Section I - Introduction and Purpose of the RFP

The Office of the Treasurer of the State of Connecticut (the “State”) hereby requests proposals from qualified firms (each, a “Respondent”) interested in providing sourcing and oversight services for risk mitigating hedge fund strategies as set forth herein.

The Treasurer, elected quadrennially, serves as the principal fiduciary of the [\$37.5] billion Connecticut Retirement Plans and Trust Funds (the “CRPTF”). The Pension Funds Management Division manages six pension plans and nine trusts collectively known as the “CRPTF.” These 15 plans and trusts may invest in 11 combined investment funds, which invest in various asset classes including public equities, fixed income, private equity, private credit, real assets, and alternative assets. An independent Investment Advisory Council (“IAC”), appointed pursuant to Connecticut General Statutes §3-13b, is charged with advising the Treasurer on matters pertaining to the investment of the CRPTF’s assets, and the Chief Investment Officer (“CIO”) of the Office of the Treasurer oversees the day-to-day operations.

The CRPTF’s Investment Policy Statement (“IPS”) includes asset allocation targets for the Alternative Investment Fund (“AIF”). The CRPTF’s hedge fund strategies are included in the allocation established for the AIF. As of July 31, 2020, the CRPTF’s alternative investments portfolio represented approximately [7%] total CRPTF asset value, with a target policy allocation of 2.8%.

The Alternative Investment Fund is designed to invest CRPTF assets in investment strategies that offer the potential to reduce risk, enhance overall portfolio expected returns, or a combination of both in a variety of market conditions. In May 2019, as part of the CRPTF’s new strategic asset allocation, the mandate for hedge fund allocation within the AIF portfolio was shifted from optimizing returns for a given level of risk to explicitly serving a risk mitigating role in the overall CRPTF. Risk Mitigating Strategies, (RMS), are intended to be uncorrelated or negatively correlated to a broad range of CRPTF’s higher expected return or growth risk asset classes (and more specifically equity growth related risk assets) and to provide downside protection during extended equity market drawdowns, while at the same time, offering sufficient expected returns during normal times to partially mitigate the opportunity cost of reduced holdings of the higher expected return asset classes. RMS allocations generally include five sub-strategy components, Long Volatility, Long Term Treasuries, Trend Following, Global Macro, and Alternative Risk Premia

The primary purpose of this RFP is to identify and retain the most qualified firm to provide services on an ongoing basis, as described below in Section II, Scope of Services, to the Office of the Treasurer (the “Treasurer”). The State expects to select Respondent(s) to provide sourcing and oversight services for the RMS portfolio within the AIF. for a five (5) year period. The selected Respondent(s) will be expected to execute a personal service agreement with State of Connecticut, acting through its Treasurer (“Connecticut”) to become a Contractor with the State.

The CRPTF seeks to maintain a concentrated portfolio and prefers to invest via managed account whenever possible but may evaluate expanding into other diversifying strategies. The CRPTF intends to employ a non-discretionary advisor for manager selection, monitoring and portfolio construction with the CRPTF retaining a right of veto for each investment.

Section II - Scope of Services

The selected Respondent(s) will be required to perform the following services:

13. The Respondent must accept Office of the State Treasurer's standard contract language and conditions. See Personal Services Agreement, attached hereto.
14. The Office of the State Treasurer reserves the right to award in part or to reject any and all proposals in whole or in part for misrepresentation or if the Respondent is in default of any prior State contract, or if the proposal limits or modifies any of the terms and conditions and/or specifications of the RFP. The Office of the State Treasurer also reserves the right to waive technical defects, irregularities and omissions if, in its judgment, the best interest of the State will be served.
15. The Office of the State Treasurer reserves the right to correct inaccurate awards resulting from its clerical errors. This may include, in extreme circumstances, revoking the awarding of a contract already made to a Respondent and subsequently awarding the contract to another Respondent. Such action on the part of the Office of the State Treasurer shall not constitute a breach of contract on the part of the agency since the contract with the initial Respondent is deemed to be void *ab initio* and of no effect as if no contract ever existed between Office of the State Treasurer and the Respondent.
16. Prior to its engagement by the Office of the Treasurer, the successful Respondent shall furnish the Office of the Treasurer with a current and valid Letter of Good Standing issued by the State of Connecticut Department of Revenue Services, pursuant to Connecticut General

Statutes 12-2. The failure of the successful Respondent to timely provide a Letter of Good Standing prior to engagement may result in the removal and replacement of the successful Respondent.

