A requirement that the successor or assigns are bound by Conn. Gen. Statutes, § 5-270, et seq. in negotiating successor collective bargaining agreements and its dealings with the Union;

A requirement on the successor or assigns to recognize the Union as the exclusive representative of all employees in the unit certified by the Connecticut State Board of Labor Relations, in Case No. SE-4728, Decision No. 1703, issued January 5, 1979, including, temporary and durational employees;

A requirement on the successor or assigns that all bargaining unit members be employed by the successor or assigns without having to pass a new probationary period;

A requirement on the successor or assigns that all bargaining unit members be employed by the successor or assigns without having to fill out a new job application;

A requirement on the successor or assigns that all bargaining unit members be employed by the successor or assigns without having to pass a pre-employment check;

A requirement on the successor or assigns that all bargaining unit members be employed by the successor or assigns without having to pass a pre-employment test.

Section 2. New Job Specifications. The Union shall be notified in writing of any proposed change or new job specification for bargaining unit classifications prior to implementation. Upon written request of the Union, the State agrees to negotiate over the impact of the effect of any change to the extent required by law; however, such negotiations shall not prevent the State from implementation.

## **ARTICLE 2 ENTIRE AGREEMENT**

**Section 1. Entire Agreement.** This Agreement, upon ratification, (when applicable), and upon legislative approval, supersedes and cancels all prior practices and agreements, whether written or oral, unless expressly stated to the contrary herein, and constitutes the complete and entire agreement between the parties and concludes collective bargaining for its term.

**Section 2. Opportunity to Present Demands.** The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the State and the Union, for the duration of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to bargaining collectively with respect to any subject or matter referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

**ARTICLE 3**  
**NON-DISCRIMINATION AND AFFIRMATIVE ACTION**

**Section 1. Non-discrimination.** The parties herein agree that neither shall discriminate against any employee on the basis of race, color, creed, sex, age, national origin, marital status or lawful political activity.

**Section 2. Union Participation.** Neither party shall discriminate against an employee on the basis of membership or non-membership or lawful activity in behalf of the exclusive bargaining agent. The Employer agrees not to interfere with the rights of employees to become members of the Union, and there shall be no discrimination, interference, restraint, or coercion by the Employer or any Employer representative against any employee because of any employee activity in an official capacity on behalf of the Union.

**Section 3. Affirmative Action.** The parties acknowledge the need for positive and aggressive affirmative action to redress the effects of past discrimination, if any, whether intentional or unintentional, to eliminate present discrimination, if any, to prevent further discrimination, and to ensure equal opportunity in the application of this Agreement. The Labor Management Committee (but not the grievance procedure) shall be the proper forum for problems, ripe or anticipated, which impact upon philosophy and/or directives of this Section.

**Section 4. Americans with Disabilities Act.** Notwithstanding any provision of this agreement to the contrary, the Employer will have the right and duty to take all actions necessary to comply with the provisions of the Americans with Disabilities Act, 42 U.S.C. 2101, et seq. (ADA). Upon request the Employer will meet and discuss specific concerns identified by the Union; however, this shall not delay any actions taken to comply with the ADA.

**Section 5. Harassment or Disparate Treatment.** The Employer shall take reasonable measures to prevent harassment or disparate treatment at the work place.

**ARTICLE 4**  
**NO STRIKES-NO LOCKOUTS**

**Section 1. No Strike.** Neither the Union nor any employee shall engage in, induce, support, encourage, or condone a strike, sympathy strike, work stoppage, slowdown, concerted withholding of services, sick-out, or any interference with the mission on any State agency. **Section 2. Union to Exert Best Effort.** The Union shall exert its best efforts to prevent or terminate any violation of Section 1 of this article.

**Section 3. No Lockout.** The Employer agrees that during the life of this Agreement there shall be no lock-out.

Except as otherwise limited by a specific provision of this Agreement, inherent management rights are not subject to the grievance procedure.

## **ARTICLE 6 UNION SECURITY AND PAYROLL DEDUCTIONS**

**Section 1.** Consistent with labor laws and precedent, an employee retains the freedom of choice whether or not to become or remain a member of the Union designated as the exclusive bargaining agent.

**Section 2.** The State employer shall deduct Union dues biweekly from the paycheck of each employee who provides the Union authorization to receive such deduction from the State within thirty (30) days of the Union providing certification of said authorization to the State. The Union shall provide to the corresponding agency payroll office, a digital list of all employees who have authorized dues deduction in a format dictated by the Agency. Biweekly, the Union shall provide a report of dues deduction changes including any “starts and stops.” By providing such list, the Union certifies that each employee has knowingly and willfully consented to the payroll deduction. Within 10 business days of receipt, the Union shall notify the corresponding agency payroll offices, in writing, of any revocations of said authorizations and the effective date of the same.

**Section 3.** The parties recognize that the authorization of the Union to receive payroll deductions is an agreement solely between the Union and its members which the member may revoke consistent with the Union's membership rules. The current process shall be provided to the Agency by the Union; however should this process change, the union shall provide the State with the updated written version of the process within ten (10) business days.

Should a bargaining unit member approach the State or its agents seeking to terminate or modify his or her contractual relationship with the Union, that bargaining unit member will be directed to communicate such intent directly with to the Union. In such case, the State may notify the employee of its obligation to comply with this Article, including Section Two above. If the State is informed of a dispute between a bargaining unit member and the Union concerning the obligation to withhold union dues, it may invoke Section 4.

**Section 4.** Upon request of the State, the Union shall provide legally sufficient proof of the authorization to collect dues through payroll deduction to the State for any employee who disputes said authorization. If the requested proof of authorization is not provided within seven (7) calendar days of the request, the State will cease withholding union dues for that employee not later than the first day of the following payroll period. Upon request, an Agency may request a dues reconciliation not more than twice per contract year.

**Section 5.** The amount of dues deducted, under this Article, together with a list of all employees for whom said deductions were made, and a list of all employees in the bargaining unit, shall be remitted to the Union's designee at Council 4 after the payroll period in which such deductions are made.

No payroll deduction of dues shall be made from workers' compensation or for any payroll period in which earnings received are insufficient to cover the amount of deduction, nor shall such deductions be made from subsequent payrolls to cover the period in question (non-retroactive).

**Section 6.** In accordance with procedures promulgated by the Office of the State Comptroller, the State shall allow for the voluntary payroll deduction of contributions for the Union's political action fund. Authorization for such deduction by the employee shall be provided in writing by the Union to the corresponding agency payroll offices consistent with process outlined in Section Two above.

**Section 7. Quarterly Reports.** The State shall furnish AFSCME Council 4, on a quarterly basis reports containing the following information sorted by facility:

- c) Employees separated from the Bargaining Unit and date of separation.
- d) General changes for Bargaining Unit employees.
- e) A list of Bargaining Unit employees who did not pay dues in the preceding month.

