"Managing your POSTC Accreditation Assessment in PowerDMS"

Tuition:      **Free (Webinars)**

## COURSE ANNOUNCEMENT

Since many agencies are or will be using PowerDMS for their accreditation, POST-C in partnership with PowerDMS, will be hosting two virtual training events for managing agency compliance and accreditation.

**On Wednesday, October 19th at 10:00 a.m. EDT.,** "*Getting Started with PowerDMS for POSTC*" will provide a birds-eye view of PowerDMS features and functions for both agency administrators and individual users as well as assessment set-up and adding proofs of compliance to the standards.

**On Thursday, October 20th at 1:00 p.m. EDT,** "*Managing your POSTC Assessment in PowerDMS*", will review more advanced functionalities such as advanced attachments, filtering assessment information, and analytics.  No previous experience with PowerDMS is needed for either session.

Amy Reynolds, a PowerDMS Certified Professional and expert, and law enforcement accreditation consultant with over 18 years of experience in criminal justice, will facilitate these user groups using her extensive knowledge of helping other agencies achieve and maintain accreditation.

**To participate, you must let us know you will be attending by using the links below to register directly through PowerDMS.**

**DISCLAIMER:** The Police Officer Standards and Training Council (POSTC) makes every effort, within its ability and resources, to provide the highest quality, most relevant in-service training programs available at minimum cost to all Connecticut police officers and agencies. However, POSTC does not provide legal advice, and does not endorse the accuracy or completeness of specific in-service training programs provided by each of its many contractors and training providers. The materials and opinions of individual providers offered during the course of in-service training are those of the instructor alone, and do not necessarily represent the position of the Police Officer Standards and Training Council or the State of Connecticut. Given the multitude of disparate factual scenarios with which law enforcement personnel are presented in the discharge of their official duties, students and sponsoring agencies are strongly advised and encouraged to seek the advice and counsel of their own legal advisors before implementing concepts or adopting specific measures discussed or recommended during in-service training sessions.
