Dear Mesdames and Messrs.:

Pursuant to Sections 3-37(b) and 3-21(f)(2)(A) of the General Statutes, please find attached the Report for August 2020, which provides information regarding the State's cash position and bonding activity.

Cash balances for September continued to be strong, with total available cash near all-time highs at \$6.9 billion, including the common cash pool of \$5.9 billion as of September 26, 2020. Given the economic uncertainty associated with the current pandemic and the potential impact on State cash receipts and disbursements, we continue to diligently monitor, assess and revise our Cash projections for fiscal 2021. No temporary transfers from bond proceeds investment accounts have been made since December 2017.

As always, my office will keep you up to date on issues concerning cash flow and bonding programs. In the meantime, should you have any questions, please feel free to call.

Sincerely,

Shawn T. Wooden  
State Treasurer
