shall the State reimburse an Employee for a license that was either obtained or renewed prior to the current period of State employment.

ARTICLE 31
TRAVEL REIMBURSEMENT

SECTION ONE. An Employee who is required to travel on Employer business shall be reimbursed for in-state and out-of-state travel according to the Standard State Travel Regulations as formulated by DAS (www.DAS.ct.gov).

Breakfast	\$ 8.00
Lunch	10.00
Dinner	20.00

An Employee who is required to remain away from home overnight in order to perform regular duties of his/her position, may be reimbursed for lodging expenses in accordance with the Standard State Travel Regulations issued by the Commissioner of Administrative Services, but in no event shall be lower than seventeen (\$17.00) dollars in state and twenty-one (\$21.00) dollars out of state. Advance approval must be obtained, except in emergencies.

An Employee who is involved in transporting a patient/client during the lunch period and who must stop for lunch with the patient/client shall be reimbursed up to seven dollars (\$7.00) for the cost of his/her lunch.

SECTION TWO. An Employee who is required to use his/her personal vehicle in the performance of duty shall be reimbursed at the current GSA mileage rate. When Employees are required and do utilize personally-owned vehicles to transport patients/clients in excess of two days in a workweek they shall be paid \$4.50 per day vehicle use fee. Such fee shall be paid for each day that the Employee is required to use his/her personal vehicle in the performance of such State business.

Employees shall be notified of the minimum insurance requirements prior to using their personal vehicles in the performance of duties. In an emergency situation, an Employee who uses his/her personal vehicle to attend to a patient/client shall be reimbursed regardless of the insurance requirement.

SECTION THREE. Employees shall be reimbursed for mileage or other costs as covered by this article and shall receive said reimbursement from the State no later than sixty (60) days after the Employee has submitted the required paper work to receive travel reimbursement and such documentation has been approved by the appointing authority or designee.

ARTICLE 32
GRIEVANCE AND ARBITRATION PROCEDURE

SECTION ONE. A grievance shall be defined as a dispute or complaint involving the application, interpretation or the alleged violation or breach of this Agreement. A grievance will not be deemed to have been filed until it is reduced to writing.

SECTION TWO. A Union representative, with or without the aggrieved Employee, may submit a grievance and the Union may in appropriate cases submit an “institutional” or “general” grievance on its own behalf. An individual Employee or delegate may not file an institutional grievance. When individual Employee(s) or group of Employees elect(s) to submit a grievance without Union representation, the Union's representative or delegate shall be notified of the pending grievance, shall be provided with a copy thereof, and shall have the right to be present at any discussion of the grievance, except that if the Employee does not wish to have the delegate present, and so states at the start of the meeting, the delegate shall not attend the meeting but shall be provided with a copy of the written response to the grievance. The delegate shall be entitled to receive from the Employer all documents submitted in evidence pertinent to the disposition of the grievance within seventy-two (72) hours from the time of the request, if practicable, and to file statements of position.

Individual Employees may file their own grievances with or without the aid and assistance of a Union representative or delegate. Individual Employees may not, however, submit said grievance to arbitration until they have signed a Waiver of Union Representation form developed and provided by the Union. Upon execution of said Waiver of Union Representation, individual Employees may submit to arbitration cases involving dismissal, disciplinary demotion or suspension of five (5) working days or greater. Only Union representatives and/or delegates are permitted to represent Employees in other grievance meetings including investigatory interviews, pre-disciplinary hearings and other related matters.

SECTION THREE. GRIEVANCE PROCEDURE.

STEP 1. Within twenty-one (21) calendar days after the Employee and/or the Union delegate knew or reasonably should have known of the cause of the grievance, an Employee having a grievance and/or his/her Union delegate or representative shall submit said grievance, reduced to writing, to the Agency head or his/her designee. Nothing herein shall preclude discussion of an issue with a supervisor.

The written grievance shall specify as much as possible: a) the issue; b) the date of the alleged violation; c) the contract provision thought to be violated; and d) the relief sought. Institutional grievances which involve more than one Agency will begin at Step 2.

Within ten (10) days of receipt of the written grievance the Agency head or his/her designee shall hold a meeting with the Union delegate and the grievant and issue a written response within seven (7) calendar days. Where practical the Step 1 meeting will be held at the facility where the grievant works or at a mutually satisfactory site (as agreed upon by the Union and the Agency).

If a written grievance is not filed within the time limit above, the grievance shall be deemed waived. A grievance may be expanded upon submission to Step 2 however it may not be expanded following such submission.

STEP 2: When the Step 1 answer does not resolve the grievance, the grievance may be submitted by the Union and/or the grievant to the Office of Labor Relations within five (5) work days of the Step 1 response. In cases involving disciplinary action, the Union will include a copy of the discipline notice with the grievance that is submitted to Step 2. A representative from the Office of Labor Relations will hold a meeting with the Union designee and the grievant within twenty-one (21) calendar days of receipt of the grievance appeal and issue a written response within seven (7) calendar days of the meeting. Grievance responses shall, at a minimum, summarize the reasons for the conclusions reached and the answer given.

A copy of the notice of a Step 2 meeting shall be mailed to the delegate provided that the delegate so requests and includes on the grievance form his/her address. Periodically, the State shall bill the Union for postage for such mailing.

STEP 3: Within fourteen (14) calendar days of the State's Step 2 answer or fourteen days following the date a Step 2 answer was due an unresolved grievance may be submitted to arbitration by the Union, but not any individual Employee(s), except individual Employees may submit to arbitration in cases of dismissal, disciplinary demotion or suspension of five (5) working days or greater.

SECTION FOUR. Grievance meetings shall include documentation of what witnesses would relate in the form of statements or other offers of proof.

SECTION FIVE. The parties by mutual agreement may extend time limits; the State may waive to the next step any and all the steps cited. Failure of the delegate and/or the grievant to attend either a scheduled Step 1 or Step 2 meeting shall not constitute a waiver of rights nor extend the time limits within the grievance process.

SECTION SIX. In the event that the State Employer fails to answer a grievance within the time specified, the grievance may be processed to the next higher level and the same time limits thereof shall apply as if the Employer's answer had been timely filed on that last day.

The grievant assents to the last attempted resolution by failing to timely appeal said decision, or by accepting said decision in writing.

SECTION SEVEN. ARBITRATION The parties established a panel of six (6) arbitrators, who are experienced in health care and public sector labor relations. Submission to Arbitration shall be filed electronically to the Undersecretary for Labor Relations and the Union.

(A) The Union will transmit grievance forms, in PDF format, to the Office of Labor Relations to a dedicated email address specifically established for this purpose. Each grievance shall be a separate PDF file. The Office of Labor Relations shall acknowledge receipt of said grievance by responsive email.

(B) The Office of Labor Relations shall send Step 2 conference notices and Step 2 answers to the Union to a dedicated email address established for this purpose in PDF format. The Union agrees to acknowledge receipt of such transmissions by responsive email. The Union shall submit grievances that fall under Article 33, suspensions, terminations, demotion and/or lay-off arbitration using the same dedicated email address in PDF format. Said transmissions shall be directed to the OLR staff person assigned the responsibility of scheduling arbitrations. The Office of Labor Relations shall acknowledge receipt of said arbitration appeals by responsive email. This process is in lieu of the current practice as prescribed by contract of submission via certified mail, postage prepaid to the Undersecretary of Labor Relations.

(C) Individuals who file a grievance on their own, by physical delivery of hard-copy grievance submission or via fax to the Office of Labor Relations, shall not be negatively impacted by this Agreement. Faxed grievances shall be limited to instances where electronic submission is not available at the worksite.