**Section 8. Correction of Errors.** Should the Union believe that the Union dues of an employee have not been deducted correctly the Union shall notify the employing agency with the specific nature of the problem. Upon agency verification of the problem the agency shall arrange for corrective action with the Union and the employee. (For example, an employee whose dues have been underdeducted by \$1.00 for six (6) pay periods shall have \$1.00 extra deducted, in addition to the correct dues deduction, for a period of six (6) pay periods)

**Section 9. New Hires.** The State will provide notice to the Union of new members of the bargaining unit as soon as practicable after their hire, and no later than ten (10) workdays of the commencement of employment. Such notice will be by email to AFSCME Council 4 and shall include the new bargaining unit member's work location.

**Section 10.** Except as otherwise provided by the parties, all new members of the bargaining unit shall be released from work, if they so desire, for one (1) hour without loss of pay, to attend a Union orientation. If the Employer chooses, that orientation may be combined with a new hire orientation conducted by the Employer. In such case, the Employer will provide the Union with seven (7) days' notice of the time and location of such orientation. Management shall not be present during the Union's orientation.

If the Employer chooses not to schedule its orientation within 30 days of an employee's hire, or not to add the Union orientation to the Employer orientation, the Union shall schedule the orientation at its discretion but consistent with the Employer's operational needs. The Union orientation will include the Union providing all new employees with a copy of this agreement.

## **ARTICLE 7 UNION RIGHTS**

**Section 1. Access to Information.** The Employer agrees to provide the Union, upon request and adequate notice, access to materials and information necessary for the Union to fulfill its statutory responsibility to administer this Agreement. The Union shall communicate in writing the reason for requesting the material needed. The Union will not be charged for infrequent and/or reasonable copying expenses, however, the Union shall reimburse the State for the expense and time spent photo copying such information and otherwise as permitted under the State Freedom of Information Law. The Union shall not have access to privileged or confidential information.

**Section 2. Bulletin Board.** The State will furnish a minimum of one bulletin board at each institution which the Union may utilize for their announcements and Union material. Two such boards will be provided in the larger facilities. The Union shall be provided a key for access to the bulletin board at institutions where such boards are presently locked. The State reserves the right to have the Union remove material that is of a partisan, political nature or is inflammatory, or derogatory to the State Employer or any of its officers or employees. After the material in question is removed, the Union shall have the right to grieve and to arbitrate.

**Section 4. Access to Premises.** AFSCME representatives (International or District Council staff or steward assigned) shall be permitted to enter the facilities of the Department of Corrections at any reasonable time for the purpose of discussing, processing, or investigating grievances, or fulfilling its role as collective bargaining agent, provided that they give telephone notice of their intended visit and upon arrival they give notice of their presence immediately to the office.

**Section 5. Use of Employer Facilities.** The Department will continue to permit use of certain facilities for Union meetings, subject to the operating needs of the Department.

**Section 6. Mailings and Handouts.** The Employer will permit the Union to leave handouts in specified areas and to allow the Union to use mail boxes where available. Employees will be allowed to carry Union mail between institutions as long as this does not interfere with the performance of duties. Employees may receive Union business faxes, at designated locations from AFSCME and Locals.

**Section 7. Union Business Leave.** A maximum of six hundred fifty (650) person-days per year shall be granted without loss or pay of benefits for the purpose of attending to union business

related functions. In the year of the International convention, an additional eighty (80) person-days shall be granted for attendance at that convention. Each contract year, delegates to the Connecticut State AFL-CIO Convention shall be granted leave without loss of pay or benefits for the days on which the Convention is scheduled. Seventy (70) person days shall be granted for this provision. It is understood, however, that in emergency situations such leave may be withheld or revoked. Employees may or may not change work schedules for weeks in which conventions occur. Requests for leave time shall be made in writing as soon as possible and no later than two (2) weeks in advance to the Office of Labor Relations except in cases where two (2) weeks is not possible. Union Business Leave time shall be properly dated when the request for UBL could not be timely made in writing, due to unforeseen occurrences.

**Section 8. Union Leave.** Not more than one (1) employee elected or appointed to a full-time office or position with the Union will be eligible for an unpaid leave of absence not to exceed one (1) year which may be granted subject to the approval of the Director of Labor Relations. Upon return from such leave, the State Employer shall offer said employee a position relatively equal to the former position in pay, benefits, and duties at the rates in force at time of return from such leave.

**Section 9. Number of Stewards.** The Union shall furnish the Employer with a list of all employee representatives and Union staff members authorized to so represent the Union within sixty (60) calendar days from the date of execution of this Agreement. Such list shall be updated quarterly.

**Section 10. Role of Stewards, Executive Board Members in Processing Grievances.** The stewards or Union Executive Board members will obtain permission from their immediate supervisors when they desire to leave their work assignments to properly and expeditiously carry out their duties in connection with the employee/management agreement. When contacting an employee, the stewards or Union Executive board members will first report to and obtain permission to see the employee from his/her supervisor, and such permission will be granted unless the work situation or an emergency demands otherwise. If the immediate supervisor is unavailable, permission will be requested from the next level of supervision. Requests by stewards or Union Executive Board members to meet with employees and/or employees to meet with stewards or Union Executive Board members will state the name of the employee involved, his/her location, indicating briefly what union business is to be discussed, and the approximate time that will be needed. Stewards or Union Executive Board members thus engaged will report back to their supervisors on completion of such duties and return to their job and will suffer no loss of pay or other benefits as a result thereof.

**Section 11. Limitation on Entry for Representation.** Permission to enter the premises or to conduct representational business during working hours may be denied or revoked in profound circumstances.

**Section 12. AFSCME Representatives.** International representatives and Union staff representatives may be present at Labor Management meetings and at grievance hearings at the level of Step II and above.

**Section 13. Recognition of Stewards.** Employer representatives shall deal exclusively with Union designated stewards or representatives in the processing of grievances or any other aspect of contract administration.

**Section 1. Relevant Training.** The Employer recognizes the need to provide relevant training for each new employee and on-the-job training.

**Section 2. Training Committees.** In furtherance of the objectives in Section 1 of this article, in addition to local training committees, a Training Committee shall be appointed, composed of six (6) bargaining unit members and management representatives. This committee will meet quarterly and its objective is to review the training needs of the department and to recommend to the Commissioner of Correction training programs in light of the ACA accreditation standards. The determination to implement these programs, including their length and duration and selection of trainees, or not to implement the training programs rests with the Commissioner of Correction. Further, where practicable, experienced Corrections Officers who possess the relevant skills and experience shall be utilized as trainers.

**Section 3. Orientation Training.** New employees may be required to attend orientation training on a live-in basis. During such training they will be required to attend sessions on the schedule established, for which they shall receive the normal bi-weekly salary appropriate to their job classification. Their duty station shall be considered the training site for the duration of the program.

