

The Waterford Police Department will be hosting a five-day Evidence Collection & Processing Training hosted by SIRCHIE, July 22-29, 2024. The cost is \$650.00 per person. This is a comprehensive hands-on evidence collection & processing training. Participants will learn about crime scene management, fingerprint theory, latent print processing powders and chemicals, crime scene photography, serial number restoration, firearms, ballistics and GSR, alternate light source, among many more. Please register on the SIRCHIE website under the training tab select Evidence Collection or click the link below. Any questions please contact Training Officer Megan Sylvestre at the Waterford Police Department at msylvestre@waterfordct.org. Class is limited to 25 seats.
