Office of the Treasurer

DARRELL V. HILL
DEPUTY TREASURER

January 3, 2022

The Honorable Ned Lamont
Governor
State Capitol
Hartford, CT 06106

Dear Governor Lamont:

Pursuant to C.G.S. 3-21 and C.G.S. 2-27b, this office is required to compute as of January 1, 2022, the aggregate amount of indebtedness payable from general fund tax receipts and whether it is less than ninety percent of the debt limit as set forth in said sections. Should the ninety percent limit be reached, C.G.S. 3-21 requires certain actions to be taken by the Governor.

Under C.G.S. 3-21, the aggregate amount of indebtedness comprises the total amount of indebtedness authorized by the General Assembly but not yet issued, and the total amount of indebtedness which has been issued and remains outstanding, subject to certain adjustments. Also pursuant to said section, the debt limit is set forth as 1.6 times the total general fund tax receipts for the fiscal year in which any such authorization will become effective, as estimated for such fiscal year by the Joint Standing Committee on Finance, Revenue and Bonding of the General Assembly in accordance with C.G.S. 2-35.

Attached please find the certificate as to the aggregate amount of indebtedness.

This certificate does not reflect the new bond authorizations that are expected to become effective when a State bonding package is passed.

Sincerely,

A handwritten signature in blue ink that reads "Shawn T. Wooden".
