

STATE OF CONNECTICUT
POLICE OFFICER STANDARDS & TRAINING COUNCIL
REVISED INSTRUCTOR CERTIFICATION CRITERIA

The Police Officer Standards and Training Council of Connecticut will grant Law Enforcement Instructor Certification Criteria to individuals who meet POST Council Regulations 7-294e-7 through 7-294e-13.

Section 7-294e-12. Law Enforcement Instructor Experience and Training: Minimum Requirements.

This instructor certification has been formulated to meet the unique requirement for instructors of those law enforcement training and education programs (basic and review training), which call for special knowledge, skill, and experience in the field of law enforcement and public safety.

- (a) General Certificate. To obtain a General Certificate to teach law enforcement subjects, the applicant shall present evidence of meeting the following requirements in addition to meeting the general conditions for certification:
- (1) A baccalaureate degree, with a major or concentration of courses in the discipline/area to be taught, or a waiver of such requirement by the council based on equivalent education and experience.
 - (2) A minimum of three years' approved successful work experience in the field to be taught which embraces those aspects of training included in the curriculum. Letters of recommendation from employers verifying employment and expertise, including dates of employment and description of duties.
 - (3) Recommendation of the director or commanding officer of the applicant's law enforcement unit's training division.
- (b) Provisional Certificate. To receive a Provisional Certificate to teach law enforcement subjects, the applicant shall present evidence of meeting the following requirements in addition to meeting the general conditions for certification:
- (1) A high school diploma or its equivalent.
 - (2) A minimum of three years' approved, successful work experience in the field to be taught which embraces those aspects of training included in the curriculum. Letters from employers verifying employment, including dates of employment and description of duties.
 - (3) Documentation of expertise or specialization in the respective field to be taught. Said expertise may include the completion of specialized and/or advanced training; acceptance as an "expert" by a court of law, association or society (or other recognizing body); and/or experience in the subject area.
 - (4) Evidence that he/she will actively pursue participation in an "Instructor Development" or "Methods of Instruction" course during the period of provisional certification.
- (c) Standard Certificate. To qualify for a Standard Certificate, an applicant shall present evidence of meeting the following requirements:
- (1) Completion of three years' satisfactory service in a position covered by the certificate.
 - (2) Successful completion of an "Instructor Development" or "Methods of Instruction" program which shall consist of thirty-five hours of credit related to the preparation of instructors of law enforcement subjects. Alternatives for formal course work may be presented to show proficiency in the following competencies:
 - (A) Occupational Analysis and Materials Preparation;
 - (B) Teaching Technical Education;
 - (C) Tests and Measurement;
 - (D) Principles of Adult Education;
 - (E) Curriculum Construction;
 - (F) Organization and Management;
 - (G) Communications;

- (H) Psychology of Learning;
 - (I) Use of Instructional and Audio Visual Aids;
 - (J) Techniques of Instruction;
 - (K) Preparing and Using Lesson Plans;
 - (L) Learner Motivation;
 - (M) Practical Exercises in the Application of Instructional Principles;
 - (N) Other areas approved for developing competencies for law enforcement instructors.
- (d) Master Certificate. Master certification is reserved for those applicants who have demonstrated that they possess instructional experience, specialized training and education, administrative ability, and other educational or experiential characteristics, which clearly identify them as leaders in the field of police training and education. The council reserves the right to award only a limited number of Master Certificates.

Police Officer Standards and Training Council Law Enforcement Instructor Certification Criteria

All applications shall include a lesson plan prepared by the applicant covering the requested subject area(s). The intent of the lesson plan requirement is to demonstrate the ability and knowledge of the applicant and familiarity with the training objectives or the subject area along with the development of a lesson plan which is consistent with the required POST Council hours of training in the subject area(s) requested.

