Police Officer Standards and Training

Subject: John M. Bailey Seminar  
Mandatory Police Training: CGS 7-294m  
Re: New Legal Developments Which Concern Police Policies and Practices

Date: June 16, 2023

Tuition: **NO COST**

**COURSE ANNOUNCEMENT**

The Department of Emergency Services and Public Protection, Police Officer Standards and Training Field Services Training Division in conjunction with the Office of the Chief State's Attorney (OCSA) has scheduled **ONE mandatory training session on September 15, 2023, from 9:00 AM to 1:00 PM. Registration will begin at 8:00 AM. This training will be held at Choate School's Colony Hall. The address for directions (Primary parking lot) is, 333 Christian Street, Wallingford, CT 06492.**

**Special Instructions:**

- **Parking** immediately adjacent to the venue is limited to 120 vehicles. It is requested that individuals from the same agency carpool as much as possible. Personnel will be on hand to direct you to alternate parking.
- If you are NOT in uniform, **weapons** MUST be covered/out of sight when not in the training room, at the request of the school.

Those **REQUIRED** to attend this training are **LIMITED** to very few identifiable people. In most cases it is the Chief of Police **and** the second-in-command. Any law enforcement unit, which has more than one second-in-command (e.g., two deputy chiefs or a unit in which the Chief of Police and his second-in-command go on vacation simultaneously) should send the individual who would most likely be designated to serve in the absence of the Chief. Any questions on who **must** attend can be directed to the Director of Field Services Training Division.

The session will focus on new Public Acts and any recent decisions of the U.S. Supreme Court, Second Circuit Court of Appeals, and the Connecticut Appellate Courts which have direct impact on police work in Connecticut. The training will be instructed by the Office of the Chief State's Attorney and others.

Attendance in this class is unlimited and **NO CONFIRMATION WILL BE SENT**. Please complete a registration form for each attendee from the web and email it to William Tanner at [william.tanner@ct.gov](mailto:william.tanner@ct.gov) **no later than close of business, Thursday, August 10, 2023, so that course material can be printed**. If you have any questions, please contact the Field Services Training Division at 203-427-2625.

Attendees will receive Review Training Credit hours as will be determined when the final agenda is compiled. We are planning to record this training and make the recording available if needed for those unable to attend. Those details will be set later.

Because of the short training time, lunch will not be provided and there will be no lunch break.

Professional, business attire or uniform-of-the day is required.

**Training Officers:** Please be sure to include your department email address and the **email AND POST ID (Sworn personnel) of the student to be enrolled** on all applications to ensure prompt communications of all in-service training matters.

**DISCLAIMER:** The Police Officer Standards and Training Council (POSTC) makes every effort, within its ability and resources, to provide the highest quality, most relevant in-service training programs available at minimum cost to all Connecticut police officers and agencies. However, POSTC does not provide legal advice, and does not endorse the accuracy or completeness of specific in-service training programs provided by each of its many contractors and training providers. The materials and opinions of individual providers offered during the course of in-service training are those of the instructor alone, and do not necessarily represent the position of the Police Officer Standards and Training Council or the State of Connecticut. Given the multitude of disparate factual scenarios with which law enforcement personnel are presented in the discharge of their official duties, students and sponsoring agencies are strongly advised and encouraged to seek the advice and counsel of their own legal advisors before implementing concepts or adopting specific measures discussed or recommended during in-service training sessions.
