

**CONNECTICUT OFFICE OF STATE TREASURER
PENSION FUND MANAGEMENT DIVISION**

PRINCIPAL INVESTMENT OFFICER, PUBLIC EQUITIES

One of the nation's highest performing state investment agencies with over \$27 billion in assets seeks a strategic senior investment leader responsible for approximately \$15 billion in domestic and international equities. Reporting to the CIO, the PIO must have considerable knowledge of the principles and practices of publicly traded domestic and international securities, developed and emerging markets.

The PIO must have strong analytical skills, the ability to handle multiple priorities, and knowledge of asset allocation, performance measures used in evaluating managers, and capital market theory and trading and investment accounting practices.

A Bachelor's degree and current track record of investment continuing education are required; preferences include a CFA, MBA. Also, progressive experience in public equities portfolio management, research and/or investment consulting; development of investment objectives, strategies and tactics; and use of statistical concepts at the portfolio and securities level are required. A track record of investment experience with returns in excess of appropriate benchmarks is also required.

Compensation is designed to attract the best-qualified applicants from the national market. Relocation assistance and other benefits (e.g., health care, retirement) are also provided. For information, please contact Michelle Tedrick, Senior Consultant, Hudepohl & Associates, at info@hudepohl.com or 614-854-7300.

State of Connecticut is an Affirmative Action/Equal Employment Opportunity Employer.