(D) The dedicated email addresses shall be communicated to each party within fifteen (15) days following legislative approval of this Agreement. The date the recipient, of any electronic transmissions, receives the transmission, shall determine whether said submission was timely as required by the Contract. Nothing in this agreement shall be construed as modifying the contractual requirements regarding grievances submissions at Step One.

Twenty-one (21) days after receipt of a notice of intent to arbitrate, if the matter has not been resolved, a hearing date shall be arranged; the parties will attempt to have the matter heard within the next forty-five (45) days. At least one (1) day per month shall be pre-scheduled for hearing arbitration cases as mutually designated by the parties.

The expenses for the arbitrator's service and for the hearing shall be shared equally by the State and the Union. However, in dismissal or suspension cases where the Union is not a party, one-half the cost shall be borne by the State and the half by the Employee submitting to arbitration.

When the question of arbitrability has been raised by either party as an issue prior to the actual hearing, the arbitrator may hold separate hearings and will in any event determine the issue of arbitrability prior to rendering a decision on the merits.

The arbitration hearing shall not follow the formal rules of evidence unless the parties agree in advance, with the concurrence of the arbitrator at or prior to the time of his/her appointment.

The State will continue its practice of paid leave for witnesses of either party.

The arbitrator shall have no power to add to, subtract from, alter or modify this Agreement, nor to grant to either party matters which were not obtained in the bargaining process, nor to impose any remedy or right of relief for any period of time prior to the effective date of the Agreement, nor to grant pay retroactively for more than thirty (30) calendar days prior to the date a grievance was submitted at Step I. The arbitrator shall render his/her decision in writing no later than thirty (30) calendar days after the conclusion of the hearing unless the parties jointly agree otherwise.

The arbitrator's decision shall be final and binding on the parties in accordance with the Connecticut General Statutes Section 52-418. The parties reserve their right of judicial review under C.G.S. Section 52-418.

SECTION EIGHT. Notwithstanding any contrary provision of this Agreement, the following matter shall be subject to the grievance procedure but not subject to arbitration: disputes over an Employee's job classification (reclassification grievances), and the final resolution of such grievances shall be by a four (4) person panel composed of

two (2) Agency Personnel Directors and two (2) Union appointed representatives who are knowledgeable in the State's classification system and procedures. Such conferences shall be held expeditiously.

The following matters shall not be subject to the grievance and arbitration procedure:

(a) classification and pay grade for newly created jobs; however, this clause shall not diminish the Union's right to negotiate on pay grades;

(b) any incident which occurred prior to this Agreement, with the understanding grievance filed which antedate this Agreement shall not be deemed to have been waived by reasons of execution of this Agreement;

(c) Non-Disciplinary Separations Not Grievable.

The non-disciplinary separation of employees shall not be subject to the grievance and arbitration provisions of the Contract. The parties understand and agree that normally, if an employee possessing a license or board certification, through no act of misconduct, misfeasance or malfeasance loses that license or certification so that the employee cannot perform the duties of the job as prescribed by the applicable job specification, the appointing authority can non-disciplinarily separate said employee. Inasmuch as it may be in the mutual interests of the parties to retain employees so experienced, the appointing authority may, in the alternative, afford said employee one of the following options:

- (1) If the job classification requires a professional license or certification, the appointing authority may offer the employee a personal leave of absence, without pay, for up to forty-five (45) days (or duration of agreed-upon leave period) the employee shall be separated from State Service and placed on a reemployment list pursuant to Article 16 Section Seven of the Contract. It is understood that in order to be eligible for reemployment to the applicable classification, the employee must possess the requisite credentials.
- (2) If the job classification requires a professional license or certification, the appointing authority may reclassify the employee's position downward if such an option exists OR the appointing authority may offer the employee a voluntary demotion to a vacancy in a lower classification in which the employee formerly held permanent status if such vacancy exists. Said voluntary demotion shall be consistent with the terms of Article 15 of the Contract. Upon presentation of documentation of the employee obtaining the requisite credentials within forty-five (45) days of the loss of same, the employee shall be returned to the former classification, including step and salary grade placement.
- (3) If the possession of a non-professional license, such as a valid motor vehicle operator's license is required to perform the job, the Employer may assign other duties to said employee for a period of time, not to exceed 45 days. If the employee does not obtain the requisite credentials within forty-five (45) days the employee shall be separated from State Service and placed on a reemployment list pursuant to Article 16 Section Seven of the Contract.

SECTION NINE. The parties agree that certain grievances submitted to arbitration may lend themselves to an expedited arbitration. Expedited arbitration shall be by mutual agreement.

SECTION TEN. Payment of interest shall be made in accordance with Connecticut General Statutes Section 5-276b, as enacted as of July 1, 1993.

SECTION ELEVEN. LATE ARBITRATION AWARDS. On those cases in which an arbitrator fails, without permission of the parties, to render a decision within the contractual time limits: a) The arbitrator shall be dropped from the panel following a second late award. b) The arbitrator shall not be paid following a second late award.

SECTION TWELVE. The conferences of the grievance procedure and arbitration hearings shall be closed to the public unless the parties mutually agree otherwise.

ARTICLE 33

DISMISSAL, SUSPENSION, DEMOTION OR OTHER DISCIPLINE

SECTION ONE. No permanent Employee or Employee as provided in Article One Section Four, who has completed the Working Test Period shall be disciplined except for just cause. Discipline shall be defined as dismissal, demotion, suspension, reprimand or warning.

All reprimands or warnings shall be in writing and placed in the Employee's personnel file in accordance with Article 38 (Personnel Records). Unless an Employee has been given a written reprimand or warning, which is placed in the Employee's personnel file, the Employee shall not be considered to have been reprimanded or warned.

SECTION TWO. Unless otherwise provided under Regulation 5-240, an Employee shall be given three (3) days written notice with pay prior to the effective date of any disciplinary demotion, suspension or dismissal. The Employer will notify the Union via electronic transmission including efax/facsimile to the Union headquarters of any discharge, suspension or demotion concurrent with written notice to the employee. Such written notice shall cite the reasons for the discipline, the effective date of discipline and notice of right of appeal. Any such written notices of disciplines, and all grievance responses will be submitted by Employer to the designated email address statenotifications@seiu1199ne.org. If the Union or the Employee desires to grieve the disciplinary action, written notice thereof shall be given in compliance with Section Three within fourteen (14) days of receipt of such notice, or else the grievance is waived, notwithstanding any provision in the Agreement to the contrary.

SECTION THREE. All discharge grievances will be submitted at Step 2 of the grievance procedure. All other disciplinary grievances will be submitted at Step 1. By mutual agreement, a grievance under Section Two may be expedited to the next higher level.

SECTION FOUR. Upon written request by the Union to be filed no sooner than seven (7) days following the date the decision to discipline is made, the State will provide to the Union, within seven (7) days of receipt of the request, that information which was obtained and used to arrive at the discipline decision. It is herein agreed that as much relevant information as possible will be provided to the Union so long as the statutory rights to privacy, of individuals receiving services, are respected and ensured.

SECTION FIVE. The State reserves the right to discipline Employees, and such discipline may include discharge for breach of the No Strike Article. If the Employer establishes that the Employee breached the No Strike Article, the arbitrator shall have no power to alter or modify the discipline imposed.

SECTION SIX. EMPLOYER CONDUCT FOR DISCIPLINE. Whenever it becomes necessary to discipline an individual Employee, the supervisor vested with said responsibility shall undertake said talks in a fashion calculated to apprise the Employee of his/her shortcomings, while avoiding embarrassment and public display.