**Section 4. Scheduling Training.** Training will be scheduled during normal working hours when, in management's judgment, it is practical to do so. Training required by the State in addition to regular duty time shall be considered time worked for overtime purposes, except as provided otherwise under Section 3 of this article.

**Section 5. Funding for Training.** The dollar amount equivalent of a one (1.0%) percent increase based on general base wages effective July 1, 1983 shall be set aside for training purposes. This fixed amount of dollars shall be allocated each year thereafter unless changed through the collective bargaining process.

**Section 6. Union Access to Training Classes.** The Employer shall provide the Union with one (1) hour per training class to address same on matters concerning the Union. The parties shall endeavor to schedule the one (1) hour on a mutually agreed upon date and time; but absent any such agreement the one (1) hour shall take place at the start of the shift on the fourth (4th) Wednesday of each class. The Union shall also be allowed access up to one (1) hour prior to the start of the shift to prepare for the meeting.

## **ARTICLE 9 WORKING TEST PERIOD**

**Section 1. Working Test Period Defined.** The six (6) month Working Test Period shall be deemed an extension of the examination process. Therefore, a determination of unsatisfactory performance during the Working Test Period shall be tantamount to a failure of the competitive exam. A working test period may, with the approval of the Commissioner of Administrative Services or his/her designee, be extended on an individual basis subject to the terms of the Department of Administrative Services General Letter #31 Working Test Period Extensions.

**Section 2. Evaluations During Working Test Period.** Evaluations of performance during the Working Test Period shall not be subject to any appeals procedures, including grievance provisions of this Agreement.

**Section 3. Ten Week Training Program.** Notwithstanding the provision of Sections 1 and 2 of this article individuals hired as Correction Officer Trainees shall, in addition to the initial working test period referenced therein, be required to successfully complete a ten (10) week orientation training program, including four (4) weeks assigned to a facility. Trainees will not be assigned to a designated post or position without having a permanent officer also assigned to such post or position. Permanent status shall not accrue until successful completion of the ten (10) week program and the six (6) month initial working test period.

**Section 4. Worker's Compensation Absence During Working Test Period.** Bargaining unit employees who while in a working test period incur a worker's compensation injury which results in an absence from work shall not have this time credited towards meeting the requirements of a working test period. The Department will inform an employee in this situation of when his/her working test period will expire.

## **ARTICLE 10 SENIORITY**

**Section 1. Seniority for Length of Vacation and Longevity.** For the purpose of computing longevity and length of vacation leave, seniority shall be defined as indicated below service, with the inclusion of C.G.S. Section 5-255 and 256, including military service.

- A. **Total Service, Longevity.** The calculation of service for purposes of longevity benefits shall be based upon total State service, including paid leave and war service.
  
- B. **Continuous Service, Vacation Accrual.** The calculation of service for purposes of vacation accrual eligibility shall be based on length of continuous state service including paid leave, war service, up to six (6) months of unpaid leave and/or up to one (1) year of any period of continuous layoff provided the employee is reemployed within three (3) years.
  
- C. **No Effect on Pension.** The definition of seniority in this Article shall not affect pension rules.

**Section 2. Seniority for Vacation Scheduling and Transfer.** Seniority shall be defined as length of total service in each class from date of permanent appointment to such class, subject to the provisions of Section 3, "Seniority and Working Test Period," of this article, and shall apply as follows:

- A. **Vacation Scheduling.** In the event of conflicting schedules of vacation leave as determined by the operating needs of the facility or institution, class seniority shall be the determining factor. Ties shall be broken utilizing the employee's employee number. The employee first hired and assigned an employee number by the State of Connecticut has the higher seniority.
  
- B. **Involuntary Transfer.** Inverse class seniority shall be the basis for selecting employees for non-disciplinary, involuntary transfer from one institution or facility to another. An employee being involuntarily transferred to another facility, under this section, shall retain their shift upon request.
  
- C. **1) Transfer List.** As the correctional institutions, centers and units develop vacancies, the senior institution, center or unit employee in the same classification whose name appears on the transfer list for institutions, centers or units will be transferred, with the exception of transfers into the Central Office, Center for Training and Staff Development and the K-9 Unit. Employees assigned to the Central Office, Center for Training and Staff Development or K-9 Unit may transfer out of the unit in accordance with this Article. An employee on workers' compensation leave will be eligible to transfer under this provision. Employees who are

assigned to the canine corps operation will be required as a condition of such employment to agree not to transfer out of that assignment for a minimum of two years. An employee requesting transfer under this Section must put his/her name on the departmental transfer list in accordance with the departmental procedures in order to be considered. Such list will be updated quarterly.

**2) Outside Hire.** Outside hires will be offered vacant NP-4 positions only after the transfer lists have been exhausted.

**3) Eligibility; Six Months as Permanent Status.** An employee must have worked six (6) months as a permanent employee to be eligible to have his/her name placed on the transfer list.

**4) Eligibility; Rejection within Six Months.** Employees are not eligible for transfer under this Article if they have been granted, rejected or constructively rejected a prior transfer request within the previous six (6) month period.

**5) Removal of Name.** Employees may remove their names from the transfer list at any time prior to being notified of an opening at the facility of their choice. The employee must notify the employer within 24 hours upon receipt of an offer of transfer of his/her intention to accept or reject such offer. Failure to comply with this provision shall be considered a constructive rejection of the offer of transfer.

**6) New Facilities.** When new facilities are established and opened, up to fifty (50%) percent of all bargaining unit positions will be filled by seniority transfer when there are sufficient numbers of employees on the transfer list. No more than fifteen (15%) percent of the total positions in a single facility shall be transferred to a new facility upon opening. The opening of new facilities shall be announced within ninety (90) days of the projected opening in order that interested persons can place their names on the transfer list.

**Section 3. Seniority and Working Test Period.** Seniority shall not be computed until after completion of the working test period. Seniority shall be retroactive to the date of hire. This Section shall be interpreted to include time spent in training as a Correction Officer Trainee (Cadet) as retroactive seniority applicable as a Correction Officer after completion of the working test period.

**Section 4. Seniority and Trainee Class.** State service while working in a trainee class shall not accrue until permanent appointment after successful completion of the training, whereupon it shall be retroactively applied to include such service.

**Section 5. Broken Seniority.** Seniority shall be deemed broken by:

- a) termination of employment caused by resignation, dismissal for just cause, or retirement;
- b) failure to report for five (5) working days without authorization.

**Section 6. Seniority Lists.** Seniority lists shall be maintained on a six (6) month basis with copies to local Union presidents.

**Section 7. Break in Service.** Employees who resign and are reinstated in the same classification within one (1) year from date of resignation shall have credit for seniority up to the break in service restored. At the appointing authority's discretion, credit for seniority up to the break in service may be restored to an employee who otherwise returns to service within three (3) years of a service break.

**Section 8. Superseniority.** Union stewards and Union Executive Board members, while serving in these capacities, shall have top class seniority for purposes of layoffs.

