- Examinee institution affiliation is based on self-reported information at the time of test registration.
- First-time Pass Rate refers to candidate performance at the point of completing the four CAT modules for the first time.
- Each year's analysis is based on October/November, March June and August administrations of the CAT.
- Other refers to candidates reporting no current university affiliation, or previously enrolled in a no-longer accredited program.
- * New program started 2011-2012
- ** 2013-2014 includes the performance of candidates held to the old passing standard of "7" as well as candidates held to the new passing standard of "8."
- *** 2014-2015 includes performance of candidates held only to the new passing standard of "8."