SECTION SEVEN. In cases where the appointing authority determines it to be in the best interests of the State to place an Employee on administrative leave of absence while the determination concerning Employee discipline is being decided, such leave of absence shall be with pay and shall not exceed two (2) months. If an Agency determines that extenuating circumstances exists such that said administrative leave should exceed two months, the Agency must obtain permission of the Office of Labor Relations prior to exceeding the two month period. The Agency must notify the Union of its request for permission to extend the two month period to the Office of Labor Relations. The Office of Labor Relations shall, in consultation with the Union, approve such request, or offer alternative suggestions to the Agency. Except as otherwise required by law or court order an Employee's placement on administrative leave shall not be reported to the licensing Agency unless it has been determined by the Employer that the Employee has committed a reportable offense and discipline has been imposed.

SECTION EIGHT. INVESTIGATORY INTERVIEW. An Employee who is being interviewed concerning an incident or action which may subject him/her to disciplinary action shall be immediately notified of his/her right to have a Union delegate or other Union representative present, provided this provision shall not unreasonably delay completion of the investigatory interview. The Employee is entitled to review all relevant video and/or audio evidence during the investigation. This provision shall be applicable to the investigation before, during or after the filing of a charge against an Employee or notification to the Employee of a disciplinary action. If no disciplinary action is taken the Employee shall upon request, be notified in writing the outcome of the investigation.

The provisions of this Section shall not be interpreted to prevent a supervisor from questioning Employees at the scene of the incident.

SECTION NINE. Whenever practicable, the investigation, or discipline of Employees shall be scheduled in a manner intended to conform with the Employee's work schedule, with an intent to avoid overtime. When any Employee is called to appear at any time beyond his/her normal work time and actually testifies, he/she shall be deemed to be actually working. If the Employee's representative is on duty at the time of the meeting, the Employee's representative shall be released for the meeting with pay.

Loudermill, 470 US 532 (1975). At such "pretermination hearing", the Employer shall:

- (A) apprise the Employee the charges against him/her;

(B) explain to the Employee the evidence regarding the charges against him/her including review of a summary of all video and/or audio evidence with the Employee; and

(C) provide the Employee with an opportunity to respond.

SECTION TWELVE. In any “pretermination hearing” conducted by the Employer for the purpose of fulfilling the requirements of Section Eleven herein, the Employee shall be advised of his/her right to Union representation.

SECTION THIRTEEN. No Employee shall be disciplined for the commission of a crime unless the crime is related to that Employee's work or work performance.

SECTION FOURTEEN. The parties acknowledge that using suspension as a form of discipline when dealing with absenteeism does not always provide an incentive to the Employee to improve his/her attendance. In addition, such suspension may create a hardship for the Employer in its ability to fulfill its mission.

It is, therefore, agreed that the Employer may substitute a final warning in lieu of a suspension. This should not be construed to preclude management’s right to exercise its prerogative to suspend or not suspend in this or any other instance.

The maintenance of the file may be in a digital or paper format.

It is understood that an annual increment may not be withheld if the Service Rating was issued less than 3 months prior to the Employee's designated annual increment date (either January 1 or July 1).

The immediate supervisor and/or a management designee in the Employee's immediate chain of command shall forewarn or notify the Employee in advance of the preparation of the service ratings of any deficiency that places the employee at risk or receiving a less than good rating in a job element. Any employee who receives a less than good rating in a job element will receive from the supervisor (following the issuance of the Service Rating) clear, written direction of expectations for improving performance to satisfactory levels. In circumstances in which discipline resulted in the less than good rating, the notice of discipline will satisfy the requirement for clear, written direction of expectation for improvement.

Comments on a Service Rating are restricted to instances in which the Employee has received a "less than good" rating in a job element, and/or has been disciplined during the rating period. Likewise, reference to the Employee's use of accrued leave and/or attendance record will be included on the Service Rating only in instances in which the Employee has received a "less than good" for attendance, and/or has received related discipline during the rating period. Comments may be included to acknowledge improvement in cases in which an employee has successfully achieved "good performance" in one or more categories that had been rated "less than good" in the immediately preceding service rating.

No comments will be added to the service rating after it has been signed by the Employee unless the modified rating has been reviewed with and initialed by the Employee prior to placing said rating in the Employee's personnel file. All Employees covered by this agreement shall be given copies of their completed service ratings at the time the Employee or Union delegate signs the service rating.

SECTION THREE. An employee may write a rebuttal in response to the Service Rating. It is understood that a rebuttal is for the specific purpose of providing information that the Employee does not believe was taken into full account in said rating, and that a rebuttal is not a broad forum for complaint. Said rebuttal shall be no longer than two typewritten pages in length, shall be submitted within two weeks of the employee's receipt of the service rating at issue, and shall be subject to review by Human Resources before said rebuttal is attached to the service rating at issue. Human Resources reserves the right to return to the Employee any rebuttal document that does not conform to the parameters expressed above.

An employee may meet with the rater to discuss the rebuttal. Such meeting will occur within two weeks of the Employee's direct request to the rater. In cases where the Employee has received no "less than good" ratings on any job element, the decision of the rater will be final.

In cases where the Employee has received an overall rating of "fair", or where the Employee has received an overall rating of "good" or better but has received a "less than good" rating in one or more job element, the Employee may (after having discussed the rebuttal with the rater) meet upon request with the Agency's Human Resources Administrator or designee to review said rebuttal and HR shall determine whether the service rating shall be changed. This decision shall be final and binding. A delegate may be involved in the meeting with the HR representative at the employee's request. Rebuttals filed over a "fair" overall rating or any "less than good" in one or more job element (but where the overall rating is "good" or better) may also address employee concerns over failure to forward as described in Section Two of this Article.

SECTION FOUR: Upon demonstrating a pattern of failure of an agency to forewarn employees of inadequacies in their performance, at the request of the Union Vice President, the issue may be directly submitted to Step 2.5.

ARTICLE 40
PAST PRACTICES

SECTION ONE. PRACTICES CONSISTENT WITH THE CONTRACT. Any changes in or discontinuation of an unwritten past practice concerning wages, hours or other conditions of employment not covered by this Agreement shall be subject to a test of reasonableness. The questions of:

- (A) whether or not there is in fact a valid, current past practice in effect, and
- (B) the reasonableness of the change or discontinuation may be submitted to arbitration in accordance with the provisions of Article 32 (Grievance Procedure).

SECTION TWO. OTHER PRACTICES. A practice that violates the contract may be discontinued by the Employer with notice to the Union and the affected bargaining unit Employee(s). The Employer will meet and discuss the practice with the Union, upon written request, prior to discontinuation.

ARTICLE 41
MEALS AND HOUSING

SECTION ONE. MEALS. (A) The rates charged to Employees for meals shall be as follows:

(B) The State expressly reserves the right to provide or not to provide meals to any Employee who is not in “loco parentis” status and to terminate such services with sixty (60) days notice.

SECTION TWO. HOUSING. The State shall have the right to establish rental rates for Employees in State-owned housing. Such rental rates shall be based upon appraisals conducted by or for the State which will establish fair market values for the properties.

The rental values established by the State for Employee housing shall not be subject to the grievance or arbitration procedure.

The State expressly reserves the right to provide or not provide State-owned housing to any Employee, including the selection among applicants and the termination of occupancy in accordance with the Regulation on Assignment and Termination of State Housing as they may be amended from time to time.