**Section 9. Shift Assignment for Continuous Operations.** Class seniority will be applied as the determining factor in shift assignment for continuous operations when all other factors are equal. Management retains the right to determine when all other factors are equal. The Union may grieve a pattern of denials of shift assignment by seniority.

**Section 10. Shift Transfer Lists.** Each facility shall maintain a shift transfer list which will be updated on a quarterly basis. An employee on Worker's Compensation shall be eligible for shift transfer under this provision. Prior to staff transferring into the facility, the facility shall offer shift transfers to current staff on the transfer lists. Incoming facility staff shall be offered the remaining available shift assignments by seniority.

## **ARTICLE 11 ORDER OF LAYOFF AND REEMPLOYMENT**

**Section 1. Layoff by Seniority.** In the event of a reduction of the workforce, employees shall be laid off by seniority with the least senior employee being laid off first. Layoff shall be by class and sub-title. In any class affected by a layoff, non-permanent employees in the affected class who are excluded from the bargaining unit in Article I, Recognition, shall be laid off prior to any bargaining unit employee. When the Employer decides to reduce the work force in a facility, Section 2, "Bumping," of this article shall be invoked. When a layoff becomes necessary, the agency will identify the specific position to be eliminated and notify the incumbent in writing with as much notice as possible, but not less than four (4) weeks. A copy of the written notice shall be sent concurrently to the Union.

Employees who are noticed of layoff under this section may continue working their normal assignment, at the discretion of management, and as such they will receive all the benefits of the CBA during said notice period. If management determines that an Employee notified of layoff will not continue working their normal assignment, the affected Employee(s) will continue to receive weekend differentials and shift differentials, as applicable, for said notice period.

**Section 2. Bumping.** An employee in a class affected by layoff may, at his/her option, bump the least senior employee in his/her facility in a job in which he/she formerly held permanent status or the least senior employee in the same classification in the employee's agency, provided he/she has more seniority than the least senior employee affected.

- A. **Option to Bump Throughout Agency.** The least senior employee in the classification in the facility affected by the reduction in work force shall be laid off and given the option to replace the least senior employee in the same classification in the employee's agency.
- B. **Recall List.** An employee, failing to exercise this option, shall be laid off and his/her name placed on the recall list for vacancies as they occur for a period of three (3) years.
- C. **Waiver of Bumping Rights.** An employee affected by layoff shall fill an existing vacancy, if any. If an employee declines to fill a vacancy, he/she shall have waived any bumping rights. Should multiple vacancies exist, the employee shall have the option to select the facility in line with his/her seniority.

**Section 3. Pay Rate for Bumping Employee.** The bumping employee would be paid for services in the lower classification at the closest rate of pay in the lower salary range to the rate held by the employee at the time of reassignment, but not higher.

**Section 4. Reemployment.** Employees on layoff shall be recalled in the reverse order of the procedure as stated above for layoffs.

## **ARTICLE 12 GRIEVANCE PROCEDURE**

**Section 1. Definition of Grievance.** A grievance is defined as, and limited to, a written complaint involving an alleged violation or a dispute involving the application or interpretation of a specific provision of this Agreement.

- A. **Amendments.** Any grievance may be amended up to and including Step III of the grievance procedure.

**Section 2. Grievance Form.** Grievances shall be filed on mutually agreed forms which specify:

- a) the facts,
- b) the issue,
- c) the date of the violation alleged,
- d) the specific controlling contract provision,
- e) the remedy or relief sought.

**Section 3. Grievant.** A Union representative, with or without the aggrieved employee, may submit a grievance and the Union may, in appropriate cases, submit an “institutional” or “general” grievance in its own behalf. When individual employee(s) or, in case of a class grievance, a group of employees elect(s) to submit a grievance without Union representation, the Union’s representative or steward shall be notified of the pending grievance and shall be provided a copy thereof and shall have the right to be present at any discussion of the grievance, except that if the employee does not wish to have the steward and/or Executive Board member present, the steward and/or Executive Board member shall not attend the meeting, but shall be provided with a copy of the written response to the grievance. The steward and/or Executive Board member shall be entitled to receive upon request from the Employer all documents furnished to the grievant pertinent to the disposition of the grievance and to file statements of position. Any adjustment of a grievance filed by an employee(s) without representation shall not be inconsistent with the terms of this Agreement.

**Section 4. Informal Resolutions.** The grievance procedure outlined hereunder is designed to resolve grievances promptly at the lowest level. Informal discussions between the employee and the Union and agency managers are encouraged prior to using the grievance procedure detailed in Section 6 of this article.

**Section 5. Time Limits.** A grievance shall be deemed waived unless submitted at Step 1 (disciplinary grievance at Step 3) within fifteen (15) calendar days from the date of the cause of the grievance, or within fifteen (15) days from the date the grievant became aware of the cause of the grievance. As used in this Article “cause of a grievance” and “effect or impact of a grievance” are not similar. A grievance shall be deemed waived unless subsequently processed within the time limits provided in this Agreement.

## **Section 6. Grievance Procedure: Steps**

**Step I. First Supervisor.** A grievance may be submitted within the fifteen (15) day period specified in Section 5, “Time Limits,” to the employee’s first supervisor in the chain of command who is outside the bargaining unit. The institution head, warden, or designee shall meet with the steward or Union Executive Board member and/or the grievant and issue a written response within seven

(7) days after such meeting. The meeting shall take place and the written response issued not later than ten (10) days from the date of receipt.

**Step II. Commissioner or Designee.** When the answer at Step I does not resolve the grievance, it shall be submitted to the Commissioner of Corrections or his/her designee within five (5) days of the due date of the previous response. Within fourteen (14) days after receipt of the grievance, a meeting will be held with the employee and/or a union representative and a written response issued within five (5) days thereafter. The grievant may be represented by the persons already designated at Step I and the local union president or his/her designee, but in no event more than two (2) representatives.

**Step III. Undersecretary for Labor Relations or Designee.** An unresolved grievance may be appealed to the Undersecretary for Labor Relations within seven (7) days of the date that the Step II response is due. Said Undersecretary or his/her designated representative shall hold a conference within forty-five (45) days of receipt of the grievance and issue a response within fifteen (15) days of the conference. The local union president or his/her designee, staff representative and steward may be present at the Step III level.

Electronic/virtual Transmission of Grievance Appeals to Step III, Corresponding Grievance Answers, and Appeals to Arbitration. The parties agree to the following concerning grievance appeals and submissions to the Office of Labor Relations and to Arbitration:

The Union will transmit grievance forms, in PDF format, to the Office of Labor Relations to a dedicated email address specifically established for this purpose. Each grievance shall be a separate PDF file. The Office of Labor Relations shall acknowledge receipt of said grievances by responsive email. This is in lieu of the current practice of certified letter, postage pre-paid grievance submissions to the Office of Labor Relations.

