Request for Proposals

**Connecticut Energy Advisory Board – Technical Consultant –
Integrated Resource Planning**

Q-1: What is the name of the current vendor that has the contract as the CEAB technical consultant?

R-1: LaCapra Associates, Inc. – Boston, Massachusetts

Q-2: How long has this current contract been in effect?

R-2: Current contract entered into on 1/1/2008.

Q-3: What was the dollar value for this current contract?

R-3: \$540,000

Q-4: If a previous contractor exists, is there any reason for you to believe that this contractor would not be bidding on this RFP?

R-4: The Board cannot speak as to any future intentions of any current contractor. Generally speaking, state entities are required to put out to bid their needs on a regular basis.

Q-5: What is the budget for this project?

R-5: The CEAB has not established an official budget for this work. However, CEAB resources are not unlimited and due consideration will be given to cost in evaluating the proposals.

Q-6: The timing of Steps 6, 7, and 8 pertain to the review of the 2011 IRP Plan. Our understanding is that the 2011 IRP Plan is to be sent to the CEAB on 1/1/2012. Is this correct?

R-6: No. The 2011 Plan is submitted to the CEAB on 1/1/2011. The scope of work for this contract is the 2010 and 2011 plans.

Q-7: Although the Contractor Qualifications do not state it, past procurements have shown preference to consultants with specific Connecticut experience. Is this still the case, or will a consultant without specific Connecticut experience, who meets

the state criteria, be viewed equally to all other bidders, all other factors being considered equal.

R-7: Specific Connecticut experience is not a prerequisite for potential bidders. Evaluation of proposals will be made based in part on demonstrated knowledge and competency of the items indicated in the Contractor Qualifications section of the RFP. All other factors being equally, demonstrated Connecticut experience or expertise may be a relevant factor.

Q-8: Please clarify the naming convention and the order of the Attachments. It appears that there are two Attachment A's.

R-8: The RFP itself contains two attachments:

Attachment A: Notice to Executive Branch Contractors and Prospective State Contractors of Campaign Contribution and Solicitation Ban

Attachment B: Proposed Cost Schedule

As part of the standard RFP documentation, a copy of the standard contract language has also been attached to the RFP. This Standard Contract consists of a 1-page form (Form 802A) and several attachments (Attachment A – the contract language, Attachment B – Guide to Code of Ethics, and Attachment C – Notice re Campaign Contribution and Solicitation Ban). Note that these attachments are to the Contract not to the RFP and in the case of Attachment C it is identical to the RFP Attachment A.

Q-9: Please clarify that the State is contemplating awarding a “not to exceed” contract for the services outlined in the RFP. We note that page 7 of the Scope of Services Item F indicates all proposed costs must be fixed through the period of the agreement, while the sample contract indicates a “not to exceed” award. Should we presume the State requires fixed labor rates for the duration of the contract?

R-9: All contracts with the State are a “not to exceed” award. As indicated on Attachment B: Proposed Cost Schedule, proposers must submit fixed hourly labor rates by job title along with estimated number of hours that job title will be required to perform the tasks outlined in the proposal. These hourly rates are expected to be fixed for the duration of the initial contract award. Exceeding pre-authorized numbers of hours will require prior written consent from the CEAB and, if necessary, a contract amendment.

Q-10: Please clarify the type of invoicing that will be allowed under the contract. The sample contract provides for several formats, including invoices by deliverable, invoices for services billed by hourly rates and invoices for expenses.

R-10: The sample contract language is provided so that proposers may become familiar with the standard contract form and language of State contracts. Specific language with regard to invoicing will be part of the negotiation with the selected vendor. This RFP clearly expects that invoicing will be done on a “billable hours” basis as this is how proposers are requested to submit the cost of their proposals.

Q-11: Attachment B – Proposed Cost Schedule indicates that rates should be inclusive of all personnel, fringe, travel and other related costs. Does this include other direct costs such as photocopying, courier costs, etc.? The sample contract suggests that the State will accept invoices for travel and expense items.

R-11: See also R-10 response. Costs shown on the Attachment B – Proposed Cost Schedule should include all costs the proposer anticipates incurring as a result of performing the tasks outlined. It is not anticipated that any additional costs or invoicing other than the “billable hours” will be allowed.

Q-12: Page 6 of the Scope of Services requires the Contractor to complete OPM Vendor/Bidder Profile Sheet (OPM-A-15, June 2008), however page 10 references and the RFP incorporates a different version of the form (OPM-A-15, March 2007). Please confirm which version is acceptable.

R-12: Please use the version dated June 2008.

Q-13: Please clarify if Contractors may request revisions to the Contract Terms and Conditions.

R-13: Pursuant to the RFP conditions, Section O, each proposer must accept the State’s standard contract language. In general, contract negotiations are limited to Sections 1 through 5 of the standard contract language. If a contractor feels compelled to request changes to the other terms and conditions set forth in Section 6 of the standard contract language, this will be used in the evaluation process. Furthermore, any such request will have to be reviewed by OPM’s counsel and the Office of the Attorney General on a case-by-case basis and the State specifically reserves the right to reject all such requests.

REQUEST FOR PROPOSALS (RFP)
BY
THE STATE OF CONNECTICUT
OFFICE OF POLICY AND MANAGEMENT
Connecticut Energy Advisory Board - Technical Consultant - Integrated
Resource Planning

BACKGROUND

The State of Connecticut, Office of Policy and Management (hereinafter "State") is seeking a proposer to provide technical support to the Connecticut Energy Advisory Board (hereinafter "CEAB" or "Board") with regard to its statutory responsibilities relating to the annual electric resources procurement plan process.

Section 16a-3a of the Connecticut General Statutes requires that the electric distribution companies operating in Connecticut submit on an annual basis a plan for the procurement of additional electric generation resources. This procurement plan, commonly referred to as an Integrated Resource Plan, or IRP, must consider a number of factors as spelled out in State statutes. The Board has the responsibility to review and approve, or review, modify and approve the annual IRP before the plan is submitted to the State Department of Public Utility Control (DPUC) for its ultimate approval.

The IRP is to be submitted to the Board on January 1st of each year. The Board is required to conduct a public hearing on the IRP as part of its review process. It is anticipated that the Board will be a significant participant in the DPUC proceedings once the IRP has been submitted to it for consideration. Please note that all references to years, unless specifically stated otherwise, refer to the calendar year and not the State's fiscal year designation.

These services are authorized in accordance with Connecticut General Statutes Section 16a-3.

SCOPE OF SERVICES

The CEAB is seeking a technical consultant to assist in the performance of its statutory responsibilities to review, potentially modify, and ultimately approve the annual IRP for 2010 and 2011. The selected contractor shall be expected to perform the following specific tasks:

Step 2: 2010 Plan Review

- Contractor shall, at the direction of the Board, undertake a comprehensive review and analysis of the 2010 IRP as submitted to the CEAB. This review shall, at a minimum, consist of the following:
 - o A determination of whether the 2010 IRP complies with relevant state statutes, including but not limited to Connecticut General Statutes Sections 16a-3a and 16a-35k,
 - o Evaluation of the adequacy of the plan relative to:
 - The approaches used to maximize the impact of demand-side measures,
 - The extent to which generation needs can be met by renewable and combined heat and power facilities,
 - The optimization of the use of generation sites and the existing generation portfolio,
 - The range of fuel types, diversity, availability, firmness of supply, security impacts, and environmental impacts of the proposed resources,
 - The reliability, peak load considerations, and system contingencies of existing and new resources,
 - The reliance on imports, including any import limitations or security concerns,
 - The impact of the plan on costs for electric consumers, and
 - The potential impact of new and emerging technologies, including but not limited to, nuclear, tidal, plug-in hybrid vehicles, and automated metering/smart grid infrastructure.
 - o Technical review of the planning assumptions, including but not necessarily limited to:
 - The assumptions regarding generation resources, including renewable generation resources,
 - The assumptions regarding distributed generation resources,
 - The demand forecasting methodology,
 - The assumptions regarding future efficiency programs,
 - The assumptions regarding demand reduction programs,
 - The market price modeling methodology,

 - The resource strategies considered,
 - The assumptions used regarding market operations,
 - The risks considered explicitly and implicitly, and
 - The treatment of non-economic factors.
- Contractor shall provide a written briefing report to the Board based on the results of this assessment. Such report shall be in a written format compatible with the State's

Step 3: 2010 Public Hearing

- Contractor shall assist the Board in making all necessary arrangements for a public hearing on the 2010 IRP.
- Contractor shall prepare written educational and explanatory materials, as deemed necessary by the Board, for distribution to the public, including but not limited to a presentation summarizing the plan.
- Contractor shall review all written and oral comments received as part of the public hearing process.
- Contractor shall prepare a written summary report of the public hearing process and the comments received. Such report shall be in a format consistent with the State's Microsoft platform. This report shall be due to the Board no later than thirty (30) days after the public hearing.

Step 4: 2010 Plan Review by DPUC

- Contractor shall assist the Board in its participation in the DPUC proceeding relating to its review of the 2010 IRP.
- Contractor shall provide information to the DPUC as requested on behalf of the Board.

- Contractor shall review all written and oral comments presented during the DPUC review process.
- Contractor shall prepare the written and oral comments of the Board for submittal to the DPUC.
- Contractor shall provide written monthly status reports, in an electronic format, on its activities. Such reports shall be in a format compatible with the State's Microsoft platform.

RFP CONDITIONS

All proposers must be willing to adhere to the following conditions and must positively state this in the proposal by completing the **OPM Vendor/Bidder Profile Sheet (OPM-A-15, June 2008)**.

- A. The State is an Equal Opportunity and Affirmative Action employer and does not discriminate in its hiring, employment, or business practices. The State is committed to complying with the Americans with Disabilities Act of 1990 (ADA) and does not discriminate on the basis of disability, in admission to, access to, or operation of its programs, services, or activities.
- B. All proposals in response to this RFP are to be the sole property of the State. Proposers are encouraged **NOT** to include in their proposals any information that is proprietary. All materials associated with this procurement process are subject to the terms of State laws defining freedom of information and privacy and all rules, regulations and interpretations resulting from those laws. The Connecticut Freedom of Information Act (FOIA) generally requires the disclosure of documents in the possession of the State upon request of any citizen, unless the content of the document falls within certain categories of exemption. An example of an exemption is a "trade

secret,” as defined by Connecticut General Statutes Section 1-210(b)(5)(A). Confidential information must be separated and isolated from other material in the proposal and labeled **CONFIDENTIAL** and enclosed in a separate envelope.

If the proposer indicates that certain documentation, as required by this RFP, is submitted in confidence, by specifically and clearly marking said documentation as **CONFIDENTIAL**, OPM will endeavor to keep said information confidential to the extent permitted by law. OPM, however, has no obligation to initiate, prosecute or defend any legal proceeding or to seek a protective order or other similar relief to prevent disclosure of any information pursuant to a FOIA request. As set forth below, the proposer has the burden of establishing the availability of any FOIA exemption in any proceeding where it is an issue. In no event shall OPM or any of its staff have any liability for disclosure of documents or information in the possession of OPM which OPM or such staff believes to be required pursuant to the FOIA or other requirements of law.

IMPORTANT NOTE: If the information is not readily available to the public from other sources and the proposer submitting the information requests confidentiality, then the information generally is considered to be “given in confidence.” A convincing explanation and rationale sufficient to justify each exemption from release consistent with Section 1-210(b) of the Connecticut General Statutes shall be prepared by the proposer and shall accompany the proposal. The rationales and explanation shall be simply stated in terms of the prospective harm to the competitive position of the proposer that would result if the identified information were to be released, and you shall state the reasons why you believe the materials are legally exempt from release pursuant to Section 1-210(b) of the Connecticut General Statutes.