308-A Driving Simulators

- a) Successful completion of an approved train the trainer course in the equipment to be used.
- b) Completion of a POSTC approved lesson plan of four (4) hours consisting of:
 - 1) Identification of concepts and techniques consistent with POSTC approved space/time management training.
 - 2) Identification of concepts and techniques consistent with collision avoidance and vehicular control.
 - 3) Identification of strategies for emergency vehicle response and corresponding driver skills.
 - 4) Identification of pursuit driving strategies, guidelines and driving skills

308-B Driving - Time/Space Management

- a) Successful completion of a POSTC approved program for time/space management, route planning and classroom preparation.

308-C Driving - Backing & Parking

- a) Successful Completion of a POSTC approved program for:
 - 1) Reference points of vehicle placement.
 - 2) Reverse maneuvering skill and philosophy.
 - 3) Creation of a remediation process for related errors in reverse maneuvering.
- b) successful completion of a Train the trainer course approved by POST Council staff.

308-D Driving – Vehicle Control Skills (Backing & Steering)

- a) Successful Demonstration of skills and techniques associated with POSTC approved time/space management, and
- b) Certification as an instructor in area 308B, and

- c) Successful completion of a POSTC approved train the trainer program which includes the following:
 - 1) Demonstration of skills and techniques necessary for braking and steering during emergency vehicle operation and collision avoidance.
 - 2) Demonstration of skills and techniques necessary for skid control and recovery.
 - 3) Development of remediation process for driver errors associated with braking or steering deficiencies.

308-E Driving – Pursuit Driving

- a) Successful completion of a POSTC approved program for instruction of issues related to pursuit driving and preparation of classroom presentation.

308-F Driving – Pursuit Driving Practical (Skill) Application

- a) Successful completion of a POSTC approved law enforcement instructor area 308E, and
- b) A practicum of two POSTC basic training sessions for the practical instruction of pursuit driving certification as an instructor in area 308B.

310 Physical Wellness

- a) Successful completion of an appropriate instructor level fitness course of at least forty (40) hours duration (e.g., Institute for Aerobic Research), or
- b) successful completion of specific fitness courses within an academic physical education teacher training program, or
- c) other documentation of expertise or specialization in the physical education training area deemed equivalent by the POSTC.

HUMAN RELATIONS, AREA IV

401 Human Behavior

- a) Successful completion of an appropriate one-semester course of study in psychology, sociology, social relations or other relevant course, or
- b) other specific training or experience within the subject area.

402 Stress Management

- a) Successful completion of an appropriate one-semester course of study in Ethics (based in religion, philosophy or other appropriate area) and knowledge of the police occupation, or
- b) other specific training or experience within the subject area.

403 Police and The Public

- a) Successful completion of an appropriate one-semester course of study in Criminal Justice, Law Enforcement or other related discipline, or
- b) other specific training or experience within the subject area.

404 Juvenile Law/Dealing with Juvenile

- a) Successful completion of an appropriate one-semester course of study in Criminal Justice, Law Enforcement or other related discipline, or
- b) other specific training or experience (i.e. - assigned as a juvenile officer for at least one year) within the subject area.

405 Suicide Recognition, Management and Intervention

- a) Successful completion of an appropriate one-semester course of study in Criminal Justice, Law Enforcement or other related discipline, or
- b) other specific training or experience within the subject area.

406 Supervisor/Subordinate Relations

- a) Successful completion of an appropriate one-semester course of study in Criminal Justice, Law Enforcement or other related discipline, or
- b) other specific training or experience within the subject area.

407 Substance Abuse Issues

- a) Successful completion of an appropriate one-semester course of study in psychology, sociology, social relations or other relevant course, or
- b) other specific training or experience within the subject area.

408 Open (to be assigned in the future)

409 Victim/Witness Advocacy

- a) Successful completion of an appropriate one-semester course of study in psychology, sociology, social relations or other relevant course, or
- b) other specific training or experience (i.e. – employment with a law enforcement agency or court as a victim advocate) within the subject area.

410 Law Enforcement and Citizens With Special Needs

- a) Successful completion of an appropriate one-semester course of study in psychology, sociology, social relations or other relevant course, or
- b) other specific training or experience within the subject area.

411 Conflict Management

- a) Successful completion of an appropriate one-semester course of study in psychology, sociology, social relations or other relevant course, or
- b) successful completion of a professional training course appropriate for the subject, or
- c) other specific training and experience within the subject area.

