TREASURER RUSSELL STATEMENT FOLLOWING ATTACK OF REP. MARYAM KHAN

Treasurer Erick Russell issued a statement today following the attack of Rep. Maryam Khan after an Eid al-Adha prayer service on Wednesday.

“Intimidation and violence, particularly when our neighbors are embracing their faith, is unconscionable and should never be tolerated. My thoughts are with Rep. Maryam Khan and her family today following the senseless attack they experienced while observing Eid, and I stand with the Muslim community in calling for a comprehensive investigation.”