- C. Any product, whether acceptable or unacceptable, developed under a contract awarded as a result of the RFP is to be the sole property of the State.
- D. Timing and sequence of events resulting from this RFP will ultimately be determined by the State.
- E. The proposer's proposal shall remain valid for a period of 180 days after the closing date for the submission and may be extended beyond that time by mutual agreement.
- F. All proposed costs must be fixed through the period of the agreement. No cost submissions that are contingent on a State action will be accepted.
- G. The State may amend or cancel this RFP, prior to the due date and time, if the State deems it to be necessary, appropriate or otherwise in the best interests of the State. Failure to acknowledge receipt of amendments, in accordance with the instructions contained in the amendments, may result in a firm's proposal not being considered.
- H. The personnel identified in the proposer's response to this RFP will be the persons actually assigned to the project. Any additions, deletions or changes in personnel from the proposal during the course of the project must be approved by the State, with the exception of personnel who have terminated employment. Replacements for personnel

who have terminated employment are subject to approval by the State. At its discretion, the State may require the removal and replacement of any of the proposer's personnel who do not perform adequately, regardless of whether they were previously approved by the State.

- I. Any costs and expenses incurred by proposers in preparing or submitting proposals are the sole responsibility of the proposer.
- J. A proposer must be prepared to present evidence of experience, ability, service facilities, and financial standing necessary to satisfactorily meet the requirements set forth or implied in the proposal.
- K. No additions or changes to the original proposal will be allowed after submission. While changes are not permitted, clarification of proposals may be required by the State at the proposer's sole cost and expense.
- L. Proposers may be asked to give demonstrations, interviews, presentations or further explanation to the RFP Selection Committee.
- M. The proposer represents and warrants that the proposal is not made in connection with any other proposer and is in all respects fair and without collusion or fraud. The proposer further represents and warrants that they did not participate in any part of the RFP development process, had no knowledge of the specific contents of the RFP prior to its issuance, and that no agent, representative or employee of the State participated directly in the proposer's proposal preparation.
- N. All responses to the RFP must conform to instruction. Failure to include any required signatures, provide the required number of copies, meet deadlines, answer all questions, follow the required format, or failure to comply with any other requirements of this RFP may be considered appropriate cause for rejection of the response.
- O. The proposer accepts the State's **Standard Contract Language**.
- P. This RFP is not an offer and neither this RFP nor any subsequent discussions shall give rise to any commitment on the part of the State or confer any rights on any proposer unless and until a contract is fully executed by the necessary parties. The contract document will represent the entire agreement between the proposer and the State and will supersede all prior negotiations, representations or agreements, alleged or made, between the parties. The State shall assume no liability for payment of services under the terms of the contract until the successful proposer is notified that the contract has been accepted and approved by the State and by the Attorney General's Office. The contract may be amended only by means of a written instrument signed by the State, the proposer, and the Attorney General's Office.
- Q. Pursuant to Connecticut General Statutes § 4a-81, bids or proposals for state contracts with a value of \$50,000 or more in a calendar or fiscal year, excluding leases and licensing agreements of any value, shall include a **Consulting Agreement Affidavit** attesting to whether any consulting agreement has been entered into in connection with

the bid or proposal. Such affidavit shall be required if any duties of the consultant included communications concerning business of such State agency, whether or not direct contact with a State agency, State or public official or State employee was expected or made. As used herein "consulting agreement" means any written or oral agreement to retain the services, for a fee, of a consultant for the purposes of (A) providing counsel to a contractor, vendor, consultant or other entity seeking to conduct, or conducting, business with the State, (B) contacting, whether in writing or orally, any executive, judicial, or administrative office of the State, including any department, institution, bureau, board, commission, authority, official or employee for the purpose of solicitation, dispute resolution, introduction, requests for information or (C) any other similar activity related to such contract. Consulting agreement does not include any agreements entered into with a consultant who is registered under the provisions of Chapter 10 of the general statutes as of the date such affidavit is submitted in accordance with the provisions of Connecticut General Statutes § 4a-81.

- R. Pursuant to Connecticut General Statutes § 1-101qq, bids or proposals for a large state construction or procurement contract shall include an **Affirmation of Receipt of Summary of State Ethics Laws** affirming that the key employees of such proposer have received, reviewed and understand the Summary and agree to comply with the provisions of the State ethics laws. "Large state construction or procurement contract" means any contract, having a cost of more than five hundred thousand dollars, for (A) the remodeling, alteration, repair or enlargement of any real asset, (B) the construction, alteration, reconstruction, improvement, relocation, widening or changing of the grade of a section of a state highway or a bridge, (C) the purchase or lease of supplies, materials or equipment, as defined in Section 4a-50 of the Connecticut General Statutes, or (D) the construction, reconstruction, alteration, remodeling, repair or demolition of any public building. Furthermore, pursuant to Connecticut General Statutes § 1-101qq, the proposer shall incorporate and include the Summary in all contracts with any subcontractor or consultant working or assisting the Contractor with the large state construction or procurement contract. The proposer shall require in said contracts that the key employees of any subcontractor or consultant affirm that they have received, reviewed and understand the Summary and agree to comply with the provisions of the State ethics laws. The proposer shall supply such affirmations to OPM promptly.
- S. With regard to a State contract as defined in P.A. 07-1 having a value in a calendar year of \$50,000 or more or a combination or series of such agreements or contracts having a value of \$100,000 or more, the authorized signatory to this submission in response to the State's solicitation expressly acknowledges receipt of the State Elections Enforcement Commission's notice advising prospective state contractors of state campaign contribution and solicitation prohibitions, and will inform its principals of the contents of the notice. See Attachment A.

Section 9 - ADDITIONAL DATA

Provide any additional information which the proposer wishes to bring to the attention of the State that is relevant to this RFP.

EVALUATION OF PROPOSALS

A Selection Committee comprised of State staff or other designees as deemed appropriate will evaluate qualified proposals submitted in response to this RFP and recommend finalists for consideration. The Selection Committee shall evaluate all proposals that meet the Minimum Submission Requirements.

The following criteria shall be those utilized in the selection process. They are presented as a guide for the proposer in understanding the State's requirements and expectations for this project and are not necessarily presented in order of importance.

1. *PROPOSED WORK PLAN.* Emphasis will be on grasp of the problems involved, soundness of approach and the quality of the overall proposal including the proposer's ability to complete the activities/tasks and produce the necessary products within the required time frame and within the budget as stated in the proposal.
2. *PROPOSED COST.*
3. *EXPERIENCE, EXPERTISE, AND CAPABILITIES.* Background, qualifications, and previous experience of personnel to be assigned to the project and their demonstrated competence, experience and expertise in the type of work to be performed.
4. *REFERENCES.*

5. *DEMONSTRATED COMMITMENT TO AFFIRMATIVE ACTION:*

Regulations of Connecticut State Agencies Section 46a-68j-30(10) require an agency to consider the following factors when awarding a contract that is subject to contract compliance requirements:

- (a) the proposer's success in implementing an affirmative action plan;
- (b) the proposer's success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17 of the Administrative Regulations of Connecticut State Agencies, inclusive;
- (c) the proposer's promise to develop and implement a successful affirmative action plan;
- (d) the proposer's submission of EEO-1 data indicating that the composition of its work force is at or near parity when compared to the racial and sexual composition of the work force in the relevant labor market area; and
- (e) the proposer's promise to set aside a portion of the contract for legitimate minority business enterprises (**see Contract Compliance Package**).

RIGHTS RESERVED TO THE STATE

The State reserves the right to award in part, to reject any and all bids in whole or in part for misrepresentation or if the proposer is in default of any prior State contract, or if the bid or proposal limits or modifies any of the terms and conditions and/or specifications of the RFP. The State also reserves the right to waive technical defect, irregularities and omissions if, in its judgment, the best interest of the State will be served.

The State reserves the right to correct inaccurate awards resulting from its clerical errors. This may include, in extreme circumstances, revoking the awarding of a contract already made to a proposer and subsequently awarding the contract to another proposer. Such action on the part of the State shall not constitute a breach of contract on the part of the State since the contract with the initial proposer is deemed to be void *ab initio* and of no effect as if no contract ever existed between the State and the proposer.

NOTICE TO EXECUTIVE BRANCH STATE CONTRACTORS AND PROSPECTIVE STATE CONTRACTORS OF CAMPAIGN CONTRIBUTION AND SOLICITATION BAN

This notice is provided under the authority of Connecticut General Statutes Section 9-612(g)(2), as amended by P.A. 07-1, and is for the purpose of informing state contractors and prospective state contractors of the following law (italicized words are defined below):

Duty to Inform

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

Penalties for Violations

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties--\$2000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of \$2000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or \$5000 in fines, or both.

Contract Consequences

Contributions made or solicited in violation of the above prohibitions may result, in the case of a state contractor, in the contract being voided.

Contributions made or solicited in violation of the above prohibitions, in the case of a prospective state contractor, shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State will not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

This clause applies to those Contractors which are or will become responsible for compliance with the terms of the Americans with Disabilities Act of 1990 during the term of this Agreement. The Contractor further agrees to take affirmative action to insure that applicants with job-related qualifications are employed and that employees are treated when employed without regard to their race, color, religious creed, age, marital or civil union status, national origin, ancestry, sex, mental retardation, or physical disability, including, but not limited to, blindness, unless it is shown by the Contractor that such disability prevents performance of the work involved; (2) the Contractor agrees, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, to state that it is an "affirmative action-equal opportunity employer" in accordance with regulations adopted by the Commission; (3) the Contractor agrees to provide each labor union or representative of workers with which the Contractor has a collective bargaining Agreement or other contract or understanding and each vendor with which the Contractor has a contract or understanding, a notice to be provided by the Commission, advising the labor union or worker's representative of the Contractor's commitments under this section and to post copies of the notice in conspicuous places available to employees and applicants for employment; (4) the Contractor agrees to comply with each provision of this Section and Connecticut General Statutes §§ 46a-68e and 46a-68f and with each regulation or relevant order issued by said Commission pursuant to Connecticut General Statutes § 46a-56, as amended by Section 5 of Public Act 89-253, Connecticut General Statutes § 46a-68e and Connecticut General Statutes § 46a-68f; (5) the Contractor agrees to provide the Commission on Human Rights and Opportunities with such information requested by the Commission, and permit access to pertinent books, records and accounts, concerning the employment practices and procedures of the Contractor as relate to the provisions of this Section and Connecticut General Statutes § 46a-56. If the contract is a public works contract, the Contractor agrees and warrants that he will make good faith efforts to employ minority business enterprises as subcontractors and suppliers of materials on such public works projects.
- (c) Determination of the Contractor's good faith efforts shall include, but shall not be limited to, the following factors: The Contractor's employment and subcontracting policies, patterns and practices; affirmative advertising, recruitment and training; technical assistance activities and such other reasonable activities or efforts as the Commission may prescribe that are designed to ensure the participation of minority business enterprises in public works projects.
- (d) The Contractor shall develop and maintain adequate documentation, in a manner prescribed by the Commission, of its good faith efforts.