*STATE OF CONNECTICUT
OFFICE OF THE TREASURER*

**COMMISSION ON HUMAN RIGHTS AND OPPORTUNITIES CONTRACT COMPLIANCE
REGULATIONS NOTIFICATION TO
RESPONDENTS AND BIDDER CONTRACT COMPLIANCE MONITORING REPORT**

The contract to be awarded is subject to contract compliance requirements mandated by Sections 4a-60 and 4a-60a of the Connecticut General Statutes; and, when the awarding agency is the State, Sections 46a-71(d) and 46a-81i(d) of the Connecticut General Statutes. There are Contract Compliance Regulations codified at Section 46a-68j-21 through 43 of the Regulations of Connecticut State Agencies, which establish a procedure for awarding all contracts covered by Sections 4a-60 and 46a-71(d) of the Connecticut General Statutes.

According to Section 46a-68j-30(9) of the Contract Compliance Regulations, every agency awarding a contract subject to the contract compliance requirements has an obligation to “aggressively solicit the participation of legitimate minority business enterprises as bidders, contractors, subcontractors and suppliers of materials.”

“Minority business enterprise” is defined in Section 4a-60 of the Connecticut General Statutes as a business wherein fifty-one percent or more of the capital stock, or assets belong to a person or persons:

- (1) who are active in daily affairs of the enterprise;
- (2) who have the power to direct the management and policies of the enterprise;
- (3) who are members of a minority, as such term is defined in subsection (a) of Section 32-9n.

“Minority” groups are defined in Section 32-9n of the Connecticut General Statutes as:

- (1) Black Americans
- (2) Hispanic Americans
- (3) Persons who have origins in the Iberian Peninsula
- (4) Women
- (5) Asian Pacific Americans and Pacific Islanders
- (6) American Indians
- (7) An individual with a disability is also a minority business enterprise as provided by Section 4a-60g of the Connecticut General Statutes.

The above definitions apply to the contract compliance requirements by virtue of Section 46a-68j-21(11) of the Contract Compliance Regulations.

The awarding agency will consider the following factors when reviewing the bidder’s qualifications under the contract compliance requirements:

- (a) the bidder’s success in implementing an affirmative action plan;
- (b) the bidder’s success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17 of the Administrative Regulations of Connecticut State Agencies, inclusive;
- (c) the bidder’s promise to develop and implement a successful affirmative action plan;

- (d) the bidder's submission of employment statistics contained in the "Employment Information Form", indicating that the composition of its workforce is at or near parity when compared to the racial and sexual composition of the workforce in the relevant labor market area;
- (e) the bidder's promise to set aside a portion of the contract for legitimate minority business enterprises. See Section 46a-68j-30(10)(E) of the Contract Compliance Regulations.

INSTRUCTIONS AND ADDITIONAL INFORMATION

The following BIDDER CONTRACT COMPLIANCE MONITORING REPORT must be completed in full, signed, and submitted with the bid for this contract. The contract awarding agency and the Commission on Human Rights and Opportunities will use the information contained thereon to determine the bidders compliance to Sections 4a-60 and 4a-60a CONN. GEN. STAT., and Sections 46a-68j-23 of the Regulations of Connecticut State Agencies regarding equal employment opportunity, and the bidder's good faith efforts to include minority business enterprises as subcontractors and suppliers for the work of the contract.

Executive Order No. Three

WHEREAS, sections 4-61d(b) and 4-114a of the 1969 supplement to the general statutes require nondiscrimination clauses in state contracts and subcontracts for construction on public buildings, other public works and goods, and services, and

WHEREAS, section 4-61e(c) of the 1969 supplement to the general statutes requires the labor department to encourage and enforce compliance with this policy by both employers and labor unions, and to promote equal employment opportunities, and

WHEREAS, the government of this state recognizes the duty and desirability of its leadership in providing equal employment opportunity, by implementing these laws,

NOW, THEREFORE, I, THOMAS J. MESKILL, Governor of the State of Connecticut, acting by virtue of the authority vested in me under section twelve of article fourth of the constitution of the state, as supplemented by section 3-1 of the general statutes, do hereby ORDER and DIRECT, as follows, by this Executive Order:

- I. The labor commissioner shall be responsible for the administration of this Order and shall adopt such regulations as he deems necessary and appropriate to achieve the purposes of this Order. Upon the promulgation of this Order, the commissioner of finance and control shall issue a directive forthwith to all state agencies, that henceforth all state contracts and subcontracts for construction on public buildings, other public works and goods and services shall contain a provision rendering such contract or subcontract subject to this Order, and that such contract or subcontract may be cancelled, terminated or suspended by the labor commissioner for violation of or noncompliance with this Order or state or federal laws concerning nondiscrimination, notwithstanding that the labor commissioner is not a party to such contract or subcontract.
- II. Each contractor having a contract containing the provisions prescribed in section 4-114a of the 1969 supplement to the general statutes, shall file and shall cause each of his subcontractors to file, compliance reports with the contracting agency or the labor commissioner, as may be directed. Such reports shall be filed within such times and shall contain such information as to employment policies and statistics of the contractor and each subcontractor, and shall be in such form as the labor commissioner may prescribe. Bidders or prospective contractors or subcontractors may be required to state whether they have participated in any previous contract subject to the provisions of this Order or any preceding similar Order, and in that event to submit on behalf of themselves and their proposed subcontractors compliance reports prior to or as an initial part of their bid or negotiation of a contract.
- III. Whenever the contractor or subcontractor has a collective bargaining agreement or other contract or understanding with a labor organization or employment agency as defined in section 31-122 of

the general statutes, the compliance report shall identify the said organization or agency and the contracting agency or the labor commissioner may require a compliance report to be filed with the contracting agency or the labor commissioner, as may be directed, by such organization or agency, signed by an authorized officer or agent of such organization or agency, with supporting information, to the effect that the signer's practices and policies, including but not limited to matters concerning personnel, training, apprenticeship, membership, grievance and representation, and upgrading, do not discriminate on grounds of race, color, religious creed, age, sex or national origin, or ancestry of any individual, and that the signer will either affirmatively cooperate in the implementation of the policy and provisions of this Order, or that it consents and agrees that recruitment, employment and the terms and conditions of employment under the proposed contract shall be in accordance with the purposes and provisions of the Order.

- IV. The labor commissioner may by regulation exempt certain classes of contracts, subcontracts or purchase orders from the implementation of this Order, for standard commercial supplies or raw materials, for less than specified amounts of money or numbers of workers or for subcontractors below a specified tier. The labor commissioner may also provide by regulation for the exemption of facilities of a contractor which are in all respects separate and distinct from activities of the contractor related to the performance of the state contract, provided only that such exemption will not interfere with or impede the implementation of this Order, and provided further, that in the absence of such an exemption, all facilities shall be covered by the provisions of this Order.
- V. Each contracting agency shall be primarily responsible for obtaining compliance with the regulations of the labor commissioner with respect to contracts entered into by such agency or its contractors. All contracting agencies shall comply with the regulations of the labor commissioner in discharging their primary responsibility for securing compliance with the provisions of contracts and otherwise with the terms of this Order and of the regulations of the labor commissioner issued pursuant to this Order. They are directed to cooperate with the labor commissioner and to furnish the labor commissioner such information and assistance as he may require in the performance of his functions under this Order. They are further directed to appoint or designate from among the personnel of each agency, compliance officers, whose duty shall be to seek compliance with the objectives of this Order by conference, conciliation, mediation, or persuasion.
- VI. The labor commissioner may investigate the employment practices and procedures of any state contractor or subcontractor and the practices and policies of any labor organization or employment agency hereinabove described, relating to employment under the state contract, as concerns nondiscrimination by such organization or agency as hereinabove described, or the labor commissioner may initiate such investigation by the appropriate contract agency, to determine whether or not the contractual provisions hereinabove specified or statutes of the state respecting them have been violated. Such investigation shall be conducted in accordance with the procedures established by the labor commissioner and the investigating agency shall report to the labor commissioner any action taken or recommended.
- VII. The labor commissioner shall receive and investigate or cause to be investigated complaints by employees or prospective employees of a state contractor or subcontractor or members or applicants for membership or apprenticeship or training in a labor organization or employment agency hereinabove described, which allege discrimination contrary to the contractual provisions specified hereinabove or state statutes requiring nondiscrimination in employment opportunity. If this investigation is conducted by the labor commissioner by a contracting agency, that agency shall report to the labor commissioner what action has been taken or is recommended with regard to such complaints.

