

Patrol Rifle Instructor - LE | Mil | Corrections

The Patrol Rifle Instructor class will bring your shooting/teaching to the next level by building your confidence, speed, efficiency in shooting and expanding your knowledge with a patrol rifle. Be prepared to have an exceptional understanding of your own rifle skills through time standards and reps. This (3) day class will go well beyond the basics of a standard patrol rifle class as we take the time to build each student up around the fundamentals of shooting and prepare them for real world encounters. Students of this class will learn a very simple way to present rifle drills and skills to their own students.

Topics Covered:

- Fundamentals of shooting a carbine
- Ready Positions + Time Standards
- Driving the carbine
- Positional Shooting + Time Standards
- Malfunctions
- Reloads - Tactical vs. Emergency
- Weapon transitions
- Target transitions
- Turns and pivots
- Use of cover
- Shooting on the move
- Shooting around Vehicles
- Ballistic Review