The Employer shall not remove an Employee from housing or refuse to consider an application for housing as a form of discipline for matters unrelated to housing, but this provision shall not restrict the Employer’s right to remove from housing an Employee whose employment is terminated.

ARTICLE 42
MISCELLANEOUS

SECTION ONE. PRINTING. The Union will be responsible for the printing of a mutually agreed upon number of contract booklets by a unionized printer. The State will reimburse the Union for one-half of the printing costs upon presentation of an itemized invoice for the actual printing. SECTION TWO. During the life of this Agreement, the Employer shall not increase the cost to Employees for uniforms and equipment.

Where possible, memoranda or letters from a supervisor to an Employee and service ratings will be handed to the Employee.

SECTION EIGHT. DAMAGE TO PERSONAL PROPERTY. Present policies on damages to personal property will continue. Eyeglass frames and lenses will be replaced in kind, if possible, or by items of equal value. The Employer shall handle claims in an expeditious manner.

SECTION NINE. ACCREDITATION. When an accrediting Agency is scheduled to conduct a survey or other inspection of a facility, the Employer shall request that a member of the Professional Health Care (P-1) Bargaining Unit accompany the survey or inspection team. If that is not possible because of the rules of the accrediting Agency, the Employer shall request that the team meet with a representative of the bargaining unit.

SECTION TEN. HOUSEKEEPING AND MAINTENANCE DUTIES. Regarding NP-6 Employees, it is understood that direct patient care Employees shall continue to perform necessary and assigned housekeeping duties. However, such duties shall not supplant the needs of patients and/or client care. Regarding P-1 Employees, the Employer and the Union agree that housekeeping duties of direct patient care staff will only be those necessary to maintain immediate sanitary conditions.

SECTION ELEVEN. RESIGNATION. Any Employee who intends to resign shall give written notice as much in advance as possible and preferably at least three (3) weeks prior to the effective date.

SECTION TWELVE. ADEQUATE WORK SPACE-P-1. With regard to P-1 members, the Employer shall attempt to provide adequate work space within existing facilities for professional Employees to carry out their responsibility for patient/client care, counseling of families, and/or the preparation of necessary reports and documents. Disagreements shall be referred to the Labor-Management Committee and are not subject to the grievance and arbitration procedure.

SECTION THIRTEEN. STATE VEHICLES. Current Employees assigned State vehicles for field work will retain their vehicles so long as there is no significant change in job duties or the location of job assignment in a manner that eliminates the rationale for a vehicle.

SECTION FOURTEEN. TARDINESS. No Employee shall suffer disciplinary action due to a legitimate emergency which necessitates absence from the job or tardiness, provided satisfactory evidence of such emergency is presented to his/her supervisor on the next working day following the absence or tardiness. The appointing authority shall, upon the Employee's request, have the right to charge such absence or tardiness to earned time excluding sick leave. The appointing authority may dock said Employee for time not worked where there is evidence of abuse of the above or habitual tardiness. Lateness charges for Employees shall be made only for time actually late. Such lateness charges shall be accumulated according to Agency practice. Employees have the right to review their records of lateness charges.

SECTION FIFTEEN. CHAPLAIN'S HOUSING. For the purpose of meeting the qualifying requirements of the Internal Revenue Code, Section 107(2), the Employer designates as housing allowance, thirty-five percent (35%) of salary paid to chaplains.

ARTICLE 43
SAVINGS CLAUSE

Should any provision of this Agreement be found unlawful by a court of competent jurisdiction, the remainder of the Agreement shall continue in force.

ARTICLE 44
ENTIRE AGREEMENT

This Agreement, upon ratification, supersedes and cancels all prior practices and agreements, whether written or oral, unless expressly stated to the contrary herein, and constitutes the complete and entire agreement between the parties and concludes collective bargaining for its term.

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunities are set forth in this Agreement.

Therefore, the State and the Union, for the duration of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter whether or not referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both parties at the time they negotiated or signed this Agreement.

ARTICLE 45
SUPERSEDEENCE

Inclusion of language in this Agreement concerning matters formerly governed by law, regulation or policy directive shall be deemed a preemption only of those sections specifically addressed in the provisions of this Agreement. Accordingly, those sections of written policies promulgated by the Department of Administrative Services, Comptroller, Office of Policy and Management, and the Agency head or his/her designees or agent of the Governor shall be deemed superseded if addressed by specific provisions of this Agreement. The State will bargain collectively to the extent required by law before implementing any change in written policies involving wages, hours and conditions of employment promulgated by the Department of Administrative Services, Comptroller, Office of Policy and Management, or Agency head or designee or agent of the Governor that are not otherwise superseded by this Agreement, notwithstanding any contrary provisions of Article 44.

Statutes or regulation shall be construed to be superseded by this Agreement as provided in the Supersedence Appendix or where, by necessary implication, no other construction is tenable.

The Employer shall prepare a Supersedence Appendix listing any provisions of the Agreement which are in conflict with any existing statute or regulation for submission to the Legislature. The Union shall be consulted in the preparation of the Supersedence Appendix.

ARTICLE 46
DURATION OF AGREEMENT

This Agreement shall be effective on July 1, 2021, and shall expire on June 30, 2025.

Except as modified by this agreement, and the tentative agreements attached hereto, the provisions of the exiting District 1199 contract remain in effect.

ARTICLE 47
ESSENTIAL EMPLOYEES

Whenever the Employer closes one or more facilities early or opens late via a declaration of unusual weather or other circumstances, those Employees deemed Level One who cannot be released or are not allowed to arrive late shall be paid at a rate one and one-half (1 ½) times their regular rate of pay for all hours worked during the release day/period.

ARTICLE 48

TECHNICAL HIGH SCHOOL NURSES

SECTION ONE. SHORTENED DAYS/WEATHER CLOSINGS.

- (A) When Technical High School teachers have a professional day, a late opening or early dismissal, or have the day off due to school closings, the nurses shall have the option of working their regular schedule. Should they choose not to work their full workday, they may elect to use vacation, earned compensatory time and/or personal leave accruals, or go unpaid to cover the time.
- (B) If a nurse's school is closed due to weather or an emergency closing and continuous operations are affected, the Head Nurse, with prior authorization from both school principals, may choose to work at an alternate location where available. Otherwise, they may elect to use vacation, earned compensatory time and/or personal leave accruals, or go unpaid to cover the time.

SECTION TWO. GOVERNOR DECLARED TIME OFF. The existing practice concerning Governor declared days off, early releases and delayed openings shall apply to the Technical High School nurses. In these instances, Human Resources will issue specific instructions regarding the appropriate attendance coding.

SECTION THREE. SUMMER LEAVE/UNPAID DAYS.

- (A) Technical High School nurses shall have their unpaid summer leave count towards their bargaining unit seniority for purposes of lateral transfers, promotions and/or layoffs. Seniority shall accumulate based on the employee's regular weekly work schedule.
- (B) During the period of a leave without pay in excess of five (5) working days in the calendar month, the Employee:
- (1) shall not be credited for length of service, except as provided in this Agreement
 - (2) shall not earn vacation or sick leave for that month except that for Connecticut Technical High School Nurses, days without pay due to the schools being closed to student shall not be counted toward the above five (5) days for the purposes of determining vacation and sick leave accrual. Connecticut Technical High School Nurses shall not accrue vacation and sick leave for the month of July.

SECTION FOUR. SWITCHING ASSIGNMENTS. If two (2) Technical High School nurses wish to switch school assignments, the Nurses shall send a notice to the other Technical High School nurses to inquire if they are interested in moving to either of the two (2) schools where the switch is proposed. If no other more senior nurse shows interest, the switch may occur. Said switch shall occur during the summer months, subject to management's final approval.

