chambers

Tobacco/Electronic Nicotine Delivery Systems (ENDs) Enforcement Alignment

HB 7287 & HB 7181

Extends requirement for prospective buyers of cigarette and tobacco products to show ID to include electronic nicotine delivery systems (ENDS)

Increases maximum fines for underage sales to \$1,000

Authorizes DCP to revoke e-cigarette dealer's registration for violating age verification laws

Aligns restrictions and penalties for in-state shipping and transporting of ENDS with those for cigarettes, including deeming a violation of these sections an unfair trade practice

Other Highlighted Provisions in HB 7181

**Smoke/Vape Shop
Accountability**

**Public Engagement on
Cigarette Dealer Locations**

**Increased Municipal
Oversight**