412 Cultural Awareness and Diversity

- a) Successful completion of an appropriate one-semester course of study in psychology, sociology, social relations or

- b) other relevant course, or successful completion of a professional training course (instructor level) appropriate for the subject.

413 Fair & Impartial Policing

- a) successful completion of Fair & Impartial train the trainer course

414 Blue Courage

- a) Successful completion of Blue Courage train the trainer course

415 Mental Health First Aide

- a) Successful completion of Mental Health First Aide train the trainer course

CRIMINAL INVESTIGATION, AREA V

501 Principles of Investigation

- a) Successful completion of an appropriate one-semester course of study in Criminal Justice, Law Enforcement or other related discipline, or
- b) other specific training or experience within the subject area, or
- c) A person who has held a rank of Detective of above (for at least one year).

501-A Admissions and Confessions/Statements (formally area 504)

- a) Successful completion of law school training in the area of criminal law, or
- b) successful completion of an appropriate one-semester Criminal Justice or Law Enforcement courses of study on criminal law or other relevant topic, or
- c) other specific recent and frequent professional training (e.g., State's Attorney's Course, Legal and Constitutional Updates).

501-B Surveillance (formally area 507)

- a) Successful completion of an appropriate one-semester course of study in a Criminal Justice, Law Enforcement or
- b) successful completion of a professional course of study on the topic, or
- c) other specialized course deemed equivalent by the POST Council, or
- d) other specific training and experience within the subject area.

501-C Informants and Intelligence (formally area 516)

- a) Successful completion of law school training in the area of criminal law, or
- b) successful completion of specific formal Criminal Justice or Law Enforcement courses of study on criminal law or other relevant topics, or
- c) other specific recent and frequent; professional training (e.g., State's Attorney's Course, Legal and Constitutional Updates).

501-D Identification of Suspects (formally area 519)

- a) Successful completion of an appropriate one-semester Master's level course of study in Criminal Justice, Law Enforcement or other related discipline, or
- b) successful completion of several professional in-depth courses of study relating to the

- subject matter, or
- c) other specific training and experience within the subject area deemed equivalent to (a) or above.

501-E Crimes Against People (formally area 522)

- a) Successful completion of an appropriate one-semester course of study in Criminal Justice, Law Enforcement or other related discipline, or
- b) successful completion of several professional in-depth courses of study relating to the subject matter, or
- c) other specific training and experience within the subject area deemed equivalent to (a) or (b) above, or
- d) a person who has held a rank of Detective of above (for at least one year).

501-F Crimes Against Property and Public Policy (formally area 523)

- a) Successful completion of an appropriate one-semester course of study in Criminal Justice, Law Enforcement or other related discipline, or
- b) successful completion of several professional in-depth courses of study relating to the subject matter, or
- c) other specific training and experience within the subject area deemed equivalent to (a) or (b) above, or
- d) a person who has held a rank of Detective of above (for at least one year).

502 Crime Scene Procedures

- a) Successful completion of an appropriate one-semester course of study in a Criminal Justice, Law Enforcement or other related discipline, or
- b) successful completion of a professional course of study in Crime Scene Procedures (i.e., Basic Crime Scene) or other specialized course deemed equivalent by the Council, or
- c) other specific training and experience within the subject area.

502-A Fingerprinting (formally area 505)

- a) Successful completion of an appropriate one-semester course of study in Criminal Justice, Law Enforcement or other related discipline, or
- b) successful completion of a professional course of study on the subject (e.g., Basic Fingerprinting), or
- c) other specific training and experience within the subject area.

502-B Photography (formally area 506)

- a) Successful completion of an appropriate one-semester course of study in Criminal Justice, Law Enforcement or other related discipline, or
- b) successful completion of a professional law enforcement photography course (e.g., Basic Photography), or
- c) other specific training and experience within the subject area.

502-C Criminalistics (formally area 511)

- a) Successful completion of an appropriate one-semester course of study in Criminal Justice, Law Enforcement or other related discipline, or
- b) successful completion of several professional in-depth courses of study relating to the subject matter, or
- c) other specific training and experience within the subject area deemed equivalent to (a) or (b) above.

