

EARLY CHILDHOOD PROFESSIONAL DEVELOPMENT

Professional Learning for Early Childhood Special Education Professionals in Connecticut

CT Guide to Intervention Models for Children With Autism Spectrum Disorders in Inclusive School Settings

This opportunity includes a half-day event where the CT Guide to Intervention Models for Children With Autism Spectrum Disorders in Inclusive School Settings will be reviewed . This session will be followed by 3 technical assistance sessions. Throughout all of the sessions, districts will participate in facilitated discussion about current delivery of autism services in their district and be introduced to five evidence-based models of intervention designed to support access and to support PPT decisions about the continuum of LRE for our youngest students requiring specific programming for ASD. December 3, 2021 12:00-3:00 pm. Technical assistance dates TBD.