- (e) The Contractor shall include the provisions of subsection (b) of this Section in every subcontract or purchase order entered into in order to fulfill any obligation of a contract with the State and such provisions shall be binding on a subcontractor, vendor or manufacturer unless exempted by regulations or orders of the Commission. The Contractor shall take such action with respect to any such subcontract or purchase order as the Commission may direct as a means of enforcing such provisions including sanctions for noncompliance in accordance with Connecticut General Statutes §46a-56, as amended by Section 5 of Public Act 89-253; provided if such Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the Commission, the Contractor may request the State of Connecticut to enter into any such litigation or negotiation prior thereto to protect the interests of the State and the State may so enter.
- (f) The Contractor agrees to comply with the regulations referred to in this Section as they exist on the date of this Agreement and as they may be adopted or amended from time to time during the term of this Agreement and any amendments thereto.
- (g) The Contractor agrees to the following provisions: The Contractor agrees and warrants that in the performance of the Agreement such Contractor will not discriminate or permit discrimination against any person or group of persons on the grounds of sexual orientation, in any manner prohibited by the laws of the United States or the State of Connecticut, and the employees are treated when employed without regard to their sexual orientation; the Contractor agrees to provide each labor union or representative of workers with which such Contractor has a collective bargaining Agreement or other contract or understanding and each vendor with which such Contractor has a contract or understanding, a notice to be provided by the Commission advising the labor union or workers' representative of the Contractor's commitments under this section, and to post copies of the notice in conspicuous places available to employees and applicants for employment; the Contractor agrees to comply with each provision of this section and with each regulation or relevant order issued by said Commission pursuant to Connecticut General Statutes §46a-56; the Contractor agrees to provide the Commission with such information requested by the Commission, and permit access to pertinent books, records and accounts, concerning the employment practices and procedures of the Contractor which relate to the provisions of this Section and Connecticut General Statutes § 46a-56.
- (h) The Contractor shall include the provisions of the foregoing paragraph in every subcontract or purchase order entered into in order to fulfill any obligation of a contract with the State and such provisions shall be binding on a subcontractor, vendor or manufacturer unless exempted by regulations or orders of the Commission. The Contractor shall take such action with respect to any such subcontract or purchase order as the Commission may direct as a means of enforcing such provisions including sanctions for noncompliance in accordance with Connecticut General Statutes § 46a-56; provided, if such Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the Commission, the Contractor may request the State of Connecticut to enter into any such litigation or negotiation prior thereto to protect the interests of the State and State may so enter.

Meskill promulgated June 16, 1971, and, as such, this Agreement may be canceled, terminated or suspended by the State Labor Commissioner for violation of or noncompliance with said Executive Order No. Three, or any State or federal law concerning nondiscrimination, notwithstanding that the Labor Commissioner is not a party to this Agreement. The parties to this Agreement, as part of the consideration hereof, agree that said Executive Order No. Three is incorporated herein by reference and made a part hereof. The parties agree to abide by said Executive Order and agree that the State Labor Commissioner shall have continuing jurisdiction in respect to contract performance in regard to nondiscrimination until the Agreement is completed or terminated prior to completion.

The Contractor agrees, as part consideration hereof, that this Agreement is subject to the Guidelines and Rules issued by the State Labor Commissioner to implement Executive Order No. Three, and that it will not discriminate in its employment practices or policies, will file all reports as required, and will fully cooperate with the State of Connecticut and the State Labor Commissioner.

This Agreement is subject to the provisions of Executive Order No. Seventeen of Governor Thomas J. Meskill promulgated February 15, 1973, and, as such, this Agreement may be canceled, terminated or suspended by the contracting agency or the State Labor Commissioner for violation of or noncompliance with said Executive Order No. Seventeen, notwithstanding that the Labor

Commissioner may not be party to this Agreement. The parties to this Agreement, as part of the consideration hereof, agree that Executive Order No. Seventeen is incorporated herein by reference and made a part hereof. The parties agree to abide by said Executive Order and agree that the contracting agency and the State Labor Commissioner shall have joint and several continuing jurisdiction in respect to contract performance in regard to listing all employment openings with the Connecticut State Employment Service.

R. Violence in the Workplace Prevention

This Agreement is subject to the provisions of Executive Order No. 16 of Governor John G. Rowland promulgated August 4, 1999 and, as such, the contract may be canceled, terminated or suspended by the State for violation of or noncompliance with said Executive Order No. 16. The parties to this contract, as part of the consideration hereof, agree that said Executive Order No. 16 is incorporated herein by reference and made a part hereof. The parties agree to abide by such Executive Order.

S. Sovereign Immunity

Notwithstanding any provisions to the contrary contained in this Agreement, it is agreed and understood that the State of Connecticut shall not be construed to have waived any rights or defenses of sovereign immunity which it may have with respect to all matters arising out of this Agreement.

T. Assignment

This Agreement shall not be assigned by either party without the express prior written consent of the other.

U. Severability

If any part or parts of this Agreement shall be held to be void or unenforceable, such part or parts shall be treated as severable, leaving valid the remainder of this Agreement notwithstanding the part or parts found to be void or unenforceable.

V. Headings

The titles of the several sections, subsections, and paragraphs set forth in this Agreement are inserted for convenience of reference only and shall be disregarded in construing or interpreting any of the provisions of this Agreement.

W. Third Parties

The State shall not be obligated or liable hereunder to any party other than the Contractor.

X. Non Waiver

In no event shall the making by the State of any payment to the Contractor constitute or be construed as a waiver by the State of any breach of covenant, or any default which may then exist, on the part of the Contractor and the making of any such payment by the State while any such breach or default exists shall in no way impair or prejudice any right or remedy available to the State in respect to such breach or default.

Y. Contractor Certification

The Contractor certifies that the Contractor has not been convicted of bribery or attempting to bribe an officer or employee of the State, nor has the Contractor made an admission of guilt of such conduct which is a matter of record.

Z. Large State Contracts

Pursuant to Connecticut General Statutes §§ 4-250 and 4-252, Contractor must present at the execution of each large State contract (having a total cost to the State of more than \$500,000 in a calendar or fiscal year) an executed gift certification, which Contractor shall update on an annual basis in accordance with paragraph 8 of Governor M. Jodi Rell's Executive Order No. 1. In addition, pursuant to paragraph 8 of Governor M. Jodi Rell's Executive Order No. 1, anyone who executes and files said gift certification shall also execute and file a campaign contribution certification disclosing all contributions made to campaigns of candidates for statewide public office or the General Assembly.

AA. Governor M. Jodi Rell's Executive Order No. 7C

Pursuant to Governor M. Jodi Rell's Executive Order No. 7C, paragraph 10, Contractor shall comply with the certification requirements of Connecticut General Statutes §§ 4-250 and 4-252, and Governor M. Jodi Rell's Executive Order No 1, for all personal service agreement contracts with a value of \$50,000 or more in a calendar or fiscal year by executing and filing the respective certifications with OPM.

BB. State Contracting Standards Board

Pursuant to paragraph 6(a) of Governor M. Jodi Rell's Executive Order No. 7C, Contractor acknowledges and accepts that, for cause, the State Contracting Standards Board may review and recommend, for OPM's consideration and final OPM determination, termination of this contract. "For Cause" means: (1) a violation of the State ethics laws (Chapter 10 of the Connecticut General Statutes) or Connecticut General Statutes § 4a-100 or (2) wanton or reckless disregard of any State contracting and procurement process by any person substantially involved in such contract or State contracting agency.

CC. Large State Construction Or Procurement Contract

Pursuant to Connecticut General Statutes § 1-101qq, every contractor to a Large State construction or procurement contract shall review the summary of State ethics laws developed by the Office of State Ethics pursuant to Connecticut General Statutes Section 1-81b (the "Summary") and shall promptly affirm to OPM in writing that the key employees of such Contractor have received, reviewed and understand the Summary and agree to comply with the provisions of the State ethics laws. A copy of the Summary is attached and incorporated herein as Attachment B. Further, Contractor shall incorporate and include the Summary in all contracts with any subcontractor or consultant working or assisting the Contractor with the large state construction or procurement contract. Contractor shall require in said contracts that the key employees of any subcontractor or consultant affirm that they have received, reviewed and understand the Summary and agree to comply with the provisions of the State ethics laws. Contractor shall supply such affirmations to OPM promptly. "Large state construction or procurement contract" means any contract, having a cost of more than five hundred thousand dollars, for (A) the remodeling, alteration, repair or enlargement of any real asset, (B) the construction, alteration, reconstruction, improvement, relocation, widening or changing of the grade of a section of a state highway or a bridge, (C) the purchase or lease of supplies, materials or equipment, as defined in Section 4a-50 of the Connecticut General Statutes, or (D) the construction, reconstruction, alteration, remodeling, repair or demolition of any public building.

DD. Disclosure of Consulting Agreements

Pursuant to Connecticut General Statutes § 4a-81, the chief official of the Contractor, for all contracts with a value to the State of fifty thousand dollars or more in any calendar or fiscal year, shall attest in an affidavit as to whether any consulting agreement has been entered into in connection with such contract. Such affidavit shall be required if any duties of the consultant included communications concerning business of such State agency, whether or not direct contact with a State agency, State or public official or State employee was expected or made. As used herein "consulting agreement" means any written or oral agreement to retain the services, for a fee, of a consultant for the purposes of (A) providing counsel to a contractor, vendor, consultant or other entity seeking to conduct, or conducting, business with the State, (B) contacting, whether in writing or orally, any executive, judicial, or administrative office of the State, including any department, institution, bureau, board, commission, authority, official or employee for the purpose of solicitation, dispute resolution, introduction, requests for information or (C) any other similar activity related to such contract. Consulting agreement does not include any agreements entered into with a consultant who is registered under the provisions of Chapter 10 of the general statutes as of the date such affidavit is submitted in accordance with the provisions of Connecticut General Statutes § 4a-81.

EE. Retaliation Prohibition

Pursuant to Connecticut General Statutes § 4-61dd, a large state contractor shall be liable for a civil penalty of not more than five thousand dollars for each offense, up to a maximum of twenty per cent of the value of the contract, if an officer, employee or appointing authority of a large state contractor

takes or threatens to take any personnel action against any employee of the large state contractor in retaliation for such employee's disclosure of information to any employee of the contracting State or quasi-public agency or the Auditors of Public Accounts or the Attorney General under the provisions of Connecticut General Statutes § 4-61dd(a). Each violation shall be a separate and distinct offense and in the case of a continuing violation each calendar day's continuance of the violation shall be deemed to be a separate and distinct offense. Each large state contractor shall post a notice of the provisions of this section relating to large state contractors in a conspicuous place which is readily available for viewing by the employees of the contractor. As used in Connecticut General Statutes § 4-61dd, a "large state contract" means a contract between an entity and a state or quasi-public agency having a value of five million dollars or more and (2) "large state contractor" means an entity that has entered into a large state contract with a state or quasi-public agency.

FF. Campaign Contribution and Solicitation Prohibitions

For all State contracts as defined in P.A. 07-1 having a value in a calendar year of \$50,000 or more or a combination or series of such agreements or contracts having a value of \$100,000 or more, the authorized signatory to this Agreement expressly acknowledges receipt of the State Elections Enforcement Commission's notice advising state contractors of state campaign contribution and solicitation prohibitions, and will inform its principals of the contents of the notice. See Attachment C.

GG. Non-Discrimination Certification

Pursuant to Connecticut General Statutes §§ 4a-60(a)(1) and 4a-60a(a)(1), as amended by Public Act 07-245 and Sections 9 and 10 of Public Act 07-142, every Contractor is required to provide the State with documentation in the form of a company or corporate policy adopted by resolution of the board of directors, shareholders, managers, members or other governing body of such contractor to support the Contractor's nondiscrimination agreements and warranties which are included in such Contractor's contract pursuant to said statutes. Copies of two "nondiscrimination certification" forms (one for businesses and one for individuals) that will satisfy these requirements may be found on OPM's website. The applicable certification form must be signed by an authorized signatory of the Contractor (or, in the case of an individual contractor, by the individual) and submitted to the awarding State agency at the time of contract execution.

THE OFFICE OF STATE ETHICS (OSE)

The Connecticut Office of State Ethics (OSE) was officially created on July 1, 2005, by Public Act 05-183. The governing body of the OSE is the Citizen's Ethics Advisory Board (CEAB), nine members appointed by the Governor and legislative leadership. The CEAB holds monthly meetings that are open to the public and that are often covered by CT-N. A schedule of CEAB meeting dates, times and locations is available on the OSE's Web site, www.ct.gov/ethics.

The OSE is an independent watchdog agency for the state of Connecticut that administers Connecticut General Statutes, Chapter 10, Parts I and II, with limited jurisdiction over Part IV.