SECTION FIVE. COMPENSATORY TIME.

1. Accrual of compensatory time will be credited to Technical High School nurses instead of overtime pay for the life of the collective bargaining agreement. The Technical High School nurses elect compensatory time instead of overtime pay in accordance with Article 13, Section Four (5) of the collective bargaining agreement.
2. Compensatory time will be granted by the Department of Education for hours worked beyond the scheduled school day when necessary and as approved by the school Principal, without being unreasonable denied, to complete and follow school health policies and procedures as outlined in the Connecticut Technical High School System Head Nurse Job description and as mandated by the Department of Public Health and the State of Connecticut General Statutes, including school and student emergencies. Inasmuch as working overtime must be pre-approved, the denial of earning compensatory time by the school Principal in non-student emergency situations is not subject to the grievance process. Earned compensatory time will be entered into CORE CT Time and Labor system.
3. Earned compensatory time shall be used only in the following manner at the request of individual Technical High School Head Nurse: early school dismissals and delayed school openings, legal/half days including teacher's professional development days, emergency school closings, and academic hours while students are in classroom session. The use of compensatory time must be approved in advance by the school Principal in accordance with the agency's attendance policies through the Electronic Leave Request (ELR) process. Under no circumstances will the use of accrued compensatory time be approved at the expense of student health and safety.
4. The process for obtaining and recording of comp time shall be as follows: The Technical High School head Nurse shall notify and administrator in advance of a need to work beyond the regularly scheduled school day in accordance with established State Department of Education Policy and Procedure. As stated in the policy, compensatory time is authorized in advance by the school Principal using the DMB-10 form. The SDE

Compensatory Time Policy and Procedure and Forms can be found at:
http://sdectg/bhr/Operations%20Info/Overtime_and_Comp_Time_Proc.doc.

5. It is understood that it may not be possible for the school Nurse to obtain prior approval in the case of a medical emergency or other unanticipated event. In such a case, the nurse will notify the school Principal as soon as reasonably possible after an emergency or unanticipated event. The approved comp time shall be recorded with the designated timekeeper. Use of accrued compensatory time shall be recorded at a mutually agreed time with the six (6) month period following the accumulation period as outlined in #3 above. The six (6) month period is based on calendar year, not academic year.
6. Any accrued compensatory time that is not used with the six (6) month period following the accumulation period will be lost. Under no circumstances will the accrued compensatory time be used as a basis for payment of any kind.

SECTION SIX. PREPARATION DAYS.

1. The Technical High School Nurses shall be provided two and one-half (7 hour) preparation days prior to the commencement of the 2013 school year and annually thereafter.
2. All preparation days will be worked during the summer after July 1st of each year.
3. They shall work two (2) seven-hour days with an unpaid lunch break, and one (1) three and one-half (3.5) hour day for a total of 17.5 hours to collect and review medical records, sports physicals, 504 programs and to complete state education health mandates.
4. The scheduling of these preparation days must be approved in advance by the school administrator.
5. Because the Technical High School Nurses are placed on “summer law”, they will receive compensation for the preparation days worked no later than the second paycheck of the new school year.

SECTION SEVEN. NURSES’ WORK YEAR.

- (A) Technical High School nurses school year shall begin three (3) days prior to the first student day of the year as determined by the school calendar.
- (B) Technical High School nurses’ school year shall end two (2) days after the last actual teacher day of the current school year as determined by the school calendar.

SECTION EIGHT. WORK AFTER SCHOOL HOURS/YEAR.

- (A) The parties agree that the Technical High School nurses will be offered the opportunity to provide nursing services for school activities occurring after regular school hours before utilizing the services of contract nurses.
- (B) When there is a summer program offered at a Technical High School that utilizes a Head Nurse, the current Head Nurse will be offered that work. If the school’s Head Nurse is not available, the work will be offered to the next most senior Head Nurse in the Technical high School System. If that Head Nurse is not available, the position will be posted.

**MEMORANDUM OF AGREEMENT 1
CORRECTIONAL MEAL ALLOWANCE**

P-1 and NP-6 Employees assigned to a Department of Correction facility shall receive either the meal or the meal allowance currently in effect at that facility. The monetary meal reimbursement shall be eight dollars (\$8.00) per meal for each shift actually worked. In the event an Employee is required to work unanticipated overtime after his/her regularly scheduled shift a sandwich and a beverage, prepared by a staff member, will be arranged in lieu of the meal allowance.

**MEMORANDUM OF AGREEMENT 2
BARGAINING UNIT WORK**

Dear Mr. Brown:

As discussed during the contract negotiations for a successor Agreement to the 1997-2001 Agreement, the State acknowledges that its management is primarily employed to manage, guide and administer the business of State Government. It therefore, is not designed nor intended that management function in such fashion as to replace its

bargaining unit Employees or routinely do bargaining unit work. Such demarcation of duties, while not absolute, is intended within the boundaries of feasibility and practicality.

MEMORANDUM OF AGREEMENT 3
FUNCTIONAL JOB DESCRIPTIONS

Dear Mr. Brown:

During negotiations for a successor contract to the 1997-2001 collective bargaining agreement, an issue concerning "Functional Job Descriptions" was raised by the Union.

The "functional" descriptions are an agencies' device used to describe in some detail the duties of Employees. They are also used as a basis for competency evaluations needed for facility certification procedures.

Where there is a question concerning whether these "functional" descriptions exceed the boundaries of an individual's job specification, the Union retains and may exercise its right to have a job audit conducted. In situations where the audit verifies duties, responsibilities and functions outside and in excess of requirements of the job specification, the State shall either adjust the specification, create a new specification or eliminate the foreign job duties/functions. Any adjustment, modification, or development of specifications would trigger an evaluation and review of the job expectations for grade identification. This understanding should not be construed as requiring all agencies to have functional job descriptions for all positions.

TRAVEL TIME WITHIN THE AGENCY

The Office of Labor Relations and the State of Connecticut and the New England Health Care Employees Union, District 1199 have entered into the following agreement concerning travel time between assignments within when such assignments at different locations.

The parties recognize the mutual benefit of voluntary overtime assignments. Employees often volunteer for overtime assignments at a location different from their regular duty station. When there is an hour or less time between such assignments, the parties agree that reasonable travel time up to one (1) hour should be considered as work time and included in the compensatory period. The State Agency shall, therefore pay Employees, up to one (1) hour, as not having interrupted work status when the Employee goes directly from work assignment to another work assignment and there is one hour or less time between the end of the first assignment and the beginning of the second assignment.

MEMORANDUM OF AGREEMENT 8
PART-TIME HOURS – REGARDING ARTICLE 20, SECTION 2

This letter is written to confirm our conversation of November 26, 2001 on the procedure for determining hours of work for part-time Employees in arriving at the base for pro-rata personal leave time. During our negotiations for the new contract July 1, 2001 – June 30, 20-05) it was agreed that part-time Employees would be entitled to personal leave time on a pro-rata basis. The language provides that part-time Employees who work twenty (20) hours or more shall receive pro-rata personal leave days. The problem that is faced is how to determine which Employees actually work twenty (20) hours or more.

On November 26, 2001, we discussed and agreed on the basis for determining whether the Employee worked (2) hours or more and what the hours worked would be for the pro-rata calculation. It is agreed that the prior calendar year shall be utilized to calculate the weekly hours worked by a part-time Employee. This weekly average shall be the basis for the pro-rata calculation for the personal leave entitlement. For a new part-time Employee, during the current calendar year, the average weekly hours worked will be calculated for the first six months of employment.

