

Pedestrian/Bicycle Crash Investigation Update & Demonstration

UConn

UNIVERSITY OF CONNECTICUT

Register [Here](#) or at:

www.s.uconn.edu/ped_bike_class

This three-day program presented by Mr. Tony Becker, an ACTAR Certified Expert, is designed for crash investigators who require additional training in the pedestrian and bicycle crash field. During this training, participants will learn to identify and interpret physical evidence specific to the scene, vehicle, and victim.

Includes a Live Crash Event and Field Crash Scene Investigation!