Simply put, the OSE educates all those covered by the law (the "regulated community"); provides information to the public; interprets and applies the codes of ethics; and investigates potential violations of the codes.

The OSE is made up of the following components:

- Citizen's Ethics Advisory Board
- Executive Director
- Legal Division
- Enforcement Division

THE BIG PICTURE

All state officials and employees (except judges) are covered by Part I of the Code of Ethics for Public Officials (henceforth, Part I, or the Code). It is important to remember that certain provisions of the Code also apply to public officials and state employees after they leave state service.

As you read through this guide, be aware that these laws were enacted to prevent individuals from using their public position or authority for personal, financial benefit.

Each state agency also has its own ethics policy, which in many cases may be more restrictive than what follows. Be sure to obtain a copy of the agency's policy before you attempt to provide any benefit to an agency official or employee.

GIVING BENEFITS TO STATE PERSONNEL

Gifts

As a current or potential state contractor, you are presumably doing business with or seeking to do business with a state agency, and are therefore considered to be a **regulated donor**. In general, public officials or state employees may not accept gifts from regulated donors.

Regulated Donors

Regulated donors include:

- Registered lobbyists (the OSE can tell you who is registered);
- Individuals or groups doing business with a state department or agency;
- Individuals or groups seeking to do business with a state department or agency;
- Individuals or groups engaged in activities regulated by a state department or agency; or
- Contractors pre-qualified by the Connecticut Department of Administrative Services (Conn. Gen. Stat. § 4a-100).

A **gift** is defined as anything of value that is directly and personally received by a public official or state employee (or sometimes family members of those two categories) *unless* consideration of equal or greater value is provided. Conn. Gen. Stat. § 1-79 (e).

Gift Exceptions

There are, however, certain exceptions to this definition of gift. Not all exceptions are covered below; see Conn. Gen. Stat. § 1-79 (e) (1) – (17) for the complete list.

- **Token Items** – Regulated donors such as current or potential state contractors may provide any item of value that is under \$10 (such as a pen, mug, or inexpensive baseball cap) to a public official or state employee, provided that the annual aggregate of such items from a single source is under \$50. Conn. Gen. Stat. § 1-79 (e) (16).
- **Food and Beverage** – Regulated donors may also provide up to \$50 worth of food and beverage in a calendar year to a public official or state employee, provided that the regulated donor or his/her representative is in attendance when the food and/or beverage is being consumed. Conn. Gen. Stat. § 1-79 (e) (9).
- **Training** – Vendors may provide public officials and state employees with training for a product purchased by a state or quasi-public agency provided such training is offered to all customers of that vendor. Conn. Gen. Stat. § 1-79 (e) (17).

- **Gifts to the State** – Regulated donors may provide what are typically referred to as “gifts to the state.” These gifts are goods and services provided to a state agency or quasi-public agency for use on state or quasi-public agency property or that support an event, and which facilitate state or quasi-public action or functions. Conn. Gen. Stat. § 1-79 (e) (5).
- **Other Exceptions** – There are a total of 17 separate gift exceptions in the Code. Also exempt from the definition of gift are items such as informational materials germane to state action, ceremonial plaques or awards costing less than \$100, or promotional items, rebates or discounts also available to the general public. See Conn. Gen. Stat. § 1-79 (e) (1) – (17).

Note: The popularly-cited exception for major life events does not apply to those who are regulated by, doing business with or seeking to do business with a state agency. The only regulated donor that can make use of this very narrow exception is a registered lobbyist.

Gift Provisions

Example: You are in the process of submitting a contracting bid to a state agency. You provide the agency head with a gift certificate for \$45 to a popular West Hartford eatery for her to use on her own. You have not previously given anything of value to this individual.

Even though you are under the permissible \$50 food and beverage limit, this gift is not allowed because you or your representative will not be in attendance while the food and beverage is being consumed.

Reporting Requirements

Should you or your representative give anything of value to a public official or state employee, you must, within **10 days**, give the gift recipient and the head of that individual's department or agency a written report stating:

- Name of the donor;
- Description of item(s) given;
- Value of such item(s); and
- Total cumulative value of all items to date given to that recipient during the calendar year.

This helps both you and the state employee keep track of the gift exceptions noted above, so that permissible limits are not exceeded. Conn. Gen. Stat. § 1-84 (o).

Necessary Expenses

You may provide necessary expenses to a public official or state employee **only** if the official or employee, in his/her official capacity, is actively participating in an event by giving a speech or presentation, running a workshop, or having some other active involvement.

Necessary expenses can include:

- Travel (not first class);
- Lodging (standard cost of room for the nights before, of, and immediately event);
- Meals; and
- Related conference expenses.

Entertainment costs (tickets to sporting events, golf outings, night clubs, etc.) are **not** necessary expenses. Necessary expense payments also **do not** include payment of expenses for family members or other guests.

Please note, within 30 days of receiving payment or reimbursement of necessary expenses for lodging or out-of-state travel, state employees must file an ETH-NE form with the Office of State Ethics (OSE). Conn. Gen. Stat. § 1-84 (k).

Fees/Honorariums

Public officials and state employees may **not** accept fees or honorariums for an article, appearance, speech or participation at an event in their official capacity.

Fees or honorariums for such activities, if offered based solely on expertise and without any regard to official capacity, may be acceptable. Contact the OSE before offering such payment to an official or employee. Conn. Gen. Stat. § 1-84 (k).

Necessary Expenses, Fees and Honorariums

Example: You invite a state employee to travel to New York City to give a speech to your managers on issues surrounding contracting with a state agency. You provide Amtrak fare for the employee as well as his spouse, who will spend the day in the city. The evening of the speech, you will treat the employee and his spouse with complimentary tickets to a Broadway show in lieu of a speaking fee.

You may provide non-first class travel expenses only to the state employee who is actively participating in an event. In this case, you may only provide Amtrak fare for the employee giving the speech, not his spouse. Entertainment costs, such as tickets to a show, are not considered necessary expenses and may not be provided. Additionally, state employees may not accept fees or honorariums for a speech given in their official capacity.

HIRING STATE PERSONNEL

Post-state Employment (Revolving Door)

If you are considering hiring a *former* state employee, you should be aware of the Code's post-state employment, or revolving door, provisions.

Lifetime Bans

- Former state employees may **never** disclose any confidential information they learned during the course of their state service for anyone's financial gain. Conn. Gen. Stat. § 1-84a.
- A former state official or employee may **never** represent anyone other than the state regarding a particular matter in which he or she was personally or substantially involved while in state service and in which the state has a substantial interest. This prevents side-switching. Conn. Gen. Stat. § 1-84b (a).

One-year Bans

- If you hire or otherwise engage the services of a former state official or employee, he or she may not represent you before his or her former agency for a period of **one year** after leaving state service. Conn. Gen. Stat. § 1-84b (b). (See Advisory Opinion 2003-3, which provides a limited exception to this provision if the employee is providing purely technical expertise, for example, to help implement a previously-awarded contract. This exception applies to extremely limited circumstances; contact the OSE for guidance.)
- You are prohibited from hiring a former state official or employee for a period of **one year** after he or she leaves state service if that individual was substantially involved in, or supervised, the negotiation or award of a contract (that you or your business was a party to) valued at \$50,000 or more, and the contract was signed within his or her last year of state service. Conn. Gen. Stat. § 1-84b (f).
- Employees who held certain specifically-designated positions (with significant decision-making or supervisory responsibility) at certain state regulatory agencies are prohibited from seeking or accepting employment with any business subject to regulation by the individual's agency within **one year** of leaving the agency. Note that there is an exception for *ex-officio* board or commission members. Conn. Gen. Stat. § 1-84b (c).

Post-state Employment

Example: You run a hospital regulated by the Office of Health Care Access (OHCA). You would like to offer a job to the former Commissioner of OHCA, who has been out of state service for 5 months.

Because the hospital is regulated by a state agency whose Commissioner is specifically designated in 1-84b (c), the former head of such agency would not be permitted to accept employment with you for one full year after leaving state service. See Advisory Opinion 2003-19.

Outside Employment for Current Public Officials and State Employees

If you are considering hiring a *current* state employee, especially from a state agency with which you do business or by which you are regulated, you should be aware of the following rules regarding the employment of current state employees.

- A current state employee may not accept outside employment that impairs his or her independence of judgment regarding his or her state duties, or that encourages him or her to disclose confidential information learned in his or her state job. Conn. Gen. Stat. § 1-84 (b).
- A current state employee may not use his or her state position for financial gain, however inadvertent that use may be. For example, a current state employee who exercises any contractual, supervisory or regulatory authority over you or your business may not be able to work for you. Conn. Gen. Stat. § 1-84 (c).

Other Considerations

Business entities engaged in Indian gaming activities in the state should be aware of specific provisions that apply to present or former Gaming Policy Board or Division of Special Revenue public officials or employees. See Conn. Gen. Stat. §§ 1-84b (d) and (e).

Outside Employment

Example: Your small business occasionally receives grants or contracts from Agency X. You know that a particular contract manager with Agency X has the skills you need to help you grow your business. This employee has expressed interest in earning a little extra money for himself, while helping you with your business in the evenings and on weekends.

It would constitute an impermissible impairment of judgment for the employee of Agency X, who has contract management responsibilities, to accept outside employment with your business – a business that receives grants or contracts from Agency X.

OTHER PROVISIONS

Prohibited Activities for Consultants or Independent Contractors

If you are hired by the state as a consultant or independent contractor, you are prohibited from the following:

- Using your authority under the contract or any confidential information acquired during the course of the contract for your financial gain or the financial gain of your immediate family;
- Accepting another state contract that would impair your independence of judgment or your performance in your existing state contract;
- Accepting anything of value based on the understanding that your actions on behalf of the state would be influenced;

Conn. Gen. Stat. § 1-86e (1) – (3); see also Conn. Gen. Stat. § 1-101nn.

Gift and/or Campaign Contribution Certifications

Contractors seeking large state contracts must provide certifications regarding gifts and/or campaign contributions made to certain state employees or public officials in the two-year period prior to the submission of a bid or proposal. Copies of these certifications and other updated information regarding state contractors can be found on the Web sites of the Department of Administrative Services (www.das.state.ct.us) and the Office of Policy and Management (www.opm.state.ct.us).

Investment Services and the Office of the Treasurer

If you or your business provides investment services, as defined in the Code, and you make a political contribution in connection with the Office of the Treasurer, you may be prohibited from contracting with that office. See Conn. Gen. Stat. § 1-84 (n).

Registering as a Lobbyist

If you or your business spends or receives over \$2,000 in a calendar year for activities that constitute lobbying under Part II of the Code of Ethics (whether to affect legislation or the actions of an administrative state agency), you/your business may have to register as a lobbyist with the Office of State Ethics. Lobbyist registration information is available at www.ct.gov/ethics.

Contribution Ban for Communicator Lobbyists (Conn. Gen. Stat. § 9-610 (g) and (h).)

Registered communicator lobbyists, their affiliated political action committees (PACs) as well as members of their immediate families are banned from soliciting or donating political campaign contributions. Please contact the State Elections Enforcement Commission at 860-566-1776 for more information.

Sessional Contribution Ban for Client Lobbyists (Conn. Gen. Stat. § 9-610 (e).)

Registered lobbyists and their affiliated political action committees (PACs) are banned from soliciting or donating political campaign contributions. Specifically, there is a temporary ban while the General Assembly is in session that applies to all registered client lobbyists and their affiliated PACs. Please contact the State Elections Enforcement Commission at 860-566-1776 for more information.

Public Act 05-287

Public Act 05-287 prohibits anyone who is a party (or seeking to become a party) to a large state construction, procurement, or consultant services contract over \$500,000 from:

- Soliciting information from a public official or state employee that is not available to other bidders for that contract, with the intent to obtain a competitive advantage;
- Intentionally or recklessly charging a state agency for work not performed or goods or services not provided;
- Falsifying invoices or bills; or
- Intentionally violating or circumventing state competitive bidding and ethics laws.