The Office of Labor Relations shall send Step III conference notices and Step III answers to the Union, to a dedicated email address established for this purpose in PDF format. The Union agrees to acknowledge receipt of such transmissions by responsive email. This is in lieu of the current practice of facsimile transmission of conference scheduling notices and USPS transmission of Step III answers.

The Union shall submit grievances that fall under Article 12, Section 9, to arbitration to the same dedicated email address in PDF format. Said transmissions shall be directed to the OLR staff person assigned the responsibility of scheduling arbitrations. The Office of Labor Relations shall acknowledge receipt of said arbitration appeals by responsive email. This is in lieu of the current

practice as prescribed by contract of submission via certified mail, postage prepaid to the Undersecretary of Labor Relations.

Individuals who file a grievance on their own, by physical delivery of hard-copy grievance submission to the Office of Labor Relations, shall not be negatively impacted by this Agreement.

The dedicated email addresses shall be communicated to each party and by reference shall be considered incorporated herein. The date the recipient of any electronic transmissions receives the transmission shall determine whether said submission was timely as required by the Contract. Nothing in this agreement shall be construed as modifying the contractual requirements regarding grievance submissions at Step I and II.

**Section 7. “Day” Defined.** For the purpose of the time limits hereunder, “days” shall mean calendar days unless otherwise specified. The Union and the State, by mutual agreement, in any instance may extend time limits or waive any or all of the steps herein before cited.

**Section 8. Failure to Answer Grievance.** In the event that the State Employer fails to answer a grievance within the time specified, the grievance may be processed to the next higher level and the same time limits therefore shall apply as if the State Employer’s answer had been timely filed on the last day.

**Section 9. Arbitration.**

A. Within forty (40) days from receipt of a Step III response, or if no response, within forty (40) days of the due date, grievances regarding suspensions of eleven (11) days or more, terminations, demotion and/or lay-off, during the life of this Agreement, shall be submitted for arbitration as follows:

For Dismissal cases resulting from progressive discipline, the underlying lesser disciplines shall also be heard by the same arbitrator.

- 5) **Removal of Arbitrator.** Either party, upon written notice to the other, between March 1st and March 10th of each contract year may remove an arbitrator(s). By April 1st the parties will have a reconstituted mutually agreed upon panel of seven (7) arbitrators for the succeeding contract year.
- 6) **Arbitrability.** A party raising an issue of arbitrability shall do so by notifying the other party at least seven (7) working days in advance of the scheduled hearing. Such notice requirement shall be waived in instances of new evidence discovered during the arbitration hearing.
- 7) **Pending Cases.** The parties agree, immediately upon legislative approval of this Agreement, if not beforehand, to meet and discuss the backlog of pending arbitration cases with the goal of resolving, thereby reducing the numbers of the same.
- 8) **Expedited Cases.** Up to ten (10) cases per contract year by the Union and up to seven (7) cases per year by the State may receive expedited arbitrator assignment as exclusions to the “first filed, first assigned” rule expressed herein.
- 9) **Postponements.** In any individual arbitration case, each party will be allowed one postponement. Thereafter, postponements shall be by mutual consent of the parties.

**B.** Within forty (40) days from receipt of a Step III response, or if no response, within forty (40) days of the due date, grievances regarding all other complaints, including but not limited to, suspensions of ten (10) days or less, contract interpretation, etc., during the life of this Agreement, shall be submitted for arbitration to the State Board of Mediation and Arbitration (SBMA) according to the SBMA rules and regulations. Said submission(s) shall not require a filing fee.

**Section 10. Arbitration Rules.** Whichever forum a grievance is filed and/or processed in according to section 9A. or 9B. above, the following shall apply:

- 1) **Arbitrator’s Authority.** The arbitrator shall have no power to add to, subtract from, alter, or modify this Agreement, nor to grant to either party matters which were not obtained in the bargaining process, nor to impose any remedy or right of relief for any period of time prior to the effective date of the Agreement, nor to grant pay retroactively for more than thirty (30) calendar days prior to the date a grievance was submitted at Step I.
- 2) **Decision Final and Binding.** The arbitrator’s decision shall be final and binding on the parties in accordance with Connecticut General Statutes Sections 52-418, provided, however, neither the submission of questions of arbitrability to any arbitrator in the first instance nor any voluntary submission shall be deemed to diminish the scope of judicial review over arbitral awards, including awards on arbitrability.

- 3) **Grievance Subjects.** Notwithstanding any contrary provision of this Agreement, the following matters shall not be subject to the grievance or arbitration procedure:
- a) dismissal of employees during the working test period;
  - b) reduction in force decision, except for order of layoff;
  - c) classification and pay grade for newly created jobs, provided however, this clause shall neither enlarge nor diminish the Union's right to negotiate on pay grades;
  - d) compliance with health and safety standards and COSHA;
  - e) appeal of rejection from admission to an examination;
  - f) any grievance processed in accordance with the procedures in effect at the time the grievance arose;
  - g) disputes over claimed unlawful discrimination shall be subject to the grievance procedure but shall not be arbitrable if a complaint is filed with the Commission on Human Rights and Opportunities arising from the same common nucleus of operative fact.
- 4) **Job Classification Disputes.** Disputes over an employee's job classification (reclassification grievances) shall be subject to the grievance procedure but shall not be arbitrable. The third step of the reclassification grievance shall be the Commissioner of Administrative Services or designee and the final step shall be appealed to a three (3) person panel consisting of personnel officers from each of two (2) State agencies, each of which has more than one hundred (100) employees, and one (1) designee of the Union who is experienced in the area of job classification.
- 5) **Witnesses.** The State will continue its practice of paid leave time for necessary witnesses of either party.
- 6) **Hearings.** All Arbitrations and related conferences or meetings shall be closed to the public, unless the parties jointly agree to the contrary.

oral reprimand and a notation to that effect from the party administering the reprimand is made part of the employee's official personnel file. No written reprimand shall be deemed to have been issued unless the written communication is labeled a written reprimand and a copy of said reprimand is made part of the employee's official personnel file. Any action not complying with the above requirements shall not be deemed a reprimand and shall not be considered as disciplinary action. The record of an oral reprimand shall be removed from the employee's personnel file on the anniversary date of the issuance. The record of a written reprimand shall be removed from the employee's personnel file on the second anniversary date of the issuance. It is understood that the record of reprimand shall not be removed within the above time period if the employee has received subsequent related discipline within the above specified time period.

**Section 3. Discipline.** No employee who has completed the working test period shall be disciplined or discharged except for just cause. In determining just cause, the regulations of the Blue Book governing disciplinary action as defined above are hereby incorporated by reference.

**Section 4. Expedited Procedure.** Any grievance under Section 1, "Disciplinary Action," of this article will be submitted at Step III. By mutual agreement, a grievance under Section 1 of this article may be expedited directly to arbitration.

**Section 5. Exclusive Forum.** The grievance procedure shall be the exclusive forum for resolving disputes over disciplinary action and shall supersede all pre-existing forums. It is understood that the arbitrator's remedial powers include reinstatement with full back pay and restoration of all other rights.

