Dear Mesdames and Messrs.:

Pursuant to Sections 3-37(b) and 3-21(f)(2)(A) of the General Statutes, please find attached the Report for November 2025, which provides information regarding the State's cash position and bonding activity.

Cash balances for December continued to be strong, with total available cash at \$9.7 billion, including the common cash pool of \$7.3 billion as of December 27, 2025. There was a decrease of cash from October to November primarily driven by the transfer of \$1.487 billion in revenues generated through the state's volatility cap and Fiscal Year 2025 budget surplus which have been deposited into the pension funds for retired teachers and state workers.

As always, my office will keep you up to date on issues concerning cash flow and bonding programs. In the meantime, should you have any questions, please feel free to call.

Sincerely,

Erick Russell
Treasurer