502-D Body Worn/Dashboard Cameras

503 Interviewing Techniques and Skills

- a) Successful completion of an appropriate one-semester course of study in a Criminal Justice, Law Enforcement or other related discipline, or
- b) successful completion of a professional course of study in Interview and Interrogation (approximately forty hour duration), or
- c) other specific training and experience within the subject area.

508 Crimes Involving Alcohol, Tobacco and Firearms

- a) Successful completion of an appropriate one-semester course of study in Criminal Justice, Law Enforcement or other related discipline, or
- b) successful completion of professional courses of study relating to the subject matter, or
- c) other specific training and experience within the subject area deemed equivalent to a or (b) above.

509 Explosives/Incendiary Devices

- a) Successful completion of appropriate technical courses of study, or
- b) other specific experience with the subject deemed equivalent to a above.

509-A Terrorist and the Suicide Bomber

- a) A train the trainer course of at least 24 hours approved by POST Council Staff.

510 Narcotics and Dangerous Drugs

- a) Licensed Pharmacist in the State of Connecticut, or
- b) successful completion of appropriate professional courses of study relating to the subject matter , or
- c) other specific training and experienced within the subject area deemed to be acceptable alternatives for (a) or (b) above.

510-A Narcotics Field Testing (Practical Skill)

- a) Specific training or experience within the subject area which clearly indicates the applicant has sufficient knowledge to instruct in this area.

512 Sexual Assault/Rape Crisis

- a) Successful completion of an appropriate course of study within a criminal justice, law enforcement or other relevant academic curriculum, or

- b) other specific training or experience (i.e. – Trained as a Counselor by CONN/SACS) within the subject area.

513 Counterfeiting/Forgery

- a) Successful completion of an appropriate one-semester criminal justice, law enforcement or other relevant course of study, or
- b) other specific training or experience with the subject matter.

514 Gambling/Organized Crime

- a) Successful completion of an appropriate one-semester criminal justice, law enforcement or other relevant course of study, or
- b) other specific training or experience with the subject matter.

514-A Prostitution and Human Trafficking

- a) Successful completion of a train the trainer course in Human Trafficking.

515 Case Preparation

- a) Successful completion of an appropriate one-semester criminal justice, law enforcement or other relevant course of study, or
- b) successful completion of several professional in-depth courses of study relating to the subject matter, or
- c) other specific training and experience within the subject area deemed equivalent to a or b above, or
- d) a sergeant or above ranking officer who's responsibility is reviewing criminal cases for court presentation.

517 Motor Vehicle Theft

- a) Successful completion of an appropriate one-semester course of study in Criminal Justice, Law Enforcement or other related discipline, or
- b) other specific training or experience within the subject area.

518 Child Abuse and Neglect

- a) Successful completion of an appropriate one-semester course of study in Criminal Justice, Law Enforcement or other related discipline, or
- b) other specific training or experience within the subject area.

520 Arson Awareness

- a) Successful completion of an appropriate one-semester course of study in a Criminal Justice, Law Enforcement or other related discipline, or
- b) successful completion of a professional course of study relating to the subject matter, or
- c) other specific training and experience within the subject area.

521 Open (to be assigned in the future)

524 Crimes Motivated by Bigotry or Bias

- a) Successful completion of a specific professional training course appropriate for the subject, or
- b) other specific training and experience within the subject area.

525 Open (to be assigned in the future)

PATROL PROCEDURES, AREA VI

601 Accident Investigation

- a) Successful completion of a course of study in Accident Investigation (e.g., Basic Accident Investigation), or
- b) other specialized course deemed equivalent by the POST Council, or other specific training within the subject area.

602 Problem Solving Policing

- a) Successful completion of an appropriate one-semester course of study in a Criminal Justice, Law Enforcement or other related discipline, or
- b) successful completion of a professional in-depth course of study relating to the subject matter, or
- c) other specific training and experience within the subject area deemed equivalent to (a) or (b) above.

