### **Treasurer Erick Russell Announces \$500 Million In Private Investment Portfolio Commitments at May Investment Advisory Council Meeting**

HARTFORD, CT – In Wednesday’s meeting of Connecticut’s Investment Advisory Council (IAC), State Treasurer Erick Russell announced four pension fund investment commitments totaling \$500 million.

These investments were all in the state’s Private Investment portfolio. They included \$200 million to K6 Private Investors, LP; \$150 million to JFL Equity Investors VI, LP; \$100 million to One Rock Capital Partners IV, LP; and \$50 million to One Rock Emerald Fund, LP.

“As always, I appreciate the guidance provided by the IAC as we make these allocation decisions,” said Treasurer Russell. “These are sound additions to our Private Investment portfolio, and I believe they represent excellent potential for strong returns.”

General investment consultant Meketa opened the meeting with an update on the capital market environment and a report on the Connecticut Retirement Plans and Trust Funds (CRPTF) quarterly performance.

Also in Wednesday’s meeting, Principal Investment Officer Denise Stake presented Grain Communications Opportunity Fund IV, a Real Assets Fund opportunity for consideration. Mark Evans, Principal Investment Officer, along with Investment Officers Kan Zuo and Carmen Melaragno, presented Hg CT1 Co-Investment LP and Hg Titan 2, LP, Private Investment Fund and Private Credit Fund opportunities, as well as Dover Street XI LP and Secondary Overflow Fund V LP, Private Investment Fund opportunities.

The IAC was also briefed on the Connecticut Freedom of Information Act and Corporate Governance activities, and they were provided with an overview of the CRPTF Watchlist process.

“The Investment Advisory Council is a vital partner in our decision-making process as we plan for long-term growth of the CRPTF,” said Treasurer Russell. “They devote considerable time and talent to serving on this committee. I’m grateful to all of them for the commitment they demonstrate each month.”