This Act also requires any prospective state contractor to affirm in writing that he or she has received a summary of the state's ethics laws and that his or her key employees have read and understood the summary and agree to comply with the applicable provisions. Conn. Gen. Stat. § 1-101qq.

An affirmation form is available through the Department of Administrative Services.

Executive Orders

Executive Order 3

Under this Order, the Department of Administrative Services established and maintains on its Web site the State Contracting Portal for purposes of posting all contracting opportunities with state agencies and providing information on contracting processes and procedures.

Executive Order 7C

This Order covers the State Contracting Standards Board, established to conduct a comprehensive review of existing procurement and contracting laws and prepare a uniform code to govern all aspects of procurement and contracting by January 1, 2007.

This notice is provided under the authority of Connecticut General Statutes Section 9-612(g)(2), as amended by P.A. 07-1, and is for the purpose of informing state contractors and prospective state contractors of the following law (italicized words are defined below):

Campaign Contribution and Solicitation Ban

No state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor, with regard to a state contract or state contract solicitation with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall make a contribution to, or solicit contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee;

In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to, or solicit contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

Duty to Inform

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

Penalties for Violations

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties--\$2000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of \$2000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or \$5000 in fines, or both.

Contract Consequences

Contributions made or solicited in violation of the above prohibitions may result, in the case of a state contractor, in the contract being voided.

Contributions made or solicited in violation of the above prohibitions, in the case of a prospective state contractor, shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State will not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

CONTRACT COMPLIANCE REQUIREMENTS**

OFFICE OF POLICY AND MANAGEMENT

CONTRACTOR/GRANTEE COMPLIANCE REQUIREMENTS

NOTE: - THESE REQUIREMENTS APPLY TO ALL CONTRACTORS - INCLUDING GRANTEES AND INDIVIDUALS

Connecticut General Statute Section 4a-60 was adopted to insure that State agencies do not enter into contracts with organizations or businesses that discriminate against protected class persons. To carry out the provisions of the Statute, the Commission on Human Rights and Opportunities developed Regulations concerning Contract Compliance and approval of Contract Compliance Programs which impose certain obligations on State agencies as well as contractors doing business with the State of Connecticut.

These regulations require that as an awarding agency, in this instance, the Office of Policy and Management (OPM), must consider the following factors in its selection of any contractor:

- The bidder's success in implementing an affirmative action plan;
- If the bidder does not have a written affirmative action plan, the bidder's promise to develop and implement a successful affirmative action plan;
- The bidder's success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17 of the Administrative Regulations of Connecticut State Agencies, inclusive;
- The bidder's submission of employment statistics contained in the "Employment Information Form", indicating that the composition of its workforce is at or near parity when compared to the racial and sexual composition of the workforce in the relevant labor market area; and
- The bidder's promise to set aside a portion of the contract for legitimate minority business enterprises.

In order to assess the factors above, contractors are required to provide OPM with information about their organizations.

A package of information (see Section II. Bidder's Packet) is provided with forms (and instructions) that must be completed, signed by responsible parties and returned to OPM with the response to the Request for Proposal or with the Grant Application.

PLEASE NOTE: If you indicate that you will be sub-contracting a portion of this contract, you will be sent further forms for completion as required in the contract compliance regulations. Thank you for your cooperation.

(7) not discharge, discipline or otherwise discriminate against any person who has filed a complaint, testified or assisted in any proceeding with the commission;

(8) make available for inspection and copying any support data requested by the commission, and make available for interview any agent, servant or employee having knowledge of any matter concerning the investigation of a discriminatory practice complaint or any matter relating to a contract compliance review;

(9) include a provision in all subcontracts with minority business enterprises requiring that the minority business enterprise provide the commission with such information on its structure and operations as the commission finds necessary to make an informed determination as to whether the standards of Section 4a-60 of the Connecticut General Statutes, as amended by Section 2 of Public Act 89-253, have been met; and

Sec. 46a-68j-24. Utilization of minority business enterprises

(a) Contractors shall make good faith efforts to employ minority business enterprises as subcontractors and suppliers of materials on all projects subject to contract compliance requirements.

(b) Contractors shall certify under oath to the commission and the awarding agency that minority businesses selected as subcontractors and suppliers of materials meet the criteria for minority business enterprises set out in Section 4a-60 of the Connecticut General Statutes, as amended by Section 2 of Public Act 89-253, if such businesses are not currently registered with the department of economic development and if the contractor wishes the commission to consider favorably the selection of an unregistered minority business enterprise in the evaluation of the contractor's good faith efforts. If the contractor does not wish the commission to consider its selection of an unregistered minority business enterprise in its evaluation of the contractor's good faith efforts, no certification need be made. The commission shall accept the registration of a minority business enterprise by the department of economic development, unless the commission determines, pursuant to Section 46a-68j-35, or from information received pursuant to Section 46a-68e of the Connecticut General Statutes that an enterprise fails to meet the standards contained in Section 4a-60 of the Connecticut General Statutes, as amended by Section 2 of Public Act 89-253. Pursuant to Section 46a-77 of the Connecticut General Statutes, the department of economic development and other interested state agencies shall cooperate with the commission to assure that a uniform and complete list of legitimate minority business enterprises is maintained to promote the full and fair utilization of such enterprises in all contracts subject to minority business enterprise requirements.

(c) Where the awarding agency is the state or where the contract awarded is for a public works project, the commission, in its evaluation of a contractor's good faith efforts, may require that a minority business enterprise selected as a subcontractor or supplier of materials provide the commission with such information on its structure and operations as the commission finds necessary to make an informed determination as to whether the standards contained in Section 4a-60 of the Connecticut General Statutes, as amended by Section 2 of Public Act 89-253, have been met. If the minority business enterprise, whether registered or not registered with the department of economic development, fails to provide the commission with the required information and the contractor fails to demand performance by the subcontractor, the commission shall not consider such enterprise in its evaluation of the contractor's good faith efforts.

(d) Awarding agencies shall carefully monitor the contractor's selection of subcontractors and suppliers of materials to ensure compliance with Section 32-9e of the Connecticut General Statutes and Section 46a-68-35 (b). The awarding agency's obligation to monitor the contractor's actions shall be a continuing one, and failure to do so shall be deemed a failure to cooperate with the commission.

(e) The commission shall monitor a contractor's good faith efforts in the same manner provided for monitoring a contractor's compliance with antidiscrimination and contract compliance statutes.

An application to file such plan shall be in writing, with a copy of the proposed plan attached to the application, describing why such plan should be accepted by the commission. The commission may accept as substantially equivalent any plan prepared in accordance with and fully meeting the requirements of:

(3) demonstrate that the contractor's work force favorably reflects the composition of workers in the relevant labor market area or that the goals and timetables contained in the plan are likely to achieve such result.

The commission shall issue a certificate of compliance to a contractor when its affirmative action plan has been approved.

(d) If the commission disapproves an affirmative action plan in whole or in part, it shall notify the contractor in writing within ten (10) days of the disapproval. The notice shall state the reason for disapproval and may provide proposals necessary to bring the plan into compliance. The contractor shall submit a new or amended plan within thirty (30) days of the date the notice of disapproval is mailed by the commission. If the new or amended plan is disapproved, the commission may take appropriate action to obtain compliance with Section 46a-68c of the Connecticut General Statutes.

(e) The commission may monitor a contractor's implementation of its affirmative action plan at any time and may request, in the manner provided for in Section 46a-68j-33 (b), any and all information and support data relating to compliance with Section 46a-68c of the Connecticut General Statutes, as amended by Section 3 of Public Act 89-253. In conducting such a review, the commission may employ the review and monitoring authority vested in it in Sections 46a-68j-34 to 46a-68j-36, inclusive.

Sec. 46a-68j-26. Affirmative action obligation: of contractors required to file plans pursuant to Section 46a-68d of the Connecticut General Statutes, as amended by Section 4 of Public Act 89-253

(a) In addition to the obligations of Sections 46a-68j-23, 46a-68j-24 and 46a-68j-25, a contractor subject to the requirements of Section 46a-68d of the Connecticut General Statutes, as amended by Section 4 of Public Act 89-253, shall develop and implement an affirmative action plan conforming to Section 46a-68j-28. Such plan shall be filed with the commission within thirty (30) days after a bid has been accepted by an awarding agency, or an advance of or at the same time as the bid is submitted, as the contractor elects. For good cause shown, the commission may extend the time for filing a plan, provided that the awarding agency agrees in writing to withhold two per cent of the total contract price per month until the plan is filed and approved by the commission. No plan shall be considered a plan unless and until it has been approved by the commission. Plans shall contain all elements listed in Section 46a-68j-25, as well as the following elements more particularly described in Section 46a-68j-28:

- (1) employment analysis;
- (2) subcontractor availability analysis;
- (3) minority business enterprises goals and timetables;

(b) Any contractor currently operating an affirmative action program pursuant to an affirmative action plan containing substantially all the elements listed in Sections 46a-68j-25 (a) and 46a-68j-26 (a) may petition the commission for permission to file that plan in lieu of the plan otherwise required. An application to file such plan shall be in writing, with a copy of the proposed plan attached to the application, describing why the plan

should be accepted by the commission. The commission may accept as substantially equivalent any plan meeting the requirements of Section 46a-68j-25 (b), provided that the plan or any supplements to it address all areas otherwise required by Sections 46a-68j-25 (a) and 46a-68j-26 (a). The Commission may also accept as substantially equivalent an affirmative action plan approved in the manner provided for in Section 46a-68k of the Connecticut General Statutes and Sections 46a-68k-1 through 46a-68k-8.

(c) The commission shall review affirmative action plans within sixty (60) days of receipt from the contractor. The commission may approve, approve with conditions or reject any plan so submitted. In addition to the standards announced in Section 46a-68j-25 (c), an approved plan must:

(1) demonstrate a full and fair commitment to the utilization of minority business enterprises as subcontractors and suppliers of materials.

The commission shall issue a certificate of compliance to a contractor when its affirmative action plan has been approved and shall notify the agency that the contract may be awarded.

(d) If a plan does not meet the standards for an approved plan, the commission may either disapprove or conditionally approve the plan. The commission shall notify the contractor and agency intending to award the contract in writing within ten (10) days of the disapproval or conditional approval. The notice shall state the reason for the commission action and may set forth proposals necessary to bring the plan into compliance. The contractor shall submit a new or amended plan, or provide written assurances that it will amend its plan to conform to affirmative action requirements, within thirty (30) days of the date the notice is mailed by the commission. If the new or amended plan is disapproved, and the contractor fails to provide written assurances that it will amend its plan, the commission may take appropriate steps to obtain compliance with Section 46a-68d, 46a-68j-26d of the Connecticut General Statutes, as amended by Section 4 of Public Act 89-253 including a recommendation that the contract not be awarded, as the case may be.

(e) The commission may conditionally approve a plan only if:

(1) the plan contains all the elements listed in Sections 46a-68j-25 (a) and 46a-68j-26 (a) or equivalent authority accepted by the commission;

(2) the plan meets a majority of the criteria for approval under Sections 46a-68j-25 (c) and 46a-68j-26 (c);

(3) the contractor provides written assurances that it will amend its plan to conform to commission proposals submitted in accordance with Section 46a-68j-25 (d) to meet affirmative action requirements;

(4) the contractor promises to pledge its best good faith efforts to implement the commission's proposals within agreed upon timetables; and

(5) the contractor takes appreciable steps to implement at least some of the commission's proposals as a token of its commitment to achieve compliance prior to providing written assurances to the commission.