**Section 6. Privacy.** If an employer has reason to criticize an employee, it shall be done in a manner that will not embarrass the employee before others.

**Section 7. Leave for Investigations.** An appointing authority may, pending an investigation of alleged action that constitutes grounds for dismissal (including disposition of a criminal charge against the employee), place the employee on an administrative leave of absence in accordance with Regulation 5-240-5a. The appointing authority may reassign the employee to an alternative assignment during the investigation, where practicable. The provisions of this Section shall not preclude an employee from electing to be placed on an unpaid leave of absence and drawing accrued time, except sick leave.

**Section 8. Union Representation.** An employee who is to be interrogated concerning an incident or action which may subject him/her to disciplinary action shall be allowed to have a Union steward or other representative at the interrogation. This provision shall be applicable to interrogation before, during, or after the filing of a charge against an employee or notification to

**Section 9. Investigation and Interrogation.** Whenever practicable, the investigation, interrogation or discipline of employees shall be scheduled in a manner intended to conform with the employee's work schedule, with an intent to avoid overtime. When any employee is called to appear at any time beyond his/her normal work time, and actually testifies, he/she shall be deemed to be actually working. This provision shall not apply to Union stewards or Executive Board members.

**Section 10. Grounds for Dismissal, Demotion, Suspension, Reprimand.** The grounds presently spelled out in Section 5-240 for dismissal, demotion, suspension and reprimand, including the consequences of unsatisfactory service rating(s), are hereby incorporated by reference. **Section 2. Continuous Operations.** Employees in continuous operations as defined below will have a regularly scheduled work week which provides for an average of thirty-six and one-quarter (36 1/4) hours per week over a sixteen (16) week cycle, which provides for seventy (70) days of eight (8) hours and fifteen (15) minutes, which includes roll call. It is understood that every other weekend off will remain in those schedules at CRCI, Osborne, Enfield, and Cheshire where they now have it.

These five (5) day posts will continue to be recognized, as will any such positions that may be subsequently identified by the appointing authority. The parties agree that the Department of Correction may establish up to a maximum of five hundred (500) total 5-day on, 2-day off (continuous operations 5 and 2 post) positions. Such positions will have regularly scheduled days off of Saturday and Sunday. The Department of Correction may schedule employees in these positions to work an occasional single weekend day.

**Section 3. Changes in Schedules.** Insofar as possible, changes in work schedules will be made with a minimum of two (2) weeks' notice to the employee affected by a work schedule change, except when changes are necessary due to emergency situations, in accordance with present practice.

**Section 4. Non-Continuous Operations.** Employees in operations which are not continuous operations as listed in this Article shall work five (5) seven (7) hour and fifteen (15) minute days with two (2) consecutive days off in each seven (7) day period. Employees who are assigned to work in an institution are required to be available to supervise inmates, if necessary, during their meal periods. Such time shall be counted as work time.

**Section 6. Canine Unit.** Correction Officers assigned to the Canine Corps Operation, shall have their schedule modified from time to time due to training.

**Section 7. SWAPS**

Staff shall submit the swap request form to the designated facility supervisor(s) at least forty-eight (48) hours prior to the first shift of the proposed swap. The Department reserves the right to revise the Swap Request form.

**Section 1. Rate of Pay.** An employee who performs work authorized by the Employer in addition to his/her regular work week, as defined in the work schedule article, shall be compensated at straight time for all such overtime hours up to forty (40), and at time and one-half for all overtime hours over forty (40) in that work week. The provisions of this Section shall not apply with respect to any employee employed in a position or class which has been designated unscheduled. Such employees shall continue to receive compensatory time off for hours worked in excess of their normal work week.

**Section 2. Voluntary Overtime Distribution.** All employees wanting to work voluntary overtime will sign a quarterly overtime list. Overtime will be distributed in accordance with either section A. or B. below. Each facility will be allowed to vote, upon request, once each contract period on which method to use. The vote will take place within sixty (60) days of legislative approval of this Agreement. If no vote is held, the method in use at the beginning of the contract period will continue at that facility.

**A. "Equalization" System.** All overtime work, including overtime holdovers caused by short notice of absence, shall be distributed equally, to the extent practicable, to employees within the same job class at each institution, regardless of shift who have volunteered for

such overtime. Equalization shall be accomplished annually, subject to quarterly review of the overtime list by both parties. Employees who refuse overtime, shall only be “charged” the number of hours offered in said overtime.

For the purpose of equalization, overtime work refusal shall be treated as overtime worked. Three (3) separate instances of an unanswered phone on three (3) separate days shall count as one (1) refusal, and six (6) refusals within a quarter shall remove an employee from the overtime list for the balance of the quarter. At the beginning of each quarter, employees seeking overtime shall sign-up for the overtime list and those employees who do not sign for the quarter but subsequently sign for future quarters or employees removed for six (6) refusals shall be credited with the highest overtime hours earned by employees in the previous quarter. The overtime list will be available for inspection.

- B. **“Sign-up Book” System.** Each Facility under this system shall maintain a sign-up book system by which NP-4 members on the quarterly overtime list can indicate their availability to work overtime on specific days and shifts. The sign-up book will contain pages representing each day of each month, separated into three sections representing each shift worked by employees in continuous operations. The book will be established 14 days prior to the beginning of each month, with each page representing 24 hours. For employees in classes that are not continuous operations, pages will represent shifts available for those classes. Employees who refuse overtime, shall only be “charged” the number of hours offered in said overtime.
- 1) **Book Location.** The sign-up book will be located in an area designated by the parties at each facility and will be available for all employees in the same class to sign on a daily basis, regardless of shift.
  - 2) **Quarterly List.** Only employees who have signed the quarterly overtime list will be allowed to place their names in the sign-up book during that quarter.
  - 3) **Supervisor to Use Book.** When a Supervisor needs to fill a vacancy with overtime, he/she will refer to the sign-up book and the outlined overtime process listed below;
    - a. The supervisor shall utilize the sign-up book to fill facility shortages by calling the staff member with the least number of overtime hours for that quarter who has signed the book for that day and shift. When additional staff are needed to fill overtime vacancies, it will be done in order from least to most overtime hours among the employees who have signed the list for that day and shift. When the daily sign-up list has been

exhausted and additional staff are needed, then the quarterly overtime list will be utilized according to paragraph b. below.

- b. The supervisor shall utilize the facility “quarterly overtime list” to fill facility shortages by calling all staff members on the quarterly list in order from least to most overtime hours.

When the quarterly overtime list and facility volunteers request have been exhausted, and additional staff are needed, paragraph c. below shall apply.

- c. The supervisor shall mandate available staff to fill facility shortages per provisions contained herein. Double-mandating shall only be done according to Facility Specific Emergency Staffing Protocol (FSESP.)

