

State Project No. 63-656
Connecticut Science Center Landscaping
In the City of Hartford

Results of Contractor Prequalification Round of August 24, 1012

The following contractors are prequalified for bidding on the subject project.

All Seasons Landscaping, Inc., Newington, CT
BCL, Inc. dba Butler Company, Windsor, CT
E.A. Quinn Landscape Contracting, Inc., Glastonbury, CT
EDI Landscape, LLC, Hartford, CT
Mountain View Landscapes and Lawncare, Inc., Chicopee, MA
Running Brook Farms of Killingworth, LLC, Killingworth, CT

Please note that, per a clarification provide by CT Department of Transportation and contrary to prior announcements, contractor prequalification for this project is still open provided that the process is completed prior to the due date for bids on the project. That date has not yet been announced, but bidding will be publicly advertised via the Hartford Courant, Northeast News Today, and on the CT Office of Policy and Management and CT Department of Administrative Services websites. A revised prequalification application package will be available on the OPM website at the time of the bid announcement.