The commission shall closely monitor any contractor granted conditional approval of its affirmative action plan, and shall take all necessary action to assure that the contractor continues to meet affirmative action requirements. If a contractor fails to abide by its written assurances, the commission shall take appropriate action, including notifying the contractor and awarding agency that the commission has revoked its conditional approval or approval of the plan and that the agency should withhold

payment to the contractor as provided for in Section 46a-68d of the Connecticut General Statutes, as amended by Section 4 of Public Act 89-253.

(f) At any time after the commission grants conditional approval of an affirmative action plan, a contractor may apply for full approval of the plan. An application for approval shall be in writing and shall state what action the contractor has taken to meet affirmative action requirements. The commission shall evaluate an application for approval of an affirmative action plan according to the procedures outlined in Sections 46a-68j-25 (c) and 46a-68j-26 (c). The commission shall notify the contractor and agency within ten (10) days of its decision. The commission shall treat such an application for approval as a new plan, and may approve, approve with conditions or disapprove the request.

(g) The commission shall closely monitor the implementation of affirmative action plans required by Section 46a-68d of the Connecticut General Statutes, as amended by Section 4 of Public Act 89-253. The commission may request, in the manner provided for in Section 46a-68j-33 (b), any and all information and support data relating to compliance with Section 46a-68d of the Connecticut General Statutes, as amended by Section 4 of Public Act 89-253. In conducting such a review, the commission may employ the review and monitoring authority vested in it in Sections 46a-68j-34 to 46a-68j-36, inclusive.

Sec. 46a-68j-27. Elements of plans required by Section 46a-68c of the Connecticut General Statutes as amended by Section 3 of Public Act 89-253

Affirmative action plans required by Sections 46a-68c and 46a-68d of the Connecticut General Statutes as amended shall contain the following elements as described below:

(1) policy statement. The policy statement shall be signed and dated by the contractor: (A) identifying the individual assigned affirmative action responsibilities; (B) affirming the contractor's commitment to achieve equal employment opportunity through affirmative action; and (C) pledging the contractor's best good faith efforts to attain the objectives of the plan;

(2) internal communication. The policy statement and a summary of the objectives of the plan shall be posted and otherwise made known to all workers. The plan shall indicate what steps the contractor undertook to make information on the plan available to its work force;

(3) external communication. The contractor shall, in all advertisements and business with the public, indicate that it is an affirmative action/equal opportunity employer. The plan shall include information on what steps the contractor undertook to advise the public concerning its affirmative action requirements;

(4) assignment of responsibility. The contractor shall designate affirmative action responsibilities to an affirmative action officer. In addition to his or her other duties, the affirmative action officer shall: (A) develop, implement and monitor progress on the contractor's affirmative action plan; (B) acquaint workers with their specific responsibilities under the plan; (C) initiate and maintain contact with unions, recruiting sources and organizations serving members of protected groups concerning the achievement of affirmative action requirements; and (D) conduct meetings and orientation sessions, as necessary, to advise workers and management of the goals of

the plan. The plan shall report all activity taken by the affirmative action officer to achieve these objectives;

(5) organizational analysis. As a preparatory step to the work force analysis, the contractor shall list each job title as it appears in collective bargaining agreements, job specifications or payroll records, ranked from the lowest to the highest paid. Job titles shall be listed by department or other organizational unit.

For lines of progression, the plan shall indicate the order of jobs through which a worker may advance. Job titles without a line of progression shall be listed separately;

(6) work force analysis. For each job title identified in the organizational analysis, the plan shall report: (A) the total number of incumbents; (B) the total number of male and female incumbents; and (C) the total number of male and female incumbents in each of the following groups: (i) whites; (ii) blacks; (iii) Hispanics; and (iv) others;

(7) availability analysis. As a preparatory step to determining whether minorities and females are fairly utilized in the work force, the contractor shall: (A) conduct an analysis which (i) examines the job content of each job title; (ii) identifies a relevant labor market area for each job title; and (iii) matches each job title to the most similar job title in the data source consulted; and (B) calculate the availability of groups identified in Section 46a-68j-27 (6) from: (i) employment figures in the relevant labor market area; (ii) unemployment figures in the relevant labor market area; (iii) the availability of promotable and transferable persons in the contractor's work force; (iv) the availability of persons having requisite skills in an area in which the contractor can reasonably recruit; (v) the existence of training institutions or apprenticeship programs capable of training persons in the requisite skills; (vi) the availability of minority business enterprises as subcontractors and suppliers of materials; (vii) the degree of technical assistance the contractor is able to provide to minority business enterprises; and/or (viii) any other relevant source;

(8) utilization analysis. To determine whether minorities and females are fully and fairly utilized, the plan shall compare the representation of these groups in the work force, taken from Section 46a-68j-27 (6), with the availability of such persons for employment, calculated in Section 46a-68j-27 (7).

To determine the expected number of minorities and females, the contractor shall multiply the total number of workers in a job title by the representation of each group listed in Section 46a-68j-27 (6) (C), with the availability of each group expressed as a decimal.

Comparison of the resulting figure to the figures obtained from Section 46a-68j-27 (6) will yield a conclusion that a group in the work force is over utilized, under utilized or at parity when compared to the availability of minorities and females for employment. The plan shall set forth the results of all computations and conclusions on the utilization of minorities and females in the work force.

(9) goals and timetables. For each instance of under utilization in the work force, the contractor shall set goals to increase the representation of minorities and females among its workers. Goals shall not be rigid quotas which must be met at any cost, but shall be significant, measurable and attainable objectives with timetables for completion. In establishing the length of timetables, the contractor shall consider the anticipated expansion, contraction and turnover of the work force and the results which may reasonably be expected from putting forth every good faith effort to make the affirmative action plan an effective instrument for achieving equal employment opportunity; and

(10) concluding statement and signature. Affirmative action plans shall contain a concluding provision signed and dated by the contractor stating that the contractor: (A) has read the plan and that the contents of the plan are true and correct to the best of his

or her knowledge and belief; and (B) pledges his or her best good faith efforts to achieve the objectives of the plan within established timetables.

Sec. 46a-68j-28. Elements of plans required by Section 46a-68d of the Connecticut General Statutes as amended by Section 4 of Public Act 89-253

In addition to the elements in Section 46a-68j-27, affirmative action plans subject to the requirements of Section 46a-68d of the Connecticut General Statutes as amended shall contain the following elements as described below:

(1) employment analysis. The contractor shall undertake a comprehensive review of the employment process to identify policies and practices that build in or perpetuate barriers to equal employment opportunity. Where applicable, the following factors shall be addressed: (A) job qualifications; (B) job specifications; (C) recruitment practices; (D) personnel policies; (E) job structuring; (F) training and apprenticeship programs; (G) subcontracting practices; and (H) layoff and termination policies. The plan shall report what activities were undertaken to identify barriers to equal employment opportunity;

(2) subcontractor availability analysis. When a contractor intends to subcontract all or part of the work to be performed under a state contract to one or more subcontractors, the contractor shall consult the listing of minority business enterprises maintained by the department of economic development, the practical experience of other contractors, contacts developed by the contractor itself, trade publications and similar sources to develop a base from which the contractor might reasonably be expected to draw minority business enterprises from. The plan shall indicate what sources were consulted and whether the enterprise was ready and able to perform the required work or supply necessary materials;

(3) minority business enterprise goals and timetables. Based upon the availability of minority business enterprises calculated in Section 46a-68j-28 (2), the contractor shall set goals for awarding all or a reasonable portion of the contract to qualified minority business enterprises. The plan shall detail what steps it took to make such opportunities available;

(4) program goals and timetables. Where the employment analysis has identified barriers to equal employment opportunity, the contractor shall design specific corrective measures in the form of program goals to eliminate the barriers. Goals shall be accompanied by timetables designed to achieve compliance with affirmative action objectives within the shortest reasonable limits possible. The plan shall describe all actions taken to identify problem areas and realize program goals; and

(5) minority business enterprise assistance and innovative programs. Consistent with Sections 46a-68j-21 (17) and 46a-68j-21 (22), the contractor shall develop programs to assist minority business enterprises in entering the economic mainstream. The plan shall detail what programs the contractor has created to accomplish this endeavor.

Sec. 46a-68j-29. Exempt contractors and subcontractors

(a) A contractor meeting the following requirements may at any time apply to the commission for exemption from contract compliance requirements and the commission may exempt a contractor if:

(1) the contractor has been found in compliance with antidiscrimination or contract compliance statutes, as provided for in Section 46a-68j-32 (c).

- (2) the work to be performed under the contract is to be or has been performed outside the state and no recruitment of workers within the limits of the state is involved;
- (3) the contract awarded is for less than \$10,000.00;
- (4) the number of workers employed by the contractor or subcontractor to perform the contract totals twenty-five (25) or less; or
- (5) the contractor is a sole source provider of goods or services not readily available and the benefit to the state greatly outweighs contract compliance considerations.

(b) A contractor meeting the following requirements may at any time apply to the commission for partial exemption from contract compliance requirements and the commission may exempt a contractor if:

- (1) the contractor maintains facilities which are in all respects separate and distinct from activities related to the performance of the contract;
- (2) the contract involves a subcontract meeting the criteria set forth in Section 46a-68j-29 (a).

(c) An application for exemption or partial exemption shall be in writing and shall identify the subpart or subparts of Section 46a-68j-29 (a) or 46a-68j-29 (b) the contractor relies upon to qualify for exemption. The application shall be accompanied by such support data as is necessary to fully document the validity of the request. Pursuant to Section 46a-68e of the Connecticut General Statutes, the commission may from time to time require that additional information be provided. The commission shall not approve an application unless the support data convincingly demonstrates that the contractor qualifies for exemption from contract compliance requirements. The commission shall notify the contractor and awarding agency of its determination within thirty (30) days of its receipt of the application or additional support data, whichever is later.

(d) a contractor or subcontractor may petition the commission for exemption from the requirements of Section 4a-60 (e) of the Connecticut General Statutes, as amended by Section 2 of Public Act 89-253, and the commission may exempt a contractor or subcontractor if:

- (1) the total value of any subcontractor subcontracts awarded within one fiscal year or calendar year from the date the initial subcontract is awarded is less than ten thousand (\$10,000.00) dollars;
- (2) the contractor and subcontractor are bound by a contractual relationship which was entered into prior to the awarding of the contract with the state for goods or services substantially identical to the goods or services required to fulfill the contractor's obligations to the state, and performance of the subcontractor's responsibilities under the state contract are incidental to the preexisting contract;
- (3) the subcontractor does business outside the state and is not otherwise subject to the laws of the State of Connecticut;
- (4) the commission, pursuant to Section 46a-68j-29, has exempted the contract from contract compliance requirements;
- (5) the subcontractor has developed and implemented an affirmative action plan or promises to develop and implement such a plan, or submits such support data to convince the commission that such a plan is not needed to achieve equal employment opportunity;
- (6) the number of workers employed by the subcontractor or any subcontractor thereto to perform the subcontract to the contractor totals less than twenty-five (25); or

(7) the benefit to the state greatly outweighs the commission's interest in obtaining compliance with Section 4a-60 of the Connecticut General Statutes, as amended by Section 2 of Public Act 89-253.

