

Training in Windsor Locks, CT!

Pedestrian/Bicycle Crash Investigation - Level II

(40 Hours)

This course will provide you with the latest theories and approaches to pedestrian/bicycle traffic crash investigations. Building upon the topics presented in IPTM's Pedestrian/Bicycle Crash Investigation - Level I, our focus in this advanced class will be on the analysis phase of the crash as well as on collisions that occur at night or during other conditions of degraded visibility.

We'll show you how to develop a systematic approach to the analysis of these crashes so that you will have all the tools and data necessary to understand and explain collision avoidance issues. You will be introduced to the equations and data needed to analyze the speed of both the vehicle and the pedestrian/cyclist at impact.

Actual pedestrian visibility testing will be conducted to help you understand the visibility issues associated with many pedestrian/cyclist crashes. To assist you in completing your investigations, you will be required to conduct pedestrian rate-of-movement testing to augment the pedestrian speed data reviewed in class.

Topics include:

- Review of pedestrian/cyclist impact dynamics and injuries
- Pedestrian and vehicle speed determination methods
- Visibility issues and nighttime perception-reaction times
- Pedestrian rate-of-movement research and data
- Pedestrian visibility research and data

- Collision avoidance issues and determination
- Real world case analysis for understanding and practicing vehicle and pedestrian speed determination
- Real world case analysis for understanding collision avoidance issues
- Pedestrian visibility and rate-of-movement field work

Prerequisite: You must have successfully completed IPTM's *Pedestrian/Bicycle Crash Investigation - Level I* course or its equivalent.

Audience: Law enforcement and private traffic crash investigators, claims adjusters, engineers, attorneys, safety officers, military investigative personnel, animators and graphic designers

Course Fee: \$895

October 28 - November 1, 2024

**Connecticut Fire Academy 34
Perimeter Road Windsor Locks, CT
06096**

This course is eligible for 40 ACTAR CEUs. Please call us at (904) 620-4786 for details.

REGISTRATION AND FEES

Full payment must accompany all registrations. You may register online at www.IPTM.org and pay with your Visa, MasterCard, Discover or American Express credit card, or you may download a registration form and mail it to IPTM with a check.

CANCELLATION/REFUND POLICY

Complete the Cancellation Request Form and return it to IPTM. No telephone cancellations will be accepted. A 20% administrative fee will be assessed to all refunds if the cancellation request is received within 14 days of the course start date. In lieu of a refund, student substitutions can be made or a credit can be issued for a future course. Credit must be used within one year and cannot be refunded. No refunds will be given for no-shows.

LOGGING

Most locations are served by several major airlines. Ground transportation, food and lodging are the responsibility of the student. For more information, please visit our website at www.IPTM.org or call us at (904) 620-4786.

COURSE CONFIRMATIONS

A minimum number of registrations must be received for a class to run as scheduled. When the minimum criterion has been met, you will receive confirmation by email.

Please do not make airline reservations until you receive written notification confirming that the course will run as scheduled.

To register online, visit www.IPTM.org