This understanding addresses only the procedure for determining hours worked for the pro-rata calculation. All other entitlement criteria remain as provided by the contract or regulation

MEMORANDUM OF UNDERSTANDING 12
35 + 5 HOUR WORK WEEK

The State and the Union agree to delete contract references to a 35 + 5 hour work week because a 35 + 5 hour work week is, consistent with the 1997 Interest Arbitration Award issued by Arbitrator Phillip Dunn and OLR General Notice 97-8 a 40 hour week for accrual purposes. This applies to Employees who are hired to work a 35 hour work week and are regularly scheduled and required to work an additional five hours per week for a total of 40 hours.

MEMORANDUM OF UNDERSTANDING 13
REGARDING ON-SITE PHYSICIANS

The Office of Labor Relations on behalf of the State of Connecticut, hereinafter referred to as the "State" and the New England Health Care Employees Union, District 1199, hereinafter referred to as the "Union" enter into the following agreement concerning the application and administration of Article 9 Section Ten (B) of the collective bargaining agreement:

1. The State and the Union recognize and acknowledge that Article 9 Section Ten (B) of the collective bargaining agreement addresses compensation for physicians who are working on-site on-call and/or weekend on-site on-call.
2. These on-site on-call assignments are the shift duration as indicated in Article 9 Section Ten (B). The compensation payment for the assignment is likewise indicated at Article 9 Section Ten (B).
3. The State acknowledges that the assignment of physicians to this on-site on-call duty is an offer which is extended to both full-time and part-time physicians who have established shift or duty assignments. The on-site on-call duty becomes an additional assignment.
4. The Union recognizes that staffing requirements at the various State Agencies coupled with the legitimate on-site on-call assignment restrictions (not to exceed two sixteen hour shifts in a workweek) could readily require unwelcome mandating of on-site on-call duty.
5. To decrease the occasions (need) of mandating physicians with established shift or duty assignment while retaining the voluntary opportunity for on-site on-call duty, the State and the Union accept the practice of hiring physicians with an exclusive assignment of on-site on-call duty.
6. The State and the Union acknowledge that the physicians with an exclusive on-site/on-call employment arrangement shall not be provided this assignment at the expense of denial of a voluntary opportunity to a full time or part-time physician.
7. In agreeing to the application of item number 5 above, the State and the Union acknowledge that said employment constitutes part-time employment. Furthermore, the State acknowledges that physicians employed for this exclusive purpose of on-site on-call duty are covered by the following provisions of the collective bargaining agreement as part-time Employees:

ARTICLE 1	Recognition
ARTICLE 2	Non-Discrimination and Affirmative Action
ARTICLE 3	Union Security and Payroll Deduction
ARTICLE 4	Union Rights
ARTICLE 5	Management Rights
ARTICLE 6	Contracting Out
ARTICLE 7	No Strikes – No Lockouts
ARTICLE 10	Overpayments
ARTICLE 39	Past Practices
ARTICLE 42	Savings Clause
ARTICLE 43	Entire Agreement
ARTICLE 44	Supersedence

ARTICLE 45 Duration of Agreement

8. The State and the Union acknowledge that compensation for these physicians employed exclusively for on-site on-call duty shall be the payment indicated in Article 9 Section Ten (B) of the collective bargaining agreement.
9. This Understanding shall be effective upon signature of the State and the Union and shall be considered as part of the collective bargaining agreement. As a part of such Agreement it shall be subject to the provisions of CGS Section 5-276a.

MEMORANDUM OF UNDERSTANDING 14
REGARDING DELAYED ARRIVAL AND EARLY RELEASE DECLARATIONS DUE TO INCLEMENT WEATHER
BETWEEN THE STATE OF CONNECTICUT,
OFFICE OF LABOR RELATIONS AND
NEW ENGLAND HEALTH CARE EMPLOYEES UNION DISTRICT 1199

This memorandum is intended to clarify the application of Article 47 of the State/District 1199 Collective Bargaining Agreement which provides that:

Whenever the Employer closes one or more facilities early or opens late via a declaration of unusual weather or other circumstances, those Employees deemed essential who cannot be released or are not allowed to arrive late shall be paid at a rate one and one-half (1 ½) times their regular rate of pay for all hours worked during the release day/period.

In order to ensure consistency of application, the State of Connecticut Office of Labor Relations (hereinafter referred to as "OLR"), and the New England Health Care Employees Union, District 1199, AFL-CIO (hereinafter referred to as "1199" or "the Union") hereby agree as follows:

1. When a declaration of delayed opening or early release of non-essential Employees is made, such declaration only applies to Employees who are immediately affected by the declaration.
2. For purposes of interpretation and application of Article 47, the "release day" shall be a standard business work day beginning at eight o'clock (8:00) a.m. and ending at five o'clock (5:00) p.m. Monday through Friday.
3. In the event of a declaration of a delayed opening, bargaining unit members who are deemed "essential" and who are required to report for duty as scheduled and unable to take advantage of the delayed opening, shall be entitled to pay at a rate of time and one-half their regular rate for hours worked between 8:00 a.m. and the time of the delayed opening. Where the delayed opening times are staggered, the latest opening time shall apply.
4. In the event of a declaration of early release, bargaining unit members who are deemed "essential" and who are not eligible to take advantage of an early release and are required to remain at work shall be compensated at a rate of time and one-half their regular rate of pay for hours worked between the declared early release time until 5:00 p.m.
5. Bargaining unit members who are deemed essential and as such required to report for duty notwithstanding an early release declaration shall be compensated at a rate of time and one-half their regular rate of pay for hours worked between the early release declaration time and 5:00 p.m. In the event of staggered release times, the earliest time shall apply.
6. This clarification of Article 47 makes clear that any hours worked after five o'clock p.m. and before eight o'clock a.m. are not covered by Article 47 of the labor agreement, and therefore, not subject to the payment of time and one-half payment due to delayed openings and early releases.
7. In consideration of this agreement, the Union hereby withdraws any and all grievances (including but not limited to OLR Numbers 10-7433, 10-7471, 11-4198, 10-7432, 11-4166, 10-7238, 11-4066, 10-7429, 11-4160, 10-7237, 11-4067, 10-7782, 11-4339, 11-3523, 10-7237, 11-406710-74301, 11-3078, 11-3320, 11-3321) and hereby withdraws any and all prohibited practice complaints, discrimination (CHRO and EEOC) complaints, lawsuits and any other legal or administrative actions filed on this issue and related issues. This agreement resolves all outstanding issues involving the application and interpretation of Article 47 and

extinguishes any and claims the Union may have related to this. This includes but is not limited to the above OLR Numbers.

8. In signing this Agreement, the parties acknowledge that they freely and voluntarily enters into this Agreement without duress, intimidation, undue influence or any threatened loss of benefit.

MEMORANDUM OF AGREEMENT 15
TO REDUCE
MANDATORY OVERTIME IN
THE DEPARTMENT OF CORRECTION

Purpose: To reduce mandatory overtime for health services staff by increasing the number of Employees volunteering for overtime and to assist in improving Employee morale.

Duration: It will be reviewed periodically by the parties during its duration and modifications to it may be made by mutual agreement. Either party can discontinue with 60 days advance notice, or with the posting of the next schedule, whichever is later.

A list of questions and answers to clarify the intent of this language is maintained by a standing Labor-Management committee and changes are mutually agreed upon.

