Hello State Board,

I am the Pastor of the Russell Temple CME Church, founder of FaithACTS for Education, and The President of the Interdenominational Ministerial Alliance in Bridgeport and vicinity. I am writing this email to recommend the state board give Capital Harbor Prep a five year renewal as opposed to a three year renewal. This school has demonstrated 100% graduation rates with kids over the past five years and this year with kids attending Ivy league schools and millions of dollars being given in scholarships, some with full rides. This is a testament to the schools commitment to excellence. Thanks for your consideration.

Respectfully submitted,
Pastor, William McCullough
