Dear Mesdames and Messrs.:

Pursuant to Sections 3-37(b) and 3-21(f)(2)(A) of the General Statutes, please find attached the Report for October 2024, which provides information regarding the State's cash position and bonding activity.

Cash balances for November continued to be strong, with total available cash at \$8.5 billion, including the common cash pool of \$7.3 billion as of November 30, 2024. Given current market uncertainty and the potential impact on State cash receipts and disbursements, we continue to diligently monitor, assess, and revise our Cash projections.

As always, my office will keep you up to date on issues concerning cash flow and bonding programs. In the meantime, should you have any questions, please feel free to call.

Sincerely,