- VIII. The labor commissioner shall use his best efforts, directly and through contracting agencies, other interested federal, state and local agencies, contractors and all other available instrumentalities, including the commission on human rights and opportunities, the executive committee on human rights and opportunities, and the apprenticeship council under its mandate to provide advice and counsel to the labor commissioner in providing equal employment opportunities to all apprentices and to provide training, employment and upgrading opportunities for disadvantaged workers, in accordance with section 31-51(d) of the 1969 supplement to the general statutes, to cause any labor organization or any employment agency whose members are engaged in work under government contracts or referring workers or providing supervising apprenticeship or training for or in the course of work under a state contract or subcontract to cooperate in the implementation of the purposes of this Order. The labor commissioner shall in appropriate cases notify the commission on human rights and opportunities or other appropriate state or federal agencies whenever it has reason to believe that the practices of any such organization or agency violate equal employment opportunity requirements of state or federal law.
- IX. The labor commissioner or any agency officer or employee in the executive branch designated by regulation of the labor commissioner may hold such hearings, public or private, as the labor commissioner may deem advisable for compliance, enforcement or educational purposes under this Order.
- X. (a) The labor commissioner may hold or cause to be held hearings, prior to imposing ordering or recommending the imposition of penalties and sanctions under this Order. No order for disbarment of any contractor from further state contracts shall be made without affording the contractor an opportunity for a hearing.  2. Recommend to the commission on human rights and opportunities that in cases in which there is substantial or material violation or threat thereof of the contractual provision or related state statutes concerned herein, appropriate proceedings be brought to enforce them, including proceedings by the commission on its own motion under chapter 563 of the general statutes and the enjoining, within the limitations of applicable law, of organizations, individuals or groups who prevent directly or indirectly compliance with the provisions of this Order.
 3. Recommend that criminal proceedings be brought under chapter 939 of the general statutes.
 4. Cancel, terminate, suspend or cause to be cancelled, terminated, or suspended in accordance with law any contract or any portion or portions thereof for the failure of the contractor or subcontractor to comply with the nondiscrimination provisions of the contract. Contracts may be cancelled, terminated, suspended absolutely or their continuance conditioned upon a program for future compliance approved by the contracting agency.
 5. Provide that any contracting agency shall refrain from entering into any further contracts or extensions or modifications of existing contracts with any contractor until he has satisfied the labor commissioner that he has established and will carry out personnel and employment policies compliant with this Order.

6. Under regulations prescribed by the labor commissioner each contracting agency shall make reasonable efforts with a reasonable period of time to secure compliance with the contract provisions of this Order by methods of conference, conciliation, mediation or persuasion, before other proceedings shall be instituted under this Order or before a state contract shall be cancelled or terminated in whole or in part for failure of the contractor or subcontractor to comply with the contract provisions of state statute and this Order.

(b) Any contracting agency taking any action authorized by this Order, whether on its own motion or as directed by the labor commissioner or pursuant to his regulations shall promptly notify him of such action. Whenever the labor commissioner makes a determination under this Order, he shall promptly notify the appropriate contracting agency and other interested federal, state and local agencies of the action recommended. The state and local agency or agencies shall take such action and shall report the results thereof to the labor commissioner within such time as he shall specify.

- XI. If the labor commissioner shall so direct, contracting agencies shall not enter into contracts with any bidder or prospective contractor unless he has satisfactorily complied with the provisions of this Order, or submits a program for compliance acceptable to the labor commissioner, or if the labor commissioner so authorizes, to the contracting agency.

1. Whenever a contracting agency cancels or terminates a contract, or a contractor has been disbarred from further government contracts because of noncompliance with the contract provisions with regard to nondiscrimination, the labor commissioner or the contracting agency shall rescind such disbarment, upon the satisfaction of the labor commissioner that the contractor has purged himself of such noncompliance and will thenceforth carry out personnel and employment policies of nondiscrimination in compliance with the provision of this Order.
2. The labor commissioner may delegate to any officer; agency or employee in the executive branch any function or duty of the labor commissioner under this Order except the authority to promulgate regulations of a general nature.