1. **Procedure:** The ESOS program will include all facilities at the DOC and will be open to all Health Services staff including LPC and CSW positions. The functional units will schedule their Employees, including their complement of per diem personnel, in the normal fashion. Any open slots that remain after this scheduling will be posted for facility and statewide voluntary overtime, with preference given to Employees from the home facility first. "ESOS" slots(s) will be utilized to cover call-outs/shortages over and above the known open slots in the schedule. ESOS slots may be established for full or partial shifts, as determined my management (minimum of 2 hour block). These slots may also be added after the schedule is posted if situations change as long as the shift has not begun.

2. Staff who put their names on an ESOS slot must be available to work for all time they sign up for. Once a name is put on the list, it cannot be removed unless the manager is notified in writing AND a replacement is found by the Employee. If more Employees sign up for a shift than available slots, the Employees used will be rotated to the extent possible. Preference for selection will be given to Employees who sign up for the full time needed by management, and who are the appropriate level CHNSs may sign up for ESOS slots, but will have last preference for the openings. Within these limits, management will select which Employee is called, and how many Employees are called to work. Except as otherwise agreed, Employees who sign up for ESOS will also be eligible for mandations.

Employees who sign up for ESOS slots that are designated for call outs/shortages will be called from the ESOS list as they are needed. Employees may be called to work before the shift begins, at the time of the shift, or for 30 minutes after the shift begins. Employees will be expected to reach the facility within 30 minutes of when they are called, or the start of the shift, whichever is later. Employees must provide a certain method of reaching them – i.e. pager, cell phone – not answering machines – if they are not at the facility.

Employees can be bumped from an ESOS shift if there is a less expensive alternative that fills the shift, for example, use of per diems on regular hours, or an Employee who is willing to work the shift as voluntary overtime.

Employees can also be bumped from an ESOS shift if the overtime is deemed to be unnecessary and is cancelled. If an employee is called for ESOS and is no longer needed they can choose to work for two hours or they can choose to go home and not get compensated.

3. **Sanctions:** Employees who sign up but are not reachable, do not show up, erase their name or do not get a replacement, will not be allowed to sign up for ESOS for a 30 day period (first offense) and a 90 day period (second or subsequent offenses) but are still eligible to be mandated.

4. **Pay:** Employees who sign up for ESOS slots and who are called to work and work in the functional unit shall receive double time pay for the ESOS hours.

5. **Eligibility:** Employees with 8 hour notes or other time reduction notes who are not mandatable are not eligible for ESOS signups.

Employees must work at least two voluntary overtime shifts or one voluntary shift and have been mandated one time in the month prior to working an ESOS shift to be eligible for the ESOS payment. Two half shifts may be substituted for one full shift requirement. Voluntary overtime of less than one half shift will not be counted.

6. **Mandations:** If no Employee has volunteered for a standby slot, or if enough Employees have not volunteered, or in other unforeseen circumstances, DOC retains the right to mandate Employees to provide necessary staffing coverage. In those situations, double time will be paid consistent with Article 13, Section 13 (A). The agency will provide to the union on a monthly basis the overtime reports at ESOS facilities.

The functional units involved in this pilot shall still maintain a mandatory overtime list for those situations where mandates must occur, as discussed above.

Except as otherwise agreed, Employees who sign up for ESOS will also be eligible for mandations.

7. For the purposes of this Agreement, double time pay shall not apply to holdovers of 1 hour or less. Holdovers in this context are used for the purpose of waiting for late-arriving staff, counting medications or sharps, receiving report or completing a code. In those circumstances, straight time or time and one half (if over 40 hours) will be paid, and the Employee shall not be deemed to be mandated. The Employee would not move on the mandatory overtime list. Notwithstanding the language of Article 13, Section 13 (B), if the holdover is more than 15 minutes, Employees may choose to work the entire hour and be paid for the full hour, or be released when finished and paid for the actual time worked.

8. For the purposes of this pilot program, staff are ~~not~~ required to sign up for overtime in their own facilities first, and may participate in ESOS signup. However, Employees cannot sign up for ESOS hours during a time that they are already scheduled to work or have approved time off, can't sign up for the same slot in two different facilities, and if they are selected for overtime in their own facility first, that takes precedence. Employees who are on an ESOS shift will only be pulled back to their own facility as a last resort.

9. **Call Outs:** For the purposes of this pilot program, pilot facilities will require Employees to call out at least 2 hours in advance of their shift if they are going to be absent for a normal shift.

10. **Travel Time:** Employees who travel between facilities to do ESOS overtime will be paid for the travel time at regular pay rates if the shifts are continuous. Double time ESOS payment will be paid only while working at the facility where you are doing this shift. If the shifts are not continuous, you travel on your own time.

11. The parties may modify these provisions by mutual agreement at any time.

RESPIRATORY THERAPY AGREEMENTS

THE COMPENSATION OF RESPIRATORY THERAPISTS, LEAD RESPIRATORY THERAPIST, AND RESPIRATORY THERAPY SUPERVISORS EMPLOYED AT THE UNIVERSITY OF CONNECTICUT HEALTH CENTER ARE CONSISTENT WITH THE ALLOWANCES PROVIDED BY THE MEMORANDUM OF AGREEMENT – RE: RECRUITMENT AND RETENTION.

1. Due to the unique recruitment and retention issues experienced at John Dempsey Hospital with Respiratory Therapists, there shall be an annual stipend of up to \$8,000 for first shift and \$15,000 for those who are assigned and work second, and/or third shift provided to Employees at John Dempsey Hospital in the classifications of Respiratory Therapist, Lead Respiratory Therapist and Respiratory Therapy Supervisor. The parties agree that the maximum annual benefit under this section for a full time Employee is \$8,000 and \$15,000, pro-rated by FTE.

For recruitment and retention purposes it is recognized that Respiratory Therapists, Lead Respiratory Therapist and Respiratory Therapy Supervisors require added incentive to accept 2nd and 3rd shift assignments. Therefore, the 15% of Step 2 differential rate as provided LPNs and RN's (Article 19, Section Three) shall likewise apply to the Respiratory Therapists and Respiratory Therapy Supervisors employed at John Dempsey Hospital.

3. This Agreement shall be revisited on June 30, 2025 at which time the effect of the recruitment and retention issues associated with Respiratory Therapists will be reviewed. The determination of whether these issues remain a viable concern shall be made on the basis of availability of certified Respiratory Therapists and the ability of John Dempsey Hospital to hire said individuals without the extra compensation herein provided. Prior to the elimination of this stipend agreement the State, the Health Center and 1199 shall meet and discuss-the circumstances and conditions that the State believes warrants the elimination of the stipend provisions.

These Agreements are without precedent for either party in any pending or future situation.

Office of Labor Relations

January 24, 2017

Mr. Paul Fortier
New England Health Care Employees Union
District 1199 SEIU
77 Huyshope Avenue
Hartford, CT 06106

Dear Mr. Fortier:

I am writing in regard to an issue raised during our on-going contract negotiations for a successor agreement to the contract that expired June 30, 2016. During our discussions, the Union raised an issue concerning disciplinary action incorporated into an employee's annual service rating.

I would like to reiterate my position on this issue. Ordinarily, misconduct and any resultant disciplinary action that occurred during the rating period should be reflected in the annual service rating. It is incumbent upon the rater to view any discipline, and the severity thereof, in the context of the employee's full record of performance during the rating period. An employee should not, therefore, be given an overall "unsatisfactory" service rating for a single, minor, isolated incident for which the employee was disciplined. The incident should be referenced in the space reserved for "Remarks" on the service rating instrument. If an employee's work performance during the year was generally good, the employee should not be overly penalized for one minor mistake.

