

SHAWN T. WOODEN
TREASURER

State of Connecticut
Office of the Treasurer

DARRELL V. HILL
DEPUTY TREASURER

May 1, 2020

Dear Connecticut Insured Employers, Self-Insured Employers and Insurance Carriers,

During this uncertain time in history, I am announcing the Second Injury Fund (Fund) assessment rates for insured and self-insured employers will remain unchanged and stable for Fiscal Year 2021, which begins on July 1, 2020.

The assessment rate for insurance companies will remain 2.25% for insured employers, and 2.75% for self-insured employers.

My administration is working diligently to pass along savings to Connecticut businesses without compromising benefits due to injured workers. Maintaining the assessment rates will result in savings for Connecticut businesses – during FY2021 the savings are projected to be \$4.3 million.

Should you have any questions regarding the assessment rates for FY2021, please contact Assistant Treasurer Maria M. Greenslade at (860) 702-3125 or Maria.Greenslade@ct.gov.

Sincerely,