Should additional staff be needed after all available staff are mandated, then the supervisor shall notify the Duty Officer who will authorize the Facility Specific Emergency Staffing Protocol (FSESP.)

- 4) **No Contact.** Employees who have signed the book or are on the quarterly overtime list will be given a no contact when the employees cannot be contacted for a particular shift signed for. If the employee refuses overtime when offered for a shift signed for, or if an employee on the quarterly overtime list is contacted via said quarterly overtime list and refuses the overtime offered, it will be considered a refusal. Three (3) instances of no contact shall equal a refusal and six (6) refusals in a quarter shall result in the employee’s removal from the quarterly overtime list.

Employees who work an overtime shift and are asked or contacted to work an additional overtime shift(s) with-in the same calendar day, shall not receive a no contact or refusal, when they choose not to work said overtime shift or are not contacted.

- C. **Zero Hours at Each Quarter.** At the beginning of each quarter, all employees who opt to sign up for the quarterly overtime list will begin the quarter with zero (0) hours and said list shall be generated in the order of seniority. A total number of hours per employee will be kept for the fiscal year by the employer and will be available for review by the Union each quarter. When all hours are equal, seniority shall be the determining factor in hiring.

- D. **Transferred/Returning Employees.** Employees transferring into a facility during a quarter will be permitted, upon request, to have their names added to the quarterly overtime list and will be credited with the highest number of hours attained by any employee on the list. Probationary employees will be placed on the list, if requested, upon completion of probation under the same conditions as a transfer.

Employees returning from a temporary service higher class assignment during a quarter, upon reassignment to their former position, shall be considered as a transferred employee for overtime purposes.

Employees returning from workers' compensation in a new quarter shall be placed on the overtime list at his/her request at zero (0) hours.

Employees returning from Administrative Leave and/or FMLA in a new quarter shall be placed on the overtime list at his/her request at zero (0) hours.

E. **Equalization.** It is understood by all parties that utilizing the sign-up book system cannot ensure equalization among all employees at the end of each fiscal year due to employees being able to choose the days they want to work overtime. However, it is also understood that the employer will make every effort to equalize overtime among those employees signing the book by offering the employees with the least number of hours who have signed up for a shift the overtime first.

F. **Removal of Name.** An employee may remove his/her name from a daily sign-up sheet by giving at least twenty-four (24) hours notice to a supervisor who must initial such removal.

**Section 3. Call Time.** Employees called back to duty after completion of a regular shift shall receive a minimum of four (4) hours pay at the applicable overtime rate. This provision shall not apply to employees who are called in early prior to their regular starting time and work through their regular shift. Employees who refuse overtime work prior to their regular starting time shall not be charged with a refusal for the purpose outlined in Section 2 of this article.

**Section 4. Payment of Overtime.** When practical, overtime checks shall be paid not later than the second payroll period following the overtime worked.

**Section 5. Pyramiding.** Overtime pay shall not be pyramided.

**Section 6. Limitation on Length of Consecutive Shift Assignments.** No employee shall be required to work more than two (2) consecutive shifts and no employee will be ordered to work two (2) consecutive days of two (2) consecutive shifts, except in an emergency situation.

**Section 7. Work Beyond End of Shift.** Any employee who is not released at the end of his/her assigned shift shall be paid at the applicable rate in units of quarter hours for any part worked thereof.

**Section 8. Designated Work.** As used in this Article, the phrase designated work unit may include but shall not be limited to complex, district, facility or operation within a facility.

**Section 9. Overtime Holdover.** An employee is held over if he/she is drafted and assumes a post on the shift subsequent to his/her own shift. Late roll calls and late counts shall not be considered a holdover. When a designated work unit requires overtime holdover (i.e., draft) it shall be accomplished by inverse class seniority utilizing staff on duty from the previous shift including those staff currently on a single overtime shift on their day off. Such holdover shall also be in compliance with other provisions herein.

**Section 10. Overtime for Normal Operations.** No overtime shall be allowed at any designated work unit other than by employees assigned to the designated work unit for the purpose of normal operations, except in emergency situations.

**Section 11. Overtime Restriction.** When an employee is off of work due to a full day of sick, FMLA-self, or worker's compensation usage, the employee shall not be available for or offered overtime work during the twenty-four (24) hour period beginning with the start of the shift for which the employee was absent.

**Section 5. Appeal Procedure.** In the event the Commissioner of Administrative Services or designee disapproves the requested assignment on the basis of his/her judgment that the assignment does not constitute temporary service in a higher class, the employee shall continue working as assigned with recourse under the appeal procedure for reclassification as provided in Article 12. The form certifying the assignment will specify the rights and obligations of the parties under Sections 4 and 5.

**Maintenance and Food Service Overtime Process**

**NP-4 Maintenance Overtime Hiring Procedures**

The following procedures shall be utilized at all Department of Correction locations to insure consistency regarding the overtime process for maintenance staff.

1. All employees who wish to work voluntary overtime will sign a quarterly overtime list. All employees must print their first and last name legibly when signing. Only one (1) phone number shall be provided by the staff member when signing the quarterly list. Only employees who have signed the quarterly list may place their names in the sign-up book. When signing the sign-up book for a specific date, an employee who wishes to utilize a different phone number for that date must write down the phone number on the sign-up sheet and initial it. If this occurs, that alternate number will be called by the supervisor. A supervisor shall only be required to call one phone number.
2. Three instances of an unanswered phone on three (3) separate days shall count as one refusal. The supervisor shall attempt to speak directly to the staff member. If the staff member is not available, a message shall be left with the person answering the phone or on an answering machine, indicating that overtime is being offered and that in order to be given the overtime, the staff member must call the supervisor back prior to the supervisor completing the hiring of overtime. If the staff member calls back after the hiring of overtime is completed, the staff member will be charged with a no-contact. Three (3) no contacts equals one (1) refusal.
3. If an employee cannot be contacted for a particular shift they signed for, they shall be given a no contact. If the employee refuses overtime when offered for a shift signed for, it will be considered a refusal. A refusal of overtime shall be recorded as an eight (hour) shift.
4. Six (6) refusals within a quarter shall remove an employee from the overtime list for the balance of that quarter.
5. All staff will begin the quarter with zero (0) hours. A total number of hours per employee will be kept for the fiscal year by the employer and will be available for review by the Union each quarter.
6. Employees who transfer during a quarter shall be permitted, upon request, to have their names added to the quarterly overtime list and shall be credited with the highest number

of hours attained by an employee on the list (by classification). Probationary employees shall be placed on the list, if requested, upon completion of probation under the same conditions as a transfer.

7. The overtime list shall be available for inspection.

8. Due to the unique nature of the work within the Department of Correction maintenance areas, overtime distribution will include utilization of a "Green Book." This book will contain information about the type of tradesperson necessary to fulfill certain tasks. The Green Book will be used by supervisors to determine which classification (i.e. plumber, electrician, non-specific) will be offered the overtime assignment. Once the classification is established, overtime shall be offered to the staff member with the least to the most number of overtime hours among the designated group of employees.