602-A Computer Crimes Familiarization

- a) A member of the Computer Crime Task Force, or
- b) successful completion of a professional in-depth computer forensic science course.

603 Crime Prevention

- a) Successful completion of a course of study in Crime Prevention (e.g., Basic Crime Prevention) or other specialized course deemed equivalent by the Council, or
- b) other specific training and experience within the subject area.

604 Crimes in Progress

- a) Successful completion of a specific professional training course appropriate for the subject, or
- b) other specific training and experience within the subject area, or
- c) a person who has held the rank of Sergeant or above.

604-A Building Search Tactics

- a) Successful completion of a specific professional training course appropriate for the subject, or
- b) other specific training and experience within the subject area.

604-B Stopping Suspects

- a) Successful completion of an appropriate one-semester criminal justice, law enforcement or other relevant course of study, or
- b) successful completion of a professional training course appropriate for the subject, or
- c) other specific training or experience with the subject matter.

605 Handling Animals

- a) Successful completion of a specific professional training course (instructor level) on the subject matter, or
- b) other specific training and experience within the subject matter deemed equivalent by the Council.

606 Crowd Control/Civil

- a) Successful completion of an advanced training course in the subject area which includes instructor level training in the use of chemical agents (i.e., tear gas).

607 Domestic Violence Complaints

- a) Successful completion of an appropriate one-semester criminal justice, law enforcement or other relevant course of study, or
- b) successful completion of a specific professional training course on the subject matter, or
- c) other specific training and experience (i.e. – a trained councilor from the Domestic Violence center) within the subject area.

608 Hazardous Materials

- a) Successful completion of a specific professional training course (instructor level) on the subject matter, or
- b) other specific training and experience within the subject area.

608-A Electrical Emergencies

- a) Successful completion of a specific professional training course (instructor level) on the subject matter, or
- b) other specific training and experience within the subject area.

608-B Blood Borne Pathogens

- a) Successful completion of a Train the Trainer course consisting of a minimum of 6 hours with an emergency response organization, or
- b) other documentation of expertise or specialization in the Blood Borne training area deemed equivalent by the Council.

609 Principles and Operation Of Radar

- a) Successful completion of a specific professional training course (instructor level) on the subject matter, or
- b) other specific training and experience within the subject matter deemed equivalent by the Council.

610 Impaired Driving

- a) Successful completion of a specific professional training course (instructor level) on the subject matter, or
- b) other specific training and experience within the subject matter deemed equivalent by the Council.

610-A Intoximeter Certification

- a) A State of Connecticut Breath Analysis Instrument, Instructor/Operator Certification.

610-B DMV Per Se Hearings

- a) Successful completion of a Train the Trainer Course approved by the POST Council staff, or
- b) a trained member of the DMV Per Se unit.

611 Motor Vehicle Law and Enforcement

- a) Successful completion of a specific professional training course (instructor level) on the subject matter, or
- b) other specific training and experience within the subject area, or
- c) a person who held the rank of Sergeant or above.

612 Patrol Preparation and Techniques

- a) Successful completion of formal criminal justice, law enforcement or other relevant courses of study in the subject area, or
- b) successful completion of a number of specific professional training courses which together serve to enhance the knowledge and understanding of the applicant in this subject area, or
- c) other specific training and experience within the subject area, or
- d) a person who has held the rank of Sergeant.

613 Police Communications

- a) Successful completion of an appropriate one-semester criminal justice, law enforcement or other relevant course of study, or
- b) successful completion of a specific professional training course for dispatchers, or
- c) other specific training and experience within the subject area.

614 Collect System

- a) Members of the NCIC Unit or with the NCIC unit managers' endorsement.

615 Weapons of Mass Destruction (WMD)

- a) POSTC approved train the trainer program sponsored /approved (DOJ/Homeland Security).

616 Vehicle Stop Tactics

- a) Successful completion of a specific professional training course appropriate for the subject, or
- b) other specific training and experience within the subject area.

617 Civil Complaints and Service

- a) Specific training or experience with the subject matter.

618 Report Writing