Sec. 46a-68j-30. Obligations of awarding agencies

(6) maintain full and adequate support data for a period of two (2) years from the date the record is made or the date the contract was executed, whichever is later, provided that this requirement shall not excuse compliance with any other applicable record retention statute, regulation or policy providing for a period of retention in excess of two (2) years;

(7) make available for inspection and copying any support data requested by the commission, and make available or interview any agent, servant, employee or other person having knowledge of any matter concerning the investigation of a discriminatory practice complaint or relating to a contract compliance review;

(8) notify all bidders, on a form developed by the commission, that the contract to be awarded is subject to contract compliance requirements;

(9) aggressively solicit the participation of legitimate minority business enterprises as bidders, contractors, subcontractors and suppliers of materials;

(10) consider, as bearing upon the responsibility and qualification of a bidder to meet its contract compliance requirements, the following factors:

(A) the bidder's success in implementing an affirmative action plan;

(B) the bidder's success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17, inclusive;

(C) the bidder's promise to develop and implement a successful affirmative action plan;

Sec. 46a-68j-31. Notification of contract awards by awarding agency

(a) An awarding agency shall notify the commission of all contracts subject to contract compliance requirements within ten (10) days of the date the contract is executed. Notice of the contract award shall be on a form provided by the commission and include:

(2) total number of employees of the contractor (if known);

(3) if the awarding agency is the state or if the contract is for a public works project, the name, address, telephone number and principal place of business of each subcontractor;

(4) if the awarding agency is the state or if the contract is for a public works project, a statement as to how the criteria contained in Section 46a-68j-30 (a) (10) were applied in the selection of the successful bidder, and a statement as to what agreement, if any, was reached between the contractor and awarding agency to assure that the contractor will satisfy the contract compliance requirements contained in the contract;

(5) a statement whether the contract is a public works contract;

(6) the duration of the contract;

(7) the dollar value of the contract; and

(8) the name, job title, address and telephone number of the person at the awarding agency whom the commission may contact if further information is required.

(b) an awarding agency shall not be required to report contracts otherwise subject to contract compliance requirements if the contract awarded is:

Each contractor so identified shall provide full and complete information on the contractor's employment practices and procedures related to compliance with antidiscrimination and contract compliance statutes. Contract monitoring reports shall be filed with the commission within thirty (30) days from the date the form is received by the contractor. (b) For good cause shown, the commission may grant an extension of time for submission of a contract monitoring report. Requests for extensions of time shall be made in writing within the time that the report form is otherwise scheduled to be provided, and shall set forth specific reasons for requesting the extension.

(c) The commission shall excuse a contractor from the requirements of this Section, if the commission has determined that the contractor is in compliance with state or federal antidiscrimination and contract compliance statutes, provided that the commission's determination of compliance has been made within one (1) year preceding the date the commission is notified, pursuant to Section 46a-68j-31, that a subsequent contract has been awarded to the same contractor. It shall be the responsibility of the contractor to provide evidence demonstrating that it has been found to be in compliance with either state or federal antidiscrimination and contract compliance statutes by an agency of competent authority. For other good and compelling reason, the commission may likewise excuse a class or classes of contractors from the requirements of this section.

(d) Failure to fully complete a contract monitoring report form within the designated time shall be a violation of Section 4a-60 of the Connecticut General Statutes, as amended by Section 2 of Public Act 89-253.

PART IV. REVIEW AND MONITORING

Sec. 46a-68j-33. Desk audit review

(a) The commission shall review contract monitoring report forms received pursuant to Section 46a-68j-32 to assess the contractor's conformance with antidiscrimination and contract compliance statutes.

(b) The commission may require contractors to provide such other and further information to assess the contractor's conformance with antidiscrimination and contract compliance statutes. Requests for additional information shall be made in writing and shall describe the information sought. The provisions and time limitations of Section 46a-68j-32 shall govern the treatment of requests for additional information.

(c) Contractors determined to be in conformance with antidiscrimination and contract compliance statutes, based upon a review of the contract monitoring report and any other information provided pursuant to this section, shall be notified in writing by the commission. A copy of the notice shall be sent to the awarding agency.

(d) The commission's determination that a contractor is in conformance with antidiscrimination or contract compliance statutes shall not preclude a determination that a discriminatory practice has been committed in a proceeding under Chapter 814c of the Connecticut General Statutes, as amended or in a proceeding under the laws of the United States of America.

Sec. 46a-68j-34. Field review

(a) The commission may conduct a field review:

- (1) whenever review of a contract monitoring report form suggests that a contractor may be in violation of antidiscrimination or contract compliance law;
- (2) if information submitted pursuant to Section 46a-68j-32 suggests that a contractor may be in violation of antidiscrimination or contract compliance law; or
- (3) to determine or verify that a contractor is in compliance with antidiscrimination or contract compliance law.

(b) In the event that the commission elects to conduct a field review, the commission shall notify the contractor in writing that a field review shall be conducted. Such notice shall recite the date that the commission intends to meet with the contractor to review its employment policies and procedures. A copy of the notice shall be sent to the awarding agency. If additional meetings are necessary, the commission shall so advise the contractor and shall specify the date or dates of such meetings.

(c) A field review may consist of, but is not limited to, one or more of the following:

- (1) a review with the contractor of the contract monitoring report form or other information provided the commission pursuant to Section 46a-68j-32;
- (2) a review of personnel records, applications, job descriptions, payroll records and other support data that the commission deems necessary to evaluate the contractor's conformance with antidiscrimination or contract compliance statutes;
- (3) an observation of the contractor's work force made by touring the contractor's facility or construction site at a reasonable time and in a reasonable manner;
- (4) an interview with persons employed by the contractor to elicit their knowledge of the contractor's employment policies and practices;
- (5) contact with community groups in the labor market area to determine whether such organizations are notified of job openings by the contractor;
- (6) a review of the contractor's subcontracting policies and practices;
- (7) a review of the contractor's efforts to accomplish the goals set out in a letter of commitment signed by the contractor pursuant to Section 46a-68j-36;
- (8) where applicable, an evaluation of the contractor's compliance with the Equal Employment Opportunity in Apprenticeship and Training regulations, Sections 46a-68-1 to 46a-68-17, inclusive;
- (9) where the contractor is a state agency, an evaluation of the contractor's compliance with the Affirmative Action by State Government regulations, Sections 46a-68-31 to 46a-68-73, inclusive; and/or
- (10) a request for additional information concerning the contractor's conformance with antidiscrimination or contract compliance statutes.

Sec. 46a-68j-35. Conformance review

(a) After all relevant information has been assembled, the commission shall conduct a review to assess the contractor's conformance with antidiscrimination or contract compliance statutes. The commission shall notify the contractor of its findings within sixty (60) days of the date the commission completes its final field review or receives additional information from the contractor pursuant to Section 46a-68j-34, whichever is

(b) When a review indicates that the contractor is not in conformance with antidiscrimination or contract compliance statutes, the commission shall propose specific steps that the contractor must take within specific timetables to correct the deficiencies identified in the review. Such steps may include but are not limited to, the following:

(1) elimination of employment barriers which may have the effect of discriminating against members of protected groups;

(2) development and implementation of a program to enhance employment opportunities for members of protected groups;

(3) affirmative advertising, recruitment and training programs for members of protected groups;

(4) where applicable, the development and implementation of an apprenticeship program pursuant to the Equal Employment Opportunity in Apprenticeship and Training regulations, Sections 46a-68-1 to 46a-68-17, inclusive;

(5) submission of support data to the commission for a specified period of time to ensure that progress is being made in achieving equal employment and program objectives;

(6) restructuring of the contractor's employment and subcontracting policies, patterns and practices; or

(7) establishment of training programs to train and accelerate upward mobility of members of protected groups, when a determination has been made that such persons are under represented in the work force.

Sec. 46a-68j-36. Letters of commitment; monitoring

(a) A contractor may, within thirty (30) days after notice of the commission's finding is received, accept in writing the commission's proposals to achieve conformance with the law. Acceptance of the commission's proposals shall be made in a letter of commitment in which the contractor shall pledge to make every good faith effort to attain conformance with the law within the timetables set out in the notice. A copy of the letter of commitment shall be sent to the awarding agency by the commission.

(b) If a contractor refuses to adopt or does not adopt the commission's proposals, the commission and contractor may meet and attempt to resolve any outstanding differences. An agreement thus reached shall be reduced to a letter of commitment signed by the contractor and a representative of the commission. Such letter shall pledge the contractor to make every good faith effort to achieve conformance with antidiscrimination and contract compliance statutes within the timetables set out in the letter of commitment. A copy of the letter shall be sent to the awarding agency by the commission.

(c) The commission shall closely monitor a contractor's efforts to achieve the goals within the timetables set out in a letter of commitment.

The commission shall seek the cooperation of federal, state and local governmental agencies, business, labor and other interested persons to effectuate the purpose of Sections 4a-60, as amended by Section 2 of Public Act 89-253, and 46a-71 (d) of the Connecticut General Statutes.

Sec. 46a-68j-38. Delegation of authority

To assure effective and efficient implementation and enforcement of Section 4a-60, as amended by Section 2 of Public Act 89-253, and 46a-71 (d) of the Connecticut General Statutes and Sections 46a-68j-21 to 46a-68j-43, inclusive, the commission finds that it is necessary to delegate certain duties and responsibilities to its staff. Accordingly, pursuant to Section 46a-54 (3) of the Connecticut General Statutes, the commission delegates and assigns the following responsibilities and duties:

- (1) the staff shall review contract monitoring report forms filed with the commission to determine compliance with antidiscrimination and contract compliance statutes;
- (2) the staff shall, after a finding by a presiding officer pursuant to Section 46a-86 of the Connecticut General Statutes that a contractor or subcontractor is not complying with antidiscrimination or contract compliance statutes, make recommendations concerning any other action the commission should undertake to assure compliance;
- (3) the staff shall monitor the implementation of letters of commitment to determine the progress achieved by contractors or subcontractors in attaining compliance with antidiscrimination or contract compliance statutes;
- (4) the staff shall initiate contact and coordinate activities with contract compliance personnel in accordance with Section 46a-68j-37; and
- (5) the executive director of the commission shall supervise staff activities pursuant to this delegation of authority and report to the commission on the activities undertaken, results achieved and problems encountered pursuant to this delegation of authority, and make recommendations for appropriate commission or legislative action where advisable.

Sec. 46a-68j-39. Complaints

(a) The commission may issue a complaint in accordance with Section 46a-82 (b) of the Connecticut General Statutes if the commission has reason to believe that a person:

- (1) has been engaged or is engaged in a discriminatory practice; and/or
- (2) subject to contract compliance requirements, is not complying with contract compliance statutes.

(b) Any person claiming to be aggrieved by an alleged discriminatory practice may file a complaint with the commission in accordance with Section 46a-82 (a) of the Connecticut General Statutes.

PART V. ENFORCEMENT PROCEEDINGS

Sec. 46a-68j-40. Complaint investigation; hearing; appeal

The provisions of Chapter 814c of the Connecticut General Statutes, as amended; shall govern the processing of complaints alleging a violation of Sections 4a-60, as amended by Section 2 of Public Act 89-253, or 46a-71 (d) of the Connecticut General Statutes and Section 46a-68j-39.

Sec. 46a-68j-41. Notice of noncompliance

(a) In addition to any other action taken, after a finding by a presiding officer pursuant to Section 46a-86 of the Connecticut General Statutes that a contractor is not complying with antidiscrimination or contract compliance statutes, the commission shall issue a notice of noncompliance. Issuance of a notice of noncompliance shall prevent a contractor from entering into any further contracts with an awarding agency, until such time as the commission determines that the contractor has adopted policies consistent with such statutes.

(b) A notice of noncompliance shall be effective upon issuance by the commission. A copy of the notice shall be sent to the awarding agency and the attorney general.

(c) The commission shall cause the names of all contractors issued a notice of noncompliance to be published in the first regular issue of the Connecticut Law Journal for the months of January, April, July and October, and shall maintain a complete and accurate list of such contractors at all times. All inquiries concerning the compliance or noncompliance of contractors shall be directed to the commission and not the commission on official legal publications. It shall be the responsibility of each awarding agency to consult the Connecticut Law Journal to ascertain whether a potential contractor is eligible to contract with the agency. Failure to consult the Connecticut Law Journal shall be deemed a failure to cooperate with the commission.

