

## **PRINCIPAL INVESTMENT OFFICER, REAL ASSETS FUND**

### **OFFICE OF THE CONNECTICUT STATE TREASURER PENSION FUND MANAGEMENT DIVISION**

**Location: Hartford, CT**

**Date: 03/12/2025**

The Pension Fund Management Division, managing over \$60 billion in assets, is searching for a Principal Investment Officer responsible for management of the \$5.7 billion Real Assets Fund. The Real Estate Fund of \$3.7 billion invests in core, value add, opportunistic real estate strategies and publicly traded securities. The Infrastructure and Natural Resources Fund totaling \$2.0 billion consists of several different investment strategies and vehicles.

Reporting to the Chief Investment Officer, the PIO, leading a team of three analysts, is accountable for monitoring, reporting, evaluating, and recommending investment opportunities and for risk management oversight of the assets. The CIO is searching for an investment leader with relevant institutional experience who is intellectually sharp and curious and a critical thinker to join PFM's high-performing team.