9. When the daily sign-up sheet has been exhausted (*by individual classification in accordance with the Green Book*), the quarterly overtime list shall be utilized per type of emergency and via classification in accordance with the Green Book, beginning with the employee with the least amount of hours. Once the quarterly list has been exhausted, volunteers shall be sought prior to involuntary overtime.

10. For maintenance staff, names may be added to the sign up book during the first hour of ~~the~~ their regularly scheduled.

11. When an employee is off work for a full day due to sick, FMLA (employee only) or worker's compensation, the employee shall not be available for or offered work during the twenty-four (24) hour period beginning with the start of the shift for which the employee is absent. If a staff member has been approved a day off for vacation, PL, IL, SF, or funeral he/she may sign up to work overtime on any shift other than their own. If they have signed the overtime sheet for that day and the supervisor is unable to contact the staff member or the staff member refuses overtime, they will be charged a no contact or refusal (red eight), whichever is applicable.

12. If overtime is needed due to a short notice of absence or an incident taking place which affects a supervisor's ability to place calls (one hour or less before the start of a shift), overtime may offered without the use of the sign-up book or quarterly list in accordance with Article 15C of the NP-4 contract. This event shall be documented by the supervisor.

13. If an overtime assignment extends beyond the employee's work day and additional work is authorized, the employee may either stay and complete the work or be relieved. If the

employee chooses to be relieved, and the work is still necessary as assessed by managerial staff, another employee shall be contacted for overtime in accordance with contractual language and these procedures.

14. If a maintenance employee refuses a shift of overtime and he/she is subsequently mandated for the same shift, no refusal shall be recorded for that shift.

15. If a maintenance employee volunteers for a shift of overtime, he/she should not be given a refusal for turning down another assignment within the same twenty-four hour period.

16. It is understood by all parties that utilizing the sign-up book/green book system cannot ensure equalization among all employees at the end of the fiscal year, however, it is also understood that the employer will make every effort to equalize overtime among those employees signing the book.

##### **NP-4 Correctional Food Service Overtime Hiring Procedures**

The following procedures shall be utilized at all Department of Correction locations to insure consistency regarding the overtime process for Food Service staff.

1. All employees who wish to work voluntary overtime shall sign a quarterly overtime list per the Collective Bargaining Agreement (CBA.) All employees must print their first and last name legibly when signing. Only one (1) phone number shall be provided by the staff member when signing the quarterly list. Only employees who have signed the quarterly list may place their names in the sign-up book as outlined in the CBA.
2. Three instances of an unanswered phone on three (3) separate days shall count as one refusal. The supervisor shall attempt to speak directly to the staff member. If the staff member is not available, a message shall be left with the person answering the phone or on an answering machine, indicating that overtime is being offered and that in order to be given the overtime, the staff member must call the supervisor back prior to the supervisor completing the hiring of overtime. If the staff member calls back after the hiring of overtime is completed, the staff member will be charged with a no-contact. Three (3) no contacts equals one (1) refusal.

During Ramadan, the employee is charged for the hours of overtime, but does not receive refusals.

3. If an employee cannot be contacted for a particular shift they signed for, they shall be given a no contact. If the employee refuses overtime when offered for a shift signed for, it will be considered a refusal. A refusal of overtime shall be recorded as an eight (hour) shift. During Ramadan staff will not get charged refusals, but shall be recorded as number of hours worked.
4. All staff will begin the quarter with zero (0) hours. A total number of hours per employee will be kept for the fiscal year by the employer and will be available for review by the Union each quarter.
5. Employees who transfer during a quarter shall be permitted, upon request, to have their names added to the quarterly overtime list and shall be credited with the highest number of hours attained by an employee on the list (by classification)

Employees who are administratively transferred during a quarter shall be permitted, upon request, to have their names added to the quarterly overtime list and shall be on the list (by classification) at the hours previously attained by the employee at their assigned facility.

Probationary employees shall be placed on the list, if requested, upon completion of probation under the same conditions as a transfer.

Staff returning from Workers Compensation, FMLA or Administrative Leave shall be placed on the quarterly list, per their request, at the hours they maintained prior to said Workers Compensation, FMLA or Administrative Leave start at Zero (0) hours or have had previous time within that quarter. Staff who are administratively transferred will carry their hours with them.

6. Overtime may be booked up to three (3) days in advance to account for the supervisor's 5&2 schedule. If advance booking is done, the supervisor must notify a Union representative.
  - a. When CFSS3 is prescheduling overtime they must first contact everybody who signed up on the quarterly overtime and give them the option to sign up for the days that you are covering. For Food Service staff, names may be added to the sign up book during the first hour of his/her shift except on weekends and holidays.

- b. The CFSS3 will leave a message that they are covering the overtime for the days that you are covering them.
  - c. When the CFSS3 schedules the o.t they will need to add the hours before offering the next shift (example: the CFSS3 needs to cover the weekend on Friday. They contact all staff that's on the quarterly overtime who has not signed the book, where the CFSS3 will let the staff know that they are covering overtime for Saturday, Sunday and Monday and if the NP-4 employees want to put their name in the book. Then the CFSS3 starts the overtime process.
  - d. The CFSS3 will start with the staff member with the least amount of hours that is signed up in the book. If that staff member accepts they will have the hours added before filling the next shift of overtime (this also applies to refusals and No Contacts.) In the LT office you need to have each day labeled and updated in case there is a last minute call out. This procedure can also be utilized when there is a holiday during the week.
  - e. The overtime list shall be available for inspection.
7. Per the CBA, when the daily sign-up sheet has been exhausted the quarterly overtime list shall be utilized, beginning with the employee with the least amount of hours. Once the quarterly list has been exhausted, volunteers shall be sought prior to involuntary overtime. If a Food Service employee refuses a shift of overtime and he/she is subsequently mandated for the same shift, no refusal shall be recorded for that shift.
8. When an employee is off work for a full day due to sick, FMLA (employee only) or worker's compensation, the employee shall not be available for or offered work during the twenty- four (24) hour period beginning with the start of the shift for which the employee is absent.
- If a staff member has been approved a day off for vacation, PL, IL, SF, or funeral he/she may sign up to work overtime on any shift other than their own. If they have signed the overtime sheet for that day and the supervisor is unable to contact the staff member or the staff member refuses overtime, they will be charged a no contact or refusal (red eight), whichever is applicable.
9. If a Correctional Food Service employee volunteers for a shift of overtime, he/she should not be given a refusal for turning down another assignment within the same twenty-four hour period.
10. It is understood by all parties that utilizing the sign-up book cannot ensure equalization among all employees at the end of the fiscal year, however, it is also

understood that the employer will make every effort to equalize overtime among those employees signing the book.

11. It is also understood that under no circumstances shall a non-Food Service employee perform CFS classification work.