Sec. 46a-68j-42. Rescission of notice of noncompliance

(a) Within fifteen (15) days after a notice of noncompliance is issued, the contractor receiving the notice shall submit a detailed, written statement, under oath, describing the steps it has taken to achieve compliance with antidiscrimination and contract compliance statutes. The commission shall review the verified statement within forty-five (45) days of the date the notice of noncompliance was issued to determine whether the contractor has adopted policies consistent with antidiscrimination and contract compliance statutes, thereby eliminating the conditions giving rise to issuance of the notice.

(b) If the commission determines that the contractor has adopted policies consistent with antidiscrimination and contract compliance statutes, it shall rescind the notice of noncompliance. The commission shall forward a copy of the letter rescinding the notice of noncompliance to the awarding agency and the attorney general.

***** There may have been changes made to these statutes or regulations which are not reflected in this packet. Please consult your nearest library for the most recent version.***

(c) If the commission determines that the contractor has not adopted policies consistent with antidiscrimination and contract compliance statutes, it shall refuse to rescind the notice of noncompliance. The notice of noncompliance shall remain in effect until such a time as the commission finds, pursuant to subsection (b) of this Section, that the contractor has adopted policies consistent with antidiscrimination and contract compliance statutes. The commission shall forward a copy of the letter refusing to rescind the notice of noncompliance to the awarding agency and the attorney general.

(d) If the commission determines that the contractor has not adopted policies consistent with antidiscrimination and contract compliance statutes, it may allow the contractor an opportunity to submit a supplemental written statement, under oath, describing the additional steps it has taken to achieve compliance with antidiscrimination and contract compliance statutes. The commission may permit a contractor to submit a supplemental verified statement only if all of the following conditions are met:

(1) the commission's earlier determination indicates that the steps required to bring the contractor into compliance with antidiscrimination and contract compliance statutes have been substantially implemented;

(2) the contractor, in its dealings with the commission, has expressed a general willingness to undertake such action as is necessary to bring its employment policies and practices into compliance with antidiscrimination and contract compliance statutes; and

(3) the commission will have adequate time following receipt of the verified supplemental statement to make an informed determination whether the contractor has eliminated the conditions giving rise to issuance of the certificate of noncompliance within the time frames imposed by Section 46a-56 (c) of the Connecticut General Statutes, as amended by Section 5 of Public Act 89-253. Absent such conditions, the commission shall decline to solicit or accept a verified supplemental statement from a contractor, and the notice of noncompliance shall remain in effect as provided in subsection (c) of this section.

(e) Failure to request rescission of a notice of noncompliance within fifteen (15) days after such notice is issued shall not prevent a contractor from thereafter requesting that the commission rescind the notice of noncompliance. In the event that the contractor fails to submit a verified written statement within fifteen (15) days after a notice of noncompliance is issued, the contractor shall submit, together with a verified written statement, a letter in explanation of the reasons for the delay in achieving compliance with antidiscrimination and contract compliance statutes. The commission shall determine whether the contractor adopted policies consistent with antidiscrimination and contract compliance statutes within forty-five (45) days of its receipt of the contractor's verified written statement. The provisions of this section shall apply to all statements submitted after the fifteen (15) day period for submission of a verified written statement has expired.

(f) The commission shall closely monitor the contractor's efforts to continue in compliance with antidiscrimination and contract compliance statutes.

Sec. 46a-68j-43. Notice of adverse finding by presiding officer

(a) In addition to any other action taken, the commission may, following presiding officer pursuant to Section 46a-86 of the Connecticut General Statute complying with antidiscrimination or contract compliance statutes, notify the awarding agency or other interested persons that:

(1) a contractor is not complying with antidiscrimination or contract compliance statutes; and/or

(2) a state agency has purchased or contracted for supplies or equipment or services contrary to Section 4a-60, as amended by section 2 of Public Act 89-253, or 46a-71 (d) of the Connecticut General Statutes and that the contract or subcontract is void and of no effect.

(3) appropriate action be taken to enforce a recommendation made by the commission pursuant to Section 46a-56 (c) of the Connecticut General Statutes.

(b) Any notice issued in accordance with subsection (a) of this Section shall include a recommendation that a civil action be brought or not be brought against the administrative head of the awarding agency pursuant to Section 4a-65 of the Connecticut General Statutes to recover the costs of such order or contract.

(c) In accordance with Section 46a-77 of the Connecticut General Statutes, the commission shall request that appropriate action be taken to enforce the commission's recommendation with all necessary speed.

(c) Failure of the commission and the agency to execute a memorandum of understanding within thirty (30) days of the date that the agency receives notice from the commission approving the program shall result in a forfeiture of the approval. For good cause shown, the commission may grant an extension of time to execute a memorandum of understanding. Extensions of time may be granted only upon certification to the commission from its representatives that an agreement is an immediate, likely outcome of further discussion.

Sec. 46a-68k-6. Equivalent weight accordance

(a) The commission shall accord equivalent weight to the determinations of an agency approved pursuant to Section 46a-68k-4. If the agency determination was made in full accordance with the terms of the memorandum of understanding between the agency and the commission and all applicable laws and regulations governing the agency's contract compliance program, the commission shall treat the agency's determination as if it were reached by the commission under Sections 46a-68j-21 through 46a-68j-43, inclusive.

(b) The commission may reverse the determination of an approved agency only if an independent review indicates that there is a considerable probability that the conclusion reached by the agency is against the evidence. The commission may review any such determination upon its own motion or upon the application of any person, and may reverse or modify the agency's determination upon an affirmative vote of a majority of its members present and voting.

***** There may have been changes made to these statutes or regulations which are not reflected in this packet. Please consult your nearest library for the most recent version.***

(c) The provisions of Section 46a-68k-6 (a) notwithstanding, the commission may at any time conduct a review of a contractor who is a party to a public works contract with a state agency. The commission shall notify the agency in writing that it intends to conduct such a review and, upon receipt of the notice, the agency shall suspend further review of the contractor under Section 46a-68k-5 unless and until the commission notifies the agency in writing that the agency's review may continue.

Sec. 46a-68k-7. Evaluation of approved programs

(a) To assure that agencies maintain standards consistent with Sections 4a-60, as amended by Section 2 of Public Act 89-253; 46a-68c, as amended by Section 3 of Public Act 89-253; 46a-68d, as amended by Section 4 of Public Act 89-253; 46a-68e and 46a-68f of the Connecticut General Statutes, and Sections 46a-68j-21 through 46a-68j-43, inclusive, the commission shall conduct an annual review of each contract compliance program approved pursuant to Section 46a-68k-4. At a minimum, the commission shall evaluate:

- (1) the degree to which an agency's program conforms to the memorandum of understanding;
- (2) the quantity and accuracy of contract compliance reviews;
- (3) the extent to which the agency has successfully implemented proposals to increase the efficiency of its program;
- (4) the overall effectiveness of the contract compliance program; and
- (5) the extent to which the agency has cooperated with the commission the operation of its contract compliance program.

(b) Each agency shall provide the commission with all information necessary to complete the evaluation of its contract compliance program. Failure to provide the commission with complete and accurate information shall be deemed a failure to cooperate with the commission as required by Section 46a-77 of the Connecticut General Statutes. In addition to any other action taken, the commission may terminate the memorandum of understanding with the agency and revoke its approval of the agency's contract compliance program, as provided in Section 46a-68k-8.

(c) The commission shall report its findings to the agency within ninety (90) days of the date it has received all pertinent information provided pursuant to Section 46a-68k-6 (b). The commission shall include in its report a list of recommendations as to how the agency may improve the effectiveness and efficiency of its contract compliance program, together with proposed timetables for implementation of each recommendation, if any.

(d) If the commission finds that an agency's program is deficient, when measured against the criteria of Section 46a-68k-7 (a), the agency shall confirm in writing that it has accepted the recommendations and timetables proposed by the commission within fifteen (15) days of the date the agency receives the commission's report. If an agency fails or refuses to accept the commission's recommendations and timetables, it shall notify the commissioner in writing within fifteen (15) days of the date the commission's report is received. The agency may propose countermeasures and timetables to correct deficiencies noted in the commission's report. The commission and agency shall meet within ten (10) days of the commission's receipt of the agency's counterproposals to resolve outstanding differences. Any agreement between the commission and agency

shall be in writing and shall contain timetables for its implementation. If the commission and agency are unable to agree to mutually acceptable terms, the commission may initiate proceedings to revoke its approval of the agency's contract compliance program, as provided in Section 46a-68k-8.

Sec. 46a-68k-8. Revocation of approval

(a) The commission, acting upon its own motion or the complaint of any person, may revoke its approval of any contract compliance program made pursuant to Section 46a-68k-4 if:

(1) a contract compliance program no longer meets the criteria contained in Section 46a-68k-2 (b);

(2) an agency is in violation of the terms of a memorandum of understanding entered into pursuant to Section 46a-68k-5;

(3) an agency's performance is found deficient by the commission in accordance with Section 46a-68k-7; or

(4) an agency fails to accept or implement the commission's recommendations issued as part of an annual review conducted under Section 46a-68k-7.

(b) A petition to revoke approval of an approved contract compliance program shall be filed under oath in writing and shall state what subdivision or subdivisions of Section 46a-68k-8 (a) are alleged to have been violated, together with a statement of the facts and circumstances upon which the charged violations are based. The commission shall serve a copy of the petition upon the agency by registered mail within ten (10) days of its vote to initiate revocation proceedings or within ten (10) days of its receipt of a petition; as the case may be.

(c) The agency shall file an answer to the petition within fifteen (15) days of the date it is mailed by the commission. The answer shall contain a detailed response to the allegations of the petition and shall be accompanied by such information as appropriate to rebut the charges.

(d) The commission shall carefully consider the evidence in support of and against the agency. In accordance with Section 46a-54 (9) of the Connecticut General Statutes, as amended by Section 2 of Public Act 89-332, the commission may hold a hearing, if necessary, on the question. If the evidence indicates that the agency's contract compliance program is not at least equivalent to the requirements and responsibilities of Sections 4a-60, as amended by Section 2 of Public Act 89-253; 46a-68c, as amended by Section 3 of Public Act 89-253; 46a-68d, as amended by Section 4 of Public Act 89-253; 46a-68e and 46a-68f of the Connecticut General Statutes, the commission may revoke its approval of the program by the affirmative vote of a majority of its members present and voting.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. person (including a U.S. resident alien).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. (See the instructions on page 4.)

Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

For federal tax purposes you are considered a person if you are:

- An individual who is a citizen or resident of the United States,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, or

- Any estate (other than a foreign estate) or trust. See Regulations sections 301.7701-6(a) and 7(a) for additional information.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien.

Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.

4. The type and amount of income that qualifies for the exemption from tax.

5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments (after December 31, 2002). This is called "backup withholding." Payments that may be subject to backup withholding include interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester, or
2. You do not certify your TIN when required (see the Part II instructions on page 4 for details), or
3. The IRS tells the requester that you furnished an incorrect TIN, or
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Exempt payees. Backup withholding is not required on any payments made to the following payees:

¹See Form 1099-MISC, Miscellaneous Income, and its instructions.

²However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees; and payments for services paid by a Federal executive agency.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-owner LLC that is disregarded as an entity separate from its owner (see *Limited liability company (LLC)* on page 2), enter your SSN (or EIN, if you have one). If the LLC is a corporation, partnership, etc., enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at www.socialsecurity.gov/online/ss-5.pdf. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses/ and clicking on Employer ID Numbers under Related Topics. You can get Forms W-7 and SS-4 from the IRS by visiting www.irs.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Writing "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt recipients, see *Exempt From Backup Withholding* on page 2.

Signature requirements. Complete the certification as indicated in 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons who must file information returns with the IRS to report interest, dividends, and certain other income paid to you, mortgage interest you paid, the acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA, or Archer MSA or HSA. The IRS uses the numbers for identification purposes and to help verify the accuracy of your tax return. The IRS may also provide this information to the Department of Justice for civil and criminal litigation, and to cities, states, and the District of Columbia to carry out their tax laws. We may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.