Sincerely,

S. Fae Brown-Brewton
Assistant Director

MEMORANDUM OF UNDERSTANDING 28
REGARDING PUBLIC HEALTH LABORATORY COVERAGE
DUE TO EMPLOYER DECLARATION OF CLOSURE FOR
UNUSUAL WEATHER OR OTHER CIRCUMSTANCES
BETWEEN
THE STATE OF CONNECTICUT, BOARD OF LABOR RELATIONS
(ON BEHALF OF THE DEPARTMENT OF PUBLIC HEALTH)
AND
NEW ENGLAND HEALTH CARE EMPLOYEES UNION,

DISTRICT 1199

The parties recognize that:

- Employer declarations of closure for unusual weather or other circumstances may require critical Public Health Laboratory testing to be shut down for extended periods;
- Timely Public Health Laboratory testing has a direct impact on the health of the residents of Connecticut.

Therefore, the parties have agreed to the following regarding procedures for Public Health Laboratory employees when Employer declarations of closure may occur or have occurred:

1. An extended shut down means that testing would not occur for a period of greater than three (3) consecutive calendar days. Certain situations, on a case-by-case basis, may prompt use of these provisions for shut downs of fewer than three (3) consecutive calendar days.
2. When the potential for an extended shut down is foreseen, the Laboratory Director or designee will assess whether use of scheduled, voluntary overtime will be compensated according to the applicable terms of the collective bargaining agreement.
3. When the potential for an extended shut down is foreseen, the Laboratory Director or designee will solicit volunteers to be available to be called in to work in the event testing must be performed on a day of declared closure for unusual weather or other circumstance (“closure day”).
4. Management will determine the appropriate number of staff to be called in on a closure day.
5. Management will make every effort to inform staff as of the close of the last business shift prior to the event which could result in the extended shut down.
6. In cases where an extended shut down could not be planned for, management may contact staff off-hours to solicit volunteers to be available to be called in to work in the event testing must be performed on a closure day.
7. In all circumstances, management reserves the right to consider level of expertise necessary to operate instruments and perform data analysis as a factor in determining which staff are called in.
8. This MOU does not supersede the terms of Article 13 of the Collective Bargaining Agreement. In particular, the MOU does not afford overtime compensation to employees deemed exempt under the Collective Bargaining Agreement.
9. Any employed who is called in to work (or held over to work) on a closure day will be compensated according to the terms of Article 47 of the collective bargaining agreement.
10. Any employee who is called in to work on a closure day and is unable to report due to urgent circumstances (e.g., unpassable roads) will not receive Article 47 payment.
11. Any employee who is called in to work on a closure day will receive at least the minimum hours of pay per the call-back provisions of Article 13, Section Five of the Collective Bargaining Agreement.

12. This agreement provides Article 47 payment only for occasions during the regular work week (Monday through Friday) on which an employee is held over or called in on a closure day. Compensation for work performed outside of the regular work week (including work on holidays) will be per the applicable terms of the collective bargaining agreement governing call-back pay, overtime, and compensatory time.
13. This Agreement is specific to the Public Health Laboratory. The parties understand that the tenets and concepts contained herein may serve as a basis for discussion for other operations within the Department of Public Health, should the need arise.

Dave Krayeski, Program Administrator
Office of Labor Relations
450 Capitol Avenue
Hartford, CT 06106

Dear Mr. Krayeski,

On behalf of District 1199NE, I am writing in regard to issues raised during contract negotiations for a successor agreement to the contract that expired on June 30, 2021. The Employees at Capitol Region Mental Health Center discussed work related issues around being the only agency in the Department of Mental Health and Addiction Services excluded from time and one-half compensation after eight (8) hours of work. Employees have offered numerous anecdotes about how crisis interventions and other services utilized beyond the regularly scheduled workday. Compounding the issue are factors that can further impact the workplace, notably staff morale.

At the bargaining table, the State acknowledged the issues and offered to engage in continued meaningful discussions at the conclusion of the present collective bargaining process. That being said, ninety (90) days after ratification of the collective bargaining agreement, the State and 1199 shall meet to discuss inclusion of Capitol Region Mental Health Center into the aforementioned time and one-half compensation after eight (8) hours of work.

Sincerely,

Reimbursement for Use of Personally Owned Vehicles

Reimbursement for use of an Employee's personally owned vehicle will be made in accordance with State Standard Travel Regulations (5-141c-1 to 5-141c-11) and/or the applicable collective bargaining agreements. If the use of a personally-owned motor vehicle by an Employee is authorized by the Agency Transportation Administrator for official state business, the Employee shall be reimbursed at an established mileage rate for travel on official state business less their normal round-trip commute from home to their official duty station, unless another method of calculating mileage has been provided under the applicable collective bargaining agreement. (See attached mileage map.)

No payment for use of personally-owned vehicles is permitted for the following:

- Travel from home to official duty station or field assignment, unless provided under the applicable collective bargaining agreement;
- Any activity except official state business; or
- Participation in any activity in which an honorarium, stipend, monetary fee or gift of any value is given to the Employee involved.

Employees traveling on state business are responsible for the full content of DAS General Letter 115 which should be read in its entirety and can be obtained in electronic form at: [/www.das.state.ct.us/Fleet/GL11509rev.pdf](http://www.das.state.ct.us/Fleet/GL11509rev.pdf)

LEAVE DONATION GUIDELINES

1. To be eligible to receive leave donations, the employee must have achieved permanent status and have six (6) months of service.
2. The absent employee must have exhausted all of his/her accrued paid time and otherwise be on leave without pay status.
3. A request to donate leave time may be initiated by the Union or a group of employees; it should not be generated by an individual on his or her own behalf. The request should be directed to the agency/facility head or designee. A donation request can be initiated before the recipient exhausts all accruals, but should not be submitted until the pay period that the exhaustion of such leave is expected to occur.
4. Once the Leave Donation Forms are compiled, they should be submitted along with a summary denoting:
 - A. the name of the employee to whom the leave time is being donated;
 - B. the names of employees who are willing to donate; and
 - C. the number of sick, vacation and/or personal leave days being donated by each employee.
5. Donation of leave may occur between NP-6 and P-1 bargaining unit members.
6. Donations may occur between different employing agencies for employees in the NP-6 and P-1 bargaining units.
7. Donation shall be made only in minimum units of one day (or the equivalent hours), which shall be the length of the standard work day of the donating employee (e.g. 7 hours or 8 hours).
8. Requests to donate leave shall be forwarded to the agency head or designee along with:
 - A. the absent employee's name and official job classification;
 - B. the absent employee's length of service;
 - C. the absent employee's sick leave record for the current and previous year;
 - D. the current medical certificate stating the nature of the illness, the prognosis and the probable date when the employee will return to work.
9. The agency head or designees shall review all requests for compliance with the collective bargaining agreement and notify the employee of approval (or denial). Requests which involve donations between agencies shall be reviewed by both agency heads (or designees). If the request to donate is leave approved, the donated days will be transferred to the sick leave account of the absent employee. The actual transfer will occur on the date upon which the absent employee exhausts all accrued leave time. If the donation is contributed into a different agency/payroll, written confirmation must be received indicating that the time has been deducted from the donating employees before the time is credited to the absent employee.
10. The absent employee may use the days in the same manner as any other sick leave, including the "pay-off" of previously advanced sick leave days (as provided in Regulation 5-247-5). The donated time will remain as accrued sick leave for the absent employee and shall not be returned to the donating employees even if the absent employee returns to work before exhausting all of the donated time.
