Dr. Maduko spoke of meeting the challenges of changes in the federal landscape, as well as the start of legislative session, in addition to the need for increased funding in education necessary to meet the evolving needs of students.

G. NASBE

Ms. Record reported on the NASBE Member Exchange. She highlighted Vice Chair Benham has been reappointed as the NASBE Northeast Director. Also, she, Paula Gilberto, and Gladys Labas will meet with NASBE CEO about HQIM and how NASBE can leverage what we are doing in our state. Board Member Gilberto provided a report on HQIM.

G. SERC

Pro Tem Harris reported that the Vice Chair Benham's written report was in the Supplemental Folders and highlighted the four flyers that were also enclosed.

V. Report of the Commissioner and Agency Update

The Commissioner referenced that her written report was in the Board's Supplemental Folders. She highlighted that the activities are laid out in alignment with the board priorities.

Enrollment and Staff Data

The Commissioner invited Chief Performance Officer Ajit Gopalakrishnan to the table. Mr. Gopalakrishnan reported on the new student enrollment number of 497,764. He also reported on the Certified FTE staff and the Non-Certified FTE staff. The Commissioner confirmed that all the dashboards were updated.

The Board members engaged with questions.

Rural Health Transformation Program

The Commissioner stated that CT was awarded \$154 million from the Centers for Medicare & Medicaid Services (CMS) that is aimed at improving healthcare access in rural areas of the state. She invited Division Director John Frassinelli, School Health, Nutrition, and Family Services to present. He

informed the board that this was five-year grant with multiple agencies involved with the focus on rural health districts. The CSDE application includes plans to develop a model to strengthen mental and behavioral health systems across identified rural school districts.

CT Curriculum Teacher Leader Fellowship

The Commissioner spoke on elevating our framework and pointing out an initiative for teacher leadership. She invited Chief Academic Officer Irene Parisi to the table. Ms. Parisi reported that there are currently 145 teacher leaders across 60 districts. The fellowship is designed to identify and support teachers as leaders in the area of high-quality curriculum leadership skills.

The Commissioner noted work on professional learning, coaching, and a technical assistance program on assessments and sensible assessments for our districts.

The Commissioner highlighted the following:

- Joined leaders from the Connecticut Technical Education and Career System (CTECS), CT State, and the Office of Workforce Strategy for the signing of a Memorandum of Agreement between CTECS and CT State expanding dual-credit opportunities for students at CTECS schools.
- Joined Governor Lamont, West Hartford Superintendent Paul Vicinus, local leaders, and community partners at Smith STEM School in West Hartford to highlight a \$12.5M investment that expands access to free school meals.
- Chief Academic Officer Irene Parisi attended the inauguration of CT's 2026 Kid Governor Tessa Hallinan at the Old State House.
- Attended Governor Lamont's 2026 Opening Day Address to the General Assembly.

Update on Hartford Public Schools Fiscal Operations

Chief Strategic Planning Officer Keith Norton reported that on February 4, 2026, the CSDE Accountability and Support Team met with HPS Superintendent Dr. Andrae Townsel and members of his executive cabinet to discuss the district's efforts towards fulfilling the 64 recommendations derived from Public Works, New Solutions K12, and the Office of Internal Audit's magnet school analysis. The purpose of the meeting was to discuss coordination between HPS and AST teams to align support for the district.

Update Bridgeport Public Schools – Action to Address District Needs

Deputy Commissioner Charles Hewes reported that there has been significant focus on support for financial and human resources procedural development with the district.

Financial and Human Resources Improvement

- ❖ On January 29, 2026, Interim Superintendent of Schools, Dr. Royce Avery presented the Superintendent's 2026-27 Proposed Budget to the Bridgeport Board of Education (BBE).
- ❖ On February 3, 2026, the Commissioner of Education met with the Interim Superintendent to discuss items identified by the CSDE, the Technical Assistance Team, and Public Works that may result in additional cost efficiencies within the Superintendent's Budget.
- ❖ On February 4, 2026, the BBE Operations Committee met to discuss the budget.
- ❖ On February 9, 2026, the full BBE met and adopted a budget increase of approximately 36 percent over FY26. The increase reflects both the Superintendent's Budget requests and the restoring of various positions reduced since FY13.

Facilities and Maintenance

The district has made progress in the area of nutrition. Restoring and adequately utilizing all the funding.

School Climate

The district has made much success with their District Attendance Team in addressing chronic absenteeism.

Regular and Special Education

There has been focus on some of the special education providers in the district. The Technical Assistance Team visits and makes contact with external providers of special education to ensure that the district is monitoring the educational programming for students and is maximizing the contracted language of the services being provided.

Operational Efficiency and Effectiveness of the Bridgeport Board of Education

The Bridgeport Board of Education has created a search committee for the new superintendent. It is the expectation that the board is publicly representing their readiness to attract high-quality candidates.

Board members engaged in questions.

Update on Special Education

Division Director Bryan Klimkiewicz provided a Special Education Systems Review update based on the WestEd Final Report shared at the January 14, 2026, meeting. The Commissioner noted that this was the first update since the report from WestEd was released. Mr. Klimkiewicz noted the system involved a vast collection of data with four strategic areas:

- Vision
- Improving Infrastructure
- Instructional Impact
- Accountability and Improvement

He then highlighted the "Actions to Date" under each strategic area.

- Meetings with Public Consulting Group, the vendor that supports the CT-SEDS System on a usability study.
- Submission of the CSDE's report related to special education to the federal Office of Special Education Programs (OSEP).
- Posting for a special education attorney position.

B. State Board of Education Conversion Report

In 2024, the Connecticut State Department of Education (CSDE) contracted with SERC to carry out the responsibilities established in Section 121 for PA 24-81 and make recommendations to the Commissioner to develop a plan to:

- convert the State Board of Education from being the department head of the Department of Education, as defined in section 4-5 of the general statutes, to an advisory board within the department, and
- empower the Commissioner of Education to become the department head for the Department of Education

Chief of Staff/Legislative Liaison Laura Stefon, CSDE, Executive Director Dr. Ingrid Canady, SERC, and Associate Director Marjorie Davis, SERC, presented.

Ms. Stefon opened with an introduction of historical context for this report.

Dr. Canady presented on SERC's charge to develop a publication based on research and evaluation and highlighted that the Conversion Report was based on that research. Dr. Canady further detailed the approach and methodology to (i) research all 50 states to determine which of those states has the state board of education as an advisory board, and which states had the Commissioner as the head, and (ii) examine the statutory structure of every model of governance. Dr. Canady concluded that they looked at the unique position of CT.

Ms. Davis presented on the analysis that went into producing the report. They analyzed all the benefits and challenges of a Single-Head Governance Structure. They concluded the report with Recommendations.

The Board members engaged with questions.

Pro Tem Donald Harris asked for a motion to adjourn the meeting. Board Member Zimmerman moved, and Board Member Record seconded the motion to adjourn.

Pro Tem Harris adjourned the meeting at 12:45 p.m.
